APPLICANT STATEMENT

APPLICANT NAME: _____

PROJECT NAME: _____

PLEASE ATTACH APPLICATION FEE HERE
Cashier's Check Only (Reg. Section 10335(a))

The undersigned applicant hereby makes application to the California Tax Credit Allocation Committee ("TCAC") for a reservation of federal, or federal and state, Low-Income Housing Tax Credit ("Credit") in the amount(s) of

\$ _____ annual federal Credit, and

\$ _____ total state Credit (Reg. Section 10317(c))

for the purpose of providing low-income rental housing as herein described. I understand that Credit amount(s) preliminarily reserved for this project, if any, may be adjusted over time based upon changing project costs and financial feasibility analyses which TCAC is required to perform on at least three occasions.

I agree it is my responsibility to provide TCAC with two copies of a complete application and a letter from the local government of the jurisdiction in which the project is located identifying the agency designated as the Local Reviewing Agency for the Tax Credit Allocation Committee. I agree that it is also my responsibility to provide such other information as TCAC requests as necessary to evaluate my application. I represent that if a reservation or allocation of Credit is made as a result of this application, I will also furnish promptly such other supporting information and documents as may be requested. I understand that TCAC may verify information provided and analyze materials submitted as well as conduct its own investigation to evaluate the application. I recognize that I have an affirmative duty to inform TCAC when any information in the application or supplemental materials is no longer true and to supply TCAC with the latest and accurate information.

I acknowledge that if I receive a reservation of Credit, I will be required to submit requisite documentation at each of the following stages: for a carryover allocation; for application for a final reservation; and at the time the project is placed-in-service.

I represent I have read Section 42 of the Internal Revenue Code (IRC) pertaining to federal Credit, and if applying for state Credit, I represent I have also read California Health and Safety Code Sections 50199.4 et seq. and California Revenue and Taxation Code Sections 12206, 17058, and 23610.5 pertaining to the state Credit program. I understand that the federal and state Credit programs are complex and involve long-term maintenance

of housing for qualified low-income households. I acknowledge that TCAC has recommended that I seek advice from my own tax attorney or tax advisor.

I represent that I have read and understand the requirements set forth in Regulation Section 10322(j) pertaining to re-applications for Credit.

I certify that I have read and understand the provisions of Section 10322(e), and that the determination of completeness, compliance with all basic thresholds, and the point total of the application, shall be based entirely on the documents contained in the application as of the date of submission. No additional documents in support of the basic thresholds or point selection categories shall be accepted from the sponsor beyond the application filing deadline, except that the Executive Director may request additional clarifying information concerning local approvals from local government entities.

I agree to hold TCAC, its members, officers, agents, and employees harmless from any matters arising out of or related to the Credit programs.

I agree that TCAC will determine the Credit amount to comply with requirements of IRC Section 42 but that TCAC in no way warrants the feasibility or viability of the project to anyone for any purpose. I acknowledge that TCAC makes no representation regarding the effect of any tax Credit which may be allocated and makes no representation regarding the ability to claim any Credit which may be allocated.

I acknowledge that all materials and requirements are subject to change by enactment of federal or state legislation or promulgation of regulations.

In carrying out the development and operation of the project, I agree to comply with all applicable federal and state laws regarding unlawful discrimination and will abide by all Credit program requirements, rules, and regulations.

I acknowledge that neither the federal nor the state Credit programs are entitlement programs and that my application will be evaluated based on the Credit statutes, regulations, and the Qualified Allocation Plan adopted by TCAC which identify the priorities and other standards which will be employed to evaluate applications.

I acknowledge that a reservation of federal or state Credit does not guarantee that the project will qualify for tax Credit. Both federal law and the state law require that various requirements be met on an ongoing basis. I agree that compliance with these requirements is the responsibility of the applicant.

I acknowledge that the information submitted to TCAC in this application or supplemental thereto may be subject to the Public Records Act or other disclosure. I understand that TCAC may make such information public.

I acknowledge that if I obtain an allocation of federal and/or state Credit, I will be required to enter into a regulatory contract which will contain, among other things, all the conditions under which the Credit was provided including the selection criteria delineated in this application.

I declare under penalty of perjury that the information contained in the application, exhibits, attachments, and any further or supplemental documentation is true and correct to the best of my knowledge and belief. I understand that misrepresentation may result in cancellation of a Credit reservation, notification of the Internal Revenue Service and the Franchise Tax Board, and other actions which TCAC is authorized to take pursuant to California Health and Safety Code Section 50199.22 or under general authority of state law.

I certify that I believe that the project can be completed within the development budget and the development timetable set forth (which timetable is in conformance with TCAC rules and regulations) and can be operated in the manner proposed within the operating budget set forth.

I further certify that more than 10% of the project's total reasonably expected basis cost will be incurred and the land acquired by the date specified in the reservation preliminary or final letter.

I agree that TCAC is not responsible for actions taken by the applicant in reliance on a prospective Credit reservation or allocation.

In accordance with the table on the next page.

(a) The “Percent of Area Median Income” category may be used only once. For instance, 50% of Income Targeted Units to Total Tax Credit Units at 50% of Area Median Income cannot be used twice for 100% at 50% and receive 50 points, nor can 50% of Income Targeted Units to Total Tax Credit Units at 50% of Area Median Income for 25 points and 40% of Income Targeted Units to Total Units at 50% of Area Median Income be used for an additional 20 points. However, the “Percent of Income Targeted Units” may be used multiple times. For example, 50% of Targeted Units at 50% of Area Median Income for 25 points may be combined with another 50% of Targeted Units at 45% of Area Median Income to achieve the maximum points. All projects must score at least 45 points in this category to be eligible for 9% tax credit.

(b) A project that agrees to have at least ten percent (10%) of its units available for tenants with incomes no greater than thirty percent (30%) of area median and that agrees to restrict the rents on those units accordingly can receive two additional points. (These points may be obtained by using the 30% section of the matrix.)

Only projects qualifying for the Rural Set-aside may use the 55% of Area Median Income column.

*In order to acquire the full 52 points, applicants must restrict at least 10% of the units at 30 AMI.

9. Readiness to Proceed

20 points will be available to projects that meet ALL of the following and are able to begin construction within 150 days of the Credit Reservation, as evidenced by submission within that time of recorded deeds of trust for all construction financing, except for AHP and MHP funds, payment of all construction lender fees, issuance of building permits (a grading permit does not meet this requirement) and notice to proceed delivered to the contractor. If no construction lender is involved, evidence must be submitted within 150 days after the Reservation is made that the equity partner has been admitted to the ownership entity and that an initial disbursement of funds has occurred. Failure to meet this timeline will result in rescission of the Credit Reservation.

Readiness to Proceed (TCAC form letter 8(B))

Maximum 20 Points

- 9(A).** Enforceable commitment for all construction financing, as evidenced by executed commitment and payment of commitment fees.
- 9(B).** Evidence, as verified by the appropriate officials, of site plan approval and that all environmental review clearance (CEQA and NEPA) necessary to begin construction are either finally approved or unnecessary.
- 9(C).** All necessary public approvals except building permits.
- 9(D).** Design review approval.

In the event that less than all of the above criteria have been met, 5 points may be awarded for each of the above, to a maximum of 15 points. In such cases, the 150-day requirements shall not apply.
