INTRODUCTION

This Qualified Allocation Plan (QAP) governs the 2024 4% Low-Income Housing Tax Credit (LIHTC) allocation year. The Iowa Finance Authority (IFA) administers this program in Iowa, as specified in Iowa Code Section 16.35.

The mission of the State of Iowa LIHTC Program is to enhance the lives of Iowans by partnering with developers who share our mission of preserving and expanding affordable housing. The QAP, online application, and policies and procedures were developed to meet this mission, as well as all requirements of Section 42 of the Internal Revenue Code (Code).

The Code requires each Allocating Agency to develop a QAP for use in determining those developments that will receive an allocation of Tax Credits. If the relevant IRS Code or IRS regulations that govern this program are amended, the IFA Board may amend this QAP to ensure it conforms.

In the process of administering the LIHTC program, IFA will make decisions and interpretations regarding this QAP, Applications, and Projects. Unless otherwise stated, IFA is entitled to full discretion in making such decisions.

IFA shall become the owner of the Applications. IFA is not responsible for any costs incurred by Applicants.

In all instances in which federal, state, or local requirements apply to the Project, the most restrictive requirements shall apply.
