

# **TAX CREDIT SUPPLEMENT FORM**

## **IMPORTANT**

**The following must be included with your application at submission to be considered complete:**

- **Uniform Application (Sections A, B and C)**
- **Application Fee**
- **Narrative addressing fourteen development criteria**
- **Tax Credit Supplement Application (Sections A, B, C and D)**
- **Exhibit A and Exhibit B**
- **All appendices required by Uniform Application**
- **All appendices required by Tax Credit Supplement**

The cover page of the "Tax Credit Supplement Application" gives a detailed list and the required order of an application being submitted to the Low Income Housing Tax Credit Program. Please use this sheet and the cover sheet of the supplement as a checklist to assure that you have included all material needed to meet the requirements of the program.

**Updated March 27, 2006**

## **Confidential Information Notice**

The Board of Housing is an agency of state government and therefore subject to Article II, Sect. 9, 1972 Montana Constitution, otherwise known as the "right to know." For this reason, documents submitted to the Board by third parties are, generally, open to public review. Therefore, your application and any subsequent documents you submit to the Board may be subject to inspection and copying by an interested member of the public.

The right to know is not absolute and is limited by the companion section, Article II, Sect. 10, 1972 Montana Constitution, otherwise known as the "right to privacy." Some of the documents you submitted in your application may be protected from public review under that section for a variety of reasons.

The Board of Housing is unable to determine which documents, if any, you submitted to the Board may be kept private under Article II, Sect. 10. Thus, we request that if there are any documents contained in your application which you consider confidential and which you want withheld from public disclosure, you must identify those documents for us within 7 days.

You should know that the Montana Supreme Court has severely restricted the type of information which may be withheld from the public. For that reason you should consult with your legal counsel to determine which documents may be protected and for what reason. We cannot accept a response that your entire application is confidential. In such a case, we will deem the entire application subject to public disclosure.

If you designate portions of your application as confidential, the Board staff will take reasonable efforts to protect those documents from public disclosure. Upon receiving a request to review any confidential documents contained in your application, the Board staff will notify you of the request by telephone and facsimile (at numbers you provide us), identify the party making the request, and the stated purpose for the request. It will be your duty to obtain a court order protecting your documents from release. If the Board does not receive a court order within 7 working days from the day the request is received by the Board, the documents will be released to the person requesting them. The Board of Housing and its staff will not assert that right for you or on your behalf in a court of law.

This procedure is being implemented because of the increasing number of requests to access our files, yet realizing that some information in those files may not be appropriate for public disclosure. This notice is provided so that you may designate documents in your submitted application as confidential and defend their confidentiality if the need arises. Each page considered confidential must be clearly marked "Confidential".

Documents not marked confidential will be released according to the information request and release procedures of the Board without notification to the applicant.

# TAX CREDIT SUPPLEMENT FORM

## INSTRUCTIONS

The following instructions are to be used in completing the Tax Credit Supplement. Unless otherwise specified, fill in all blanks (if the question is not applicable, type NA or use a zero in the appropriate space). Please note: this application form was developed using spreadsheet software and automatically calculates totals, etc. If you are manually completing the application, you will need to calculate and enter these figures.

### SECTION A -- GENERAL PROJECT INFORMATION

#### Part I: Annual Credits Requested and Set-aside

Enter the Amount of Annual Tax Credits requested. This will match the "Annual Tax Credits Requested" in Section B of this supplement. The maximum amount of tax credits that may be allocated to any one project or developer is twenty five percent of the annual allocation.

Indicate from which set-aside the project is requesting credits. If requesting from the Non-Profit Set-aside attach documentation showing IRS non-profit approval letter, Articles of Incorporation or Partnership Agreement showing exempt purposes of the entity, and list of Board members and officers for the organization. Non-profit Set-aside equals 10% of available credits

The Small Project set-aside and Preservation project set-aside equal 20% respectively of the annual allocation received by the Montana Board of Housing (MBOH). This set-aside will be available through the first round and will then be released to the General Pool if there are credits remaining.

If the project does not qualify for either the Non-Profit or Small Project Set-asides, you must request an allocation from the General Pool.

Part I	
Amount of Annual Credit Requested	<input type="text"/>
Requesting from Non-Profit Set-aside?	<input type="checkbox"/>
Requesting from Small Project Set-aside?	<input type="checkbox"/>
Requesting from Preservation Set-aside?	<input type="checkbox"/>
Requesting from General Project Pool?	<input type="checkbox"/>

(attach documentation)

#### Part II: Type of Credit Requested

Mark the appropriate boxes for the type of credit requested. It is possible that more than one type of credit is being requested. Mark all that apply. If the project consists of rehabilitation a minimum 30-year projected capital needs assessment must be attached.

Part II		
Type of Credit Requested: (check all that apply)	4% Credit	9% Credit
New Construction without Federal Subsidy	<input type="checkbox"/>	<input type="checkbox"/>
New Construction with Federal Subsidy	<input type="checkbox"/>	<input type="checkbox"/>
Acq/Rehab without Federal Subsidy	<input type="checkbox"/>	<input type="checkbox"/>
Acq/Rehab with Federal Subsidy	<input type="checkbox"/>	<input type="checkbox"/>
Rehabilitation without Federal Subsidy	<input type="checkbox"/>	<input type="checkbox"/>
Rehabilitation with Federal Subsidy	<input type="checkbox"/>	<input type="checkbox"/>

**Part III: IRS Minimum Low-income Threshold**

Mark the appropriate IRS Minimum Threshold that the project is electing. This election is for IRS purposes and only the minimum threshold to be eligible for tax credits. The actual project beneficiaries are often much more restrictive and should be indicated in Section A - Part XI of the uniform application.

Part III  
IRS Minimum Low-income Threshold for Credit Eligibility: (Check one)  
 20% of the units serving households at 50% of area medial income  
 40% of the units serving households at 60% of area median income  
(This designation is for IRS purposes only. Actual project beneficiaries Should be indicated in Section A – Part XI of the uniform application)

**Part IV: Number of Floors**

Enter the number of floors in the tallest building and if an elevator will be provided.

Part IV  
Size of property in acres   
Number of Buildings   
Number of Floors in the Tallest Building   
Number of Units   
Elevator (Y or N)

**Part V: General Public**

Indicate if the project will be available to the general public. All tax credit projects must be available to the general public and cannot be restricted for a particular group (i.e. employees of a specific company). Projects can serve a particular type of tenant as long as they are a recognized group such as the elderly. As always, fair housing laws must be followed. If this is not the case, an explanation must be attached.

Part V  
Are the residential units available to the General Public?  Yes  No  
If "No" explain: \_\_\_\_\_

**Part VI: Decent, Safe and Sanitary**

Indicate if the proposed project will be decent, safe and sanitary. All tax credit projects are required to be decent, safe, and sanitary. If this is not the case, an explanation must be attached.

Part VI  
Will all residential units be Decent, Safe and Sanitary?  Yes  No

**Part VII: Qualified Census Tract / HUD Difficult to Develop Area**

Indicate if the project is located within a Qualified Census Tract (QCTs) or a HUD Difficult to Develop Area (DDAs). If the project is in a Qualified Census Tract please attach a copy of the census map that documents this. The current QCTs and DDAs are listed on an attached schedule to the Qualified Allocation Plan (QAP).

Part VII	Is this project located in a: (if QCT attach copy of census map)	<input type="checkbox"/>	Qualified Census Tract (QCT)	Tract #	_____
		<input type="checkbox"/>	Difficult to Develop Area		

**Part VIII: Supportive Services**

Indicate if supportive services will be provided to the tenants. If they are, indicate if the services are mandatory to live in the project and if the services are included in the tenant paid rent listed in Section C - Part IV of the Uniform Application. Describe the services that will be provided and how they will be paid for if not a part of the tenant's normal rent.

Part VIII	Will support services be provided to tenants?	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
	If "Yes", are they included in the rent?	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
	Describe Services:	_____			

**Part IX: Special Amenities**

List the special amenities that will be provided to the project. This will include everything that would make the project desirable to a prospective tenant such as laundry facilities, community rooms, yards, tot lot, security, etc.

Part IX	List special amenities that will be provided to the project (garages, play grounds, yards, community rooms, laundry, etc.):	_____
		_____

**Part X: Environmental Issues**

List all environmental issues that may effect the project such as slope, erosion, soils, floodplain, water quality, wildlife or fish habitat, wetlands, air quality, historic structures, farmland, noise, hazardous facility, airport clear zone, etc.

Part X	Are there any environmental issues related to the property?	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
	Describe Issues:	_____			

**Part XI: Existing Structures**

If the project consists of existing structures indicate the building address, date last placed in service (for any type of use), and date the structures were or will be acquired. Documentation of the date each structure was last placed in service must be attached or an approved waiver of ten year rule by letter ruling from the IRS. Also, if structures have already been acquired, documentation of this acquisition must be attached.

Part XI

If project includes acquisition of existing buildings, list below:

<u>Building Address</u>	<u>Date Last Placed in Service</u>	<u>Date was or will be acquired</u>
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

(applicant must submit evidence of last placed in service date or approved waiver of ten year rule by letter ruling from the IRS)

**Part XII: Applicant, Developer and Owner Information**

List all information requested for the above parties.

Part XII

	<u>Applicant</u>	<u>Developer</u>	<u>Owner</u>
Name			
Federal ID #			
Type of Entity (LP, LLC, etc.)			
Legal Status (Incorp. etc.)			
State Organized in			
Non Profit Status (501(c) etc.)			

**Part XIII: Project Participation**

Describe what roles or responsibilities that the applicant, developer, owner, and each member of the development team will assume for this project. If the applicant or developer will not retain ownership, describe the process and timing for disposition of this project.

Part XIII

Describe what roles or responsibilities that the applicant, developer, owner, and each member of the development team will assume for this project. If the applicant or developer will not retain ownership, describe the process and timing for disposition of this project.

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

**Part XIV: Identities of Interest**

Does any member of the development team have any direct or indirect financial or other interest with any of the other project team members (including owner's interest in the construction company or sub contractors)? If yes, describe the level of participation and/or relationship of each.

Part XIV  
Does any member of the development team have any direct or indirect, financial or other interest with any of the other project team members (including owner's interest in the construction company or subcontractors used)?  Yes  No  
If yes, describe the level of participation and /or relationship of each:  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

**Part XV: Defaults, dispositions foreclosures or non-compliance issues**

Does any member of the development team have any defaults, disposition of or status of default, foreclosure or findings of non-compliance for any of the projects in which they have been involved? If yes, describe situation.

Part XV  
Does any member of the development team have any default, disposition of or status of default, foreclosure or findings of non-compliance for any of the projects in which they have been involved?  Yes  No  
If yes, describe situation:  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

**Part XVI: Lawsuits**

Does any member of the development team have any pending lawsuits or adversely settled lawsuits against them or with any of the projects in which they have been involved? If yes, describe situation.

Part XVI  
Does any member of the development team have pending lawsuits or adversely settled lawsuits Against them or with any projects in which they have been involved?  Yes  No  
If yes, describe situation:  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

**Part XVI: Development Team Qualifications and Past Projects**

Attach documentation showing development team qualifications and all past projects in which team members have participated.

**SECTION B -- TAX CREDIT CALCULATION**

**Part I: Grand Total Project Costs**

The Grand Total Project Costs number should be transferred from the Uniform Application, Section C - Financial, Part II - Uses of Funds on the last past page and line titled "Grand Total Project Cost".

**Part II: Less Ineligible Costs**

The Ineligible Costs which are listed in the Uniform Application, Section C - Financial, Part II - Uses of Funds should be transferred to this section.

Tax Credits require that costs which are not both capitalized and depreciated (i.e. land is capitalized but not depreciated) need to be subtracted from the total costs to arrive at Eligible Basis. The specific line items listed in this section are traditionally ineligible, however, there may be other costs which are ineligible that should be listed separately on the lines provided.

Part II		
<b>LESS INELIGIBLE COSTS</b>		
Total Administrative Costs		
Land		
Total Permanent Financing Fees		
Tax Credit Fees		
Total Syndication Costs		
Total Project Reserves		
_____		
_____		
_____		
_____		
_____		
_____		
<b>TOTAL INELIGIBLE COSTS</b>		

**Part III: Total Eligible Basis**

Total Eligible Basis = Grand Total Project Costs less Ineligible Costs. This should be listed in the first box as a total. It should then be either transferred as the total or split between either the 4% credit and/or the 9% credit. For the definition of the 4% and 9% credit please refer to the "Summary of the Low Income Housing Tax Credit" which is attached to the Qualified Allocation Plan.

Part III		
<b>TOTAL ELIGIBLE BASIS</b> (Total and by type)	4% Credit	9% Credit
(grand total project costs less total ineligible costs)		

**Part IV: Annual Tax Credit Calculation**

The “Total Eligible Basis by type will then be reduced by grants, non-qualifying non-recourse financing, Historic Tax Credits and other non-qualified costs to arrive at the Adjusted Eligible Basis.

If the project is located within a Qualified Census Tract (QCT) or HUD Difficult to Develop Area (DDA), it is eligible to receive an increase in basis of 30%. If the project qualifies, multiply the Adjusted Basis by 130%, if it does not, multiply the Adjusted Basis by 100%.

The Adjusted Eligible Basis (which now includes the adjustment for QCT or DDA) is multiplied by the Applicable Fraction. The Applicable Fraction is the smaller of the Unit Fraction or Square Foot Fraction which can be found in the Uniform Application, Section B - Project Information, Part X - Project Uses. This will calculate your Qualified Basis.

The Qualified Basis is then multiplied by the type of credit being requested (4% or 9%) or the effective rate for each type of credit to obtain the Annual Tax Credits Eligible to Receive. When applying for tax credits, a project is allowed to request credits, at application, based on 4%, 9% or the effective rate. However, if the project is approved and proceeds to completion, the project will only receive credits based on the effective tax credit rate. This rate can be established, at the option of the project, at either reservation or placed in service.

The Annual Tax Credits Requested (by type) should then be added together to obtain the Annual Credits Requested (combined).

The Application Fee can then be calculated by multiplying the Annual Tax Credit Requested (combined) by 1.5%. A check for this amount made payable to the Montana Board of Housing should then be attached to this application in the order as directed by the cover sheet to the Tax Credit Supplement Application. The remaining 3% fee will be collected when a reservation agreement is executed.

NOTE: Federal law mandates that, although a proposed development may be technically eligible for a credit amount, the state housing credit agency (MBOH) may not allocate more credit than is necessary for the financial feasibility of the development and its viability as a qualified low income housing project throughout the compliance period.

Part IV		4% Credit	9% Credit
<b>ANNUAL TAX CREDIT CALCULATION</b>			
Less:	Grants used to finance qualifying development costs		
	Nonqualified nonrecourse financing		
	Historic Tax Credits (Residential Portion Only)		
	Other nonqualified Costs		
	Total adjusted Eligible Basis		
	Is project in QCT* or DDA*? If “Yes” enter 130%. If “No” enter 100%	%	%
	Total Adjusted Eligible Basis (includes high cost adjustment)		
	Applicable Fraction (smaller of Unit or Floor Space Fraction)	%	%
	Total Qualified Basis		
	IRS Applicable Fraction (4%, 9% or effective rate may be used)	%	%
	Annual Tax Credits Eligible to Receive (by type)		
	Annual Tax Credits Requested (by type)		
	Annual Tax Credits Requested (combined)		
	Application Fee (annual tax credits requested times 1.5%)		
	Make check payable to the Montana Board of Housing		
*Qualified Census Tract			
*Difficult to Develop Area			

**SECTION C -- COST LIMITATIONS AND REQUIREMENTS**

Part I:

Part I is to be used to gather the amounts being proposed for each category that has a limit or requirement as defined in the Qualified Allocation Plan. This part will also calculate the basis by which each limit is determined.

Indicate "Yes" or "No" if there is an Identity of Interest between the developer and contractor. An Identity of Interest is defined as a financial, familial, or business relationship that permits less than arms length transactions. This includes, but is not limited to, existence of a reimbursement program or exchange, common financial interests, common officers, directors, or stockholders, or family relationships between officers, directors, or stockholders.

Is there an identity of Interest between the developer and contractor?	<input style="width: 100px; height: 20px;" type="text"/>
--	--

Enter total number of units in project including low-income units, market rate units and manager units.

Number of Units: (includes low income, market and mangers units)	<input style="width: 100px; height: 20px;" type="text"/>
--	--

Next, transferred from the Uniform Application, Section C - Financial, Part II - Uses of Funds the amounts that have a limit or requirement. These are general requirements, contractor overhead, contractor profit, developer fees, operating reserves and replacement reserves.

ENTER COSTS FROM UNIFORM APPLICATION (Section C – Financial, Part II – Use of Funds)	
GENERAL REQUIREMENTS	<input style="width: 100px; height: 20px;" type="text"/>
CONTRACTOR OVERHEAD	<input style="width: 100px; height: 20px;" type="text"/>
CONTRACTOR PROFIT	<input style="width: 100px; height: 20px;" type="text"/>
DEVELOPER FEES (new const & rehab)	<input style="width: 100px; height: 20px;" type="text"/>
DEVELOPER FEES (acquisition)	<input style="width: 100px; height: 20px;" type="text"/>
OPERATING RESERVES	<input style="width: 100px; height: 20px;" type="text"/>
ANNUAL REPLACEMENT RESERVE EXPENSE	<input style="width: 100px; height: 20px;" type="text"/>

The Total Construction Cost Calculation is calculated by adding together the line items listed. These numbers should be transferred from the Uniform Application, Section C - Financial, Part II - Uses of Funds. This will then be used as the basis to calculate the requirement for general requirements, contractor overhead and contractor profit.

CONSTRUCTION COST CALCULATION:	
Demolition	<input style="width: 100px; height: 20px;" type="text"/>
Site Work	<input style="width: 100px; height: 20px;" type="text"/>
New Structure	<input style="width: 100px; height: 20px;" type="text"/>
Rehab	<input style="width: 100px; height: 20px;" type="text"/>
Accessory Structures	<input style="width: 100px; height: 20px;" type="text"/>
General Requirements	<input style="width: 100px; height: 20px;" type="text"/>
Construction Contingencies	<input style="width: 100px; height: 20px;" type="text"/>
Other	<input style="width: 100px; height: 20px;" type="text"/>
Other	<input style="width: 100px; height: 20px;" type="text"/>
TOTAL CONSTRUCTION COSTS	<input style="width: 150px; height: 20px;" type="text"/>

The Total Adjusted Project Cost is calculated by reducing the Grand Total Project Cost by Administration, Existing Structures, Contractor Profit and Developer Fees. These numbers should be transferred from the Uniform Application, Section C - Financial, Part II - Uses of Funds. This will then be used as the basis to calculate the requirement for the developer fees.

TOTAL ADJUSTED PROJECT COST CALCULATION:			
Total Project Costs			<input type="text"/>
less Administration		<input type="text"/>	
Land		<input type="text"/>	
Existing Structures (acq)		<input type="text"/>	
Contractor Profit		<input type="text"/>	
Total Developer Fees		<input type="text"/>	
Total			<input type="text"/>
TOTAL ADJUSTED PROJECT COST			<input type="text"/>

The Total Operating, Replacement Reserve and Debt Service Cost are calculated by adding together the line items listed. These numbers should be transferred from the Uniform Application, Section C - Financial, Part I - Sources of Funds and Part V - Annual Operating Expenses. This will then be used as the basis to calculate the requirement for the operating reserve and replacement reserve.

TOTAL OPERATING, REPLACEMENT RESERVE AND DEBT SERVICE COST			
Annual Operating Expenses		<input type="text"/>	
Annual Replacement Reserves		<input type="text"/>	
Annual Debt Service		<input type="text"/>	
TOTAL			<input type="text"/>

Part II:

Part II will determine if the General Requirement limit is met. Transfer the General Requirement and Total Construction Costs from Part I of this section. Then reduce the Total Construction Costs by the General Requirements. Divide the General Requirements by the Adjusted Total Construction Costs and compare this percentage to the Maximum Cost Limit. If the project is not equal to or less than the maximum limit, the application should be adjusted to correct the situation.

GENERAL REQUIREMENTS:			
General Requirements from Part I			<input type="text"/>
Total Construction Costs from Part I		<input type="text"/>	
Less – General Requirements Part I		<input type="text"/>	
Adjusted Total Construction Costs			<input type="text"/>
General Requirements divided by Adj Total; Construction Costs			<input type="text"/>
Maximum Cost Limit			<input type="text" value="6.00%"/>

Part III:

Part III will determine if the Contractor Overhead limit is met. Transfer the Contractor Overhead and Total Construction Costs from Part I of this section. Divide the Contractor Overhead by the Total Construction Costs and compare this percentage to the Maximum Cost Limit. If the project is not equal to or less than the maximum limit, the application should be adjusted to correct the situation.

CONTRACTOR OVERHEAD:	
Contractor Overhead from Part I	<input type="text"/>
Total Construction Costs from Part I	<input type="text"/>
Contractor Profit divided by Total Construction Costs	<input type="text"/>
Maximum Cost Limit:	<input type="text" value="2.00%"/>

Part IV:

Part IV will determine if the Contractor Profit limit is met. Transfer the Contractor Profit and Total Construction Costs from Part I of this section. Divide the Contractor Profit by the Total Construction Costs and compare this percentage to the Maximum Cost Limit. If the project is not equal to or less than the maximum limit, the application should be adjusted to correct the situation.

CONTRACTOR PROFIT:	
Contractor Profit from Part I	<input type="text"/>
Total Construction Costs from Part I	<input type="text"/>
Contractor Profit divided by Total Construction Costs	<input type="text"/>
Maximum Cost Limit:	<input type="text" value="6.00%"/>
	No Identities of Interest
	Identities of Interest

Part V:

Part V will determine if the Developer Fee limit is met. Transfer the Total Adjusted Project Cost, Developer Fees (new const & rehab) and Developer Fees (acquisition) from Part I of this section. Divide the Developer Fees (new const & rehab) and Developer Fees (acquisition) by Adjusted Project Cost and compare these percentages to the Maximum Cost Limit. If the project is not equal to or less than the maximum limits, the application should be adjusted to correct the situation.

DEVELOPER FEES:

Total Adjusted Project Cost from Part I Existing Structures (acq)		
Developer Fees (new const & rehab) from Part I		
Developer Fees (new const & rehab) / Total Adj. Proj. Cost		
Developer Fees (acquisition) from Part I		
Developer Fees (acquisition) / Existing Structures (acq)		
Maximum Cost Limit:	New Const & Rehab	15.00%
	Acquisition	8.00%

Part VI:

Part VI will determine if the Operating Reserve requirement is met. Transfer the Total Annual Operating, Replacement Reserves and Debt Service Cost and well as the Operating Reserve from Part I of this section. Divide the Total Annual Operating, Replacement Reserves and Debt Service Cost by three (3) and compare this to the Operating Reserve amount. If the project does not meet the minimum requirement, the application should be adjusted to correct the situation.

If a letter of credit or developer guarantee will be used to meet this requirement, it should be noted in this section with supporting documentation being attached.

OPERATING RESERVE

Minimum Requirement: 4 months of projected operating, replacement reserve and debt service expenses

Total Annual Operating, Replacement Reserves and Debt Service Costs from Part I		
4 month reserve (Total divided by 3)		
Operating Reserve from Part I		

(if letter of credit or developer guarantee is being used documentation must be attached)

Part VII:

Part VII will determine if the Replacement Reserve requirement is met. Transfer the Annual Replacement Reserve and the Number of Units from Part I of this section. Divide the Annual Replacement Reserve by the Number of Units and compare this to the minimum requirement. If the project does not meet the minimum requirement, the application should be adjusted to correct the situation.

REPLACEMENT RESERVE			
Annual Replacement Reserve Expense from Part I			
Number of Units from Part I			
Annual Replacement Reserve/Number of Units			
Requirement	New Construction per unit	Elderly	Other
	Rehabilitation per unit	\$250	\$300
		\$300	\$300

**Part VIII:**

Part VIII will calculate the Net Proceeds from the sale of the tax credits. Transfer the Gross Proceeds from the Sale of the Tax Credits from the Uniform Application, Section C - Financial, Part I - Sources of Funds. Then reduce the Gross Proceeds by the costs the project would not have incurred if had not used Tax Credits as a funding source. These costs will be transferred from the Uniform Application, Section C - Financial, Part II - Uses of Funds. This will be analyzed for reasonableness to determine if tax credit proceeds are being used effectively.

TAX CREDIT NET PROCEEDS	(total amount expected to receive form the sale of the tax credits less costs Project would not have incurred if it were not for the use of tax credits)		
Gross Proceeds from Sale of Tax Credits			
less Attorney / Accountant			
less Consultant			
less Organizational costs			
Total			
Tax Credit Net Proceeds			

**Part IX:**

Part IX defines how Project Costs and Operating Expenses will be evaluated. Per unit costs, cost per square foot, operating expenses and vacancy rates will be evaluated for reasonableness, taking into account the type of housing, unit sizes, intended target group and area of the state and community where the project will be located. They will be compared to existing and proposed projects with similar characteristics.

**SECTION D -- APPLICATION; INDEMNIFICATION; CERTIFICATION**

This page must be reviewed, signed and notarized and submitted with the application.

**EXHIBIT INSTRUCTIONS AND REQUIREMENTS**

Exhibit A - Information Release Form

All information must be completed and authorized signatures must be obtained from each participant. A list of all principal owners or officers for each entity with social security numbers for each must be attached. This may be used to obtain credit bureau reports for each principal.

#### Exhibit B -- Market Study Requirements

Each project submitting an application must attach a "Market Study". Development Section Criteria #10 outlined in the Qualified Allocation Plan requires a project to have demonstrated community support which is project specific and addresses how the project meets the needs of the community. The combination of these two sources will be used to document how a project meets the needs of the community and will assist in determining the overall feasibility of the project.

Refer to Exhibit B for Market Study requirements.

# TAX CREDIT SUPPLEMENT

## SECTION A – GENERAL PROJECT INFORMATION

(include narrative addressing twelve development criteria)

**Project Name:** \_\_\_\_\_

---

**Part I**

Amount of Annual Credit Requested \_\_\_\_\_ (attach documentation)

Requesting from Non-Profit Set-aside?

Requesting from Small Project Set-aside?

Requesting from Preservation Set-aside?

Requesting from General Project Pool?

**Part II**

Type of Credit Requested: (check all that apply)	4% Credit	9% Credit
New Construction without Federal Subsidy	<input type="checkbox"/>	<input type="checkbox"/>
New Construction with Federal Subsidy	<input type="checkbox"/>	<input type="checkbox"/>
Acq/Rehab without Federal Subsidy	<input type="checkbox"/>	<input type="checkbox"/>
Acq/Rehab with Federal Subsidy	<input type="checkbox"/>	<input type="checkbox"/>
Rehabilitation without Federal Subsidy	<input type="checkbox"/>	<input type="checkbox"/>
Rehabilitation with Federal Subsidy	<input type="checkbox"/>	<input type="checkbox"/>

**Part III**

IRS Minimum Low-income Threshold for Credit Eligibility: (Check one)

20% of the units serving households at 50% of area median income

40% of the units serving households at 60% of area median income

(This designation is for IRS purposes only. Actual project beneficiaries  
Should be indicated in Section A – Part XI of the uniform application)

**Part IV**

Size of property in acres	<input type="checkbox"/>	Number of Units	<input type="checkbox"/>
Number of Buildings	<input type="checkbox"/>	Elevator (Y or N)	<input type="checkbox"/>
Number of Floors in the Tallest Building	<input type="checkbox"/>		

**Part V**

Are the residential units available to the General Public?  Yes  No

If "No" explain: \_\_\_\_\_

**Part VI**

Will all residential units be Decent, Safe and Sanitary?  Yes  No

**Part VII**

Is this project located in a:  Qualified Census Tract (QCT) Tract # \_\_\_\_\_

(if QCT attach copy of census map)  Difficult to Develop Area

**Part VIII**

Will support services be provided to tenants?  Yes  No

If "Yes", are they included in the rent?  Yes  No

Describe Services: \_\_\_\_\_

Part IX

List special amenities that will be provided to the project (garages, play grounds, yards, community rooms, laundry, etc.): \_\_\_\_\_

Part X

Are there any environmental issues related to the property?  Yes  No

Describe Issues: \_\_\_\_\_

Part XI

If project includes acquisition of existing buildings, list below:

<u>Building Address</u>	<u>Date Last Placed in Service</u>	<u>Date was or will be acquired</u>
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

(applicant must submit evidence of last placed in service date or approved waiver of ten year rule by letter ruling from the IRS)

Part XII

	Applicant	Developer	Owner
Name

Non Profit Status (501(c) etc.)			

Part XIII

Describe what roles or responsibilities that the applicant, developer, owner, and each member of the development team will assume for this project. If the applicant or developer will not retain ownership, describe the process and timing for disposition of this project.

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Part XIV

Does any member of the development team have any direct or indirect, financial or other interest with any of the other project team members (including owner's interest in the construction company or subcontractors used)?

Yes  No

If yes, describe the level of participation and /or relationship of each:

---

---

---

Part XV

Does any member of the development team have any default, disposition of or status of default, foreclosure or findings of non-compliance for any of the projects in which they have been involved?

Yes  No

If yes, describe situation:

---

---

---

---

Part XVI

Does any member of the development team have pending lawsuits or adversely settled lawsuits Against them or with any projects in which they have been involved?

Yes  No

If yes, describe situation:

---

---

---

---

Part XVII

\*\* Attach documentation showing development team qualifications and all past projects that team members have participated.

# TAX CREDIT SUPPLEMENT

## SECTION C – COST LIMITATIONS AND REQUIREMENTS

Part I

Is there an identity of Interest between the developer and contractor?

Number of Units: (includes low income, market and mangers units)

ENTER COSTS FROM UNIFORM APPLICATION (Section C – Financial, Part II – Use of Funds)

GENERAL REQUIREMENTS	<input style="width: 100%; height: 15px;" type="text"/>
CONTRACTOR OVERHEAD	<input style="width: 100%; height: 15px;" type="text"/>
CONTRACTOR PROFIT	<input style="width: 100%; height: 15px;" type="text"/>
DEVELOPER FEES (new const & rehab)	<input style="width: 100%; height: 15px;" type="text"/>
DEVELOPER FEES (acquisition)	<input style="width: 100%; height: 15px;" type="text"/>
OPERATING RESERVES	<input style="width: 100%; height: 15px;" type="text"/>
ANNUAL REPLACEMENT RESERVE EXPENSE	<input style="width: 100%; height: 15px;" type="text"/>

CONSTRUCTION COST CALCULATION:

Demolition	<input style="width: 100%; height: 15px;" type="text"/>	
Site Work	<input style="width: 100%; height: 15px;" type="text"/>	
New Structure	<input style="width: 100%; height: 15px;" type="text"/>	
Rehab	<input style="width: 100%; height: 15px;" type="text"/>	
Accessory Structures	<input style="width: 100%; height: 15px;" type="text"/>	
General Requirements	<input style="width: 100%; height: 15px;" type="text"/>	
Construction Contingencies	<input style="width: 100%; height: 15px;" type="text"/>	
Other	<input style="width: 100%; height: 15px;" type="text"/>	
Other	<input style="width: 100%; height: 15px;" type="text"/>	
TOTAL CONSTRUCTION COSTS	<input style="width: 100%; height: 15px;" type="text"/>	<input style="width: 100%; height: 15px;" type="text"/>

TOTAL ADJUSTED PROJECT COST CALCULATION:

Total Project Costs	<input style="width: 100%; height: 15px;" type="text"/>	
less Administration	<input style="width: 100%; height: 15px;" type="text"/>	
Land	<input style="width: 100%; height: 15px;" type="text"/>	
Existing Structures (acq)	<input style="width: 100%; height: 15px;" type="text"/>	
Contractor Profit	<input style="width: 100%; height: 15px;" type="text"/>	
Total Developer Fees	<input style="width: 100%; height: 15px;" type="text"/>	
Total	<input style="width: 100%; height: 15px;" type="text"/>	
TOTAL ADJUSTED PROJECT COST	<input style="width: 100%; height: 15px;" type="text"/>	<input style="width: 100%; height: 15px;" type="text"/>

TOTAL OPERATING, REPLACEMENT RESERVE AND DEBT SERVICE COST

Annual Operating Expenses	<input style="width: 100%; height: 15px;" type="text"/>	
Annual Replacement Reserves	<input style="width: 100%; height: 15px;" type="text"/>	
Annual Debt Service	<input style="width: 100%; height: 15px;" type="text"/>	
TOTAL	<input style="width: 100%; height: 15px;" type="text"/>	<input style="width: 100%; height: 15px;" type="text"/>

Part II

GENERAL REQUIREMENTS:

General Requirements from Part I

Total Construction Costs from Part I

Less – General Requirements Part I

Adjusted Total Construction Costs

General Requirements divided by Adj Total; Construction Costs

Maximum Cost Limit

Part III

CONTRACTOR OVERHEAD:

Contractor Overhead from Part I

Total Construction Costs from Part I

Contractor Profit divided by Total Construction Costs

Maximum Cost Limit:

Part IV

CONTRACTOR PROFIT:

Contractor Profit from Part I

Total Construction Costs from Part I

Contractor Profit divided by Total Construction Costs

Maximum Cost Limit:

No Identities of Interest

Identities of Interest

Part V

DEVELOPER FEES:

Total Adjusted Project Cost from Part I

Existing Structures (acq)

Developer Fees (new const & rehab) from Part I

Developer Fees (new const & rehab) / Total Adj. Proj. Cost

Developer Fees (acquisition) from Part I

Developer Fees (acquisition) / Existing Structures (acq)

Maximum Cost Limit:

New Const & Rehab

Acquisition

Part VI

OPERATING RESERVE

Minimum Requirement: 4 months of projected operating, replacement reserve and debt service expenses

Total Annual Operating, Replacement Reserves  
and Debt Service Costs from Part I

4 month reserve (Total divided by 3)

Operating Reserve from Part I

(if letter of credit or developer guarantee is being used documentation must be attached)

Part VII

REPLACEMENT RESERVE

Annual Replacement Reserve Expense from Part I

Number of Units from Part I

Annual Replacement Reserve/Number of Units

Requirement	New Construction per unit	Elderly	Other
		\$250	\$300
	Rehabilitation per unit	\$300	\$300

Part VIII

TAX CREDIT NET PROCEEDS (total amount expected to receive from the sale of the tax credits less costs Project would not have incurred if it were not for the use of tax credits)

Gross Proceeds from Sale of Tax Credits	<input type="text"/>
less Attorney / Accountant	<input type="text"/>
Consultant	<input type="text"/>
Organizational costs	<input type="text"/>
<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>
Total Tax Credit Net Proceeds	<input type="text"/>

Part IX

PROJECT COSTS AND OPERATING EXPENSES

Per unit costs, cost per square foot, operating expenses and vacancy rates will be evaluated for reasonableness, taking into account the type of housing, unit sizes, intended target group and area of the state and community where the project will be located. They will be compared to existing and proposed projects with similar characteristics.

**TAX CREDIT SUPPLEMENT**  
**SECTION D - APPLICATION; INDEMNIFICATION; CERTIFICATION**

The undersigned hereby makes application to the Montana Board of Housing (MBOH) for reservation or allocation of federal low-income housing tax credit as set forth in the attached application.

The undersigned acknowledges and understands that the Montana Board of Housing does not and will not make any representations concerning the qualification of any building for the federal low-income housing tax credit or the ability of any owner of a building to use such credit to offset federal income taxes.

The undersigned agrees that the Montana Board of Housing will not be held liable for any representations made to the undersigned or any persons involved in the project relating to the owner's or other persons' participation in the Montana Board of Housing's Low-Income Housing Tax Credit Program with respect to the project described in this application, and therefore, the undersigned assumes the risk of all damages, losses, costs and expenses related thereto. The undersigned agrees to indemnify and hold harmless the Montana Board of Housing including any member, officer, employee or representative thereof (collectively, the "Indemnified Parties") against any and all claims, suits, losses, damages, costs (including attorneys' fees) and expenses of any kind that the Indemnified Parties, or any of them, may hereinafter suffer, incur or pay arising out of: (i) this Application or use of information therein, (ii) the participation of any person in the Low-Income Housing Tax Credit Program in connection with the project described in this Application; (iii) any allocation or reservation of tax credits to any building(s) in such project; and/or (iv) the financing, acquisition, construction and/or rehabilitation or operation of such project.

The applicant agrees to, at all times, comply with all applicable federal, state and local laws, rules and regulations now provided or which may be hereafter provided including, but not limited to: the State of Montana Workers' Compensation Act; the Fair Housing Act of 1988; and the State of Montana Landlord/Tenant Act. The applicant agrees to obtain all necessary state and local approvals and permits required for the project and will develop and operate the project in conformance with the laws of the State of Montana.

The applicant represents and warrants that it has made all disclosures required by the MBOH with respect to the Applicant, the Developer, each General Partner, and/or each party to a Joint Venture, as the case may be, being a Related Party, having an Identity of Interest, being Affiliated With, or Controlled By or in Control Of other members of the Development Team as more fully described in the Qualified Allocation Plan. The applicant agrees to immediately notify the MBOH in writing if there is any change in the Project including but not limited to the Applicant or any member of the development team, the financing proposed, or the unit composition.

The undersigned hereby certifies that the information set forth in this form, and in any attachments in support hereof, is true, correct and complete to the best of his/her knowledge and belief.

Credit Bureau reports may be obtained for all principals.

## **TAX CREDIT SUPPLEMENT EXHIBIT B -- MARKET STUDY REQUIREMENTS**

Each project submitting an application must attach a "Market Study". Development Section Criteria #10 outlined in the Qualified Allocation Plan requires a project to have demonstrated community support which is project specific and addresses how the project meets the needs of the community. The combination of these two sources will be used to document how a project meets the needs of the community and will assist in determining the overall feasibility of the project.

The market study must be less than six (6) months old at the time of application.

The market study must include the following at a minimum:

1. A description of the proposed site;
  - physical features of site and surrounding parcels
  - positive and negative attributes of the site should be discussed
  - curb appeal of the site, surrounding land uses, the site's physical relation to surrounding roads, transportation, amenities, employment, services, the condition of the physical structures/neighborhoods surrounding site.
  - pictures of the site
  - compatibility of project with surrounding land uses and neighborhood characteristics
2. A description of the proposed project;
  - bedroom mix
  - target income group
  - rents
  - utility allowance (describe type and use of utility such as gas or electric and who will pay for each utility)
3. Market area (geographic definition and analysis);
  - map clearly identifying project location, closest shopping areas, schools and employment centers and other amenities
  - map clearly identifying market area
  - detailed justification of how market area was determined and description of methodology and reasoning used
4. Market area demographic data;
  - population by age cohorts
  - number of households by income grouping, and household size
  - past and future population growth patterns, specifically relating to the populations proposed for the development
  - assessment of the overall economy including a sense of whether overall employment is expanding or contracting, labor force trends and wages
5. Project specific demographic data and demand;
  - new units required (by bedroom size and total) in the market area (include explanation of how this was calculated)
  - number of households in the market area which are income eligible and can afford to pay the rent (distinguish between actual project targeting i.e. 50% and 60% AMI) (assume no households are able to pay more than 35% of gross income towards total housing expense) (include explanation of how this was calculated)

- new units required (by bedroom size and total) in the market area for the households the project is targeting (i.e. 50% and 60% AMI) (include explanation of how this was calculated)
- capture rate for each bedroom size as well as the project overall area (include explanation of how this was calculated)
- absorption time schedule (estimated rent-up period)
- description of the effect of the proposed project on the market
- analysis of voucher and certificates available in the market area
- description of any barriers to entry which can be anything which makes it difficult to build such as high land and building costs, scarcity of zoned sites with utilities, difficult or extended public approval process, etc.

6. Comparable developments in the market area;

- must include existing projects, projects currently under construction, and projects slated to begin construction within the year
- map showing each project in relation to proposed project
- all comparable projects must be visited in person
- each project should list the following information:
  - description and location (address)
  - breakdown of unit sizes by bedroom count
  - monthly rents and what utilities are included in rent
  - project age
  - description of amenities
  - concessions given if any
  - current vacancy rates broken out by bedroom size
  - number of units receiving rental assistance and if project or tenant based
  - contact and phone number
- attach a current photograph
- federally or state assisted projects should be identified
- family projects are not comparable to elderly and vice versa
- discuss at what percent the rents for the proposed project are below market rents

7. Interviews;

- summarize results of formal or informal interviews with property managers, town planning officials or anyone with relevant information relating to the proposed development or market area

8. Analysis of practically available operating expenses and turnover rates of comparable properties in the market area;

9. Projected operating funds and expenses, when available at the time of the study;

10. Market analyst qualifications;

- statement of competence
- resume' and supporting documentation of qualifications
- the market study must be prepared by an arms length party. A non arms length party is defined as having identities of interest defined as a financial, familial, or business relationship that permits less than arms length transactions which includes, but is not limited to, existence of a reimbursement program or exchange, common financial interests, common officers, directors, or stockholders, or family relationships between officers, directors, or stockholders.

11. The Market Analysis will include a coversheet that identifies:

- Project/unit amenities.
- Profit or non-profit status.
- Total years of commitment (15 years plus number of years if extended use).
- Selection of target audience (20 –50)(40-60).
- If targeted for eventual home ownership, the year in which this would occur.
- The average (comparable) market unit rents in the immediate area.
- Vacancy rate.
- Capture rate.
- Absorption rate
- Units needed in the market area.

(Include reference to page and paragraph where each item has been analyzed to establish the conclusion for the items listed above.)

The market study must clearly identify the following on a summary sheet:

- Average (comparable) market unit rents in immediate area
  - 0 Bedroom \$ \_\_\_\_\_
  - 1 Bedroom \$ \_\_\_\_\_
  - 2 Bedroom \$ \_\_\_\_\_
  - 3 Bedroom \$ \_\_\_\_\_
  - 4 Bedroom \$ \_\_\_\_\_ Reference page \_\_\_\_\_
- Vacancy Rate \_\_\_\_\_% Reference page \_\_\_\_\_
- Capture Rate \_\_\_\_\_% Reference page \_\_\_\_\_  
(projected income eligible tenants who will move in next year / proposed units)
- Units needed in market area \_\_\_\_\_ Reference page \_\_\_\_\_
- Absorption Rate \_\_\_\_\_% Reference page \_\_\_\_\_  
(proposed units / existing LIH, market area units required)
- Penetration Rate \_\_\_\_\_% Reference page \_\_\_\_\_  
(existing LIH units/total eligible households)
- Number of LI households that can afford rent of proposed project \_\_\_\_\_  
Reference page \_\_\_\_\_

If the above requirements are not substantively met and/or the Board determines that the market analyst is not qualified to complete the market study, the application will be denied and returned for possible submission in a future round.

If any of the above information is not practically available, this will not be cause for immediate denial. However, the market analyst must explain why such information is not available and will be considered on a case-by-case basis.

**TAX CREDIT SUPPLEMENT  
EXHIBIT B -- MARKET ANALYST SIGNED STATEMENT**

(this form must be signed, notarized and attached to the market study)

"I affirm that I, or an individual employed by my company, have made a physical inspection of the market area and that information has been used in the full study of the need and demand for new rental units. To the best of my knowledge, the market can support the demand shown in the study. I understand that any misrepresentation of this statement may result in the denial of further participation in the Montana Board of Housing's programs. I also affirm that I have no interest in the project and have an arms-length relationship with the ownership entity and my compensation is not contingent on this project being funded."
