I. DEVELOPMENT OF THE PLAN.

The Arkansas Development Finance Authority (“ADFA” or the “Authority”) is charged with the responsibility of administering federal low-income housing tax credits (“Housing Credits”) for the State of Arkansas (the “State”). ADFA is also charged with the responsibility of promulgating rules and regulations concerning the allocation of the Arkansas low-income housing tax credit (the “State Housing Credits”) pursuant to ARK. CODE ANN. § 26-51-1701 *et seq.* The Tax Reform Act of 1986 created the Housing Credit to encourage the private sector to invest in the construction and rehabilitation of rental housing for low and moderate-income individuals and families. Section 42 of the Internal Revenue Code of 1986, as amended (“IRC” or the “Code”), mandates that housing credit agencies adopt a Qualified Allocation Plan (“QAP”) for allocation of the Housing Credit to low-income rental developments throughout their respective states. Low-income housing tax credits shall be allocated in accordance with this plan or any amendments thereto.

II. LIMITS ON ALLOCATION OF CREDITS.

The Code requires that ADFA determine “the [Housing Credit] dollar amount allocated to the development will not exceed the amount the housing credit agency determines is necessary for the financial feasibility of the development and its viability as a qualified low-income housing development throughout the credit period.” Housing Credits will be limited to the amount the Authority, in its sole discretion, deems necessary. Housing Credits are not intended to provide the primary or principal source of financing for a development, but are intended to provide financial incentives sufficient to fill “gaps” which would otherwise exist in developing affordable rental housing for low-income households.

III. HOUSING CREDIT ALLOCATION STANDARDS.

A. AMOUNT

The base amount of annual credit authority is currently calculated at \$2.30 per capita. This per capita amount is based upon population estimates released each year by the Internal Revenue Service.

The maximum amount of Housing Credits that may be reserved for allocation to one individual development shall be no more than **\$600,000** of the annual Housing Credits available in the calendar year. **HOWEVER**, the maximum amount of Housing Credits that may be reserved for allocation to one individual development: 1) that is located in a Designated Low-Income County as defined in the 2005-2009 State Consolidated Plan; 2) whose structure(s) are individually listed in the National Register of Historic Places or have been determined to contribute to a Registered Historic District; 3) that is a qualified Assisted Living development; or 4) a development with a commitment letter from USDA Rural Development, shall be no more than **\$625,000** of the annual Housing Credits available in the calendar year.

The eligible basis of any building in any development located in one of the following 12 counties will be increased by thirty percent (30%) of such basis: 1) Arkansas; 2) Benton; 3) Cleburne; 4) Conway; 5) Crittenden; 6) Grant; 7) Lonoke; 8) Mississippi; 9) Phillips; 10) Pulaski; 11) Saline; and 12) Van Buren.

If allowed by federal law, development owners, including those receiving allocations prior to July 30, 2008, whose new buildings are not federally subsidized and will be placing in service between July 30, 2008 and December 31, 2013, that elected to lock-in the credit percentage at a rate less than nine percent (9%) may request the Authority in writing to rescind such election. If allowed by federal law, the Authority will automatically approve of the rescission; however, owners will receive no federal low-income housing tax credits in excess of the amount previously allocated for the construction or rehabilitation of the development.

B. SET-ASIDES.

1. Non-Profit Set-Aside. Not less than ten percent (10%) of the Housing Credits will be set aside for developments involving any qualified non-profit organization that meets the standards set forth in IRC § 42(h)(5)(C). The organization shall be a qualified non-profit organization, as defined in IRC § 501(c)(3) or § 501(c)(4), which is not affiliated with or controlled by a for-profit organization and has included in its Articles of Incorporation, as one of its tax-exempt purposes, the fostering of low-income housing. **Section XXVI of the Multi-Family Housing Application (NON-PROFIT DETERMINATION)** shall be completed and copies of the non-profit organization's Articles of Incorporation and Internal Revenue Service ("IRS") documentation determining the organization exempt from federal income tax under IRC § 501(a) shall be included with the application.

2. ADFA HOME and Rural Development Set-Aside. Approximately twenty percent (20%) of the Housing Credits will be set-aside for successful HOME and Rural Development ("RD") Program applicants. To be considered for HOME Program funds, applicants shall request HOME funds by completing the appropriate sections in the 2009 Multi-Family Housing Application when submitted by the APPLICATION DEADLINE. Rural Development applicants shall submit a copy of the Rural Development commitment letter with their Application. ADFA has entered into a Memorandum of Understanding ("MOU") with Rural Development and has agreed to engage in cooperative efforts to enable ADFA and Rural Development to effectively evaluate Housing Credit requests of Rural Development applicants. The MOU will be considered by ADFA when reviewing Rural Development applications for Housing Credits.

3. Assisted Living Set-Aside. A maximum of \$950,000 of the Housing Credits will be set aside for qualified assisted living developments. In order for the application to be considered for this set-aside, the applicant must meet the criteria set forth in *Section VI.C.8 of the QAP below.*

4. Public Housing Agencies' Set-Aside. A maximum of \$450,000 of the Housing Credits will be set aside for those developments developed by or in conjunction with any Public Housing Authority or Section 8 Contract Administrator in good standing with the United States Department of Housing and Urban Development (HUD). The applicant will be required to submit a statement from HUD indicating that the Public Housing Authority or Section 8 Contract Administrator involved is in good standing as of the date the application is filed. **(Submit at MFHA, Tab #9)**

5. Heartland Disaster Tax Relief Act of 2008 Set-Aside. Pursuant to Subtitle A of P.L. 110-343, the “Heartland Disaster Tax Relief Act of 2008”, a maximum of \$7,656,800 of the Housing Credits will be set aside for those developments developed in the following 12 counties: 1) Arkansas; 2) Benton; 3) Cleburne; 4) Conway; 5) Crittenden; 6) Grant; 7) Lonoke, 8) Mississippi; 9) Phillips; 10) Pulaski; 11) Saline; and 12) Van Buren, Presidentially declared disaster areas as set forth in FEMA Declaration 1785-DR

6. Housing Credits not Awarded through Set-Aside. With the exception of Housing Credits dedicated to: 1) the "Non-Profit Set-Aside" above; and 2) the “Heartland Disaster Tax Relief Act of 2008 Set-Aside” above, Housing Credits not awarded through the "ADFA HOME and Rural Development Set-Aside", the "Assisted Living Set-Aside", or the "Public Housing Agencies' Set-Aside", will be available for award to any application.

IV. ALLOCATION OF STATE HOUSING CREDITS.

ARK. CODE ANN. § 26-51-1702 provides that a taxpayer owning an interest in a low-income development qualifying for Housing Credits will be eligible for State Housing Credits equal to twenty percent (20%) of the allocated federal amount. The State statute limits the allocation of State Housing Credits to \$250,000 in any one taxable year. Recognizing the limited availability of the State Housing Credits and with a desire to assign those credits where they are most needed, the applicant shall demonstrate need on the Housing Credit application. Based on demonstrated need in the application, the Authority will give a priority allocation of State Housing Credits to those developments that are in designated low-income counties under the State’s Consolidated Plan submitted to the federal Department of Housing and Urban Development. The list of these counties is contained in Points Criterion #1 of this Qualified Allocation Plan. The allocation of State Housing Credits will be as follows:

1. Developments receiving an allocation of Housing Credits that are to be located entirely in any one of the low-income counties designated in the State Consolidated Plan will be allocated State Housing Credits equal to twenty percent (20%) of the applicable Housing Credits.
2. In the event of a shortage of eligible developments in low-income counties designated in the Consolidated Plan, priority for State Housing Credits, equal to twenty percent (20%) of the applicable Housing Credits, will be given to those qualified developments located within Qualified Census Tracts, beginning with the highest score under the scoring system set forth in this Qualified Allocation Plan.
3. To the extent that there are remaining State Housing Credits, the State Housing Credits will be allocated, equal to twenty percent (20%) of the applicable Housing Credits, to remaining qualified developments until such time as the available State Housing Credits are exhausted, with priority given to those developments with the highest scores under the scoring system set forth in this Qualified Allocation Plan.
4. The Authority expects to allocate no less than ten percent (10%) of State Housing Credits to non-profit organizations.

The Authority will annually notify the Arkansas Department of Finance and Administration of those developments that have been allocated State Housing Credits. The Arkansas Department of Finance and Administration will be notified of any revocation of State Housing Credits.

V. ALLOCATION OF AFFORDABLE NEIGHBORHOOD HOUSING TAX CREDITS

The AFFORDABLE NEIGHBORHOOD HOUSING TAX CREDIT ACT OF 1997, (the "ANHTC Act"), codified at ARK. CODE ANN. § 15-5-1301 *et seq.*, provides that any business firm engaging in the provision of affordable housing assistance activities in the State of Arkansas may be entitled to receive Affordable Neighborhood Housing Tax Credits ("ANHTCs"). "Affordable housing assistance activities" is defined to include any "money, real, or personal property expended or devoted to the construction or rehabilitation of affordable housing units developed by or in conjunction with any governmental unit or not-for-profit corporation." The ANHTC Act limits the total allocation of ANHTCs to \$750,000 in any taxable year.

The Authority and the Arkansas Department of Finance and Administration have determined that, in the best interest of affordable housing in Arkansas, "affordable housing assistance activities" must be devoted to those low-income housing developments which qualify for Housing Tax Credits pursuant to Section 42 of the Internal Revenue Code through the Authority's federal low-income housing tax credit or tax-exempt bond programs for residential rental housing. Thus, any business firm seeking allocation of ANHTCs must do so in conjunction with an application for federal low-income housing tax credits or tax-exempt bonds to develop affordable housing units by or in conjunction with any governmental unit or not-for-profit corporation.

A proposal for ANHTCs must be submitted with a Multi-Family Housing Application for federal low-income housing tax credits. In its Multi-Family Housing Application for federal low-income housing tax credits, the applicant will include a commitment from each business firm providing "affordable housing assistance activities" to the proposed low-income housing development. Each such commitment must:

1. Be in writing and executed by an authorized representative of the business firm;
2. Identify the governmental unit or not-for-profit corporation to which the "affordable housing assistance activities" are committed;
3. Describe in detail the nature of the "affordable housing assistance activities" to be provided, *i.e.*, whether money, real or personal property, and how it to will be devoted to the construction or rehabilitation of affordable housing units.
 - * The ANHTC Act limits the amount of tax credits allowable to a business firm to thirty percent (30%) of the total amount invested. If the affordable housing assistance activity is other than money, the business firm must provide an appraisal certifying the value of the property invested.

If the business firm commits its "affordable housing assistance activities" to a governmental unit, a not-for-profit organization, or a "neighborhood organization", as defined within the ANHTC Act, which is

not the applicant on the Multi-Family Housing Application, the applicant must submit with its Multi-Family Housing Application the following from such governmental unit, not-for-profit organization or "neighborhood organization":

1. Organizational documents including: a) Arkansas Articles of Incorporation; and b) Tax Exempt Status Determination Letter from the Internal Revenue Service;
2. A written statement describing its relationship with the applicant, *i.e.*, any ownership interest in the applicant or other relationship with the applicant;
3. A written statement describing in detail its commitment of the "affordable housing assistance activities" received from each business firm to the construction or rehabilitation of affordable housing units within the development proposed.

For each proposal of "affordable housing assistance activities" submitted with a Multi-Family Housing Application, the applicant must certify in writing that it will expend or devote the "affordable housing assistance activities" committed to the construction or rehabilitation of affordable housing units within the development.

Based on demonstrated need in the Multi-Family Housing Application, the Authority will give a priority allocation of ANHTCs to those developments that are in designated low-income counties under the State's Consolidated Plan submitted to the federal Department of Housing and Urban Development. The list of these counties is contained in Points Criterion #1 of this Qualified Allocation Plan. The allocation of ANHTCs will be as follows:

1. Developments receiving an allocation of federal low-income housing tax credits that are to be located in any one of the low-income counties designated in the State Consolidated Plan, beginning with the highest score under the scoring system set forth in this Qualified Allocation Plan;
2. In the event of a shortage of eligible developments in low-income counties designated in the Consolidated Plan, priority for ANHTCs will be given to those developments within Qualified Census Tracts, beginning with the highest score under the scoring system set forth in this Qualified Allocation Plan;
3. To the extent that there are remaining ANHTCs, the remaining ANHTCs will be allocated to remaining qualified developments until such time as exhausted, beginning with the highest score under the scoring system set forth in this Qualified Allocation Plan.

The Authority will reserve and allocate ANHTCs in conjunction with its reservation and allocation or issuance of federal low-income housing tax credits. With its issuance of IRS Forms 8609 for federal low-income housing tax credits, the Authority will issue a Certificate of Allocation certifying the amount of ANHTCs allocated to the business firm entitled to such allocation. The Authority will annually provide the Arkansas Department of Finance and Administration with a copy of each Certificate of Allocation for ANHTCs allocated that year.

The Authority will limit the builder's profit to ten percent (10%) of the development's hard costs plus its general requirements' costs. The Authority will limit the builder's

For this purpose, debt coverage ratio is defined as the ratio of a development's net operating income (rental income less operating expenses and reserve payments) to total debt service obligations. The Authority may increase or "boost" the eligible basis of any development, not located in a designated qualified census tract or difficult to develop area, by up to thirty percent (30%) of such basis if it is determined that such increase is required in order for the development to meet the minimum debt coverage ratio of 1.10. The Multi-Family Housing Application must reflect that the terms of the development's financial sources are competitive with the market place. This subparagraph does not apply to developments financed with tax-exempt bonds.

20. **Rehabilitation Standard.** Rehabilitation hard costs (labor and materials) on any rehabilitation development will be no less than \$15,000 per low-income unit and no less than twenty percent (20%) of the development's total costs.
