d - Data deleted to avoid disclosure of information about specific bonds. However, the data are included in the appropriate totals.

[1] A given bond issue can include more than one purpose and can include both new money and refunding proceeds. Thus, the summation of number of issues by purpose or by type of issue will sometimes exceed the total number of issues. However, the money amounts add to the totals.

[2] "Other purposes" refer to obligations for which a specific purpose either did not apply or was not clearly indicated on the Form 8038, *Information Return for Tax-Exempt Private Activity Bond Issues*.

NOTE: Detail may not add to totals because of rounding.
