The 2013 Qualified Allocation Plan (QAP) requires that property managers of Low Income Housing Tax Credit (LIHTC) projects attend ADOH approved compliance training annually. Developers, co-developers or consultants must attend this training at a minimum of every five years. See the QAP for other approved vendors of this training.

This is a two-day training, custom-designed for Arizona rules and regulations. The workshop is oriented to allow for one-on-one Q&A with the instructor and ADOH staff.

The \$200 registration fee is payable on-line by credit card (VISA or Mastercard only) or by check made payable to the Arizona Department of Housing and mailed to:

Arizona Department of Housing

1110 W. Washington, Suite 310

Phoenix, AZ 85007

Continental breakfast, all breaks and printed materials are included in the registration fee. The registration deadline is May 15. To ensure that we have enough manuals prepared for this training, it is important that this deadline is met.

The Housing Credit Certified Professional (HCCP) examination will be administered on Thursday, July 25 from 8:00 am to noon. The exam is NOT recommended for those with less than one year's experience. The HCCP designation is sponsored by the National Association of Home Builders. Our trainer, Compliance Solutions is an authorized administrator of the exam. The registration fee for the exam is \$175.

Those needing to re-take the exam may do so at the reduced fee of \$100.
