13 authorization allowing the tax to be reduced either by a percentage
14 or a specific dollar amount after the applicable tax rate amount has
15 been multiplied by the applicable tax base amount and which results
16 in a net tax liability after the tax credit amount has been
17 subtracted from a gross tax liability amount.

18 B. 1. The Oklahoma Department of Commerce shall conduct a
19 preapproval cost/benefit analysis to determine whether or not
20 activity which is expected to result directly from the granting of a
21 tax credit by the Oklahoma Tax Commission to a legal business entity
22 would result in any estimated net direct state benefits. The
23 preapproval process shall be based upon an application made by the

7 when a claim is filed for a tax credit.

9 allowed by the Tax Commission to a legal business entity unless a

- 13 a. net direct state benefits are expected to result, and
- 14 b. at least one (1) new direct job will be created or one
15 (1) existing job will be retained.

16 The requirement for a preapproval memorandum shall be in addition to
17 any other statutory requirements for a particular tax credit.

1 the legal business entity. The Tax Commission shall provide such
2 assistance as is necessary to the State Auditor and Inspector to
3 implement the provisions of this subsection.

4 2. The State Auditor and Inspector shall annually report
5 findings resulting from the provisions of paragraph 1 of this
6 subsection to the Governor, President Pro Tempore of the Senate,
