2009 Gap Funding Round

MHDC hereby posts documents for the administration of a gap funding round featuring ARRA resources. Due to the nature of the sources of funding, not all the details of the programs are currently known. Forms and guidelines are subject to change, as MHDC deems necessary in their sole discretion, to comply with any HUD or Treasury Department programmatic requirements which may be provided subsequent to the public dissemination of the application. Updates and revisions will be posted as needed to communicate changes.
