## Applicant Instructions

- Read the relevant New Markets Tax Credit (NMTC) Program publications prior to completing the *Allocation Application*. For information on the 2011 NMTC Program allocation round, read the *Notice of Allocation Availability (NOAA)* and the *Community Development Financial Institutions Fund's* (the CDFI Fund's) document titled "NMTC *Allocation Application* Q&A Document." For tax related information on the NMTC Program, read the final regulations issued by the Internal Revenue Service (26 CFR 1.45D-1) and related guidance. For information on *Community Development Entity (CDE)* certification, read the CDFI Fund's document titled "CDE Certification Q&A Document." All of these documents are available on the CDFI Fund's website at [www.cdfifund.gov](http://www.cdfifund.gov). The CDFI Fund's Q&A documents are periodically updated, so continue to check the website on a regular basis.
- Consult the Glossary of Terms when completing the *Allocation Application*. All terms and phrases that are in *Capitalized Italics* in the *Allocation Application* are defined in the Glossary of Terms.
- If the *Applicant* has not been certified as a *CDE* by the CDFI Fund, it must submit its *CDE Certification Application* to the Bureau of Public Debt (BPD, the entity that is handling intake of applications on behalf of the CDFI Fund) so that it is **Postmarked on or before June 22, 2011**. The *CDE Certification Application* is available on the CDFI Fund's website at [www.cdfifund.gov](http://www.cdfifund.gov). Organizations whose *CDE Certification Applications* are not received at BPD in a timely fashion will be considered ineligible for *NMTC Allocations* in the 2011 round of the Program. An *Applicant* that is a *Community Development Financial Institution (CDFI)* or *Specialized Small Business Investment Company (SSBIC)* does not need to submit a *CDE Certification Application* to BPD, but **must register** as a *CDE* on the CDFI Fund's website by **5:00 pm, Eastern Time, on June 22, 2011**.

**TIP:** The CDFI Fund cannot process a *CDE Certification Application* unless each entity seeking certification as a *CDE*: (a) is a legal entity, and is a domestic corporation or partnership for federal tax purposes; and (b) has a valid and distinct Employer Identification Number (EIN). *Applicants* or *Subsidiary Applicants* that have applied for, but not yet received, an EIN as of the date of the *Authorized Representative's* signature on the *Allocation Application* will not be accepted. For more information on EINs and applying for an EIN, refer to the *CDE Certification Q&A Document* on the CDFI Fund's website at [www.cdfifund.gov](http://www.cdfifund.gov).

**TIP:** The term "*Postmarked*," as used throughout this document, is defined by 26 CFR 301. 7502-1. In general, the CDFI Fund will require a *Postmarked* date that is on or before the applicable deadline. The document must be in an envelope or other appropriate wrapper, properly addressed and deposited in the U.S. mail. The document may be delivered by the United States Postal Service or any other private delivery service designated by the Secretary of the Treasury. For more information on designated delivery services, please see IRS Notice 2002-62.

- Carefully read the *Allocation Application* and the *NOAA* to determine whether the *Applicant* has the requisite eligibility, capacity, experience, and skills to compete for and administer a *NMTC Allocation*. Be sure also to review carefully the Assurances and Certifications provided in this document. By signing this *Allocation Application*, the *Applicant* is certifying to the truth, completeness, and correctness of this *Allocation Application*, including the items listed in the Assurances and Certifications.

- If the CDFI Fund determines that any portion of the *Allocation Application* is incorrect in any material respect, the CDFI Fund reserves the right, in its sole discretion, to reject the *Allocation Application*.
- As the *Applicant* prepares the *Allocation Application*, assume that the CDFI Fund's *Allocation Application* reviewers are learning about the organization for the first time, even if the organization has previously submitted an application to the CDFI Fund under this or any of the other CDFI Fund programs.
- A start-up organization that does not have a track record of raising capital or offering products and services may reference the activities of its *Controlling Entity* in certain areas of the *Allocation Application*. However, a start-up may not reference the activities of individuals, including principals or board members, to demonstrate such track record. The activities and experiences of individuals may be addressed in the Management Capacity section.
- The term *Applicant* refers to the *CDE* applying for a *NMTC Allocation* as well as any other *Subsidiary* entities, whether already formed or in the process of formation, which may receive a transfer of all or a part of a *NMTC Allocation* from the *Applicant*. To the extent practicable, the *Applicant* may respond to each question in this *Allocation Application* collectively on behalf of all such entities. If responses vary for separate entities, be sure to clearly articulate which entity is being referenced in the narrative and tables.
- **Be sure to keep each narrative brief:** Please note that each narrative text response has a maximum character length of 1,000, 2,000, 3,000, 5,000, 8,000 or 10,000 characters (which, depending on font size, will range from about 1/3 of a page to about 2 pages). These character maximums include spaces, punctuation, and special characters. All text that exceeds the maximum set for a narrative text response (which is noted at the end of each question) will be truncated at the character limit.

### **DO NOT SUBMIT THIS ALLOCATION APPLICATION**

- **Use the online application:** This version of the *Allocation Application* is a read-only version. Any organization interested in applying for a *NMTC Allocation* from the CDFI Fund is expected to submit an online *Allocation Application*. *Applicants* may access the online *Allocation Application* as soon as it is made available by logging in through myCDFI Fund on the CDFI Fund's website at [www.cdfifund.gov](http://www.cdfifund.gov). *Applicants* who have not already done so are encouraged to register a user account through myCDFI Fund as soon as possible. Please contact the CDFI Fund's IT Help Desk at (202) 622-2455 or [ithelpdesk@cdfi.treas.gov](mailto:ithelpdesk@cdfi.treas.gov) if you are having problems registering under myCDFI Fund. **The online *Allocation Application* must be received no later than 5:00 pm, Eastern Time, on July 27, 2011.** Complete instructions regarding the electronic submission requirements will be posted on the CDFI Fund's website at [www.cdfifund.gov](http://www.cdfifund.gov) when the online *Allocation Application* is made available.
- § **Required Investor Letters:** *Applicants* completing Table E1 are required to submit *Commitment* letters or letters of interest from investors per the TIPs for Exhibit E. Please upload these documents electronically through the *Applicant's* myCDFI Fund account. In doing so, an *Applicant* is also validating the following information: name of investor, dollar amount of equity sought or obtained (or dollar amount of debt, in the case of an investor partnership using debt capital), status of the investment request (e.g., funds received, *Commitment* of funds, *Letter of Interest/Intent*). If the documents do not contain such information and validate the information entered in Table E1 or are missing altogether, the *Applicant* could lose points under the Capitalization Strategy section. For examples of acceptable documentation for the required information, refer to the CDFI Fund's *NMTC Allocation Application* Q&A Document.
- **Submitting Signature Pages and Required Documents:** All *Applicants* will be required to upload signature pages and other documents (*Letters of Interest/Intent*, *Commitment* letters and

organizational charts) electronically through their myCDFI Fund accounts. An *Applicant* will be instructed on how to upload the aforementioned signature page and other documents (i.e., attachments) at the time the *Applicant* submits its *Allocation Application*. **All attachments must be uploaded by 5:00 pm, Eastern Time, on July 29, 2011.** If the attachments are not received by the applicable deadline, they will not be given consideration as part of the review process. **Only those attachments requested by the CDFI Fund will be considered as part of the review process. Furthermore, the CDFI Fund will not accept any revisions or amendments to an application or the attachments once they have been submitted for review.**

- Part V - Information Regarding Previous Awards: All *Applicants* are required to complete Part V of the *Allocation Application*. *Applicants* who have not received previous NMTC *Allocations* or who have not received other CDFI Fund Awards (i.e. FA-TA, CMF, BEA) will simply need to respond “No” to Questions 44 and 45 and not respond to Question 46. *Applicants* who have not made QEs into previous *Allocatees* or assumed *Control* of previous *Allocatees* should respond “No” to Question 47. Part V relocates questions that had been located in the Management Strategy section of past Applications. Please note that Part V is not specifically scored as part of the Phase I review process, and is only considered if the *Applicant* is ranked highly enough to proceed to Phase II of the application review process.
- Each *Applicant* should expect that if it receives a *NMTC Allocation*, information provided in this *Allocation Application* will be used to determine the terms of an *Allocation Agreement*.
- The contents of this *Allocation Application* are consistent with the Internal Revenue Code Section 45D (the Code) and the [NMTC Program Income Tax Regulations](#). In the event of any inconsistency between the contents of this *Allocation Application* and the Code or the [NMTC Program Income Tax Regulations](#), the provisions of the Code and the [NMTC Program Income Tax Regulations](#) shall govern.

**TIP:** If you have programmatic questions about the contents of this *Allocation Application*, you may contact the CDFI Fund by mail at 601 13<sup>th</sup> Street, NW, Suite 200 South, Washington, DC 20005, by e-mail at [cdfihelp@cdfi.treas.gov](mailto:cdfihelp@cdfi.treas.gov), by telephone at (202) 622-6355, by facsimile at (202) 622-7754, or visit the CDFI Fund’s website at [www.cdfifund.gov](http://www.cdfifund.gov). If you require information technology assistance in using the online *Allocation Application*, please call (202) 622-2455 or email [ithelpdesk@cdfi.treas.gov](mailto:ithelpdesk@cdfi.treas.gov).

The CDFI Fund will provide programmatic and information technology support related to the *Allocation Application* between 9:00 am and 5:00 pm, Eastern Time, through Monday, July 25, 2011. **The CDFI Fund will not respond to phone calls or emails concerning the *Allocation Application* that are received after 5:00 pm, Eastern Time, on Monday, July 25, 2011, until after the *Allocation Application* deadline of July 27, 2011.**

## Assurances and Certifications

Except for paragraphs 10, 11, 12 and 13 below, the inability of the *Applicant* to provide the General Certifications (section A, below) will render the *Applicant* ineligible to apply for a *NMTC Allocation*. If the *Applicant* cannot provide the General Certifications in paragraphs 10, 11, 12 and 13, the *Applicant* must submit a written explanation. The CDFI Fund will consider the explanation provided and determine, in its sole discretion, whether the *Applicant* is eligible to apply for a *NMTC Allocation*. If the *Applicant* cannot provide any of the other General Certifications, it should not submit an *Allocation Application*.

The inability of the *Applicant* to provide the Certification Regarding Debarment, Suspension, and Other Responsibility Matters (section B, below) will not necessarily result in the denial of participation in this "covered transaction." The *Applicant* must submit an explanation of why it cannot provide the Certification Regarding Debarment, Suspension, and Other Responsibility Matters. The Certification or explanation will be considered in connection with the CDFI Fund's determination whether to enter into this transaction (meaning, approval of the *Allocation Application* and entering into an *Allocation Agreement*). However, failure of the *Applicant* to furnish either the Certification or an explanation will disqualify the *Applicant* from participation in said transaction.

\_\_\_ Check here if the *Applicant* is submitting a written explanation.

**B. Certification Regarding Debarment, Suspension, and Other Responsibility Matters — Primary Covered Transactions**

1. This Certification is a material representation of fact upon which reliance is placed when the CDFI Fund enters into an *Allocation Agreement* with the *Applicant*. If it is later determined that the *Applicant* knowingly rendered an erroneous or false Certification, the CDFI Fund may terminate, in its sole discretion, the *Notice of Allocation* and the *Allocation Agreement* for cause or default.
2. The *Applicant* must provide immediate written notice to the CDFI Fund if at any time the *Applicant* learns that this Certification was erroneous or false when submitted or has become erroneous or false by reason of changed circumstances.
3. The terms “covered transactions,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this Certification, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. The *Applicant* may contact the CDFI Fund for assistance in obtaining a copy of those regulations (31 CFR part 19).
4. The *Applicant* agrees that, by submitting this *Allocation Application*, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the CDFI Fund.
5. The *Applicant* further agrees that, by submitting this *Allocation Application*, it will include the Certification titled “Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion-Lower Tier Covered Transaction,” to be provided by the CDFI Fund, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions (see 31 CFR part 19, Appendix B).
6. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous or false. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Non-procurement Programs. See [www.epls.gov](http://www.epls.gov) for more information.
7. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the Certification hereby required. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

8. Except for transactions authorized under paragraph 4 above, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the CDFI Fund may terminate, in its sole discretion, the *Notice of Allocation* and the *Allocation Agreement* for cause or default.

**C. Certification Regarding Debarment, Suspension, and Other Responsibility Matters – Primary Covered Transactions**

The prospective primary participant (the *Applicant*) certifies to the best of its knowledge and belief, that it and its principals:

- are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
- have not within a three-year period preceding this *Allocation Application* been convicted of or had a civil judgment rendered against them for: (i) commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction or contract under a public transaction; or (ii) violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
- are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State, or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and
- have not within a three-year period preceding this *Allocation Application* had one or more public transactions (Federal, State, or local) terminated for cause or default.

**NOTE:** Where the *Applicant* is unable to certify to one or more of the statements in the Certification Regarding Debarment, Suspension, and Other Responsibility Matters, the *Applicant* must attach a written explanation to this *Allocation Application*.

<sup>1</sup> For the purposes of Questions #2-6 in this *Applicant Information* section, the term *Applicant* shall only apply to the entity applying for a *NMTC Allocation*, and not to *Subsidiary* entities that may receive a transfer of all or part of a *NMTC Allocation*.

(i) *Applicant's* fiscal year end (month/day): \_\_\_\_\_

(j) Does the *Applicant* have any *Affiliates* that are applying for a *NMTC Allocation* in the 2011 round? (check one):  Yes  No

**TIP:** The answer to question 2(j) must be "No." An *Applicant* and its *Affiliates* may collectively submit only one application for *NMTC Allocations* under this round of the NMTC Program. If separate applications are received from multiple *Affiliated* entities, the CDFI Fund reserves the right to reject all such applications. For the purposes of this requirement, in addition to assessing whether *Applicants* meet the definition of the term "*Affiliate*" found in the *Allocation Application*, the CDFI Fund will consider: (i) whether the activities described in applications submitted by separate entities are, or will be, operated or managed as a common enterprise that, in fact or effect, could be viewed as a single entity; and (ii) whether the business strategies and/or activities described in applications submitted by separate entities are so closely related that, in fact or effect, they could be viewed as substantially identical applications. In such cases, the CDFI Fund reserves the right either to reject all applications received from all such entities or to select a single application as the only one that will be considered for an allocation. For more information regarding these requirements, please review the NOAA or *Allocation Application* Q&A Document on the CDFI Fund's website at [www.cdfifund.gov](http://www.cdfifund.gov). If you have questions about whether two entities are *Affiliated*, you should contact the CDFI Fund well in advance of the 2011 *NMTC Allocation Application* due date.

3. *Controlling Entity* Information:

Is the *Applicant* designating a *Controlling Entity*?  Yes  No

**TIP:** An *Applicant* may only designate an organization as a *Controlling Entity* that meets the definition of *Controlling Entity* set forth in the Glossary of Terms. Individuals cannot be deemed to be *Controlling Entities*. **The *Allocation Application* does not allow for more than one *Controlling Entity*.** Therefore, entities with more than one *Controlling Entity* will need to select one *Controlling Entity* to list in the application to assist in demonstrating track record and in completing the related exhibits. An *Applicant* may identify the parent organization/company of its parent as its *Controlling Entity* to demonstrate an organizational track record, provided that the relationship between the "grandparent" and the *Applicant* conforms to the CDFI Fund's definition of a *Controlling Entity*. Should the *Applicant* receive a *NMTC Allocation*, the entity that is designated as the *Controlling Entity* below will need to continue in that capacity throughout the term of the *Allocation Agreement* with the CDFI Fund.

**TIP:** The *Controlling Entity Representative* is required to affirm, through submission of a signature page, that it is indeed the *Controlling Entity* of the *Applicant* and supports the *Applicant's Allocation Application*.

The *CDE Certification Application* is available on the CDFI Fund's website at [www.cdfifund.gov](http://www.cdfifund.gov). The CDFI Fund cannot process a *CDE Certification Application* unless each entity seeking certification as a *CDE*: a) is a legal entity and is a domestic corporation or partnership for federal tax purposes; and b) has a valid and distinct EIN. An *Applicant* that is a *CDFI* or *SSBIC* does not need to submit a *CDE Certification Application*, but must register as a *CDE* on the CDFI Fund's website **on or before 5:00 pm, Eastern Time, on June 22, 2011**. ***CDE service area amendment requests will not be considered for purposes of this application unless filed by the deadline stated in the 2011 NOAA.***

7. Identify the type of service area that the *Applicant* will serve (check one). The service area identified here must be identical to the service area identified by the *Applicant* in its *CDE Certification Application* approved by the CDFI Fund:

  - \_\_\_\_\_ Multi-state service area
  - \_\_\_\_\_ Statewide (or territory-wide) service area
  - \_\_\_\_\_ Local service area (e.g., neighborhoods, cities, a county or contiguous counties, or metropolitan areas) within a state or territory

**TIP:** An *Applicant* serving a metropolitan area that crosses multiple states (e.g., the Washington, D.C. or Philadelphia metropolitan areas) should check "Multi-state service area."

**TIP:** If an *Applicant* would like to focus its investments in this *Allocation Application* on a subset of its certified service area, it may discuss this in the narrative response to Question 20. However, all *Applicants* must designate their entire certified service area (or the entire service area for which certification or a service area amendment is pending) in response to Questions 7 and 8.

8. Identify the particular geographical areas that the *Applicant* will serve. An *Applicant* that is serving a national service area must identify the 7 states with the largest amount of projected activities:

State(s): \_\_\_\_\_

- A brief summary of the products that the *Applicant* will offer, including both financial products and technical assistance.
- A brief summary of how the NMTCs will enhance the *Applicant's* product offerings.

**TIP:** Note that Question #11(a) is meant to be a brief summary of the *Applicant's* overall business strategy, thus it is not necessary to provide a detailed discussion of items that will be specifically covered in detail in other parts of the Business Strategy section.

**NOTE:**

The CDFI Fund will automatically generate *Allocatee* profile based on the responses to certain questions contained in the *Allocation Application*. Such profiles will be shared with the general public via the CDFI Fund's website or other public materials/forums. For more on what information will be contained in this profile, please see Question 14 in the 2011 Application Q&A document.

12. Estimate how long this *Allocation Application* form took to complete: \_\_\_\_\_ hours

**TIP:** For the purpose of estimating hours, *Applicants* should focus only on the amount of time it took to complete the questions asked in this application. Other activities that are carried out in the normal course of business and are only indirectly related to the completion of this application (e.g., securing investor *Commitments*; developing a business strategy or marketing plan; etc.) should not be included in this estimation. **In the electronic on-line application form, you will not be able to answer this question until all other application questions are complete.**

## Part I: Business Strategy

Total Maximum Points for Part I: 25 points, plus up to 10 additional “priority points” available under sub-sections B and E.

**TIP:** An *Applicant* will score well in this section to the extent it can articulate, with specificity, its strategy to use a *NMTC Allocation* and can describe a strong, relevant track record, including a track record of serving *Low-Income Communities*. Included in this section is the ability to earn “priority points” for meeting the statutory priorities of: 1) investing in *Unrelated* entities; and/or 2) demonstrating a track record of serving *Disadvantaged Businesses or Communities*. Refer to the *NOAA* for further information on the statutory priorities.

### A. Products, Services, and Investment Criteria

**TIP:** For the purposes of completing the Business Strategy section and all relevant exhibits, financing provided to real estate businesses refers to entities whose predominant business activity is the development (including construction of new facilities and rehabilitation/enhancement of existing facilities), management or leasing of real estate.

Transactions with businesses whose predominant business activity includes all other types of business activities should be classified as non-real estate businesses regardless of: 1) how the business intends to use the proceeds of the transaction; or 2) whether the business intends to use any real estate owned as collateral for a loan.

For example, if an *Applicant* provided a loan to a childcare provider for the purpose of purchasing the property where the childcare center would be housed, the *Applicant* would categorize this loan as a non-real estate transaction. However, if the *Applicant* provided a loan to a real estate development company whose predominant business is the development of community facilities, for the purpose of building a childcare center, this loan would be considered financing a real estate transaction.

Notwithstanding the above, loans or investments made to a special purpose entity that is *Controlled* by or under common control with an operating company (whose predominant business activity is not the development of real estate), and that was set up specifically to lease the property back to the operating company such that the operating company is the principal user of the property, may be classified as either a “real estate *QALICB*” or a “non-real estate *QALICB*”, at the discretion of the *CDE*.

The CDFI Fund reserves the right, through the *Allocation Agreement*, to approve an *Applicant* to engage in both real estate and non-real estate investments, even if the *Applicant* indicates in response to Q. 13 that it intends to engage in only one of these activities. This option would not apply to *Applicants* who indicate that they plan to engage exclusively in investments in, or loans to, other *CDEs*, purchases of loans from other *CDEs*, or *Financial Counseling and Other Services*.

**TIP:** An *Applicant* will score well under the Products, Services, and Investment Criteria sub-section to the extent that it will deploy debt or equity capital, or offer products and services which: 1) are designed to meet the needs of underserved markets; 2) are flexible or non-traditional in form; and 3) focus on customers or partners that typically lack access to conventional sources of capital.

13. Please indicate the types of *Qualified Low-Income Community Investments (QLICs)* in which the *Applicant* intends to engage (check all that apply), and what percentage of allocations (by dollar amount) will be used for each activity. (Percentages for (a)-(e) should add up to 100 percent):

(a) \_\_\_ % Investments in, or loans to, non-real estate *QALICBs*.

Loans/investments will be used to support: (these two percentages should add up to 100 percent by dollar amount)

\_\_\_ % Business operations (including working capital, inventory or equipment purchase)

\_\_\_ % Real estate development or acquisition of property to be used in operating the business

(b) \_\_\_ % Investments in, or loans to, *QALICBs* whose principal activities involve the development or rehabilitation of real estate.

(c) \_\_\_ % Investments in, or loans to, other *CDEs*.

Please indicate the percentage of each activity (by dollar amount) in which the final recipient *CDEs* intend to engage, using the proceeds of the NMTC investments provided by the *Applicant*. Percentages should add up to 100 percent.

\_\_\_ % Origination of loans, investment of capital, or equity to non-real estate *QALICBs*.

\_\_\_ % Origination of loans, investment of capital, or equity to *QALICBs* whose principal activities involve the development or rehabilitation of real estate.

\_\_\_ % *Financial Counseling and Other Services*.

(d) \_\_\_ % Purchases of loans from other *CDEs*.

(e) \_\_\_ % *Financial Counseling and Other Services*.

\_\_\_ In conjunction with financing (check, if applicable)

\_\_\_ As a discrete line of business (check, if applicable)

\_\_\_

14. Products, rates and terms that the *Applicant* intends to offer:

**TIP:** If an *Applicant* intends to utilize its *NMTC Allocation* to engage solely in either the purchase of loans from other *CDEs* or in the provision of *Financial Counseling and Other Services*, and not in the origination of loans or equity, it should skip Questions #14 and #15.

(a) Select the products the *Applicant* intends to offer (check all that apply):

- i.  *Equity Investments*
- ii.  *Equity Equivalent* terms and conditions, including debt with equity features (e.g., debt with royalties; debt with warrants; convertible debt)
- iii.  Senior debt
- iv.  Subordinated debt

**TIP:** For each item checked in Question #14(a), the *Applicant* should provide a distinct and unique narrative description. *Applicants* that use the same narrative text for each item checked will not be scored as favorably. To the extent the *Applicant* indicates a range of offerings within an item listed above (e.g., interest rates from 100 bps to 500 bps below market), it should describe what circumstances would dictate the specific rates or terms, and how often the best rates and terms would be offered.

(b) For each major product line checked above, describe which of the following flexible or non-traditional features the *Applicant* intends to offer. Include a brief description of the rates and/or terms that will be offered and explain how these rates and terms compare with what is typically offered by the *Applicant* and typically offered in the marketplace. Also, provide an example of how the product will be used (alone or in conjunction with non-NMTC sources of financing) for each product line checked in 14(a) above.

(Maximum Response Length: 5,000 characters):

- Below market interest rates (or rate of return in the case of equity investments):
- Lower than standard origination fees:
- Longer than standard period of interest-only loan payments:
- Higher than standard loan-to-value ratio:
- Longer than standard amortization period:
- More flexible borrower credit standards:
- Non-traditional forms of collateral:
- Lower than standard debt service coverage ratio:

---

(c) For an *Applicant* that indicated under Question 13(c) that it intends to finance other *CDEs*, describe the strategy by which the *Applicant* will ensure that those *CDEs* will pass along the NMTC benefits to their *QALICB* borrowers in the form of more favorable rates or terms. (Maximum Response Length: 2,000 characters)

---

---

---

---

15. Choose one of the following options. (check only one)

The *Applicant* will commit that 100 percent of its *QLICs* will:

- (a) be provided in the form of equity; equity-equivalent financing; debt with *Interest Rates* at least 50 percent below market; or debt that otherwise satisfies at least 5 indicia of flexible or non-traditional rates and terms, as listed in Question 14.
- (b) be provided in the form of equity; equity-equivalent financing; debt with *Interest Rates* at least 33 percent below market; or debt that otherwise satisfies at least 4 indicia of flexible or non-traditional rates and terms, as listed in Question 14.
- (c) be provided in the form of equity; equity-equivalent financing; debt with *Interest Rates* at least 25 percent below market; or debt that otherwise satisfies at least 3 indicia of flexible or non-traditional rates and terms, as listed in Question 14.
- (d) be provided in the form of equity; equity-equivalent financing; debt with *Interest Rates* at least 15 percent below market; or debt that otherwise satisfies at least 2 indicia of flexible or non-traditional rates and terms, as listed in Question 14.
- (e) None of the above.

**TIP:** *Applicants* will score better to the extent they commit to provide equity or equity-equivalent financing; greater interest rate reductions on their debt; and/or a higher number of flexible/non-traditional rates and terms. **An *Applicant* that checks one of the options a-d in Question #15 above should be aware that this *Commitment* will be a condition of its *Allocation Agreement* with the CDFI Fund.**

Please refer to the Application Q&A document for guidance on how to calculate below market interest rates.

16. Based on the *Applicant's* prospective products as described in Question 14 above:

To the extent there is any tax credit equity remaining at the end of the seven-year compliance period, indicate the overall percentage of allocation amount that is anticipated to be apportioned amongst *QALICBs*, investors, the *Applicant* or its *Affiliates*. To the extent *QALICBs* will be able to acquire a portion of the *QLICI* through a put/call option at the end of the seven-year credit period, describe the terms and conditions associated with this option. (Maximum Response Length: 3,000 characters)

---

---

---

17. For an *Applicant* that indicated under Question #13(d) above that it plans to purchase qualifying loans from other *CDEs*:

- (a) Will the *Applicant* require the *CDE* from which it purchases loans to reinvest all or a portion of the proceeds from the loan sales in *QLICs*?

Yes       No

If yes, identify the percentage: \_\_\_\_\_%; and briefly describe the *Applicant's* mechanisms for enforcing this requirement:  
(Maximum Response Length: 2,000 characters)

---

---

---

**TIP:** An *Applicant* purchasing loans from other *CDEs* generally will not score favorably in the Business Strategy section unless it indicates, in Question #17(a), that it will require the *CDE* from which it purchases loans to reinvest at least 75% percent of the proceeds from the loan sales in *QLICIs*. The higher the percentage identified in Question #17(a), the better the *Applicant* will score under the Business Strategy section. **However, if the *Applicant* receives a *NMTC Allocation*, it will be required to meet the percentage identified above, and such requirement will be a term of its *Allocation Agreement*.**

- (b) Describe the extent to which the *Applicant* intends to: a) purchase loans at terms and/or with conditions that would not be possible without the benefit of a *NMTC Allocation*; and/or b) offer better rates or terms to the selling *CDEs* than would otherwise be possible without the benefit of a *NMTC Allocation*.

## B. Prior Performance

**TIP:** An *Applicant* that can demonstrate (either on its own or through a *Controlling Entity*) a strong, successful track record of providing products, services, or *FCOS* similar to those that it intends to deploy with *Qualified Equity Investment (QEI)* proceeds will score well under this sub-section. Only the organizational track record of the *Applicant* or the *Controlling Entity* may be referenced. The track record of the *Controlling Entity* may include the activities of any subsidiaries of the *Controlling Entity*, including the *Applicant*. The track records of principals, board members and other management individuals are not relevant for this sub-section. There will be an opportunity to discuss individual qualifications in the Management Capacity section of this application.

18. Does the *Applicant*, or its *Controlling Entity*, have a track record of financing or otherwise facilitating the types of *QLICI* activities checked in Question #13?  
\_\_\_\_\_ Yes (complete Questions #18(a)-(b))                      \_\_\_\_\_ No

**TIP:** The NMTC Program legislation requires the CDFI Fund to give priority in the selection of *Applicants* to any *Applicant* that has a track record of successfully providing capital or technical assistance to *Disadvantaged Businesses or Communities*. An *Applicant* may receive up to five “priority points” for demonstrating such a track record. An *Applicant’s* responses to Questions #18-19 will be the determining factor in this rating. Only the organizational track record of the *Applicant* or the *Controlling Entity* may be referenced. Do not refer to the track record of individuals (e.g., staff, principals, consultants) associated with the *Applicant* or its *Controlling Entity*.

**TIP:** The *Applicant* may reference, in the Tables in Exhibit A and in the narrative in Question #18(b), loans or *Equity Investments* that the *Applicant* (or its *Controlling Entity*) has itself originated and for which it has capital at risk (direct financing). The track record of the *Applicant* can be included in the track record of the *Controlling Entity* if the *Applicant* is a *Subsidiary* of the *Controlling Entity*.

**TIP:** If an *Applicant* intends to utilize its *NMTC Allocation* to engage in the provision of *FCOS* as a discrete line of business, and not in the purchase or origination of loans or *Equity Investments*, it need not complete Tables A1-A4. It must include, however, in its narrative response below to Question #18(b), the number of businesses/entrepreneurs to which the *Applicant* has provided counseling or other services in the last five years.

- (a) Complete Tables A1-A4, as applicable for the types of *QLICI* activities in which the *Applicant* or its *Controlling Entity* has engaged.
- (b) Provide a narrative discussion of the organization’s track record for each type of *QLICI* activity identified (including *FCOS*), referencing data included in Tables A1-A4, as appropriate. Focus the discussion specifically on the *Applicant’s* or its *Controlling Entity’s* experience targeting *Disadvantaged Businesses and Communities*.  
(Maximum Response Length: 10,000 characters)
- Be as specific as possible with respect to which activities were undertaken by the *Applicant*, as opposed to its *Controlling Entity* or other *Affiliates*.
  - Be sure to discuss whether the data in Exhibit A refers to the *Applicant’s*, *Controlling Entity’s* or *Affiliates’* direct financing (i.e. its own capital at risk) versus indirect financing (e.g., loan packaging, project development, etc).
  - Be sure to indicate how long the *Applicant* or its *Controlling Entity* has been serving *Disadvantaged Businesses and Communities*.

---

---

---

---

19. Does the *Applicant*, or *Controlling Entity*, have a track record of successfully providing products and services that would not qualify as *QLICI* activities (e.g., financing residential rental housing) but are similar to the proposed NMTC activities?

\_\_\_\_ Yes      \_\_\_\_ No

- (a) If yes, describe the *Applicant's*, or *Controlling Entity's*, track record with such transactions and how it relates to the proposed *QLICI* activities: (Maximum Response Length: 5,000 characters)

---

---

---

- (b) Approximately what percentage of these activities were directed to *Disadvantaged Businesses or Communities*? \_\_\_\_%

### C. Projected Business Activities

**TIP:** Projected activities should be consistent with an *Applicant's* request for a *NMTC Allocation*. An *Applicant* that has a readily identifiable set of business activities in which it will engage in the near term will score well under this sub-section, as will an *Applicant* that can demonstrate an effective strategy for locating qualifying activities.

**TIP:** *Applicants* that plan to finance a single or discrete number of investments are expected to provide a greater level of detail about their planned transactions in order to score well in comparison to those *Applicants* intending to fund a general pipeline.

**TIP:** An *Applicant* that indicates that its application is in support of a single activity or a discrete list of *QLICIs* as listed in Question #20 will likely be required to close such transactions, as a condition of receipt of a *NMTC Allocation*, and such requirement will be a term of the *Allocation Agreement*.

#### 20. Projected NMTC Investments

- (a) Complete Tables B1-B5, as applicable, according to the types of *QLICI* activities in which the *Applicant* intends to engage.

- (b) Please indicate if the *Applicant* plans to finance:

\_\_\_\_ A single or discrete number of investments

\_\_\_\_ A general pipeline of activities

- (c) Please write a narrative describing the *Applicant's* planned investments:

**Single or discrete number of investments:** If the *Applicant* intends to invest in one or a few discrete projects only, provide a narrative below to describe:

- The feasibility and current status of each transaction (e.g., fully negotiated and committed, in preliminary discussions, etc.)
- The location of the project(s)
- The anticipated dates for project financing (including total project cost and NMTC financing) and completion, and
- The risks that may preclude the project(s) from being completed within the timeframes identified.

**General pipeline of activities:** If the *Applicant* intends to support a general pipeline of activities that may or may not yet be identified, provide a narrative below to describe:

- The number and dollar amount of transactions that have already been identified, for which underwriting is completed or underway;
- Transactions that represent the type(s) of NMTC investments that the *Applicant* intends to make. Be sure to indicate the total project cost and provide an estimate of the amount of *QLICI* investment for each transaction;
- The *Applicant's* strategy for identifying potential borrowers, investees, or other customers in *Low-Income Communities*;
- The extent to which the *Applicant* intends to invest interest, dividends or other profits received from *QLICs* into additional *QLICs*, and the timeline for doing so.

(Maximum Response Length: 10,000 characters)

---

---

---

21. Indicate whether the *Applicant* intends to use its *NMTC Allocation* to achieve either of the following. Check each that apply, and provide narrative as required for each item checked:

**TIP:** An *Applicant* may select only one of the below and still score favorably to the extent the *Applicant* can articulate how NMTCs will enable it to take greater risk and/or provide capital to *LICs* that would be unlikely but for an *NMTC Allocation*.

- \_\_\_\_(a) **Increase the volume of its activities.** Describe and quantify the increase in activities in comparison to what the *Applicant* (or its *Controlling Entity*) has provided over the past five years. Be sure to correlate the volume increase described below to the applicable Tables in Exhibit A:

(Maximum Response Length: 3,000 characters)

---

---

---

- \_\_\_\_(b) **Undertake activities of greater financial risk.** Describe and quantify additional financial risk associated with the proposed projects/pipeline to be undertaken with a *NMTC Allocation*. Be sure to compare the risk of the *Applicant's* proposed projects/pipeline compared to the *Applicant's* (or its *Controlling Entity's*) financing activities that have not involved a *NMTC Allocation*. You may use examples of a past project and/or a proposed project to illustrate how the *Applicant* will use a *NMTC Allocation* to finance projects with greater financial risk: (Maximum Response Length: 3,000 characters)

## D. Non-Metropolitan Counties

**TIP:** As provided for in Section 102(b)(6) of the Tax Relief and Health Care Act of 2006 (Pub. L. 109-432), and described further in the NOAA and the Q&A document that accompanies this application, the CDFI Fund has established the goal that: (i) 20% of all QLICs made by *Allocatees* under the 2011 allocation around are invested in *Non-Metropolitan Counties*; and (ii) a proportionate number of "Rural CDEs" (as defined in the CY2011 NOAA) receive allocation awards.

*Applicants* are therefore required to provide two target estimates below: a minimum percentage of QLICs the *Applicant* is willing to commit to provide to *Non-Metropolitan Counties*; and the maximum percentage of QLICs that the *Applicant* is willing to commit to providing to *Non-Metropolitan Counties*. At the discretion of the CDFI Fund, the *Applicant* may be required to deploy a percentage of its allocation at or above the minimum indicated in Question 22(b), but not more than the percentage indicated in Question 22(c); and such requirement shall become a condition of its *Allocation Agreement* with the CDFI Fund.

An *Applicant* that responds "Yes" to Question 22(a) (and provides appropriate supporting narrative) and commits to a figure of 50 percent or greater in response to Question 22(c) may be deemed to be a "Rural CDE", and may be eligible to receive special consideration for a *NMTC Allocation* in accordance with the process outlined in the NOAA.

An *Applicant* that: i) makes a minimum commitment of 25 percent or greater in response to Question 22(b), ii) has a track record of serving *Non-Metropolitan Counties* and a strong strategy for deploying NMTC investments in these communities; iii) and is ranked highly enough to be considered for an allocation may receive a larger *NMTC Allocation* than would otherwise be the case, regardless of designation as a "Rural CDE."

In accordance with the 2011 NOAA, in the event the CDFI Fund adds additional Rural CDEs to the *Allocatee* pool in order to achieve the targeted percentage of investment in *Non-Metropolitan Counties*, *Applicants* that commit to providing at least 20% of their QLICs in *Non-Metropolitan Counties* will not be subjected to award reductions, and therefore may receive a larger NMTC allocation award than may have otherwise been the case.

22. (a) Have at least 50 percent of the *Applicant's* (or *Controlling Entity's*) total financing activities over the past five years, as shown in Exhibit A, been directed to *Non-Metropolitan Counties*?

\_\_\_\_\_ Yes \_\_\_\_\_ No

- (b) What is the minimum percentage of QLICs that the *Applicant* is willing to commit to deploy in *Non-Metropolitan Counties*?

\_\_\_\_\_ %

- (c) What is the maximum percentage of QLICs that the *Applicant* is willing to commit to deploy in *Non-Metropolitan Counties*?

**(Note: this value must be equal to or greater than the value for 22(b).)**

\_\_\_\_\_ %

- (d) If the response to Q.22(c) above is greater than zero percent, briefly describe the *Applicant's* (or its *Controlling Entity's*) five-year track record of providing or facilitating QLICI and non-QLICI related activities (e.g., rental housing) in *Non-Metropolitan Counties*. (Maximum Response Length: 2,000 characters)

---

---

---

(e) If the response to Question 22(c) above is greater than zero percent, and only to the extent not discussed elsewhere in the application, discuss the *Applicant's* strategy for deploying *QLICs* in *Non-Metropolitan Counties*.  
 (Maximum Response Length: 5,000 characters)

- Indicate the number and dollar amount of transactions that have already been identified in *Non-Metropolitan Counties*, for which underwriting is completed or underway.
- Provide sample transactions in the *Applicant's Non-Metropolitan* pipeline. Be sure to indicate the total project cost and provide an estimate of the amount of *QLIC* investment for each transaction.
- Discuss the key challenges to undertaking NMTC activities in *Non-Metropolitan Counties* and how the *Applicant* proposes to overcome those challenges.

---

## E. Investments in Unrelated Entities

**TIP:** The NMTC Program legislation requires the CDFI Fund to give priority to *Applicants* that intend to use "substantially all" of their *QEI* proceeds to make investments in one or more businesses in which persons *Unrelated* to the *Applicant* hold the majority equity interest. An *Applicant* that answers "Yes" to Question #23 will be awarded five additional points. An *Applicant* that receives priority points under this sub-section will be required, in its *Allocation Agreement*, to invest substantially all of its *QEI* proceeds in *Unrelated* entities. Please refer to the *NMTC Allocation Application Q&A* document for more information about what is considered an *Unrelated* entity transaction.

**TIP:** If the *Applicant* has obtained or plans to obtain investments from organizations that also will identify or originate transactions for the *Applicant* **or** organizations that are *Affiliated* with the *Applicant*, it will score well if: a) the *Applicant's* transactions are more targeted in some way to areas of greater economic distress than those areas that investors are already reaching with their investments or loan originations; or b) the *Applicant's* products and services are offered with more favorable rates or terms than those offered by the investor.

40. Distribution of Benefits:

Quantify as best you can, for each of your planned investment types, how the economic benefits of the *NMTC Allocation* will be apportioned amongst:

- (i) the investors, through economic returns;
- (ii) the *QALICB* investees/borrowers, through lower costs of capital;
- (iii) the *Applicant* (or its subsidiaries), through fees or economic returns.

(Maximum Response Length: 5,000 characters)

**TIP:** The CDFI Fund expects *Applicants* to quantify this information to the extent practicable, and to be able to demonstrate that there is an appropriate sharing between the investor, *CDE*, and borrowers/investees.

---

---

---

## B. Sources and Uses of Capital

**TIP:** In this sub-section, the CDFI Fund seeks to understand both how efficiently the *Applicant* will use *QEI* proceeds and how well it is leveraging other sources of financing in conjunction with the activities undertaken with its *QEI* proceeds. An *Applicant* that intends to invest/re-invest more than 85% of its *QEI* proceeds in *QLICs* will generally score well, provided that the *Applicant* can reasonably demonstrate that it has other mechanisms in place to support its costs of operations.

41. Will more than 85% of the *QEI* proceeds be invested/re-invested in *QLICs*?

\_\_\_ Yes \_\_\_ No If yes, what percentage: \_\_\_\_\_%.

**TIP:** The higher the percentage indicated in Question #42, the better the *Applicant* will score under the Capitalization Strategy section. **However, if the *Applicant* receives a *NMTC Allocation*, it will be required to meet the percentage identified above, and such requirement will be a term of its *Allocation Agreement*.** See the *Allocation Application Q&A* for a discussion of compliance issues related to reinvestments.

42. Complete Table F1. Be sure to list all sources of compensation and profits that the *Applicant* and/or its *Affiliates* (including, if applicable, investment partnership funds) will charge to (or receive from) its borrowers, investors, or other parties involved in the *NMTC* transactions.

(a) Referencing the information in Table F1 as appropriate, briefly describe the types and amount of all sources of compensation and profits that will be collected (whether at the front-end, back-end or during the compliance period), and how such sources compare to what is typically earned in the marketplace. Please indicate how fees will vary for different product types or different investment types and discuss the key factors that determine the fees for a specific transaction.

(Maximum Response Length: 5,000 characters)

---

---

---

(b) Does the *Applicant* anticipate investing in projects with more than one *CDE* as a co-investor?

\_\_\_\_\_ Yes \_\_\_\_\_ No

If "Yes", please describe any means the *Applicant* expects to employ to minimize costs to the borrower/investee associated with these multi-*CDE* transactions.

(Maximum Response Length: 3,000 characters)

---

---

---

(c) Provide a brief description of how the *Applicant* and/or its *Affiliates* will finance its cost of operations and if it will use the proceeds discussed in (a) for such purposes. Provide a narrative that addresses the following:  
(Maximum Response Length: 5,000 characters)

- The estimated total annual cost of operations of the *Applicant* and a description of the sources of funds to support the operating costs.
- A description of the proportion of operating costs that will be covered by internally generated funds versus contributed operating revenue.
- If the *Applicant* will rely on contributed operating revenue from an *Affiliate* organization, discuss that contributing organization's obligations to make such contributions, its track record in raising cash or in-kind contributions, and its strategy to secure on-going funds.
- To what extent the *Applicant* will require its borrowers to pay transaction costs.

---

---

---

**TIP:** *Applicants* have five years from the date they enter into an *Allocation Agreement* with the CDFI Fund to issue all of their *QELs*. An *Applicant* that is likely to issue *QELs* early in this five-year period, as shown in Table F2, will score well under this sub-section.

43. Minimum Request Amounts

(a) Is there an absolute minimum amount below which the *Applicant* would be unwilling to accept a *NMTC Allocation*?

\_\_\_\_\_ Yes    \_\_\_\_\_ No

If Yes, provide the amount \$\_\_\_\_\_. Describe how this amount was determined. Be sure to address why the *Applicant* could not administer a smaller award:

(Maximum Response Length: 1,000 characters)

---

---

**TIP:** At the conclusion of the CDFI Fund's review process, if the *Applicant* is recommended to receive less than the minimum amount of allocation authority identified in Question #44a, the CDFI Fund **will not** provide a *NMTC Allocation* to the *Applicant*. An *Applicant* with a high minimum allocation request will need to demonstrate that it can raise and deploy the capital requested in a timely manner; that it will likely achieve significant community outcomes or production innovations; and that it could not successfully implement its business strategy without this minimum allocation amount.

## Part V: Information Regarding Previous Awards

Information in Part V (previously located in the Management Strategy section of past *Allocation Applications*) is not scored during the Phase I process of the Application review. Information provided in this section is considered during the Phase II process of the Application review. For more information on the NMTC Application review process, please consult the 2011 NOAA.

### 44. CDFI Fund Award Status:

Has the *Applicant* and/or any of its *Affiliates* previously received a financial award (not including a *NMTC Allocation*) from the CDFI Fund?

\_\_\_\_\_ Yes      \_\_\_\_\_ No

If Yes, please list the award(s) in the table. The *Applicant* may use additional space as necessary:

Name of *Awardee*: \_\_\_\_\_  
Award control number: \_\_\_\_\_  
Total award amount: \_\_\_\_\_

Name of *Awardee*: \_\_\_\_\_  
Award control number: \_\_\_\_\_  
Total award amount: \_\_\_\_\_

### 45. NMTC Allocation Status:

Has the *Applicant* and/or any of its *Affiliates* received an *NMTC Allocation* from the CDFI Fund in a prior allocation round?

\_\_\_\_\_ Yes      \_\_\_\_\_ No

If Yes, please list the allocation(s) in the table. The *Applicant* may use additional space as necessary:

Name of *Allocatee*: \_\_\_\_\_  
Award control number: \_\_\_\_\_  
Total allocation amount: \_\_\_\_\_

Name of *Allocatee*: \_\_\_\_\_  
Award control number: \_\_\_\_\_  
Total allocation amount: \_\_\_\_\_

**TIP:** Applicants should only list *NMTC Allocations* that have been directly awarded to the *Applicant* and/or any of its *Affiliates*. Do not include information on *NMTC Allocations* awarded to *CDEs* if the *Applicant's* only relationship to that *CDE* is through a *QEI* made into the *CDE* by the *Applicant* or an *Affiliate* of the *Applicant*.

46. If the *Applicant* answered Yes to Question #45, briefly explain the status of its previous Allocation award(s). Be sure to address:

(a) The number and dollar amount of *QEI*s issued on each award and the number and dollar amount of *QLIC*s made with each award.

(Maximum Response Length: 2,000 characters)

---

---

(b) If the *Applicant* has made *QLIC*s, describe the types of transactions that have been financed to date. The *Applicant* must discuss:

- the three projects that received the largest investments (and may describe additional projects),
- for each project identified, describe how NMTC proceeds were used to finance transactions that would not likely otherwise have occurred,
- any community outcomes or benefits that were generated as a result of the transaction, and
- the fees charged as part of each investment

(Maximum Response Length: 10,000 characters)

---

---

(c) Discuss whether the activities undertaken with the NMTC dollars were consistent (with respect to product offerings; markets served; rates and terms; etc.) with the business strategy presented in the relevant *Allocation Application*. If the activities were not consistent with the relevant *Allocation Application*, describe the inconsistencies.

(Maximum Response Length: 3,000 characters)

---

---

**TIP:** Receipt of a prior award or allocation through any of the CDFI Fund's programs will not affect the likelihood of an *Applicant* receiving a *NMTC Allocation* in this round. The CDFI Fund will examine the compliance status of *Applicants* (or their *Affiliates*) that have previously received CDFI Fund awards or allocations.

An *Applicant* that has received (or whose *Affiliates* have received) a *NMTC Allocation* under a previous allocation round is NOT eligible to receive allocations under this allocation round unless the prior-year *Allocatee* has met certain minimum threshold requirements regarding the issuance of its *QEIs*. Be sure to review the 2011 *NOAA* for additional information regarding this and other requirements pertaining to *Applicant* eligibility under the 2011 round.

**TIP:** The CDFI Fund will review transaction-level data submitted by *Applicants* that are prior year *Allocatees* through the *Community Investment Impact System (CIIS)* and may seek additional information from *Applicants*, to determine whether activities and the *QLICs* made were consistent with the transactions and activities proposed in the relevant prior-year *Allocation Application(s)*.

(d) To the extent the *Applicant's* past transactions have been structured to allow *QALICBs* to acquire a portion of *QLICs* through a put/call option at the end of the seven-year compliance period, please quantify the value of the investment acquired

by the *QALICBs* at the end of the seven-year compliance period both as a dollar amount and as a percentage of total *QLICs*.

(Maximum Response Length: 2,000 characters)

---

---

47. Other than those activities already identified and discussed under Question #46, has the *Applicant* and/or any of its *Affiliates*: i) made a *QEI* into a *CDE* (or *subsidiary* of a *CDE*) that received a *NMTC Allocation* in a prior round; or ii) assumed *Control* of a *CDE* that received a *NMTC Allocation* in a prior round?

\_\_\_\_\_ Yes      \_\_\_\_\_ No

If Yes, please provide responses to the following:

(a) List the allocation(s) and total *QEI*s invested per allocation in the table. The *Applicant* may use additional space as necessary.

Name of *Allocatee*: \_\_\_\_\_  
Award control number: \_\_\_\_\_  
Total *QEI* amount invested: \_\_\_\_\_

Name of *Allocatee*: \_\_\_\_\_  
Award control number: \_\_\_\_\_  
Total *QEI* amount invested: \_\_\_\_\_

- (b) Discuss the types of transactions that have been financed to date with *QEI* proceeds, with particular emphasis on how *QEI* proceeds were used to finance transactions that would not likely otherwise have occurred, and any community impact or benefits that were generated as a result of the transactions:

(Maximum Response Length: 5,000 characters).

---

---

**TIP:** *Applicants* and/or any *Affiliates* that have shared *Control* of a *CDE* (or *subsidiary* of a *CDE*) that is a prior round *Allocatee* should answer "Yes" to Question #48 and provide requested responses.

**TIP:** *Applicants* providing responses to Question #48 need only make one entry per *Allocatee*, per award for which the *Applicant* has provided *QEIs* regardless of the number of individual *QEIs* made to that *Allocatee* under a single award. For example, if an *Applicant* has made 10 *QEIs* in *Allocatee X* under its second round *allocation*, then the *Applicant* would provide the aggregate amount of those 10 *QEIs* in its response to Question #48.

## Exhibit A: Track Record of Activities

**Instructions for Exhibit A:** Applicants must complete the tables in Exhibit A for any QLIC-like activities for which the Applicant has a track record. An Applicant must provide information for the past five years or for as many years as the Applicant has been in operation if it has been in operation for fewer than five years. An Applicant, at its discretion, may choose to rely upon the track record of its Controlling Entity. **In order to list the track record of the Controlling Entity in Exhibit A, the Applicant must designate a Controlling Entity in Question 3.**

### **TIPs for Exhibit A:**

- 1) Where indicated in Tables A1 and A2, enter the dollar amount of debt financing provided by the Applicant (or Controlling Entity) in row 2a. In row 2b, enter the dollar amount of equity financing provided by the Applicant (or Controlling Entity). Enter all financing from other sources in row 3. Rows 2 and 4 will automatically calculate based on your entries in rows 2a, 2b and 3. The Applicant may discuss in Question 18 any role the Applicant (or Controlling Entity) played in leveraging or facilitating financing it did not originate.
- 2) For the purpose of completing Tables A1, A2 and A3, the Applicant must choose to either include its own track record or that of its Controlling Entity's. If the Applicant chooses to use its own track record it may not include its Controlling Entity's activities. However, if the information reflects the activities of the Controlling Entity, it may include, in the aggregate, the track record of all and any subsidiaries of the Controlling Entity, including the Applicant. The Applicant may discuss track records of both the Applicant and Controlling Entity in the narratives to Questions #18 and #19. The narratives should clearly distinguish between the track records of each entity.
- 3) The Applicant must distinguish between direct financing completed by the Applicant or its Controlling Entity, as indicated in Table(s) A-1 and A-2, Row 2 and financing provided by third party sources, entered in Table(s) A-1 and A-2, Row 3.
- 4) Tables A1-4 should be mutually exclusive. Applicants should not enter the same data in more than one Table in Exhibit A.
- 5) Refer to the TIP at Part I A (before Question #13) regarding how to classify "real estate" vs. "non-real estate" QALICBs.

The Tables in Exhibit A reflect the activities of (check one):        *Applicant*        *Controlling Entity*

## Exhibit B: Projected Activities

**Instructions for Exhibit B:** All *Applicants* must complete the tables in Exhibit B based on the *QLICI* activities checked in Question #13.

### **TIPs for Exhibit B:**

- 1) If the *Applicant* intends to transfer all or part of its *NMTC Allocation* to its *Subsidiaries*, combine the activities of the *Applicant* and its *Subsidiaries*. Only include those activities to be carried out by the *Applicant* and its *Subsidiaries* relating to equity raised with *NMTCs*.
- 2) Only include amounts the *Applicant* (or its *Subsidiaries*) will itself originate (e.g., do not include participation amounts that will be originated by third-parties). The *Applicant* may separately discuss amounts it will leverage or facilitate in the narrative to Question 20, but should clearly distinguish these amounts and should not include them in the tables in Exhibit B.
- 3) The data included in the tables in Exhibit B, in the aggregate, should not exceed the *Applicant's* total allocation request unless the *Applicant* intends to invest interest, dividends, or other profits received from *QEI* proceeds into additional *QLICIs*. If the *Applicant* is pursuing such a strategy of reinvestment, it should be further described in the narrative to Question 20, and listed separately in lines 5-8 of Tables B1, B2, and B3; lines 5-6 of Table B4; and line 4 of Table B5. **Do not consolidate reinvestment data into lines 1-4, where the *Applicant* should only discuss original *QLICIs*.**
- 4) Refer to the TIP in Question #13 regarding how to classify "real estate" vs. "non-real estate" *QALICBs*.
- 5) To the extent the *Applicant* intends to issue *QEIs* and originate *QLICIs* in 2011 (in accordance with applicable IRS rulings regarding the issuance of *QEIs* prior to notification of a *NMTC Allocation*), such *QLICIs* should be reported under activities in 2011. Any *QLICIs* to be made beyond 2015 should be consolidated into 2016.

**TIP:** Table B1-B5 should be consistent with the information provided in Q13.

Please note that Table C1 allows the *Applicant* to identify key personnel that have experience in multiple management areas. For each narrative response in Questions #30-32 and their corresponding sub sections, reference and discuss the combined management experience of all individuals listed in Table C1 as it relates to the *Applicants* management capacity in that given area.

# Exhibit D: Asset Management

**Instructions for Table D1:** For each of the past three fiscal years, indicate the total number and dollar amount of loans and equity investments outstanding to both Non Real Estate and Real Estate businesses. For each fiscal year end, report in rows 4 and 9 the percentage of loans and mandatory dividend payments, on a dollar basis, that were 90 days past due (e.g., the combined dollar amount of principal, mandatory dividend, and interest payments 90 days or more past due / the total dollar amount of loans and equity investments outstanding at fiscal year end). In rows 5 and 10, enter the total dollar amount of capital from loans and equity investments written off during the fiscal year (e.g., total dollar value of loans and/or equity investments written off less capital recovered). If the *Applicant* (or *Controlling Entity*) has not made loans to either non-real estate or real estate businesses, check the corresponding "N/A" box. If the *Applicant* (or *Controlling Entity*) has no delinquencies at the end of a particular fiscal year, indicate "0" in lines 4 and 9, as appropriate. If the *Applicant* (or *Controlling Entity*) has had no write offs of loans and/or equity during a particular fiscal year, indicate "0" in lines 5 and 10, as appropriate.

The information in Table D1 reflects the activities of (check one):  *Applicant*  *Controlling Entity*

## Exhibit E: Investor Strategy

### **TIPs for Exhibit E:**

- 1) *Applicants* completing Table E1 are required to submit, along with their applications, documentation demonstrating proof of investor interest (e.g., proof of *QEI* issuance; *Commitment* letters; *Letters of Interest/Intent*). For examples of acceptable documentation for the required information, refer to the CDFI Fund's 2011 *NMTC Allocation* Application Q&A Document. Be sure to refer to the *Applicant* Instructions for information regarding the submission of these documents.
- 2) If an *Applicant* received a previous *NMTC Allocation*, it should not include in Table E1 investors that provided *QEIs* pursuant to the *Applicant's* previous *NMTC Allocation Awards* unless such investors are providing new *QEIs* and/or *Commitments* distinct from the *QEIs* or *Commitments* pertaining to the *Applicant's* previous *NMTC Allocation Awards*.
- 3) In Table E2, an *Applicant* may, at its discretion, rely upon the track record of its *Controlling Entity*. **In order to list the track record of the *Controlling Entity* in Table E2, the *Applicant* must designate a *Controlling Entity* in Question 3.** If the information reflects the *Controlling Entity*, it may include in aggregate the track record of all subsidiaries and *Affiliates* of the *Controlling Entity*, including the *Applicant*.

**Instructions for Table E1:** In Table E1, *Applicants* should only list the names of actual or prospective investors that have provided *Equity Investments* (in accordance with applicable IRS rulings regarding the issuance of *QEIs* prior to notification of an allocation), *Commitments*, or *Letters of Interest/Intent* in connection with a potential *NMTC Allocation*. To the extent an *Applicant* has or intends to secure investments from partnership entities that will leverage non-*Equity Investments* (e.g., debt, grant dollars), such investments should be separately reported under "Type of Investment". **If an *Applicant* plans to engage an investment banker (or other third party) to raise equity capital on the *Applicant's* behalf, DO NOT INCLUDE** such third party organizations in this table.

## Exhibit F. Fees and Flow of Allocations

### Instructions for Table F1:

1. All *Applicants* must complete Table F1.
2. *Applicants* must list any and all fees and other sources of compensation and profits that the *Applicant* and/or its *Affiliates* (including, if applicable, investment partnership funds) will charge to (or receive from) its borrowers, investors or other parties involved in the NMTC transactions.
3. The figures provided, for each range, in the table should be basis points, aggregated over the life of the investment.

Examples: An *Applicant* that retains 3% of its *QEI*s, on average, would list 300 basis points in the “Average – Total Amount” column that corresponds to Row 1. An *Applicant* that, on average, charges a 1% origination fee would list 100 basis points in the “Average – Total Amount” column that corresponds to Row 2. An *Applicant* that, on average, charges a .5% annual asset fee for each year of the seven-year compliance period would list 350 basis points (7-year compliance \* 50 basis points) in the “Average – Total Amount” column that corresponds to Row 3. An *Applicant* that, on average, charges a 5% “success fee” at the back-end of the deal would list 500 basis points in the “Average – Total Amount” column that corresponds to Row 4.

4. *Applicants* are required to provide the anticipated maximum, average and minimum fees for each category. The maximum and minimum fees may represent different fees charged with different product lines or for different types of investment. The average columns should provide the *Applicant*'s best calculation of what the average fees will be across the entire *NMTC Allocation*.

Example: An *Applicant* anticipates charging a 200 basis point (bps) back-end fee for its subordinate debt transactions and a 300 bps back-end fee for its equity transactions. The *Applicant* anticipates that about 75% of its NMTC investments will be subordinate debt and that about 25% will be equity. Thus, the average back-end fee would be  $200 \cdot .75 + 300 \cdot .25 = 225$  bps. Alternatively, an *Applicant* may retain 200 bps of the *QEI* proceeds for investments into Real Estate *QALICBs* and 400 bps of the *QEI* proceeds for investments into Non-Real Estate *QALICBs*. Their NMTC portfolio will be 50% Real Estate *QALICBs* and 50% Non-Real Estate *QALICBs*. Thus, the average amount of *QEI* proceeds retained would be  $200 \cdot .5 + 400 \cdot .5 = 300$  bps.

5. In top Column 1 (Total Amount) and Sub-Colum 1 (Average – Low – High), *Applicants* are to indicate the amount (in basis points) of the Total fees/revenues that will be charged to various parties. **In each row, the sum of the entries in Columns 2-4 (Charged to Investors – Charged to Borrowers – Charged to Other Entities) and Sub-Columns (Average – Low – High) should equal the corresponding entry in Column 1 and Sub-Colum 1 (Average – Low – High).**

Example: An *Applicant* that charges an average *Commitment* fee of 1% to both the investor and to the borrower would put 200 basis points in Row 2, Column 1, Sub-Column 1 Average; 100 basis points in Row 2, Column 2, Sub-Column 2 Average; 100 basis points in Row 2, Column 3, Sub-Column 3 Average; and 0 basis points in Row 2, Column 4, Sub-Column Average

**Table F1: Summary of Compensation and Profits**

		Total Amount (Basis Points)			Charged to Investors			Charged to Borrowers or Investees			Charged to Other Entities (e.g., subsidiary CDEs, etc.)		
		Average	Low	High	Average	Low	High	Average	Low	High	Average	Low	High
1	QEI proceeds retained by the CDE <sup>1</sup>												
2	Front-End sources of compensation and profits <sup>2</sup>												
3	Ongoing sources of compensation and profits <sup>3</sup>												
4	Back-End sources of compensation and profits <sup>4</sup>												
5	Other sources of compensation and profits <sup>5</sup>												
	Total												

<sup>1</sup> The "Total Amount" is the inverse of the figure provided in Question 42 expressed as basis points.

<sup>2</sup> Front-End includes any and all revenue charged prior to or during the close of each transaction (i.e., origination fees, brokerage fees, legal fees, closing costs, guarantee fees, etc.).

<sup>3</sup> Ongoing includes any and all revenue collected throughout the allocation compliance period (i.e., asset management, compliance, interest rate spread etc.), with the exception of ordinary interest payments passed through to investors.

<sup>4</sup> Back-End includes any and all revenue collected at the time of the investment exit (i.e., success, residuals, exit, carried interest, etc.).

<sup>5</sup> Indicate any other additional sources of revenue charged to investors, borrowers, or other entities.

**Instructions for Table F2:** All Applicants must complete Table F2.
