

2014 LIHTC Application Workshop

Jan 9, 2014 9:30 AM to 2:00 PM
Phoenix Airport Marriott Hotel

This one day workshop will provide a review of the 2014 LIHTC application process. Developers, Co-Developers or Consultants who plan to submit an application in the 2014 round ***must*** attend this annual training. Attendees are encouraged to review the 2014 Qualified Allocation Plan (QAP) prior to the workshop.

The training will also provide a cursory review of the LIHTC compliance procedures by ADOH Compliance staff and of the ADOH weatherization standards by a representative of the Governor's Office of Energy Policy.

A certificate of attendance generated by ADOH must be included in the 2014 LIHTC application. Certificates will be e-mailed to attendees within 30 days after the workshop.

Registration deadline is January 3, 2014. The fee for this workshop is \$75. There will be no at door registration.

Registration will begin at 8:45 am and the program will begin at 9:30 am. Since we're starting later, breakfast will not be provided. Lunch will be served at 11:30 am.
