2022.

Additionally, the CDFI Fund is issuing a technical correction to one of the eligibility requirements outlined in Table 3 of the NOFA published on June 24, 2022. The NOFA requires that each “Applicant has audited financial statements encompassing its two most recent historic fiscal years prior to the publication date of this NOFA.” The CDFI Fund adds the following clarification to this requirement:

If, for any reason, the audit for the Applicant’s most recent historic fiscal year is not complete as of the due date of the AMIS Application, the Applicant must have audited financial statements for its two historic fiscal years prior to the most recent historic fiscal year. A Regulated Institution that files call reports to its regulator is exempt from the requirement to have audits.

To correspond with this correction, Table 4 in the NOFA, outlining required Application documents and attachments, is edited to reflect which attachments are required. For loan funds, venture funds, and other non-regulated institutions, if the audit for the Applicant’s most recent historic fiscal year is not complete as of the due date of the AMIS Application, the Applicant should attach audited financial statements encompassing its two historic fiscal years prior to the most recent historic fiscal year.

Capitalized terms used but not defined in the NOFA are defined in the Regulations, the Application, the Application Materials, or the Uniform Requirements. All other information and requirements set forth in the NOFA published on June 24, 2022, shall remain effective, as published.
