Request information and instructions:

- 1) **This request form must be received by the Chief Information Officer at the fax number above by 5:00 pm, ET, on September 22, 2004.** The Fund will provide written confirmation of receipt of this form, along with the instructions for submission of a paper application, to the Applicant Email Address within two business days from the date of receipt of this form.
- 2) Applicants submitting a paper application must use the format provided by the Fund.
- 3) Submission of an electronic application provides efficiencies to the Fund's staff that are not provided in a paper application by facilitating the processing and review of applications and the selection of allocatees. As a result, the Fund may require additional time to notify applicants submitting paper applications of the Fund's final selection decisions.
- 4) Please note that the Fund will require organizations that are awarded NMTC allocations to provide compliance and monitoring reports and data via a web-based interface similar to the electronic application. Therefore, you should include in your application under the Management Capacity section, including the Program Compliance questions, a description of how your organization will, if provided an NMTC allocation, have the staff and technological capacity to use the Fund's web-based compliance monitoring system.
- 5) **If you are submitting a paper application, attach an explanation with this form with as much detail as possible indicating why you are not capable of submitting the electronic application.**

As the Authorized Representative for the above Applicant, I am formally requesting to submit a paper application to the Fund and that all information submitted in connection with this request is true, accurate and correct.
