FOR IMMEDIATE RELEASE

**NOVOGRADAC & COMPANY LLP NAMED AS ONE OF THE 25 BEST MANAGED
ACCOUNTING FIRMS
IN THE NATION**

INSIDE Public Accounting Recognizes Firm in its Best of the Best Honors

SAN FRANCISCO – Novogradac & Company LLP again this year has been named by *INSIDE Public Accounting* (IPA) as one of the nation's 25 best-managed public accounting firms. The publication recognizes the best firms based solely on fiscal and management performance. This is the firm's fourth consecutive year being named as one of the 25 best accounting firms in the country.

As one of the Best of the Best, Novogradac & Company LLP was selected from hundreds of firms that participated in the IPA annual survey of accounting firms. Selection was based on more than 25 criteria that the publication says are "commonly accepted indicators of great

management of accounting firms." They include human resources and staff issues, management of resources, and rewards to workers, as well as fiscal health. Size and location are not factors, according to *INSIDE Public Accounting*, but wise management and superior operation performance that exceeds that of other firms are.

"We are proud of this achievement because it underscores the importance of recruiting and retaining professionals that are dedicated to providing our clients with the best service available in a challenging marketplace," said Michael J, Novogradac, managing partner in the San Francisco office. "The hard work, talent and commitment of our professionals are key to our continued success."

Inside Public Accounting is a monthly newsletter that has reported on accounting firms since 1987. The newsletter has named Best of the Best firms annually since 1994.

San Francisco-based Novogradac & Company LLP is a national certified public accounting and consulting firm with offices in San Francisco, and Long Beach Calif.; Metro Atlanta, Ga., Washington, D.C., and Kansas City, Mo.; Austin, Texas; Dover, Ohio; and Boston, Mass. It serves clients in a broad range of industries with an emphasis in the real estate and service sectors. The firm provides national clients with a full spectrum of audit, tax, valuation, litigation support, and general consulting services to publicly and privately held enterprises.
