UNRIVALED GUIDANCE ON TAX, COMPLIANCE AND STRUCTURING ISSUES FOR HISTORIC TAX CREDIT PROJECTS

Novogradac offers new and experienced developers a broad range of professional services to assist with the challenges within the historic tax credit (HTC) arena. Our HTC team is committed throughout the development and application process to developing and implementing innovative solutions to underlying tax, structuring, compliance and business issues encountered in complicated deals. We pride ourselves on the vigilance and speed with which we meet deadlines, as well as our more than 25 years of experience, which provides us the resources to meet clients' expectations while never sacrificing quality. The firm's skilled professionals, with their thorough understanding of the benefits, costs and motivations of participants in a historic tax credit transaction, have helped numerous developers maneuver through the complexities of the rules, maximizing the monetization of the federal and state benefits that come from historic rehabilitation projects.

COMPREHENSIVE TAX AND CONSULTING SERVICES

Novogradac's Historic Tax Credit Group's services are based on comprehensive knowledge of and broad experience with complex tax, accounting, business and transactional issues inherent in financing and developing HTC rehabilitation projects. Our professionals are dedicated to meeting each client's needs in a thorough, efficient and creative manner. The firm's work in the historic tax credit industry includes various services in connection with the HTC program under Internal Revenue Code (IRC) section 47 and state historic tax credit programs including:
