4 local preservation ordinance that has been approved by the officer.

5 Sec. 3. (1) Any person incurring eligible expenditures
6 may receive a nonrefundable credit against any income tax imposed by
7 the Nebraska Revenue Act of 1967, or any tax imposed pursuant to
8 sections 77-907 to 77-918 or 77-3801 to 77-3807, for the year the
9 historically significant real property is placed in service. The
10 amount of the credit shall be equal to (a) twenty percent of eligible
11 expenditures up to and including ten million dollars and (b) ten
12 percent of eligible expenditures in excess of ten million dollars.

13 (2) To claim the credit authorized under this section, a
14 person shall comply with each of the following requirements:

15 (a) Prior to commencing work on the historically
16 significant real property, a person shall file an application
17 containing all required information with the officer on a form
18 prescribed by the officer and shall include an application fee
19 established by the officer pursuant to section 4 of this act. The
20 officer shall determine whether to approve, approve with conditions,
21 or deny the application and shall provide the person filing the
22 application and the Department of Revenue with written notice of the
23 officer's determination. If the officer does not provide a written
24 notice of his or her determination within thirty days after the date
25 the person files an application containing all required information,

1 the application shall be deemed approved; and

2 (b) Within twelve months after the date on which the
3 historically significant real property is placed in service, a person
4 whose application was approved under subdivision (2)(a) of this
5 section shall file a request for final approval containing all
6 required information with the officer on a form prescribed by the
7 officer and shall include a fee established by the officer pursuant
8 to section 4 of this act. The officer shall then determine whether
9 the work substantially conforms to the application approved under
10 subdivision (2)(a) of this section. If the work substantially
11 conforms and no other significant improvements have been made to the
12 historically significant real property that do not substantially
13 comply with the standards, the officer shall approve the request for
14 final approval and refer the application to the Department of Revenue
15 to determine the amount of eligible expenditures, calculate the
16 amount of the credit, and issue a certificate to the person
17 evidencing the credit. If the work does not substantially conform to
18 the approved application or if other significant improvements have
19 been made to the historically significant real property that do not
20 substantially comply with the standards, the officer shall deny the
21 request for final approval and provide the person with a written
22 explanation of the decision. The officer shall make a determination
23 on the request for final approval in writing within thirty days after
24 the filing of the request. If the officer does not make a
25 determination within thirty days after the filing of the request, the

1 request shall be deemed approved and the person may petition the
2 Department of Revenue directly to determine the amount of eligible
3 expenditures, calculate the amount of the credit, and issue a
4 certificate evidencing the credit. The department shall divide the
5 credit and issue multiple certificates to a person who qualifies for
6 the credit upon reasonable request.

7 (3) The Department of Revenue shall not issue any
8 certificates for credits under subsection (2) of this section until
9 the recipient of the credit has paid to the department a fee equal to
10 the lesser of either one-quarter of one percent of the credit amount
11 or twenty-five thousand dollars. The department shall remit such fees
12 to the State Treasurer for credit to the Civic and Community Center
13 Financing Fund.

14 (4) Notwithstanding subdivision (2)(a) of this section,
15 the person applying for the credit authorized under this section may,
16 at its own risk, incur eligible expenditures up to six months prior
17 to the submission of the application required under subdivision (2)
18 (a) of this section if such eligible expenditures are limited to
19 architectural fees, accounting and legal fees, and any costs related
20 to the protection of the historically significant real property from
21 deterioration.

22 (5) If the recipient of the credit is (a) a corporation
23 having an election in effect under subchapter S of the Internal
24 Revenue Code of 1986, as amended, (b) a partnership, or (c) a limited
25 liability company, the credit may be claimed by the shareholders of

1 the corporation, the partners of the partnership, or the members of
2 the limited liability company in the same manner as those
3 shareholders, partners, or members account for their proportionate
4 shares of the income or losses of the corporation, partnership, or
5 limited liability company, or as provided in the bylaws or other
6 executed agreement of the corporation, partnership, or limited
7 liability company. Credits granted to a partnership, a limited
8 liability company taxed as a partnership, or other multiple owners of
9 property shall be passed through to the partners, members, or owners,
10 respectively, on a pro rata basis or pursuant to an executed
11 agreement among the partners, members, or owners documenting any
12 alternate distribution method.

13 (6) Any credit amount that is unused may be carried
14 forward to subsequent tax years until fully utilized.

15 (7) Credits allowed under this section may be claimed for
16 taxable years beginning or deemed to begin on or after January 1,
17 2015, under the Internal Revenue Code of 1986, as amended.

18 Sec. 4. The officer shall establish and collect the
19 application fee required pursuant to subdivision (2)(a) of section 3
20 of this act and the fee for the request for final approval required
21 pursuant to subdivision (2)(b) of section 3 of this act. Such fees
22 shall be in amounts sufficient to offset the costs of processing and
23 monitoring applications filed under the Nebraska Job Creation and
24 Mainstreet Revitalization Act. Such fees shall be remitted by the
25 officer to the State Treasurer for credit to the Nebraska Job

1 Creation and Mainstreet Revitalization Fund.

2 Sec. 5. All or a portion of the credit received under
3 section 3 of this act shall be subject to recapture from the person
4 filing the original application under section 3 of this act by the
5 Department of Revenue if at any time during the five years after the
6 historically significant real property is placed into service the
7 officer or the Department of Revenue determines the historically
8 significant real property has been the subject of work not in
9 substantial conformance with the standards, the approved application,
10 or the documents from which the credit was calculated. If the person
11 filing the original application is a partnership or limited liability
12 company, the liability of the partners or members for recapture shall
13 be proportionate to their ownership in the applicant partnership or
14 limited liability company. Any action to recapture credits under this
15 section may proceed after a written notice is given to the applicant
16 and the applicant is allowed a six-month cure period. Thereafter, the
17 credit shall be subject to recapture as follows:

18 (1) If the event causing recapture occurs during the
19 first year after the historically significant real property is placed
20 into service, one hundred percent of the credit may be recaptured;

21 (2) If the event causing recapture occurs during the
22 second year after the historically significant real property is
23 placed into service, eighty percent of the credit may be recaptured;

24 (3) If the event causing recapture occurs during the
25 third year after the historically significant real property is placed

1 into service, sixty percent of the credit may be recaptured;

2 (4) If the event causing recapture occurs during the
3 fourth year after the historically significant real property is
4 placed into service, forty percent of the credit may be recaptured;
5 and

6 (5) If the event causing recapture occurs during the
7 fifth year after the historically significant real property is placed
8 into service, twenty percent of the credit may be recaptured.

9 Sec. 6. Persons eligible for credits under the Nebraska
10 Job Creation and Mainstreet Revitalization Act may transfer, sell, or
11 assign all or any portion of the credits to any person or legal
12 entity by transferring possession of the certificate received for
13 such credits under section 3 of this act to the person acquiring the
14 credits. Credits may be transferred, sold, or assigned multiple
15 times, either in whole or in part. Any person acquiring credits under
16 this section may use such credits to offset up to one hundred percent
17 of such person's tax due under the Nebraska Revenue Act of 1967, or
18 any tax imposed pursuant to sections 77-907 to 77-918 or 77-3801 to
19 77-3807, in the year the credits are acquired and in subsequent years
20 until all credits have been utilized. The person transferring,
21 selling, or assigning the credits shall notify the officer and the
22 Department of Revenue in writing within fifteen calendar days
23 following the effective date of the transfer, sale, or assignment and
24 shall provide any information as may be required by the Department of
25 Revenue or the officer to administer and carry out the Nebraska Job

1 Creation and Mainstreet Revitalization Act. Such written notification
2 to the Department of Revenue shall perfect the transfer, sale, or
3 assignment of credits. Only the person filing the original
4 application for credits under section 3 of this act, and not any
5 person to whom such credits are transferred, sold, or assigned, shall
6 be liable for any recapture of the credits under section 5 of this
7 act. The Department of Revenue shall develop a system to track the
8 transfer, sale, and assignment of credits and to certify the
9 ownership of the credits. The Department of Revenue shall have, with
10 respect to the Nebraska Job Creation and Mainstreet Revitalization
11 Act, all authority granted to it in section 77-27,119.

12 Sec. 7. The Nebraska State Historical Society and the
13 Department of Revenue may each adopt and promulgate rules and
14 regulations to carry out the Nebraska Job Creation and Mainstreet
15 Revitalization Act.

16 Sec. 8. The Nebraska Job Creation and Mainstreet
17 Revitalization Fund is created. The fund shall be administered by the
18 Nebraska State Historical Society and shall consist of all fees
19 credited to the fund pursuant to section 4 of this act. The fund
20 shall be used to administer and enforce the Nebraska Job Creation and
21 Mainstreet Revitalization Act. Any money in the fund available for
22 investment shall be invested by the state investment officer pursuant
23 to the Nebraska Capital Expansion Act and the Nebraska State Funds
24 Investment Act.

25 Sec. 9. There shall be no new applications filed under

1 the Nebraska Job Creation and Mainstreet Revitalization Act on or
2 after January 1, 2020. All applications and all credits pending or
