67-21.003 Application and Selection Process for Loans.

(1) All Applications must be complete, legible and timely when submitted, except as described below. Corporation staff may not assist any Applicant by copying, collating, or adding documents to an Application nor shall any Applicant be permitted to use the

Corporation's facilities or equipment for purposes of compiling or completing an Application.

(2) Failure to submit an Application completed in accordance with the Application instructions and these rules will result in rejection of the Application or a score less than the maximum available in accordance with the instructions in the Application and this rule chapter.

(3) Each submitted Application shall be evaluated and preliminarily scored using the factors specified in the Universal Application Package and these rules. Preliminary scores shall be transmitted to all Applicants ~~along with the scoring sheets and threshold report.~~

(4) Applicants who wish to notify the Corporation of possible scoring errors relative to another Applicant's Application must file with the Corporation, within 10 Calendar Days of the date of receipt of the preliminary scores, a written Notice of Possible Scoring Error (NOPSE). Each NOPSE must specify the assigned Application number and the scores in question, as well as describe the alleged deficiencies in detail. Each NOPSE is limited to the review of only one Application's score. Any NOPSE that seeks the review of more than one Application's score will be considered improperly filed and ineligible for review. There is no limit to the number of NOPSEs that may be submitted. The Corporation's staff will review each written NOPSE timely received.

(5) The Corporation shall transmit to each Applicant the NOPSEs submitted by other Applicants with regard to its Application. The notice shall also include the Corporation's decision regarding the NOPSE, along with any other items identified by the Corporation to be addressed by the Applicant.

(6) Within 7 ~~15~~ Calendar Days of receipt of the notice set forth in subsection (5) above, each Applicant shall be allowed to submit additional documentation, revised pages and such other information as the Applicant deems appropriate to address the issues raised pursuant to subsections (3) and (5) above that could result in rejection of the Application or a score less than the maximum available. Where specific pages of the Application are revised, changed or added, each new page(s) must be marked as “revised,” and submitted. Failure to mark each new page(s) “revised” will result in the Corporation not considering the revisions, changes or additions to that new page. Pages of the Application that are not revised or otherwise changed may not be resubmitted, except that documents executed by third parties must be submitted in their entirety even if only a portion of the original document was revised. Where revised or additional information submitted by the Applicant creates an inconsistency with another item in that Application, the Applicant shall also be required in its submittal to make such other changes as necessary to keep the Application consistent as revised. The Applicant shall submit an original and three copies of all additional documentation and revisions. Only revisions, changes and other information received by the deadline set forth herein will be considered. Any subsequent revision submitted prior to the deadline shall include a written request from the Applicant for withdrawal of any previously submitted revision(s).

(7) Within 7 ~~10~~ Calendar Days of the deadline for receipt by the Corporation of the documentation set forth in subsection (6) above, all Applicants may submit to the Corporation a Notice of Alleged Deficiencies (NOAD) in any other Application. Each NOAD is limited only to issues created by documents revised and/or added by the Applicant submitting the Application pursuant to subsection (6) above. Each NOAD must

specify the assigned Application number, the pages and the documents in question, as well as describe the alleged deficiencies in detail. Each NOAD is limited to the review of only one Applicant's submission. However, there is no limit to the number of NOADs that may be submitted. NOADs that seek the review of more than one Applicant's submission will be considered improperly filed and ineligible for review. The Corporation will only review each written NOAD timely received.

(8) The Corporation shall transmit a copy of all NOADs to the affected Applicant.

(9) Following the receipt and review by the Corporation's staff of the documentation described in subsections (5), (6) and (7) above, the Corporation's staff shall then prepare final scores. In determining such final scores, no Application shall be rejected or receive a point reduction as a result of any issues not previously identified in the notices described in subsections (3), (4) and (5) above. However, inconsistencies created by the Applicant as a result of information provided pursuant to subsections (6) and (7) above will still be justification for rejection or reduction of points as appropriate.

Notwithstanding the foregoing, any deficiencies in the mandatory elements set forth in subsection (14) below can be identified at any time prior to sending the final scores to Applicants and will result in rejection of the Application. The Corporation shall then transmit final scores to all Applicants.

(10) Based on the order of the ranked Applications after informal appeals and the availability of State Bond Allocation designated by the Board for multifamily housing, the Board shall designate Applications for funding and offer the opportunity to enter Credit Underwriting, and shall designate those that are below the funding line on the MMRB ranked list. Any additional 2002 allocation designated by the Board for MMRB

shall be applied to the next unfunded Application(s) on the ranked list, but only to the extent said Application's request can be fully funded. Any remaining 2002 allocation designated by the Board for multifamily housing, which as of December 1, 2002 is insufficient to fully fund the next ranked Application shall be offered to the next ranked Applicant, continuing down the ranked list until sufficient to fully fund a proposed Development. After December 1, Applicants shall be permitted to downsize their allocation request by up to 15% of the original allocation request for the purpose of becoming fully funded but may not reduce the number of units or the unit sizes in the development. Any unused allocation shall, at the option of the Board, be carried over and applied to the 2003 calendar year allocation or applied to single family housing. Florida Housing may, after the cure period and upon a determination that such is necessary to assure timely processing of Applicants, invite Applicants who meet threshold into Credit Underwriting at their own risk. Applicants shall be notified in writing of the opportunity to enter Credit Underwriting. A detailed timeline for submitting required fees and information to the Credit Underwriter shall be included. Failure to meet the deadlines established by such timeline shall result in the immediate termination of Credit Underwriting activities and the Application shall be moved to the bottom of the ranked list. Applicants electing to proceed to Credit Underwriting without designation for funding do so at their own risk, and said opportunity does not ensure that the Application will be funded. Any Applicant that declines invitation to Credit Underwriting, when invited by the Board, shall be removed from the ranked list.

(11) Applications shall be limited to one submission per subject property with the exception that Local Government-issued Tax-Exempt Bond-Financed Developments may

submit a separate Application for noncompetitive Housing Credits, and with the exception that if an Applicant is eligible to apply for SAIL only for an existing Development, that Applicant may submit the SAIL only Application for the existing Development and another Application for another Development that would otherwise be excluded by this paragraph. Two or more Applications with the same Financial Beneficiary for Developments that are contiguous with the property of another Application, or that are divided by a street or easement, or if it is readily apparent from the two Applications, proximity, chain of title or other information available to the Corporation that the properties are part of a common or related scheme of development, the Applications will be considered to be submissions for the same Development site and the Corporation will reject all such Applications except the Application with the highest (worst) lottery number.

(12) If the Board determines that any Applicant or any Affiliate of an Applicant:

- (a) Has engaged in fraudulent actions;
- (b) Has materially misrepresented information to the Corporation regarding any of its Developments, or within the current Application or in any previous applications for financing or an allocation of Housing Credits administered by the Corporation;
- (c) Has been convicted of fraud, theft or misappropriation of funds;
- (d) Has been excluded from federal or Florida procurement programs; or
- (e) Has been convicted of a felony-

and Upon a determination by the Board that such action substantially increases the likelihood that the Applicant will not be able to produce quality affordable housing, the Applicant and any of the Applicant's Affiliates will be ineligible for funding or allocation

in any program administered by the Corporation for a period of up to two years, which will begin from the date the Board makes such determination. Such determination shall be either pursuant to a proceeding conducted pursuant to Sections 120.569 and 120.57, Florida Statutes, ~~factual hearing before the Board at which the Applicant shall be entitled to present evidence~~ or as a result of a finding by a court of competent jurisdiction law or ~~recommended order of an administrative law judge~~.

(13) The Corporation shall reject an Application if, following the submission of the additional documentation, revised pages and other information as the Applicant deems appropriate as described in subsection (6) above:

(a) The Development does not conform to the Application requirements specified in this rule chapter;

(b) The Applicant fails to achieve the threshold requirements as detailed in these rules, the applicable Application and Application instructions;

(c) The Applicant fails to ~~provide all required copies and~~ file all applicable Application pages and exhibits that are provided by the Corporation and adopted under this rule chapter;

(d) An Applicant or any Principal, Affiliate or Financial Beneficiary of an Applicant or a Developer is in arrears for any financial obligation it has to the Corporation and/or any agent or assignee of the Corporation.

(14) Notwithstanding any other provision of these rules, there are certain items that must be included in the Application and cannot be revised, corrected or supplemented after the Application Deadline. Failure to submit these items in the Application at the time of the Application Deadline shall result in rejection of the Application without opportunity to

submit additional information. Any attempted changes to these items will not be accepted. Those items are as follows:

- (a) Name of the Applicant;
 - (b) Name of the Developer;
 - (c) Program(s) applied for;
 - (d) Number of units;
 - (e) Site for the Development;
 - (f) Type of Development category;
 - (g) Designation selection ~~Whether the Development design constitutes a High Rise;~~
 - (h) County;
 - ~~(i) Demographic or Area Commitment or targeted demographic area;~~
 - ~~(j) Funding request, except for Taxable Bonds and as provided in subsection 67-21.003(10), F.A.C.; notwithstanding the foregoing, requested amounts exceeding the Corporation and Program funding limits can be reduced by the Applicant to reflect the maximum request amount allowed (and no other changes to this amount will be allowed);~~
 - ~~(k) The total set-aside percentage of the Total Set-Aside Commitment;:-~~
 - ~~(l) Submission of the required number of copies of the Application by the Application Deadline;~~
 - ~~(m) Payment of the required Application fee and TEFRA fee by the Application Deadline.~~
- (15) A Development will be withdrawn from funding and any outstanding commitments for funds will be rescinded if at any time the Board determines that the Applicant's Development or Development team is no longer the Development or Development team

described in the Application, and the changes made are prejudicial to the Development or to the market to be served by the Development.

(16) If an Applicant or any Principal, Affiliate or Financial Beneficiary of an Applicant or a Developer has any existing Developments participating in any Corporation programs that remain in non-compliance with the Code, this rule chapter, or applicable loan documents, and any applicable cure period granted for correcting such non-compliance has ended as of the time of submission of the Application or at the time of issuance of a Credit Underwriting Report, the requested allocation will, upon a determination by the Board that such non-compliance substantially increases the likelihood that such Applicant will not be able to produce quality affordable housing, be denied and the Applicant and the Affiliates of the Applicant or Developer will be prohibited from new participation in any of the Corporation's programs for the subsequent cycle and continuing until such time as all of their existing Developments participating in any Corporation programs are in compliance.

(17) With respect to MMRB Program Applications, when two or more Applications receive the same numerical score, the Applications will be ranked as outlined in the Universal Application instructions Package.

(18) At no time during the Application, scoring and appeal process may Applicants or their representatives contact Board members concerning their own Development or any other Applicant's Development. At no time from the Application Deadline until after issuance of the final scores as set forth in subsection (9) above, may Applicants or their representatives verbally contact Corporation staff concerning their own Application or any other Applicant's Application. If an Applicant or its representative does contact a

Board member in violation of this section, the Board shall, upon a determination that such contact was deliberate, disqualify such Applicant's Application.

(19) The name of the Development provided in the Application may not be changed or altered after submission of the Application during the history of the Development with the Corporation unless the change is mandated by local, state or federal governmental authorities, or otherwise approved by the Corporation. Evidence of such mandate must be submitted to the Corporation within 30 Calendar Days of notification by the local, state or federal authorities.

(20) Prior to instituting any change resulting in any modification or deviation from the Application or Credit Underwriting Report, Applicant shall notify the Corporation. All changes to the Development plans, resident programs and other specifications which were used to describe the Development in accordance with this rule chapter and the Universal Application Package and represented to the Credit Underwriter and Development servicer are affected by this prior notification requirement. Failure to obtain the Corporation's approval prior to implementing any such changes shall result in the Applicant and any of the Applicant's Affiliates being ineligible to participate in any program administered by the Corporation for a period of two years, which shall begin from the date the Board approves disqualification of the Applicant and its Application.

(21) Florida Housing shall initiate TEFRA Hearings on the proposed Developments whose Applications were received by the Application Deadline. Neither the TEFRA Hearing, the invitation into Credit Underwriting, nor the Acknowledgment Resolution obligate Florida Housing to finance the proposed Development in any way.

(22) Upon receipt of the Credit Underwriting Report, Florida Housing shall submit the Application to its Financial Advisor for a preliminary recommendation of the method of bond sale for each Development pursuant to Rule 67-21.0045, F.A.C.

(23) Proposed Developments that are ranked, but not selected by the Board to enter Credit Underwriting, shall remain on the ranked list in the event State Bond Allocation becomes available to fund additional Developments. If the current year's State Bond Allocation designated by the Board for multifamily housing is insufficient to fully finance a Development, subject to the provisions of subsection 67-21.003(10), F.A.C., permitting reduction of the requested amount, a new Application must be filed to be eligible for a future year's State Bond Allocation.

(24) Florida Housing shall notify the Applicant, in writing, of the Board's determination related to approval of the Credit Underwriting Report and require the Applicant to submit one-half of the Good Faith Deposit within 7 Calendar Days from the receipt of such notice. Developments designated for a portion of the current year's State Bond Allocation shall be required to close at such time as set forth in such notification. In the event the loan does not close within the designated time frame and the closing date is not extended in writing by Florida Housing, then the State Bond Allocation shall be forfeited.

(25) Upon favorable recommendation of the Credit Underwriting Report and preliminary recommendation of the method of bond sale from Florida Housing's Financial Advisor, the Board shall designate by resolution the method of bond sale considered appropriate for financing. The Board shall consider authorizing the execution of the Loan Commitment and shall consider final Board approval reserving State Bond Allocation for a Development. Requests for Taxable Bonds shall be considered by the Board in an

amount recommended by the Credit Underwriter. The Board shall also assign a bond underwriter, structuring agent, or Financial Advisor and any other professionals necessary to complete the transaction. Staff shall assign Florida Housing bond and special counsel as needed.

(26) Following receipt of one-half of the Good Faith Deposit, Florida Housing's assigned counsel shall begin preparation of the Loan Commitment.

(27) Upon execution of a Loan Commitment, Applicant shall pay the balance of the Good Faith Deposit and Florida Housing shall authorize bond counsel and special counsel to prepare the Program Documents.

(28) The Corporation may disqualify an Applicant if, after a hearing before the Board, the Board determines that the Applicant or its principal(s):

- (a) Has been convicted of fraud, theft or misappropriation of funds; or
- (b) Has made material misrepresentations to the Corporation; or
- (c) Has been excluded from federal or Florida procurement programs; or
- (d) Has been convicted of a felony.

67-21.0035 Applicant Administrative Appeal Procedures.

(1) At the conclusion of the review and scoring process established by Rule 67-21.003, each Applicant will be provided with its final score and notice of rights, which shall

constitute the point of entry to contest any issue related to the Applicant's Application for the Program.

(2) Each Applicant that wishes to contest its final score must file a petition with the Corporation on or before the 21st Calendar Day after the date Applicant receives its notice of rights. The petition must conform to subsection 28-106.201(2) or 28-106.301(2), F.A.C., as applicable, and specify in detail each issue and score sought to be challenged. Submission by facsimile or other electronic means will not be accepted. If the petition does not raise a disputed issue of material fact, the challenge will be conducted pursuant to Section 120.57(2), F.S. If the petition raises one or more disputed issues of material fact, a formal administrative hearing will be conducted pursuant to Section 120.57(1), F.S. At the conclusion of any administrative hearing, a recommended order shall be entered by the designated hearing officer which will then be considered by the Board.

(3) Any Applicant who wishes to challenge the findings and conclusions of the recommended order entered pursuant to a Section 120.57(2), F.S., proceeding concerning its own Application shall be allowed the opportunity to submit written arguments to the Board. Any written argument should be typed and double-spaced with margins no less than one inch in either Times New Roman 14-point or Courier New 12-point font and may not exceed five pages. Written arguments must be filed with Florida Housing Finance Corporation's Clerk at 227 North Bronough Street, Suite 5000, Tallahassee, Florida 32301-1329, no later than 5:00 p.m., Eastern Time, on the date contained in the recommended order. Submission by facsimile or other electronic means will not be accepted. Failure to timely file a written argument shall constitute a waiver of the right to have a written argument considered by the Board. Parties will not be permitted to make

oral presentations to the Board in response to recommended orders. The Board shall consider all recommended orders and written arguments and enter the appropriate final orders.

(4) Following the entry of final orders in all petitions filed pursuant to Section 120.57(2), F.S., and in accordance with Rule Chapter 67-21, F.A.C., the Corporation shall issue final rankings. For an Applicant that filed a petition pursuant to Section 120.57(1), F.S., which challenged the scoring of its own Application but has not had a final order entered as of the date the final rankings are approved by the Board, the Corporation shall, if any such Applicant ultimately obtains a final order that modifies the score so that its Application would have been in the funding range of the applicable final ranking had it been entered prior to the date the final rankings were presented to the Board, provide the requested allocation from the next available allocation, whether in the current year or a subsequent year. Nothing contained herein shall affect any applicable credit underwriting requirements.

(5) Each Applicant will be provided with a final ranking of all Applications and notice of rights, which shall constitute the point of entry to contest any ranking or scoring issue related to any other Applications for the Program. An Applicant that wishes to contest the final ranking or score of another Applicant may do so only if:

(a) The competing Applicant files a petition on or before the 21st Calendar Day after the receipt of the notice of rights pursuant to this subsection (5). Submission by facsimile or other electronic means will not be accepted. The petition must conform to subsection 28-106.201(2) or 28-106.301(2), F.A.C., as applicable, and specify in detail each issue, score or ranking sought to be challenged.

(b) For any Application cycle closing after January 1, 2002, if the contested issue involves an error in scoring, the contested issue must (i) be one that could not have been cured pursuant to subsection 67-21.003(14), F.A.C., or (ii) be one that could have been cured, if the ability to cure was not solely within the Applicant's control. The contested issue cannot be one that was both curable and within the Applicant's sole control to cure. With regard to curable issues, a petitioner must prove that the contested issue was not feasibly curable within the time allowed for cures in subsection 67-21.003(6).

(c) The competing Applicant alleges facts in its petition sufficient to demonstrate that, but for the specifically identified threshold, scoring or ranking errors in the challenged Application, its Application would have been in the funding range at the time Florida Housing provided the Applicant with its final ranking.

(d) If the petition does not raise a disputed issue of material fact, the appeal will be conducted pursuant to Section 120.57(2), F.S. If the petition raises one or more disputed issues of material fact, a formal administrative hearing will be conducted pursuant to Section 120.57(1), F.S. At the conclusion of any administrative hearing, a recommended order shall be entered which will then be considered by the Board.

(6) Any Applicant who wishes to challenge the findings and conclusions of the recommended order entered pursuant to a Section 120.57(2), F.S., proceeding as described in subsection (5) above concerning the final ranking of another Application, shall be allowed the opportunity to submit written arguments to the Board. Any written arguments should be typed and double-spaced with margins no less than one inch in either Times New Roman 14-point or Courier New 12-point font and may not exceed five pages. Written arguments must be filed with Florida Housing Finance Corporation's

Clerk at 227 North Bronough Street, Suite 5000, Tallahassee, Florida 32301-1329, no later than 5:00 p.m., Eastern Time, on the date contained in the recommended order.

Submission by facsimile or other electronic means will not be accepted. Failure to timely file a written argument shall constitute a waiver of the right to have a written argument considered by the Board. Parties will not be permitted to make oral presentations to the Board in response to recommended orders. The Board shall consider all recommended orders and written arguments and enter the appropriate final orders.

(7) For those Applicants that have filed a petition pursuant to subsection (5) above, the Corporation shall, if any such Applicant ultimately obtains a final order that demonstrates that its Application would have been in the funding range of the applicable final ranking, provide the requested allocation from the next available allocation, whether in the current year or a subsequent year. Nothing contained herein shall affect any applicable credit underwriting requirements. The filing of a petition pursuant to subsection (5) above shall not stay the Corporation's provision of funding to Applicants per the final rankings referenced in subsection (4) above.

Failure to submit the Credit Underwriting and Appraisal Fee or meet the deadlines as set forth in the schedule shall result in the immediate termination of Credit Underwriting activities and the Application shall be moved to the bottom of the ranked list.

(2) The Credit Underwriter shall in Credit Underwriting analyze and verify all information in the Application in order to make a recommendation to the Board on the feasibility of the Development, without taking into account the willingness of a Credit Enhancer to provide Credit Enhancement.

(a) If the Credit Underwriter determines that special expertise is required to review information submitted to the Credit Underwriter which is beyond the scope of normal underwriting procedures, the cost of such expertise shall be borne by the Applicant.

(b) The Credit Underwriter shall review the proposed financing structure to determine whether the Loan is feasible.

(c) In addition to operating expenses, the Credit Underwriter must include an estimate for replacement reserves when calculating the final net operating income available to service

the debt. A minimum amount of \$200 per unit must be deposited annually in the replacement reserve account for all Developments. An Applicant may choose to fund a portion of the replacement reserves at closing from moneys other than the proceeds of the Bonds. This partial funding cannot exceed 50 percent of the required replacement reserves for two years and must be placed in escrow with the Bond Trustee at closing. Applicants with Credit Enhancement may employ a different replacement reserve structure with Florida Housing's approval.

(d) Florida Housing shall consider the following when determining the need for construction completion guarantees based on the recommendations of the Credit Underwriter:

1. Liquidity of any guarantee provider.
2. Applicant's, Developer's and General Contractor's history in successfully completing Developments of similar type.
3. The past performance of the Applicant, Developer, General Contractor, or management agent, in developing, constructing or managing Developments financed by Florida Housing or its predecessor, including, by way of example and not limitation, nonpayment of fees and noncompliance with program requirements.
4. Percentage of Florida Housing funds utilized compared to Total Development Costs.

At a minimum, the corporate general partner of the borrowing entity shall provide a personal guarantee for completion of construction. In addition, a letter of credit or payment and performance bond shall be required if Florida Housing determines upon recommendation of the Credit Underwriter after evaluation of conditions in subparagraphs 1. through 3., above, that additional surety is needed.

(e) The Credit Underwriter shall review and make a recommendation to Florida Housing whether the number of existing loans and construction commitments of the Applicant and its principals will impede its ability to proceed with the successful development of each proposed Florida Housing Development.

(f) The Credit Underwriter shall consider the appraisal of the Development and other market study documentation to make a recommendation as to whether the market exists to support both the demographic and income restriction Set-Asides committed to within the Application. The Credit Underwriter shall consider the market study and other documentation to make a recommendation of whether to approve or disapprove an allocation when the proposed Development would financially impair an existing Development previously funded by Florida Housing.

(g) If the Credit Underwriter requires additional clarifying materials in the course of the underwriting process to complete the Credit Underwriting Report, the Credit Underwriter shall notify Florida Housing and request the information from the Applicant. Such requested information shall be submitted within ten business days of receipt of the request therefor.
