

In this week's Tax Credit Tuesday podcast, Michael Novogradac, CPA, is joined by Novogradac partner Tom Boman, CPA, and Novogradac principal Reza Karim, CPA, to discuss best practices for renewable energy property owners, investors, developers and operators to maximize the benefits of state and local tax incentives and exclusions. They'll discuss various considerations, when project sponsors should begin considering state and local incentives, the magnitude of potential savings, tax and consulting services for owners and common mistakes to avoid.

Summaries of each topic:

1. Overview of Property, Sales Tax Considerations (2:48-5:43)
2. Financing Options for Project Sponsors (5:44-11:08)
3. Potential Savings for a Renewable Energy Development (11:09-16:40)
4. Services to Assist in Maximizing Tax Benefits (16:41-19:55)
5. Common Mistakes to Avoid (19:56-22:55)
