(e) **Notification of non-compliance provisions.**

(1) OHFA will provide prompt written notice to the owner of a low-income housing project if OHFA does not receive the certification described in 330:36-6-7(c)(4) of these Chapter 36, or does not receive, or is not permitted to inspect, the tenant income certification supporting documentation and rent records, or discovers on audit, inspection review, or in some other manner, that the project is not in compliance with the Code or these Chapter 36 rules. The owner shall have a period of time, not to exceed thirty (30) calendar days, from the date of such notice (the "Correction Period") to supply any missing certifications and bring the project into compliance. OHFA may extend, in its own discretion, the Correction Period for up to an additional thirty (30) calendar days for good cause.

(2) OHFA must file IRS Form 8823 Report of Noncompliance with the Internal Revenue Service no later than forty-five (45) calendar days after the end of the Correction Period whether or not the noncompliance or failure to certify is corrected. OHFA will explain on Form 8823 the nature of the noncompliance or failure to certify and indicate whether the owner has corrected the noncompliance or failure to certify. Any change in either the applicable fraction or eligible basis that results in a decrease in the qualified basis of the project under Section 42(c)(1)(A) is an event of noncompliance that must be reported under this paragraph.

SUBCHAPTER 8. QUALIFIED CONTRACT

330:36-8-1. Purpose.

Pursuant to 42(h)(6) of the Code, after the end of the 14th year of the Compliance Period, the owner of a LIHTC Development can request OHFA as the allocating agency to find a buyer at the Qualified Contract Price (QCP). If a buyer cannot be located within one year, the extended use commitment will terminate. This process provides the procedures for the submittal and review of

the qualified contract requests.

330:36-8-2. [RESERVED]

330:36-8-3. Authority.

In the Omnibus Budget Reconciliation Act of 1989 (1989 Act), Congress modified the LIHTC Program by creating an Extended Use Period which lengthened the affordability period of Credit Developments from 15 years to 30 years. However, the 1989 Act also provided an option for owners to exit the LIHTC Program at the end of the 15-year Compliance Period by requesting that the state allocating agency either purchase the Development or assign the agency's purchase right to another entity for a formula price pursuant to a "Qualified Contract".

330:36-8-4. [RESERVED]

330:36-8-5. Policies and Procedures

(a) LIHTC Developments that received an allocation of Credits in 1990 or subsequent years are eligible to submit a Preliminary Application (QCPA) any time after the end of year 14 of the Compliance Period. This is available unless the owner voluntarily waives it in the Regulatory Agreement.

(b) OHFA will develop a Qualified Contract application process to administer requests from eligible Owners for a Qualified Contract pursuant to Code Section 42(h)(6)(E)(i)(II).

(c) In keeping with the clear purpose of IRS Code Section 42, OHFA will resolve every case of doubt or interpretation in determining the QCP, both with regard to the overall process and for particular properties, in favor of a lower value.

330:36-8-6. [RESERVED]

330:36-8-7. Eligibility

(a) In determining the eligibility of a Development with multiple Allocations or Credit periods, OHFA will only consider the last Allocation. Owners may not submit a QCPA or QCA until after the 14th year of the Compliance Period:

(1) for the last Building placed in service (Developments with buildings that were placed in service in different years), or

(2) for the last Allocation to the Development or any Building therein (Developments with multiple Allocations).

(b) OHFA will not consider a QCA until the owner secures a complete, unconditional waiver of all purchase options, including a nonprofit general partner's right of first refusal.

(c) Properties that do not meet the basic physical compliance standards that are (or would be) necessary to claim some or all of the Allocation are ineligible for consideration. Owners must correct all such compliance issues or violations prior to submitting a QCA.

330:36-8-8. [RESERVED]

330:36-8-9. Three-year Period

(a) If OHFA fails to present a QC before the expiration of the 1YP as described herein, the Development will remain subject to the Three-Year Period requirements of Code Section 42(h)(6)(E)(ii).

(b) The Three-Year period will commence with the recording of a Release of the Regulatory Agreement.

(c) During the Three-Year Period the owner may not evict or terminate a tenancy of an existing tenant of any low-income unit except for good cause. During the Three-Year Period the owner may not increase the gross rent with respect to any low-income unit except as permitted under Section 42 of the Code.

330:36-8-10. [RESERVED]**330:36-8-11. Qualified Contract**

(a) Under IRC §42(h)(6)(E)(i)(II), OHFA's only obligation is to present to the owner a bona fide Qualified Contract to acquire the Development for the Qualified Contract Price. There is no requirement in the IRS Code that the prospective buyer actually purchase the Development. Whether or not the Owner and the prospective buyer execute a contract and close the transaction is beyond the responsibilities and control of OHFA.

(b) Presentation of a Qualified Contract by OHFA terminates any future possibility of terminating the Extended Use Period set forth in the Regulatory Agreement whether or not the Qualified Contract is executed and the transaction close.
