3 The General Assembly of North Carolina enacts:

4 **SECTION 1.** Article 3E of Chapter 105 of the General Statutes, with the exception  
5 of G.S. 105-129.41, is reenacted as it existed immediately before its expiration and reads as  
6 rewritten:

7 "Article 3E.

19 **"§ 105-129.42. ~~Credit-Funding mechanism~~ for low-income housing awarded a federal**  
20 **credit allocation on or after January 1, 2003.**

21 (a) Definitions. — The following definitions apply in this section:

22 (1) Qualified Allocation Plan. — The plan governing the allocation of federal  
23 low-income housing tax credits for a particular year, as approved by the  
24 Governor after a public hearing and publication in the North Carolina  
25 Register.

26 (2) Qualified North Carolina low-income housing development. — A qualified  
27 low-income project or building that is allocated a federal tax credit under  
28 section 42(h)(1) of the Code and is described in subsection (c) of this section.

29 (3) Qualified residential unit. — A housing unit that meets the requirements of  
30 section 42 of the Code.

31 (b) Credit. — A taxpayer who is allocated a federal low-income housing tax credit under  
32 section 42 of the Code to construct or substantially rehabilitate a qualified North Carolina  
33 low-income housing development is allowed a credit equal to a percentage of the development's  
34 qualified basis, as determined pursuant to section 42 of the Code. For the purpose of this section,  
35 qualified basis is calculated based on the information contained in the carryover allocation and

1 is not recalculated to reflect subsequent increases or decreases. No credit is allowed for a  
 2 development that uses tax-exempt bond financing.

3 (c) Developments and Amounts. – The following table sets out the housing developments  
 4 that are qualified North Carolina low-income housing developments and are allowed a credit  
 5 under this section. The table also sets out the percentage of the development's qualified basis for  
 6 which a credit is allowed. The designation of a county or city as Low Income, Moderate Income,  
 7 or High Income and determinations of affordability are made by the Housing Finance Agency in  
 8 accordance with the Qualified Allocation Plan in effect as of the time the federal credit is  
 9 allocated. A change in the income designation of a county or city after a federal credit is allocated  
 10 does not affect the percentage of the developer's qualified basis for which a credit is allowed. The  
 11 affordability requirements set out in the chart apply for the duration of the federal tax credit  
 12 compliance period. ~~If in any year a taxpayer fails to meet these affordability requirements, the~~  
 13 ~~credit is forfeited under subsection (h) of this section.~~

Type of Development	Percentage of Basis for Which Credit is Allowed
Forty percent (40%) of the qualified residential units are affordable to households whose income is fifty percent (50%) or less of area median income and the units are in a Low-Income county or city.	Thirty percent (30%)
Fifty percent (50%) of the qualified residential units are affordable to households whose income is fifty percent (50%) or less of the area median income and the units are in a Moderate-Income county or city.	Twenty percent (20%)
Fifty percent (50%) of the qualified residential units are affordable to households whose income is forty percent (40%) or less of the area median income and the units are in a High-Income county or city.	Ten percent (10%)
Twenty-five percent (25%) of the qualified residential units are affordable to households whose income is thirty percent (30%) or less of the area median income and the units are in a High-Income county or city.	Ten percent (10%)

38 (d) ~~Election.~~ Loan Generated. – When a taxpayer to whom a federal low-income  
 39 housing credit is allocated submits to the Housing Finance Agency a request to receive a  
 40 carryover allocation for that credit, the taxpayer must ~~elect a method for receiving the tax credit~~  
 41 ~~allowed by this section. A taxpayer may elect to receive the credit in the form of either a direct~~  
 42 ~~tax refund or a loan generated by transferring the credit to the Housing Finance Agency. Neither~~  
 43 ~~a direct tax refund nor a~~ A loan received as the result of the transfer of the credit is not considered  
 44 taxable income under this Chapter.

45 ~~Under the direct tax refund method, a taxpayer elects to apply the credit allowed by this~~  
 46 ~~section to the taxpayer's liability under Article 4 of this Chapter. If the credit allowed by this~~  
 47 ~~section exceeds the amount of tax imposed by Article 4 for the taxable year, reduced by the sum~~  
 48 ~~of all other credits allowable, the Secretary must refund the excess. In computing the amount of~~  
 49 ~~tax against which multiple credits are allowed, nonrefundable credits are subtracted before this~~  
 50 ~~credit. The provisions that apply to an overpayment of tax apply to the refundable excess of a~~  
 51 ~~credit allowed under this section.~~

1 Under the loan method, a taxpayer elects to transfer the credit allowed by this section to the  
2 Housing Finance Agency and receive a loan from that Agency for the amount of the credit. The  
3 terms of the loan are specified by the Housing Finance Agency in accordance with the Qualified  
4 Allocation Plan.

5 (e) Exception When No Carryover. – If a taxpayer does not submit to the Housing  
6 Finance Agency a request to receive a carryover allocation, the taxpayer must elect the method  
7 for receiving the credit allowed by this section when the taxpayer submits to the Agency federal  
8 Form 8609. A taxpayer to whom this subsection applies claims the credit for the taxable year in  
9 which the taxpayer submits federal Form 8609.

10 (f) Pass-Through Entity. – Notwithstanding the provisions of G.S. 105-131.8 and  
11 G.S. 105-269.15, a pass-through entity that qualifies for the credit provided in this Article does  
12 not distribute the credit among any of its owners. The pass-through entity is considered the  
13 taxpayer for purposes of claiming the credit allowed by this Article. If a return filed by a  
14 pass-through entity indicates that the entity is paying tax on behalf of the owners of the entity,  
15 the credit allowed under this Article does not affect the entity's payment of tax on behalf of its  
16 owners.

17 (g) Return and Payment. – A taxpayer may claim the credit allowed by this section on a  
18 return filed for the taxable year in which the taxpayer receives a carryover allocation of a federal  
19 low-income housing credit. The return must state the name and location of the qualified  
20 low-income housing development for which the credit is claimed.

21 If a taxpayer chooses the loan method for receiving the credit allowed under this section, the  
22 Secretary must transfer to the Housing Finance Agency the amount of credit allowed the  
23 taxpayer. The Agency must loan the taxpayer the amount of the credit on terms consistent with  
24 the Qualified Allocation Plan. The Housing Finance Agency is not required to make a loan to a  
25 qualified North Carolina low-income housing development until the Secretary transfers the credit  
26 amount to the Agency.

27 If the taxpayer chooses the direct tax refund method for receiving the credit allowed under  
28 this section, the Secretary must transfer to the Housing Finance Agency the refundable excess of  
29 the credit allowed the taxpayer. The Agency holds the refund due the taxpayer in escrow, with  
30 no interest accruing to the taxpayer during the escrow period. The Agency must release the refund  
31 to the taxpayer upon the occurrence of the earlier of the following:

32 (1) The Agency determines that the taxpayer has complied with the Qualified  
33 Allocation Plan and has completed at least fifty percent (50%) of the activities  
34 included in the development's qualified basis.

35 (2) Within 30 days after the date the development is placed in service.

36 (h) Forfeiture. — A taxpayer that receives a credit under this section must immediately  
37 report any recapture event under section 42 of the Code to the Housing Finance Agency. If the  
38 taxpayer or any of its owners are required under section 42(j) of the Code to recapture all or part  
39 of a federal credit with respect to a qualified North Carolina low-income development, the  
40 taxpayer forfeits the corresponding part of the credit allowed under this section. This requirement  
41 does not apply in the following circumstances:

42 (1) When the recapture of part or all of the federal credit is the result of an event  
43 that occurs in the sixth or a subsequent calendar year after the calendar year  
44 in which the development was awarded a federal credit allocation.

45 (2) The taxpayer elected to transfer the credit allowed by this section to the  
46 Housing Finance Agency.

47 (i) Liability From Forfeiture. — A taxpayer that forfeits all or part of the credit allowed  
48 under this section is liable for all past taxes avoided and any refund claimed as a result of the  
49 credit plus interest at the rate established under G.S. 105-241.21. The interest is computed from  
50 the date the Secretary transferred the credit amount to the Housing Finance Agency. The past  
51 taxes, refund, and interest are due 30 days after the date the credit is forfeited. A taxpayer that

1 fails to pay the taxes, refund, and interest by the due date is subject to the penalties provided in  
2 G.S. 105-236.

3 **"§ 105-129.43. Substantiation.**

4 A taxpayer allowed a credit under this Article must maintain and make available for  
5 inspection any information or records required by the Secretary of Revenue or the Housing  
6 Finance Agency. The burden of proving eligibility for a credit and the amount of the credit rests  
7 upon the taxpayer.

8 **"§ 105-129.44. Report.**

9 The Department must include in the economic incentives report required by G.S. 105-256 the  
10 following information itemized by taxpayer:

- 11 (1) The number of taxpayers that took the credit allowed in this Article.
- 12 (2) The location of each qualified North Carolina low-income building or housing  
13 development for which a credit was taken.
- 14 (3) The total cost to the General Fund of the credits taken.
