Community Development Financial Institutions Fund

Notice of Allocation Availability Inviting Applications for the New Markets Tax Credit Program:

CHANGE OF CERTAIN DEADLINES; New Markets Tax Credit Program Allocation

Application: CDE REGISTRATION

AGENCY: Community Development Financial Institutions Fund, Department of the Treasury.

ACTION: Notice of Allocation Availability (“NOAA”) inviting applications for the second

round of the New Markets Tax Credit (“NMTC”) Program: Change of Certain Deadlines;

NMTC Program Allocation Application: CDE Registration.

CHANGE OF CERTAIN DEADLINES: On July 18, 2003, the Community Development Financial Institutions Fund (the “Fund”) announced in a NOAA for the NMTC Program (68 Federal Register 42806) that a request for a paper application must be made using the NMTC Paper Application Submission Form (available from the Fund’s website at <http://www.cdfifund.gov>), and that the request must be received by the Fund by September 15, 2003. The NOAA also announced that the Fund will provide programmatic and information technology support related to the allocation application through September 26, 2003. Lastly, under the Eligibility section of the NOAA, the Fund announced that a prior Allocatee of the NMTC Program is not eligible to receive a NMTC Allocation pursuant to the NOAA unless the Allocatee can demonstrate via the Fund’s allocation tracking system that, as of February 17, 2004, it has issued and the Allocatee has received cash from its investors for 50 percent of its Qualified Equity Investments relating to its prior NMTC Allocation. The February 17, 2004 deadline also applied if a prior Allocatee Controls the applicant, is Controlled by the applicant or shares common management officials with the applicant.

This notice is to announce that, due to delays in the development of the electronic application and related documents, and delays in the delivery of the allocation agreements to prior Allocatees, the Fund is extending the aforesaid deadlines as follows:

(1) Paper Applications: If an applicant is unable to submit an electronic application, it must submit to the Fund a request for a paper application using the NMTC Paper Application Submission Form, and the request must be received by the Fund by September 19, 2003. The NMTC Paper Application Submission Form may be obtained from the Fund's website at www.cdfifund.gov or the form may be requested by e-mail at cdfihelp@cdfi.treas.gov or by calling the Fund's NMTC Program help desk at (202) 622-7373. The completed NMTC Paper Application Submission Form should be directed to the Fund's Chief Financial Officer and must be sent by facsimile to (202) 622-8911.

The deadline for receipt of a paper application, including the requisite original signature page and all attachments, at the designated location is 5:00 p.m. ET on September 30, 2003. Paper applications received after that date and time will not be accepted for consideration and will be returned to the sender. Applications sent by facsimile or by e-mail will not be accepted.

(2) Program and Information Technology Support: The Fund will provide programmatic and information technology support related to the allocation application between the hours of 9:00 a.m. and 5:00 p.m. ET through September 29, 2003. The Fund will not respond to phone calls or e-mails concerning the application that are received after 5:00 p.m. ET on September 29, 2003, until after the allocation application deadline of September 30, 2003. Programmatic support can be obtained by calling (202) 622-7373 or through e-mail by sending questions or requests for programmatic assistance to cdfihelp@cdfi.treas.gov. Information technology

support can be obtained by calling (202) 622-2455 or through e-mail by sending questions or requests for information technology assistance to ithelpdesk@cdfi.treas.gov.

(3) Entities that Have Received NMTC Allocations in the Prior NMTC Program

Allocation Round: Applicants are hereby notified that success in a prior round of the NMTC Program or any of the Fund's other programs is not a predictor of success under the NOAA. A prior Allocatee of the NMTC Program is not eligible to receive a NMTC Allocation pursuant to the NOAA unless the Allocatee can demonstrate via the Fund's allocation tracking system that, as of March 5, 2004, it has issued and the Allocatee has received cash from its investors for 50 percent of its Qualified Equity Investments relating to its prior NMTC Allocation. Further, an entity is not eligible to receive a NMTC Allocation pursuant to the NOAA if another entity that Controls the applicant, is Controlled by the applicant or shares common management officials with the applicant (as determined by the Fund), has not, as of March 5, 2004, issued and received cash from its investors for 50 percent of its Qualified Equity Investments relating to a prior NMTC Allocation. For purposes of this section of the NOAA, the Fund will only count as "issued" those Qualified Equity Investments that have been recorded in the Fund's allocation tracking system by March 5, 2004. Allocatees and their Subsidiary transferees, if any, are advised to access the Fund's allocation tracking system to record each Qualified Equity Investment that they issue to an investor in exchange for cash.

CDE REGISTRATION: The Applicant Instructions section of the 2003 NMTC Program Allocation Application states that an applicant that is a Community Development Financial Institution (CDFI) or Specialized Small Business Investment Company (SSBIC) and is not currently certified as a qualified community development entity (CDE) must register as a CDE on the Fund's website by 5:00 p.m. ET on August 29, 2003 in order to be eligible to apply for an NMTC

Allocation. The Fund has recently learned that some CDFIs or SSBICs may have experienced technical issues with accessing the Fund's CDE registration database which may have prevented such entities from registering as CDEs by the August 29, 2003 deadline. Such applicants are advised to contact Matthew Josephs, the Acting NMTC Program Manager, so that the Fund may determine whether they will be eligible to apply for a NMTC Allocation. All other information and requirements set forth in the July 18, 2003 NOAA for the NMTC Program and the 2003 NMTC Program Allocation Application shall remain effective, as published.

FOR FURTHER INFORMATION, CONTACT: Applications and other information regarding the Fund and its programs may be obtained from the Fund's website at <http://www.cdfifund.gov>.
