3 ➔Section 1. KRS 171.397 is amended to read as follows:

- 4 (1) (a) For all applications for a preliminary approval received prior to April 30,
5 2010, there shall be allowed as a credit against the taxes imposed by KRS
6 141.020, 141.040, 141.0401, or 136.505, an amount equal to:
- 7 1. Thirty percent (30%) of the qualified rehabilitation expenses, in the case
8 of owner-occupied residential property; and
 - 9 2. Twenty percent (20%) of the qualified rehabilitation expenses, in the
10 case of all other property.

11 In the case of an exempt entity that has incurred qualified rehabilitation
12 expenses, the credit provided in this subsection shall be available to transfer or
13 assign as provided under subsection (8) or (9) of this section.

14 (b) For applications for preliminary approval received on or after April 30, 2010,
15 the credit shall be refundable if the taxpayer makes an election under
16 subsection (2)(b) of this section.

17 (2) (a) A taxpayer seeking the credit provided under subsection (1) of this section
18 shall file an application for a preliminary determination of maximum credit
19 eligibility before April 30 of the year in which the proposed project will begin.
20 The application shall describe the project and shall include documentation
21 supporting the qualification of the project for the credit, the proposed start
22 date, the proposed completion date, the projected qualified rehabilitation
23 expenses, and any other information the council may require. The council
24 shall determine the preliminary maximum credit available for each taxpayer
25 and shall notify the taxpayer of that amount by June 30 of the year in which
26 the application was filed. If total credits applied for in any year exceed the
27 certified rehabilitation credit cap, plus any amounts added to the cap pursuant

1 to paragraph (c) of this subsection, the provisions of subsection (5) of this
2 section shall be applied to reduce the approved credits for all taxpayers with
3 qualifying applications for that year.

- 4 (b) 1. An application for a final determination of credit shall be submitted to
5 the council upon completion of the project.
- 6 2. The application shall include an irrevocable election by the taxpayer to:
7 a. Use the credit, in which case, the credit shall be refundable; or
8 b. Transfer the credit.
- 9 3. The council shall determine the final amount of credit approved for each
10 taxpayer based upon the actual expenditures, preliminary determination
11 of maximum credit, and a determination that the expenditures are
12 qualified rehabilitation expenses.
- 13 4. The council shall notify the taxpayer and Department of Revenue of the
14 final approved credit amount within sixty (60) days of the receipt of a
15 completed application from the taxpayer.

- 16 (c) 1. If the total amount of credits finally approved for a taxpayer under
17 paragraph (b) of this subsection are less than the credits initially
18 approved for a taxpayer under paragraph (a) of this subsection, the
19 difference between the two (2) amounts shall be added to the certified
20 rehabilitation credit cap for the next calendar year.
- 21 2. If the total amount of credits approved under paragraph (a) of this
22 subsection in any calendar year is less than the certified rehabilitation
23 credit cap, the difference between the credits actually awarded and the
24 certified rehabilitation credit cap shall be added to the certified
25 rehabilitation credit cap for the next calendar year.

- 26 (3) (a) The maximum credit which may be claimed with regard to owner-occupied
27 residential property shall be one hundred twenty~~[sixty]~~ thousand dollars

2 this section shall be claimed for the taxable year in which the certified
3 rehabilitation is completed.

4 (b) The maximum credit which may be claimed with regard to all other property
5 that is not owner-occupied residential shall be ten million~~four hundred~~
6 ~~thousand~~ dollars ~~(\$10,000,000)~~~~(\$400,000)~~ subject to subsection (5) of this
7 section. The credit in this section shall be claimed for the taxable year in
8 which the certified rehabilitation is completed.

9 (4) In the case of a husband and wife filing separate returns or filing separately on a
10 joint return, the credit may be taken by either or divided equally, but the combined
11 credit shall not exceed one hundred twenty~~sixty~~ thousand dollars
12 ~~(\$120,000)~~~~(\$60,000)~~ if subject to the limitation in subsection (3)(a) of this section,
13 or ten million~~four hundred thousand~~ dollars ~~(\$10,000,000)~~~~(\$400,000)~~ if subject
14 to the limitation in subsection (3)(b) of this section, subject to the provisions of
15 subsection (5) of this section.

16 (5) The credit amount approved for a calendar year for all taxpayers under subsection
17 (2)(a) of this section shall be limited to the certified rehabilitation credit cap. When
18 the total credits applied for and approved in any year under subsection (2)(a) of this
19 section exceed the certified rehabilitation credit cap, the council shall apportion the
20 certified rehabilitation credit cap as follows: The certified rehabilitation credit cap
21 for the year under consideration shall be multiplied by a fraction, the numerator
22 which is the approved credit amount for an individual taxpayer for a calendar year
23 and the denominator which is the total approved credits for all taxpayers for a
24 calendar year.

25 (6) (a) For all applications received prior to April 30, 2010, if the credit amount that

3 used within seven (7) years of the taxable year the certified rehabilitation was
4 complete shall be lost.

5 (b) For all applications received on or after April 30, 2010, if the credit amount
6 that may be claimed in any tax year as determined under subsections (3) to (5)
7 of this section exceeds the taxpayer's total tax liabilities under KRS 136.505,
8 141.020, or 141.040 and 141.0401, the taxpayer may receive a refund, if the
9 taxpayer elected to take the credit as required by subsection (2)(b) of this
10 section.

11 (7) (a) The credit shall apply against both the tax imposed by KRS 141.020 or
12 141.040 and the limited liability entity tax imposed by KRS 141.0401, with
13 the ordering of credits as provided in KRS 141.0205.

14 (b) 1. For applications received prior to April 30, 2010, if the taxpayer is a
15 pass-through entity not subject to the tax imposed by KRS 141.040, the
16 taxpayer shall apply the credit at the entity level against the limited
17 liability tax entity imposed by KRS 141.0401, and shall also pass the
18 credit through in the same proportion as the distributive share of income
19 or loss is passed through.

21 pass-through entity not subject to the tax imposed by KRS 141.040, the
22 taxpayer shall apply the credit at the entity level against the limited
23 liability tax entity imposed by KRS 141.0401, and may receive a refund
24 if the taxpayer elected to take the credit as required by subsection
25 (2)(b)2.a. of this section.

2 *institution as defined in KRS 141.010*~~[any entity]~~ subject to the *taxes*~~[tax]~~ imposed
3 by KRS 136.505, *141.040, or 141.0401*. Within thirty (30) days of the date of any

11 successor or beneficiary of a taxpayer.

12 (9) For purposes of this section, a lessee of a certified historic structure shall be treated
13 as the owner of the structure if the remaining term of the lease is not less than the
14 minimum period promulgated by administrative regulation by the council.

15 (10) The taxes imposed in KRS 141.020, 141.040, and 141.0401 shall not apply to any

17 approved under this section.

18 (11) The Department of Revenue shall assess a penalty on any taxpayer or exempt entity
19 that performs disqualifying work, as determined by the Kentucky Heritage Council,
20 on a certified historic structure for which a rehabilitation has been certified under
21 this section in an amount equal to one hundred percent (100%) of the tax credit
22 allowed on the rehabilitation. Any penalties shall be assessed against the property
23 owner who performs the disqualifying work and not against any transferee of the
24 credits.

25 (12) The council may impose fees for processing applications for tax credits, not to
26 exceed the actual cost associated with processing the applications.

27 (13) The council may authorize a local government to perform an initial review of

1 applications for the credit allowed under this section and forward the applications to
2 the council with its recommendations.

3 (14) The council and the Department of Revenue may promulgate administrative
