Novogradac Promotes Tabitha Jones to Partner in Metro Atlanta Office

National Accounting and Consulting Enterprise Promotes Six to Partner Across Country

SAN FRANCISCO—National accounting and consulting enterprise Novogradac elevated Tabitha Jones to partner. Novogradac, which specializes in affordable housing, community development, historic preservation, renewable energy and opportunity zones, also promoted five of Jones' colleagues to partner. Jones works out of the Novogradac's metro Atlanta office.

"The partners and I are excited to announce Tabitha's promotion to partner," said Michael J. Novogradac, managing partner of Novogradac. "Tabitha is well known for her strong work ethic and broad technical knowledge related to higher-risk engagements, including properties subject to U.S. Department of Housing and Urban Development requirements, nonprofits, government auditing standards and single audits."

"I look forward to working with my clients and colleagues in my new position as partner," said Jones. "This promotion will give me an opportunity to help shape the direction Novogradac is headed and will allow me to continue to serve my clients in a heightened capacity."

Jones specializes in audit and tax services for real estate transactions. Jones has extensive experience with affordable housing transactions and specializes in low-income housing tax credits. She works extensively with equity sponsors in equity fund audit and tax consulting, as well as affordable housing developments, including those subject to the auditing requirements of the U.S. Department of Housing and Urban Development, and nonprofit organizations, including those subject to Government Auditing Standards and Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. Jones has provided accounting, financial statement audits, tax preparation, and cost certification audits for numerous organizations in the affordable housing industry. She received her bachelor's degree in business administration with
