The 2013 Qualified Allocation Plan (QAP) requires that property managers of Low Income Housing Tax Credit (LIHTC) projects attend ADOH approved compliance training annually. Additionally, developers, co-developers or consultants must attend this training at a minimum of every five years. See the QAP for additional details on this training requirement and other approved vendors of this training.

This is a two-day training, custom-designed for Arizona rules and regulations. The workshop is oriented to allow for one-on-one Q&A with the instructor and ADOH staff.

The \$200 registration fee is payable on-line by credit card (VISA or Mastercard only) or by check made payable to the Arizona Department of Housing and mailed to:

Arizona Department of Housing

1110 W. Washington, Suite 310

Phoenix, AZ 85007

Continental breakfast, all breaks and printed materials are included in the registration fee. The registration deadline is May 15. To ensure that we have enough manuals prepared for this training, it is important that this deadline is met. Certificates of attendance will be mailed by the training agency once attendance is verified.

The Housing Credit Certified Professional (HCCP) exam will not be administered at this workshop. Those wishing to sit for the HCCP exam need to register for the workshop scheduled in Phoenix for July 23-25, 2013.
