

APPLICATION PACKAGE FOR
LOW INCOME HOUSING TAX CREDITS

Delaware State Housing Authority (DSHA) is pleased to announce that we will be authorizing the allocation of Delaware's Low Income Housing Tax Credits (LIHTC.). Delaware's share of per capita, plus returned and unused carryforward components of Low Income Housing Tax Credits is estimated to total \$1,896,138. Applications for 2012 Credits will be accepted up to 3:00 p.m. **April 13, 2012 at 18 The Green, Dover Delaware.**

DSHA has made revisions to the 2012 Qualified Allocation Plan (QAP). The QAP was completed with the assistance of our tax credit stakeholders to identify current housing needs and market conditions. We strongly suggest that you review the QAP, Attachments to the QAP, and the LIHTC **web-based** application thoroughly. In addition, all applicants applying for Housing Development Fund (HDF) loans or any DSHA financing should also review the HDF Supplement.

The applicant must complete all applicable questions and supply **all** documents/exhibits that are required in the application package, even if DSHA has received similar documents in the past or otherwise has the information on file (i.e. financial statements). DSHA staff will be available for technical assistance prior to application submission. However, all questions regarding intention or interpretation of this QAP **must be submitted in writing to DSHA no later than fifteen (15) days prior to the submission deadline date for clarification.**

All applicants must complete and print DSHA's web-based LIHTC Application and provide one written complete application (with all required exhibits) and one complete electronic copy on a CD. The Application Checklist provides a complete list of attachments/exhibits, which are to be appropriately labeled and submitted with the printed version of web-based application. Only complete application packages will be considered for an allocation of Credits. Incomplete packages will be returned to the applicant and the application will not be eligible to compete for tax credits in the current round.
