

**2017 North Dakota Century Code**  
**Title 57 Taxation**  
**Chapter 57-38 Income Tax**

57-38-01. Definitions. As used in this chapter, unless the context otherwise requires, "Federal Internal Revenue Code of 1954, as amended", "United States Internal Revenue Code of 1954, as amended", and "Internal Revenue Code of 1954, as amended", mean the United States Internal Revenue Code of 1986, as amended. Reference to the Internal Revenue Code of 1954, as amended, includes a reference to the United States Internal Revenue Code of 1986, as amended, and reference to the United States Internal Revenue Code of 1986, as amended, includes a reference to the provisions of law formerly known as the Internal Revenue Code of 1954, as amended.

a. Except that the provisions of section 168(f)(8) of the Internal Revenue Code of 1954, as amended, are not adopted in those instances when the minimum investment by the lessor is less than one hundred percent for the purpose of computing North Dakota taxable income for individuals, estates, trusts, and corporations for taxable years beginning on or after January 1, 1983. Therefore, federal taxable income must be increased, or decreased, as the case may be, to reflect the adoption or nonadoption of the provisions of section 168(f)(8) of the Internal Revenue Code of 1954, as amended, and such adjustments must be made before computing income subject to apportionment.

b. Provided, that one-half of the amount not allowed as an accelerated cost recovery system depreciation deduction for the taxable year beginning after December 31, 1982, may be deducted from federal taxable income in each of the next two taxable years beginning after December 31, 1985, and one-half of the amount not allowed as an accelerated cost recovery system depreciation deduction for the taxable year beginning after December 31, 1983, may be deducted from federal taxable income in each of the next two years beginning after December 31, 1987, and one-half of the amount not allowed as an accelerated cost recovery system depreciation deduction for the taxable year beginning after December 31, 1984, may be deducted from federal taxable income in each of the next two taxable years beginning after December 31, 1989. All such adjustments must be made before computing income subject to apportionment.

c. Provided, that the depreciation adjustments allowed in subdivision b shall be limited to those eligible assets acquired during taxable years beginning after December 31, 1982. Acquisitions made before taxable years beginning January 1, 1983, must be depreciated pursuant to the methods permissible under Internal Revenue Code provisions in effect prior to January 1, 1981.

d. Except that for purposes of applying the Internal Revenue Code of 1954, as amended, with respect to actual distributions made after December 31, 1984, by a domestic international sales corporation, or former domestic international sales corporation, which was a domestic international sales corporation on December 31, 1984, any accumulated domestic international sales corporation income of a domestic international sales corporation, or former domestic international sales corporation, which is determined or subject matter otherwise requires:
