

## Assembly Bill No. 807

### CHAPTER 555

An act to amend Section 50517.5 of, and to add Section 50517.10 to, the Health and Safety Code, relating to housing, and making an appropriation therefor.

[Approved by Governor October 5, 2001. Filed with Secretary of State October 7, 2001.]

#### LEGISLATIVE COUNSEL'S DIGEST

AB 807, Salinas. Farmworker housing.

The existing Joe Serna, Jr. Farmworker Housing Grant Program requires the Department of Housing and Community Development to make grants from the Joe Serna, Jr. Farmworker Housing Grant Fund, a continuously appropriated fund, to local public entities and nonprofit corporations for the construction or rehabilitation of housing for agricultural employees and their families. Grants may also be made for the purchase of the land in connection with the housing and for the construction and rehabilitation of related support facilities necessary to the housing.

This bill would authorize the department to make grants and loans from the Joe Serna, Jr. Farmworker Housing Grant Fund to local public entities and nonprofit corporations to establish capitalized operating reserves for short-term occupancy housing for migrant farmworker households. By expanding the purposes of a continuously appropriated fund, this bill would make an appropriation.

This bill would incorporate additional changes to Section 50517.5 of the Health and Safety Code proposed by AB 1160, to be operative if AB 1160 and this bill are both enacted and become effective on or before January 1, 2002, and this bill is enacted last.

Appropriation: yes.

*The people of the State of California do enact as follows:*

SECTION 1. Section 50517.5 of the Health and Safety Code is amended to read:

50517.5. (a) (1) The department shall establish the Joe Serna, Jr. Farmworker Housing Grant Program under which, subject to the availability of funds therefor, grants shall be made to local public entities and nonprofit corporations for the construction or rehabilitation of housing for agricultural employees and their families. Under this

program, grants may also be made for the purchase of land in connection with housing assisted pursuant to this section and for the construction and rehabilitation of related support facilities necessary to the housing. In its administration of this program, the department shall disburse grant funds to the local public entities and nonprofit corporations or may, at the request of the local public entity or nonprofit corporation that sponsors and supervises the rehabilitation program, disburse grant funds to agricultural employees who are participants in a rehabilitation program sponsored and supervised by the local public entity or nonprofit corporation. No part of a grant made pursuant to this section may be used for project organization or planning.

(2) The program shall be administered by the Director of Housing and Community Development and officers and employees of the department as he or she may designate.

(b) (1) The Joe Serna, Jr. Farmworker Housing Grant Fund is hereby created in the State Treasury. Notwithstanding Section 13340 of the Government Code, all money in the fund is continuously appropriated to the department for making grants pursuant to this section and Section 50517.10 and for costs incurred by the department in administering these grant programs.

(2) There shall be paid into the fund the following:

(A) Any moneys appropriated and made available by the Legislature for purposes of the fund.

(B) Any moneys that the department receives in repayment or return of grants from the fund, including any interest therefrom.

(C) Any other moneys that may be made available to the department for the purposes of this chapter from any other source or sources.

(c) Grants made pursuant to this section shall be matched by grantees with at least equal amounts of federal moneys, other cash investments, or in-kind contributions.

(d) With respect to the supervision of grantees, the department shall do the following:

(1) Establish minimum capital reserves to be maintained by grantees.

(2) Fix and alter from time to time a schedule of rents that may be necessary to provide residents of housing assisted pursuant to this section with affordable rents to the extent consistent with the maintenance of the financial integrity of the housing project. No grantee shall increase the rent on any unit constructed or rehabilitated with the assistance of funds granted pursuant to this section without the prior permission of the department, which shall be given only if the grantee affirmatively demonstrates that the increase is required to defray necessary operating costs or avoid jeopardizing the fiscal integrity of the housing project.

(3) Determine standards for, and control selection by grantees of, tenants and subsequent purchasers of housing constructed or rehabilitated with the assistance of funds granted pursuant to this section.

(4) (A) Require as a condition precedent to a grant of funds that the grantee be record owner in fee of the assisted real property and that the grantee shall have entered into a written agreement with the department binding upon the grantee and successors-in-interest to the grantee. The agreement shall include the conditions under which the funds advanced may be repaid. The agreement shall include provisions for a lien on the assisted real property in favor of the State of California for the purpose of securing performance of the agreement. The agreement shall also provide that the lien shall endure until released by the Director of Housing and Community Development.

(B) In the event that funds granted pursuant to this section constitute less than 25 percent of the total development cost or value, whichever is applicable, of a project assisted under this section, the department may adopt, by regulation, criteria for determining the number of units in a project to which the restrictions on occupancy contained in the agreement apply. In no event may these regulations provide for the application of the agreement to a percentage of units in a project that is less than the percentage of total development costs that funds granted pursuant to this section represent.

(C) Contemporaneously with the disbursement of the initial funds to a grantee, the department shall cause to be recorded, in the office of the county recorder of the county in which the assisted real property is located, a notice of lien executed by the Director of Housing and Community Development. The notice of lien shall refer to the agreement required by this paragraph for which it secures and it shall include a legal description of the assisted real property that is subject to the lien. The notice of lien shall be indexed by the recorder in the Grantor Index to the name of the grantee and in the Grantee Index to the name of the State of California, Department of Housing and Community Development. The department shall adopt by regulation criteria for the determination of the lien period. This regulation shall take into account whether the property is held by multifamily rental, single-family ownership, or cooperative ownership and whether it is new construction or rehabilitative construction.

(D) Pursuant to regulations adopted by the department, the department may execute and cause to be recorded in the office of the recorder of the county in which a notice of lien has been recorded, a subordination of the lien. The regulations adopted by the department shall provide that any subordination of the lien shall not jeopardize the

security interest of the state and shall further the interest of farmworker housing. The recitals contained in the subordination shall be conclusive in favor of any bona fide purchaser or lender relying thereon.

(5) Regulate the terms of occupancy agreements or resale controls, to be used in housing assisted pursuant to this section.

(6) Provide bilingual services and publications, or require grantees to do so, as necessary to implement the purposes of this section.

(7) The agreement between the department and the grantee shall provide, among other things, that both of the following occur:

(A) Upon the sale or conveyance of the real property, or any part thereof, for use other than for agricultural employee occupancy, the grantee or its successors shall, as a condition for the release of the lien provided pursuant to paragraph (4), repay to the fund the department's grant funds.

(B) Upon the sale or conveyance of the real property or any part thereof for continued agricultural employee occupancy, the transferee shall assume the obligation of the transferor and the real property shall be transferred to the new owner; provided that the transferee agrees to abide by the agreement entered into between the transferor and the department and that the new owner takes the property subject to the lien provided pursuant to paragraph (4), except that this lien shall, at the time of the transfer of the property to the new owner, be extended for an additional lien period determined by the department pursuant to paragraph (4), and the new owner shall not be credited with the lien period that had run from the time the transferor had acquired the property to the time of transfer to the new owner, unless the department determines that it is in the best interest of the state and consistent with the intent of this section to so credit the lien period to the new owner. However, the lien shall have priority as of the recording date of the lien for the original grantee, pursuant to paragraph (4).

(e) The department may do any of the following with respect to grantees:

(1) Through its agents or employees enter upon and inspect the lands, buildings, and equipment of a grantee, including books and records, at any time before, during, or after construction or rehabilitation of units assisted pursuant to this section. However, there shall be no entry or inspection of any unit that is occupied, whether or not any occupant is actually present, without the consent of the occupant.

(2) Supervise the operation and maintenance of any housing assisted pursuant to this section and order repairs as may be necessary to protect the public interest or the health, safety, or welfare of occupants of the housing.

(f) The department shall include in its annual report required by Section 50408, a current report of the Joe Serna, Jr. Farmworker Housing Grant Program. The report shall include, but need not be limited to, (1) the number of households assisted, (2) the average income of households assisted and the distribution of annual incomes among assisted households, (3) the rents paid by households assisted, (4) the number and amount of grants made to each nonprofit corporation and local public entity in the preceding year, (5) the dollar value of funding derived from sources other than the state for each project receiving a grant under this section, and an identification of each source, (6) recommendations, as needed, to improve operations of the program and respecting the desirability of extending its application to other groups in rural areas identified by the department as having special need for state housing assistance, and (7) the number of manufactured housing units assisted under this section.

(g) As used in this section:

(1) “Agricultural employee” has the same meaning as specified in subdivision (b) of Section 1140.4 of the Labor Code, but also includes any person who works at a packing shed for a labor contractor or other entity that contracts with an agricultural employer in order to perform services in connection with handling, drying, packing, or storing any agricultural commodity in its raw or natural state, whether or not this person is encompassed within the definition specified in subdivision (b) of Section 1140.4 of the Labor Code.

(2) “Grantee” means the local public entity or nonprofit corporation that is awarded the grant under this section and, at the request thereof, may include an individual homeowner receiving direct payment of a grant for rehabilitation under this section who occupies the assisted housing both before and after the rehabilitation and who is a participant in a rehabilitation program sponsored and supervised by a local public entity or nonprofit corporation.

(3) “Housing” may include, but need not be limited to, conventionally constructed units and manufactured housing.

(h) The department may provide the assistance offered pursuant to this chapter in any area where there is a substantial unmet need for farmworker housing.

(d) With respect to the supervision of grantees, the department shall do the following:
