The Delaware State Historic Preservation Officer has reviewed the Historic Preservation Tax Credit Application, Part 2 - Certification of Rehabilitation, for the above-named Certified Historic Property and has determined that:

The rehabilitation described herein is consistent with the historic character of the property or district in which it is located and with Secretary of the Interior's Standards and Guidelines for Rehabilitation, and has determined it to be a certified rehabilitation under Delaware's Historic Preservation Tax Credit Program as described in the Description of Rehabilitation Work, or if the attached conditions are met.

The rehabilitation described herein is inconsistent with the Secretary of the Interior's Standards and Guidelines for Rehabilitation, and is determined not to be a Certified Rehabilitation under Delaware's Historic Preservation Tax Credit Program.

This is a phased project and the rehabilitation plan to consist of phases has been approved.
