

CALIFORNIA TAX CREDIT ALLOCATION COMMITTEE
2014 COMPETITIVE 9% APPLICATION FOR LOW-INCOME HOUSING TAX CREDITS
January 31, 2014 Version

II. APPLICATION - SECTION 1: APPLICANT STATEMENT, CERTIFICATION AND NOTARY

APPLICANT: Eden Housing, Inc.

PROJECT NAME: Tienda Drive Senior Apartments

PLEASE INCLUDE APPLICATION FEE WITH APPLICATION SUBMISSION

Cashier's Check Only

The undersigned applicant hereby makes application to the California Tax Credit Allocation Committee ("TCAC") for a reservation of Federal, or Federal and State Low-Income Housing Tax Credits ("Credits") in the amount(s) of:

\$1,141,463 annual Federal Credits, and

\$4,833,977 total State Credits

for the purpose of providing low-income rental housing as herein described. I understand that Credit amount(s) preliminarily reserved for this project, if any, may be adjusted over time based upon changing project costs and financial feasibility analyses which TCAC is required to perform on at least three occasions.

I agree it is my responsibility to provide TCAC with the original complete application and the Local Reviewing Agency an exact copy of the application. I agree that I have included a letter from the local government and the appropriate Local Reviewing Agency of the jurisdiction in which the project is located identifying the agency designated as the Local Reviewing Agency for the Tax Credit Allocation Committee. I agree that it is also my responsibility to provide such other information as TCAC requests as necessary to evaluate my application. I represent that if a reservation or allocation of Credit is made as a result of this application, I will also furnish promptly such other supporting information and documents as may be requested. I understand that TCAC may verify information provided and analyze materials submitted as well as conduct its own investigation to evaluate the application. I recognize that I have an affirmative duty to inform TCAC when any information in the application or supplemental materials is no longer true and to supply TCAC with the latest and accurate information.

I acknowledge that if I receive a reservation of Tax Credits, I will be required to submit requisite documentation at each of the following stages: for a carryover allocation; for readiness to proceed requirements, if applicable; and after the project is placed-in-service.

I represent I have read Section 42 of the Internal Revenue Code (IRC) pertaining to Federal Tax Credits, and if applying for State Tax Credits, I represent I have also read California Health and Safety Code Sections 50199.4 et seq. and California Revenue and Taxation Code Sections 12206, 17058, and 23610.5 pertaining to the State Tax Credit program. I understand that the Federal and State Tax Credit programs are complex and involve long-term maintenance of housing for qualified low-income households. I acknowledge that TCAC has recommended that I seek advice from my own tax attorney or tax advisor.

I represent that I have read and understand the requirements set forth in Regulation Section 10322(j) pertaining to re-applications for Credit.

I certify that I have read and understand the provisions of Sections 10322(a) through (g). No additional documents in support of the basic thresholds or point selection categories shall be accepted from the sponsor beyond the application filing deadline, unless the Executive Director, at his or her sole discretion, determines that the deficiency is a clear reproduction or application assembly error, or an obviously transposed number. In such cases, applicants shall be given up to five (5) business days from the date of receipt of staff notification, to submit said documents to complete the application. For threshold omissions other than reproduction or assembly errors, the Executive Director may request additional clarifying information from other government entities.

I agree to hold TCAC, its members, officers, agents, and employees harmless from any matters arising out of or related to the Credit programs.

I agree that TCAC will determine the Credit amount to comply with requirements of IRC Section 42 but that TCAC in no way warrants the feasibility or viability of the project to anyone for any purpose. I acknowledge that TCAC makes no representation regarding the effect of any tax Credit which may be allocated and makes no representation regarding the ability to claim any Credit which may be allocated.

I acknowledge that all materials and requirements are subject to change by enactment of federal or state legislation or promulgation of regulations.

In carrying out the development and operation of the project, I agree to comply with all applicable federal and state laws regarding unlawful discrimination and will abide by all Credit program requirements, rules, and regulations.

I acknowledge that neither the Federal nor the State Tax Credit programs are entitlement programs and that my application will be evaluated based on the Credit statutes, regulations, and the Qualified Allocation Plan adopted by TCAC which identify the priorities and other standards which will be employed to evaluate applications.

I acknowledge that a reservation of Federal or State Tax Credits does not guarantee that the project will qualify for Tax Credits. Both Federal law and the state law require that various requirements be met on an ongoing basis. I agree that compliance with these requirements is the responsibility of the applicant.

I acknowledge that the information submitted to TCAC in this application or supplemental thereto may be subject to the Public Records Act or other disclosure. I understand that TCAC may make such information public.

I acknowledge that if I obtain an allocation of Federal and/or State Tax Credits, I will be required to enter into a regulatory agreement which will contain, among other things, all the conditions under which the Credits were provided including the selection criteria delineated in this application.

I declare under penalty of perjury that the information contained in the application, exhibits, attachments, and any further or supplemental documentation is true and correct to the best of my knowledge and belief. I certify and guarantee that each item identified in TCAC's minimum construction standards will be incorporated into the design of the project, unless a waiver has been approved by TCAC. I certify that, when requesting a threshold basis increase for development impact fees, the impact fee amounts are accurate as of the application date. In an application proposing rehabilitation work, I certify that all necessary work identified in the Capital Needs Assessment, including the immediate needs listed in the report, will be performed (unless a waiver is granted) prior to the project's rehabilitation completion. I certify and guarantee that the application meets each item of the applicable housing type requirement, as identified by TCAC regulation. I certify and guarantee that any tenant services proposed under TCAC Regulation Section 10325(c)(5)(B) will be available within 6 months of the project's placed in service date, will be of a regular and ongoing nature and provided to tenants for a period of at least 10 years, free of charge (except child care). I understand that misrepresentation may result in cancellation of Tax Credit reservation, notification of the Internal Revenue Service and the Franchise Tax Board, and other actions which TCAC is authorized to take pursuant to California Health and Safety Code Section 50199.22 and negative points per Regulation Section 10325(c)(3) or under general authority of state law.

I certify that I believe that the project can be completed within the development budget and the development timetable set forth (which timetable is in conformance with TCAC rules and regulations) and can be operated in the manner proposed within the operating budget set forth.

I further certify that more than 10% of the project's total reasonably expected basis cost will be incurred and the land acquired by the date specified in the reservation preliminary or final letter.

Points in subsections (A) and (B) above will be awarded in the highest applicable category and are not cumulative. For maximum points in either subsection (A) or (B) above, a completed application attachment for the general partner or for the management agent, respectively, must be provided. For points to be awarded in subsection (B), an enforceable management agreement executed by both parties for the subject application must be submitted at the time of application. "Projects" as used in this subsections (A) and (B) means multifamily, rental, affordable developments of over 10 units that are subject to a recorded regulatory agreement or, in the case of housing on tribal lands, where federal HUD funds have been utilized in affordable rental developments. General Partner and Management Company experience points may be given based on the experience of the principals involved, or on the experience of municipalities or other nonprofit entities that have experience but have formed single-asset entities for each project in which they have participated, notwithstanding that the entity itself would not otherwise be eligible for such points. Alternatively, a management company may receive 2 points if it provides evidence that the management agent assigned to the project, either on-site or with management responsibilities for the site, has been certified, prior to application deadline, by a housing tax credit certification examination by a nationally recognized housing tax credit compliance entity and be on a list maintained by the Committee. These points may substitute for other management company experience but will not be awarded in addition to such points.

General partners and management companies with fewer than two active LIHTC projects in California should refer to Regulation Section 10325(c)(2) and Checklist Items Tabs 21 and 22 for additional requirements.

D(2) Service Amenities

Maximum 10 Points

Projects that provide high-quality services designed to improve the quality of life for tenants are eligible to receive points for service amenities. Services must be appropriate to meet the needs of the tenant population served and designed to generate positive changes in the lives of tenants.

Except as provided below and in Reg. Section 10325(c)(5)(B), in order to receive points in this category physical space for service amenities must be available when the development is placed-in-service. Services space must be located inside the project and provide sufficient square footage, accessibility and privacy to accommodate the proposed services. The amenities must be available within 6 months of the project's placed-in-service date. Applicants must commit that services will be provided for a period of 10 years.

All services must be of a regular and ongoing nature and provided to tenants free of charge (except for day care services or any charges required by law). Services must be provided on-site except that projects may use off-site services within 1/2 mile of the development (1 1/2 mile for Rural set-aside projects) provided that they have a written agreement with the service provider enabling the development's tenants to use the services free of charge (except for day care and any charges required by law) and that demonstrate that provision of on-site services would be duplicative. All organizations providing services for which the project is claiming service amenities points must have at least 24 months experience providing services to one of the target populations to be served by the project.

Items 1 through 6 are applicable to Large Family, Senior, and At-Risk projects. Items 7 through 12 are applicable to Special Needs and SRO projects. Items 1 through 12 are mutually exclusive. One proposed service may not receive points under two different categories.

Applications must include a services sources and uses budget clearly describing all anticipated income and expenses associated with the services program and that aligns with the services commitments provided (i.e. contracts, MOUs, letters, etc.) Applications shall receive points for services only if the proposed services budget adequately accounts for the level of service. The budgeted amount must reasonably be expected to cover the costs of the proposed level of service. **PLEASE REFER TO REGULATION SECTION 10325(c)(5)(B) FOR COMPLETE SERVICE AMENITY POINTS REQUIREMENTS.**

No more than 10 points will be awarded in this category. **The service budget spreadsheet must be completed.** Amenities may include, but are not limited to:

F. Lowest Income

F(1) Lowest Income Restriction for All Units

50 Points

The "Percent of Area Median Income" category may be used only once. For instance, 50% of Income Targeted Units to Total Tax Credit Units at 50% of Area Median Income (AMI) cannot be used twice for 100% at 50% and receive 50 points, nor can 50% of Income Targeted Units to Total Tax Credit Units at 50% of Area Median Income for 25 points and 40% of Income Targeted Units to Total Units at 50% of Area Median Income be used for an additional 20 points. However, the "Percent of Income Targeted Units" may be used multiple times. For example, 50% of Targeted Units at 50% of Area Median Income for 25 points may be combined with another 50% of Targeted Units at 45% of Area Median Income to achieve the maximum points. All projects must score at least 45 points in this category to be eligible for 9% Tax Credit.

***Only projects competing in the Rural Set-aside may use the 55% AMI column and selected targeting in the 50% AMI column.**

****60% AMI is included as a place-holder and will not receive any additional points.**

F(2) Lowest Income for 10% of Total Restricted Units at 30% AMI

2 Points

A project that agrees to have at least 10% of its units available for tenants with incomes no greater than 30% AMI and agrees to restrict the rents on those units accordingly can receive two additional points. The 30% AMI units must be spread across the various bedroom sizes, starting with the largest bedroom count units (e.g. four bedroom units) and working down to the smaller bedroom count units, assuring that at least 10% of the larger units are proposed at 30% AMI. So long as the project meets the 10% standard as a whole, the 10% standard need not be met among all of the smaller units. TCAC may correct applicant errors in carrying out this largest-to-smallest unit protocol.

G. Readiness to Proceed

Points are available to applications documenting each of the categories below, up to a maximum of 20 points. Within the application the following must be delivered (see Checklist Items for additional information):

Readiness to Proceed

Maximum 20 Points

- Yes** (i) Enforceable commitment for all construction financing, as evidenced by executed commitment and payment of commitment fees **5 points**
- Yes** (ii) Evidence, as verified by the appropriate officials, of site plan approval and that all land use environmental review clearances (CEQA, NEPA, applicable tribal land environmental reviews) necessary to begin construction are either finally approved or unnecessary **5 points**
- Yes** (iii) All necessary public/tribal approvals except building permits **5 points**
- Yes** (iv) Design review approval **5 points**

20 points will be available to projects that document all of the above and are able to begin construction within 180 days of the Credit Reservation, as evidenced by submission of the following within 180 days of the Credit Reservation: updated application form and explanation of changes, executed construction contract, breakdown of lender-approved construction costs, recorded deeds of trust for all construction financing, binding commitments for permanent financing and any other required financing, a limited partnership agreement executed by the general partner and the investor providing the equity, payment of all construction lender fees, issuance of building permits (a grading permit does not meet this requirement), and notice to proceed delivered to the contractor. If no construction

lender is involved, evidence must be submitted within 180 days after the Credit Reservation is made that the equity partner has been admitted to the ownership entity and that an initial disbursement of funds has occurred. Failure to meet this timeline will result in rescission of the Credit Reservation. In addition to the above, all applicants receiving any points under this subsection must provide an executed Letter of Intent (LOI) from the project's equity partner within 90 days of the credit reservation. The LOI must include those features called for in the CTCAC application (See [Appendix](#) for requirements).

In the event that one or more of the above criteria have NOT been met, 5 points may be awarded for each one that has been met, up to a maximum of 15 points. In such cases, the 180-day requirements shall not apply to projects that do not obtain the maximum points in this category. The 90-day requirements apply to all projects requesting any points under this category.

*Negative points given to general partners, co-developers, management agents, consultants, or any member or agent of the Development Team may remain in effect for up to two calendar years, but in no event shall be in effect for less than one funding round. Negative points assigned by the Executive Director may be appealed to the Committee under appeal procedures enumerated in the regulations.

VII. TIE BREAKER SYSTEM FINAL TIE BREAKER SELF SCORE

This section is included in the application for self-scoring. Be aware that TCAC will use self scores to determine which projects undergo further review in the competition, including the verification of self scores, for possible reservation of tax credits. TCAC will not verify or evaluate every project's self score. Project's that self score too low to successfully compete for a reservation of tax credits will not undergo any further review by TCAC.

Provide evidence of committed permanent public funds in Tab 20 and evidence of public subsidies, if any, in Tab 17.

Projects with commercial/non-residential costs will have committed public funds discounted by the percentage of the project proposed to be commercial or non-residential.

Evidence of land value is required (see Tab 1). The value of the land per TCAC Regulations must be included in "Total residential project development costs" below as evidenced in Tab 1 of the application. Donated land value must be included in Total Project Cost and the Sources and Uses Budget.

Final Tie Breaker Formula:

$$\frac{\text{Committed permanent public funds defraying residential costs}}{\text{Total residential project development costs}} + \left(\left(1 - \frac{\text{Requested unadjusted eligible basis}}{\text{Total residential project development costs}} \right) / 3 \right)$$

Self-Scoring Calculation:

$$\frac{\$1,978,861}{\$18,249,913} + \left(\left(1 - \frac{\$16,113,256}{\$18,249,913} \right) / 3 \right) = 14.746\%$$

**** List individual committed public funding sources, including donations:**

Tranche B, if applicable (calculate below)	\$0
City of Lodi CDBG and HOME Funds	\$1,140,000
AHP - Federal Home Loan Bank of SF	\$790,000
TOTAL	\$1,930,000 *

**** The first numerator may include the following permanent funding sources that are not eligible for public funds points under Reg. Section 10325(c)(1)(C): (1) funding contributed by a charitable foundation where a public body appoints a majority of the voting members; and (2) land and improvements contributed by a 501(c) organization as long as the asset was held by the organization for at least 10 years per TCAC Reg. Section 10325(c)(10).**

* For mixed-use projects, the permanent public fund numerator must be discounted/reduced by the mixed-use ratio below.
Mixed-use projects: Total commercial cost / Total project cost: 0.0000%
THE PRORATED COMMERCIAL COST DEDUCTION TO PUBLIC FUNDS MUST BE CALCULATED FIRST, BEFORE APPLYING ANY SUBSIDY ADJUSTMENT/INCREASE (REGULATION SECTION 10325(c)(10)(A)) TO THE NUMERATOR. TCAC staff may adjust this ratio as deemed appropriate.
 Sample formula (commercial costs) for numerator *Committed permanent public funds defraying residential costs* =(F38)*(1-I45)

* For projects with public operating or rental subsidies listed in Reg. Section 10325(c)(10)(A), calculate the percentage increase below and increase the permanent public funds numerator by the adjustment percentage.
Operating and rental subsidies: % of subsidized units: 10.1266% 2.5316% Subsidy adjustment/increase to permanent public funds numerator (This adjustment is calculated in the numerator after any commercial cost adjustment).
 The number of rental subsidy units and the number of operating subsidy units are cumulative, up to 100%.
 Sample formula (subsidies) for numerator *Committed permanent public funds defraying residential costs* =F38*(1+H53)
 Sample formula (subsidies and commercial costs) for numerator *Committed permanent public funds defraying residential costs* =(F38*(1-I45))*(1+H53)

Tranche B calculation

For purposes of the public funds points section and the final tie breaker, a Tranche B loan is the lesser of the actual commitment amount or the following. Please note, an application must include a private Tranche B loan supported by a public subsidy to utilize this calculation.
