Housing Tax Credit Application Checklist and Application

Submission Requirements

Each developer submitting a proposal to Rhode Island Housing must include one copy of the drawings and specifications, one CD containing a completed pro-forma, and an original and two copies of each of the following documents along with the application.

Please use three-ring binders with tabs dividing the sections.

INITIAL REVIEW SUBMISSION REQUIREMENTS

- 1. Funding Application (Attached).
- 2. Submission Checklist. A copy of this submission checklist is to be completed by applicant to indicate whether each submission requirement is Complete, Incomplete, N/A.
- 3. Application Fee. See Developers Handbook for a description of the application fee requirements.
- 4. Schematic Design in accordance with requirements of Design and Construction Handbook.

Site Inspections: All buildings which are being considered as part of a specific development proposal must undergo a physical inspection by Rhode Island Housing Design and Construction staff. The developer must provide access to all buildings as a condition of this inspection.

- 5. AIA Forms: Architect's Qualification Statement AIA B-431
 Contractor's qualification statement AIA A-305
- 6. Development Proforma and CD (Attached). Hard copies of the Development Proforma, the Cash Flow Statement and the Absorption Schedule must be submitted. The developer should also provide a completed copy of the CD.
- 7. Evidence of Site Control. Evidence must be provided in the form of a current option, contract to purchase, deed or other formal interest in the land. A legal description of each property must be provided. In cases where land is owned by a municipality, redevelopment authority, or other public entity, a letter from the entity must be provided which clearly identifies the developer as the designated developer. When land or buildings are already owned by the applicant or a related party, the price of the last arm's length transaction and the acquisition date as well as the amount of outstanding debt must be documented. If available, an appraisal of the current value should be submitted.
- 8. For developments that obtain first mortgage financing from a private lender, a letter of intent from the lender regarding such financing should be submitted.
- 9. Evidence of additional resources. If a proposal includes funding from other public and private sources (i.e. Community Development Block Grant, Foundations, etc.), evidence of the commitment of such funds should be submitted with the proposal.

10. Detailed Qualification Statement for each Development Team member. Provide a resume, including the affirmative action record, for each of the following members of the development team: developer/mortgagor, consultant, architect, contractor, and management agent. If the developer/mortgagor is a partnership, a resume of the individual or corporate general partner(s) should be included. If the developer is a non-profit, the composition of the Board of Directors and the tenure of its respective members must be provided. If a contractor has not been selected due to a planned competitive bid process, names and resumes of pre-qualified bidders should be included. AIA forms B431, Architect's Qualification Statement and A305, Contractor's Qualifications Statement should be used as required. A copy of the MBE/WBE Certificate and Certification Number should be provided for any member of the development team that is a Minority Owned or Woman Owned business.

If the development team is a joint venture between one or more parties, an outline of the Partnership Agreement is required. This agreement should identify the responsibilities of each party and the benefits derived by all parties.

11. Financial Statements must be provided for the past three years (at least two years audited). If the Mortgagor is a to-be-formed partnership, the General Partner(s) must complete this requirement. Rhode Island Housing may request credit reports for principals of for-profit developers.
12. For mixed income developments, market data supporting rents, vacancy rates and absorption rates for the market rate units should be submitted.
13. Social Services Plan. For service enriched housing proposals, including assisted living, single room occupancy and transitional housing developments, a detailed description of the services to be provided must be submitted, including the type of service, the appropriateness and sufficiency of services for the target population, the estimated cost of the services, the source(s) which will be used to cover this cost, and a narrative description and resume for all service providers, demonstrating their organizational capacity to provide the appropriate services.
14. Evidence of Local Support. Developers seeking to demonstrate local support should submit letters of support from municipal governments, community based organizations and other local entities.
15. Evidence that the development is not in a flood plain.
16. Developers and contractors seeking to demonstrate that they have achieved commendable track records in MBE/WBE business and workforce utilization should submit evidence of contract dollar amounts and work force hours awarded to minorities and women, as defined by the Rules and Regulations of Rhode Island Housing Pertaining to Equal Employment Opportunity and Affirmative Action.
17. Written justification for Development and Operating Costs. Developers proposing development costs or operating expenses at levels exceeding those costs or ranges listed in

the Program Guide or which are at variance with any specific provisions in the RFP narrative must submit written justification and backup for these exceptions. All developers are encouraged to provide line item justification and backup for cost estimates. Bids, quotes or contracts should be provided as back-up evidence for contracts for service items, including but not limited to, insurance, trash and snow removal, extermination, and audits. A detailed breakdown should be provided for both payroll and “miscellaneous” line items.

- 18. Zoning. Submit a letter from the appropriate local official indicating current zoning of the site, if the zoning is appropriate for the proposed development, and if the site is located within the boundaries of an established Historic District.
- 19. Environmental Hazards. A statement regarding any material(s) and/or substances that might be located either on site or in close proximity to the site that might be an environmental hazard. A Phase I Environmental report is preferred.
- 20. If applicable, statement from developer/mortgagor committing to maintaining development affordability for at least 30 years.
- 21. Local Need and Impact Documents. If applicable, developers should demonstrate that their proposal is part of a local revitalization strategy or included within the municipality’s affordable housing plan included in a statewide planning determined growth center. The applicant should provide a written description of how the proposed development will support the municipality’s plan. If the proposal responds to other documented local needs, please submit a copy of the City/Town Plan or other documentation, which describes the local need to which this proposal responds. (Developer may submit excerpts from this Plan, if the full document exceeds twenty pages.)

Developers should include an 11” by 17” black and white map showing the location of the development within a neighborhood and identifying the specific properties involved in the project.

- 22. Other Documentation. Developers seeking to demonstrate that their proposals utilize sites of critical importance, such as an infill property or historic building, should submit planning documents of a city, town, historic commission, community association or other group which supports the particular importance of the site.
- 23. Tax Credit Syndication Estimate. A letter from a knowledgeable independent professional regarding the estimated total value of the sale proceeds of the Housing Tax Credits that will be available to the development.
- 24. Market Study (If Applicable). For mixed income or conventional development, developers should submit relevant market information to support proposed units and expenses.
- 25. Developers of assisted living proposals applying under the ALP should submit the additional materials indicated in the Program Guidelines for Assisted Living.
