for the election year in level annual
installments over such last 7 plan
years (using the segment rates under
 subparagraph (C)).

For purposes of applying subparagraph
(II), the shortfall amortization base shall
not be reduced by any installments de-
scribed in subclause (I).

“(iii) 15-YEAR AMORTIZATION.—The
shortfall amortization installments deter-
mined under this subparagraph are the

“(I) such increase shall not result in the amount of such installment exceeding the present value of such in-
stallment and all succeeding install-
ments with respect to such base (de-
termined without regard to such in-
crease but after application of sub-
clause (II)), and

“(II) subsequent shortfall amorti-
zation installments with respect to
such base shall, in reverse order of the
otherwise required installments, be re-

of paying deferred compensation of an em-
ployee under a nonqualified deferred com-

of such Code) of the plan sponsor, then the
amount of such assets shall be treated as
remuneration of the employee for the cal-

amount shall not be taken into account
under this paragraph for any subsequent
calendar year.
“(iii) Only remuneration for certain post-2009 services counted.—Remuneration shall be taken into account under clause (i) or (ii) only to the extent attributable to services performed by the employee for the plan sponsor after February 4, 2010.

“(II) if the plan sponsor redeems, in any 12-month period ending during the plan year, an aggregate of 10 percent or more of the total com-

“(ii) ONLY CERTAIN POST-2009 DIVIDENDS AND REDEMPTIONS COUNTED.—

For purposes of clause (i)—

"(I) in the case of the first 2

“(B) TOTAL INSTALLMENTS LIMITED TO SHORTFALL BASE.—Subject to rules prescribed by the Secretary—

“(i) IN GENERAL.—If a shortfall amortization installment with respect to any shortfall amortization base for an election year is required to be increased for any plan year under subparagraph (A)—

“(I) such increase shall not result in the amount of such installment exceeding the present value of such installment and all succeeding installments with respect to such base (de-
164
terminated without regard to such in-
crease but after application of sub-
clause (II)), and

“(II) subsequent shortfall amorti-
zation installments with respect to
such base shall, in reverse order of the
otherwise required installments, be re-

of this paragraph) to such unadjusted
present value.

“(ii) Unadjusted present

term ‘unadjusted present value’ means,

QUALIFIED DEFERRED COMPENSATION.—
If during any calendar year assets are set aside or reserved (directly or indirectly) in a trust (or other arrangement as determined by the Secretary), or transferred to such a trust or other arrangement, by a plan sponsor for purposes of paying deferred compensation of an employee under a nonqualified deferred compensation plan (as defined in section 409A) of the plan sponsor, then the amount of such assets shall be treated as remuneration of the employee for the calendar year for purposes of clause (i). Such amount shall not be taken into account under this paragraph for any subsequent calendar year.

“(iii) ONLY REMUNERATION FOR CER-
TAIN POST-2009 SERVICES COUNTED.—Re-

“(i) IN GENERAL.—The amount determined under this subparagraph for any plan year is the sum of—

“(I) the aggregate amount of extraordinary dividends declared during the plan year by the plan sponsor and required to be reported under section 4043(c)(11) of the Employee Retirement Income Security Act of 1974 (without regard to any waiver under such section), plus

“(II) if the plan sponsor redeems, in any 12-month period ending during the plan year, an aggregate of 10 percent or more of the total combined voting power of all classes of stock entitled to vote, or an aggregate of 10 percent or more of the total value of shares of all classes of stock,
of the plan sponsor, the aggregate fair
market value of the stock so re-

For purposes of clause (i)—

“(I) dividends shall be taken into
account only if declared after Feb-

“(8) **SPECIAL RELIEF RULES.**—Notwithstanding any other provision of this subsection—

“(A) **AMORTIZATION OF NET INVESTMENT LOSSES.**—

“(i) **IN GENERAL.**—A multiemployer plan with respect to which the solvency test under subparagraph (C) is met may treat the portion of its experience loss at-
tributable to the net investment losses (if any) incurred in either or both of the first two plan years ending after August 31, 2008, as an item separate from other experience losses, to be amortized in equal annual installments (until fully amortized) over a period of 30 plan years.

“(ii) NO EXTENSION ALLOWED.—If this subparagraph applies for any plan year, no extension of the amortization period under clause (i) shall be allowed under subsection (d).

“(iii) NET INVESTMENT LOSSES.—For purposes of this subparagraph, net investment losses shall be determined in the manner prescribed by the Secretary of the Treasury, taking into account—

“(I) reasonably expected gains that were not realized, and

“(II) losses from criminally fraudulent investment arrangements, as determined under rules prescribed by such Secretary that are substantially similar to the rules prescribed by such Secretary for purposes of de-
termining whether a loss from such an arrangement is a theft loss for purposes of section 165 of the Internal Revenue Code of 1986.

“(iii) Amortization of reduction in unfunded accrued liability.—If this subparagraph and subparagraph (A) both apply for any plan year, the plan shall treat any reduction in unfunded accrued liability resulting from the application of this subparagraph as a separate experience amortization base, to be amortized in equal annual installments (until fully amortized) over a period of 30 plan years rather than the 15-plan-year period such liability would otherwise be amortized over.
“(C) Solvency Test.—An election may be made under this paragraph only if the plan actuary certifies that the plan is projected to have sufficient assets to timely pay expected benefits and anticipated expenditures over the amortization period, taking into account the changes in the funding standard account under this paragraph.

“(D) Restriction on Benefit Increases.—If subparagraph (A) or (B) apply to a multiemployer plan for any plan year, then, in addition to any other applicable restrictions on benefit increases, a plan amendment increasing benefits may not go into effect during either of the 2 plan years immediately following such plan year unless—

“(iii) Amortization of reduction in unfunded accrued liability.—If this subparagraph and subparagraph (A) both apply for any plan year, the plan shall treat any reduction in unfunded accrued liability resulting from the application of this subparagraph as a separate experience amortization base, to be amortized in equal annual installments (until fully amortized) over a period of 30 plan years rather than the 15-plan-year period such liability would otherwise be amortized over.
“(C) SOLVENCY TEST.—An election may be made under this paragraph only if the plan actuary certifies that the plan is projected to have sufficient assets to timely pay expected benefits and anticipated expenditures over the amortization period, taking into account the changes in the funding standard account under this paragraph.

“(D) RESTRICTION ON BENEFIT INCREASES.—If subparagraph (A) or (B) apply to a multiemployer plan for any plan year, then, in addition to any other applicable restrictions on benefit increases, a plan amendment increasing benefits may not go into effect during either of the 2 plan years immediately following such plan year unless—

“(i) the plan actuary certifies that—

“(I) any such increase is paid for out of additional contributions not allocated to the plan immediately before the application of this paragraph to the plan, and

“(II) the plan’s funded percentage and projected credit balances for such 2 plan years are reasonably ex-
pected to be substantially the same as such percentage and balances would have been if the benefit increase had not been adopted, or

“(ii) the amendment is required as a condition of qualification under part I of subchapter D or to comply with other applicable law.

“(E) REPORTING.—A plan sponsor of a plan to which this paragraph applies shall inform the Pension Benefit Guaranty Corporation of such application in such form and manner as the Director of the Pension Benefit Guaranty Corporation may prescribe.”.

“(i) 1.064 percent of such gross receipts for the privilege of further transmitting, beyond the local service area of such primary transmitter, any non-network programming of a primary transmitter in whole or in part, such amount to be applied against the fee, if any, payable pursuant to clauses (ii) through (iv);

“(ii) is computed by assigning a value of one to each primary stream and to each multicast stream (other than a simulcast) that is an independent station, and by assigning a value of one-quarter to each primary stream and to each multicast stream (other than a simulcast) that is a network station or a noncommercial educational station.

“(B) Exceptions.—The values for independent, network, and noncommercial educational stations specified in subparagraph (A) are subject to the following:

“(i) Where the rules and regulations of the Federal Communications Commission require a cable system to omit the further transmission of a particular program and such rules and regulations also permit the substitution of another program embodying a performance or display of a work in place of the omitted transmission, or where such rules and regulations in effect on the date of the enactment of the Copyright Act of 1976 permit a cable system, at its election, to effect such omission

“(iii) In the case of the secondary transmission of a primary transmitter that is a television broadcast station pursuant to the late-night or specialty programming rules of the Federal Communications Commission, or the secondary transmission of a primary transmitter that is a television broadcast station on a part-time basis where full-time carriage is not possible because the cable system lacks the activated channel capacity to retransmit on a full-time basis all signals that it is authorized to carry, the values for independent, network, and noncommercial educational stations set forth in subparagraph (A), as the case may be, shall be multiplied by a fraction that is equal to the ratio of the broadcast hours of such primary transmitter retransmitted by the cable system to the total broadcast hours of the primary transmitter.

(2) Delayed applicability.—

(A) Secondary transmissions of a multicast stream beyond the local service area of its primary transmitter before 2009 Act.—In any case in which a cable system was making secondary transmissions of a multicast stream beyond the local service area of its primary transmitter before the date of the enactment of this Act, a distant signal equivalent value (referred to in paragraph (1)) shall not be assigned to secondary transmissions of such multicast stream that are made on or before June 30, 2010.
(B) Multicast streams subject to preexisting written agreements for the secondary transmission of such streams.—In any case in which the secondary transmission of a multicast stream of a primary transmitter is the subject of a written agreement entered into on or before June 30, 2009, between a cable system or an association representing the cable system and a primary transmitter or an association representing the primary transmitter, a distant signal equivalent value (referred to in paragraph (1)) shall not be assigned to secondary transmissions of such multicast stream beyond the local service area of its primary transmitter that are made on or before the date on which such written agreement expires.

Section 119 is amended by adding at the end the following new subsection:

“(g) CERTAIN WAIVERS GRANTED TO PROVIDERS OF LOCAL-INTO-LOCAL SERVICE TO ALL DMAS.—

“(1) INJUNCTION WAIVER.—A court that issued an injunction pursuant to subsection (a)(7)(B) before the date of the enactment of this subsection shall waive such injunction if the court recognizes the entity against which the injunction was issued as a qualified carrier.

“(2) LIMITED TEMPORARY WAIVER.—

“(A) IN GENERAL.—Upon a request made by a satellite carrier, a court that issued an injunction against such carrier under subsection
(a)(7)(B) before the date of the enactment of this subsection shall waive such injunction with respect to the statutory license provided under subsection (a)(2) to the extent necessary to allow such carrier to make secondary transmissions of primary transmissions made by a network station to unserved households located in short markets in which such carrier was not providing local service pursuant to the license under section 122 as of December 31, 2009.

“(B) Expiration of temporary waiver.—A temporary waiver of an injunction under subparagraph (A) shall expire after the end of the 120-day period beginning on the date such temporary waiver is issued unless extended for good cause by the court making the temporary waiver.

“(C) Failure to provide local-into-local service to all DMAS.—

“(i) Failure to act in good faith.—If the court issuing a temporary waiver under subparagraph (A) determines that the satellite carrier that made the request for such waiver has failed to make a
good faith effort to provide local-into-local
service to all DMAs, such failure—

“(I) is actionable as an act of in-
fringement under section 501 and the
court may in its discretion impose the
remedies provided for in sections 502
through 506 and subsection (a)(6)(B)
of this section; and

“(II) shall result in the termi-
nation of the waiver issued under sub-
paragraph (A).

“(ii) FAILURE TO PROVIDE LOCAL-
into-local service.—If the court issuing
a temporary waiver under subparagraph
(A) determines that the satellite carrier
that made the request for such waiver has
failed to provide local-into-local service to
all DMAs, but determines that the carrier
acted in good faith, the court may in its
discretion impose financial penalties that
reflect—

“(I) the degree of control the
carrier had over the circumstances
that resulted in the failure;
“(II) the quality of the carrier’s efforts to remedy the failure; and

“(III) the severity and duration of any service interruption.

“(D) Single temporary waiver available.—An entity may only receive one temporary waiver under this paragraph.

“(E) Short market defined.—For purposes of this paragraph, the term ‘short market’ means a local market in which programming of one or more of the four most widely viewed television networks nationwide as measured on the date of the enactment of this subsection is not offered on the primary stream transmitted by any local television broadcast station.

“(3) Establishment of qualified carrier recognition.—

“(ii) a request for a waiver of the injunction; and

“(iii) a certification issued pursuant to section 342(a) of Communications Act of 1934.

“(B) Grant of Recognition as a Qualified Carrier.—Upon receipt of a statement of eligibility, the court shall recognize the entity as a qualified carrier and issue the waiver under paragraph (1).

“(C) Voluntary Termination.—At any time, an entity recognized as a qualified carrier may file a statement of voluntary termination with the court certifying that it no longer wishes to be recognized as a qualified carrier. Upon receipt of such statement, the court shall reinstate the injunction waived under paragraph (1).

“(D) Loss of Recognition Prevents Future Recognition.—No entity may be recognized as a qualified carrier if such entity had previously been recognized as a qualified carrier and subsequently lost such recognition or volun-
tarily terminated such recognition under sub-
paragraph (C).

“(4) QUALIFIED CARRIER OBLIGATIONS AND
COMPLIANCE.—

“(A) CONTINUING OBLIGATIONS.—

“(i) IN GENERAL.—An entity recog-

examination and publish a report con-
cerning the qualified carrier’s compliance
with the royalty payment and household
eligibility requirements of the license under
this section. The report shall address the
qualified carrier’s conduct during the pe-
period beginning on the date on which the
qualified carrier is recognized as such under paragraph (3)(B) and ending on December 31, 2011.

“(ii) RECORDS OF QUALIFIED CARRIER.—Beginning on the date that is one year after the date on which the qualified carrier is recognized as such under paragraph (3)(B), the qualified carrier shall provide the Comptroller General with all records that the Comptroller General, in consultation with the Register of Copyrights, considers to be directly pertinent to the following requirements under this section:

“(I) Proper calculation and payment of royalties under the statutory license under this section.

“(II) Provision of service under this license to eligible subscribers only.

“(iii) SUBMISSION OF REPORT.—The Comptroller General shall file the report required by clause (i) not later than March 1, 2012, with the court referred to in paragraph (1) that issued the injunction, the
Register of Copyrights, the Committees on the Judiciary and on Energy and Commerce of the House of Representatives, and the Committees on the Judiciary and on Commerce, Science, and Transportation of the Senate.

“(iv) Evidence of infringement.—

The Comptroller General shall include in the report a statement of whether the examination by the Comptroller General indicated that there is substantial evidence that a copyright holder could bring a successful action under this section against the qualified carrier for infringement. The Comptroller General shall consult with the Register of Copyrights in preparing such statement.

“(v) Subsequent examination.—If the report includes the Comptroller General’s statement that there is substantial evidence that a copyright holder could bring a successful action under this section against the qualified carrier for infringement, the Comptroller General shall, not later than 6 months after the report under
clause (i) is published, initiate another ex-
amination of the qualified carrier’s compli-
ance with the royalty payment and house-
hold eligibility requirements of the license
under this section since the last report was
filed under clause (iii). The Comptroller
General shall file a report on such exam-
ination with the court referred to in para-
graph (1) that issued the injunction, the
Register of Copyrights, the Committees on
the Judiciary and on Energy and Com-
merce of the House of Representatives,
and the Committees on the Judiciary and
on Commerce, Science, and Transportation
of the Senate. The report shall include a
statement described in clause (iv), pre-
pared in consultation with the Register of
Copyrights.

“(vi) Compliance.—Upon motion
filed by an aggrieved copyright owner, the
court recognizing an entity as a qualified
carrier shall terminate such designation
upon finding that the entity has failed to
cooperate with the examinations required
by this subparagraph.
“(C) AFFIRMATION.—A qualified carrier shall file an affidavit with the district court and the Register of Copyrights 30 months after such status was granted stating that, to the best of the affiant’s knowledge, it is in compliance with the requirements for a qualified carrier.

“(D) COMPLIANCE DETERMINATION.—Upon the motion of an aggrieved television broadcast station, the court recognizing an entity as a qualified carrier may make a determination of whether the entity is providing local-into-local service to all DMAs.

“(E) PLEADING REQUIREMENT.—In any motion brought under subparagraph (D), the party making such motion shall specify one or more designated market areas (as such term is defined in section 122(j)(2)(C)) for which the failure to provide service is being alleged, and, for each such designated market area, shall plead with particularity the circumstances of the alleged failure.

“(F) BURDEN OF PROOF.—In any proceeding to make a determination under subparagraph (D), and with respect to a des-
ignated market area for which failure to provide service is alleged, the entity recognized as a qualified carrier shall have the burden of proving that the entity provided local-into-local service with a good quality satellite signal to at least 90 percent of the households in such designated market area (based on the most recent census data released by the United States Census Bureau) at the time and place alleged.

“(5) Failure to Provide Service.—

“(A) Penalties.—If the court recognizing an entity as a qualified carrier finds that such entity has willfully failed to provide local-into-local service to all DMAs, such finding shall result in the loss of recognition of the entity as a qualified carrier and the termination of the waiver provided under paragraph (1), and the court may, in its discretion—

“(i) treat such failure as an act of infringement under section 501, and subject such infringement to the remedies provided for in sections 502 through 506 and subsection (a)(6)(B) of this section; and

“(ii) impose a fine of not more than $250,000.
“(B) Exception for Nonwillful Violation.—If the court determines that the failure to provide local-into-local service to all DMAs is nonwillful, the court may in its discretion impose financial penalties for noncompliance that reflect—

“(i) the degree of control the entity had over the circumstances that resulted in the failure;

“(ii) the quality of the entity’s efforts to remedy the failure and restore service; and

“(iii) the severity and duration of any service interruption.

“(6) Penalties for Violations of License.—A court that finds, under subsection (a)(6)(A), that an entity recognized as a qualified carrier has willfully made a secondary transmission of a primary transmission made by a network station and embodying a performance or display of a work to a subscriber who is not eligible to receive the transmission under this section shall reinstate the injunction waived under paragraph (1), and the court may order statutory damages of not more than $2,500,000.
“(7) Local-into-local service to all DMAs defined.—For purposes of this subsection:

“A. In general.—An entity provides ‘local-into-local service to all DMAs’ if the entity provides local service in all designated market areas (as such term is defined in section 122(j)(2)(C)) pursuant to the license under section 122.

“B. Household coverage.—For purposes of subparagraph (A), an entity that makes available local-into-local service with a good quality satellite signal to at least 90 percent of the households in a designated market area based on the most recent census data released by the United States Census Bureau shall be considered to be providing local service to such designated market area.

“C. Good quality satellite signal defined.—The term ‘good quality signal’ has the meaning given such term under section 342(e)(2) of Communications Act of 1934.”.

test referenced in such clause. Such test shall be conducted within 30 days after the date the subscriber submits a request for the test. If the written findings and conclusions of a test conducted in accordance with such clause demonstrate that the subscriber does not receive a signal that meets or exceeds the requisite signal intensity standard in such clause, the subscriber shall not be denied the retransmission of a signal of a network station under section 119(d)(10)(A) of title 17, United States Code.”;

SEC. 926. PROCESS FOR ISSUING QUALIFIED CARRIER CERTIFICATION.

Part I of title III is amended by adding at the end the following new section:

“SEC. 342. PROCESS FOR ISSUING QUALIFIED CARRIER CERTIFICATION.

“(a) Certification.—The Commission shall issue a certification for the purposes of section 119(g)(3)(A)(iii) of title 17, United States Code, if the Commission determines that—

“(1) a satellite carrier is providing local service pursuant to the statutory license under section 122 of such title in each designated market area; and

“(2) with respect to each designated market area in which such satellite carrier was not providing such local service as of the date of enactment of the Satellite Television Extension and Localism Act of 2010—
“(A) the satellite carrier’s satellite beams are designed, and predicted by the satellite manufacturer’s pre-launch test data, to provide a good quality satellite signal to at least 90 percent of the households in each such designated market area based on the most recent census data released by the United States Census Bureau; and

“(B) there is no material evidence that there has been a satellite or sub-system failure subsequent to the satellite’s launch that precludes the ability of the satellite carrier to satisfy the requirements of subparagraph (A).

“(b) INFORMATION REQUIRED.—Any entity seeking the certification provided for in subsection (a) shall submit to the Commission the following information:

“(1) An affidavit stating that, to the best of the affiant’s knowledge, the satellite carrier provides local service in all designated market areas pursuant to the statutory license provided for in section 122 of title 17, United States Code, and listing those designated market areas in which local service was provided as of the date of enactment of the Satellite Television Extension and Localism Act of 2010.
“(2) For each designated market area not listed in paragraph (1):

“(A) Identification of each such designated market area and the location of its local receive facility.

“(B) Data showing the number of households, and maps showing the geographic distribution thereof, in each such designated market area based on the most recent census data released by the United States Census Bureau.

“(C) Maps, with superimposed effective isotropically radiated power predictions obtained in the satellite manufacturer’s pre-launch tests, showing that the contours of the carrier’s satellite beams as designed and the geographic area that the carrier’s satellite beams are designed to cover are predicted to provide a good quality satellite signal to at least 90 percent of the households in such designated market area based on the most recent census data released by the United States Census Bureau.

“(D) For any satellite relied upon for certification under this section, an affidavit stating that, to the best of the affiant’s knowledge, there have been no satellite or sub-system fail-
ures subsequent to the satellite’s launch that would degrade the design performance to such a degree that a satellite transponder used to provide local service to any such designated market area is precluded from delivering a good quality satellite signal to at least 90 percent of the households in such designated market area based on the most recent census data released by the United States Census Bureau.

“(E) Any additional engineering, designated market area, or other information the Commission considers necessary to determine whether the Commission shall grant a certification under this section.

“(c) Certification Issuance.—

“(1) Public Comment.—The Commission shall provide 30 days for public comment on a request for certification under this section.

“(2) Deadline for Decision.—The Commission shall grant or deny a request for certification within 90 days after the date on which such request is filed.

“(d) Subsequent Affirmation.—An entity granted qualified carrier status pursuant to section 119(g) of title 17, United States Code, shall file an affidavit with
the Commission 30 months after such status was granted stating that, to the best of the affiant’s knowledge, it is in compliance with the requirements for a qualified carrier.

“(e) DEFINITIONS.—For the purposes of this section:

“(1) DESIGNATED MARKET AREA.—The term ‘designated market area’ has the meaning given such term in section 122(j)(2)(C) of title 17, United States Code.

“(2) GOOD QUALITY SATELLITE SIGNAL.—

“(A) IN GENERAL.—The term “good quality satellite signal” means—

“(i) a satellite signal whose power level as designed shall achieve reception and demodulation of the signal at an availability level of at least 99.7 percent using—

“(I) models of satellite antennas normally used by the satellite carrier’s subscribers; and

“(II) the same calculation methodology used by the satellite carrier to determine predicted signal availability in the top 100 designated market areas; and
“(ii) taking into account whether a signal is in standard definition format or high definition format, compression methodology, modulation, error correction, power level, and utilization of advances in technology that do not circumvent the intent of this section to provide for non-discriminatory treatment with respect to any comparable television broadcast station signal, a video signal transmitted by a satellite carrier such that—

“(I) the satellite carrier treats all television broadcast stations’ signals the same with respect to statistical multiplexer prioritization; and

“(II) the number of video signals in the relevant satellite transponder is not more than the then current greatest number of video signals carried on any equivalent transponder serving the top 100 designated market areas.

“(B) Determination.—For the purposes of subparagraph (A), the top 100 designated market areas shall be as determined by Nielsen Media Research and published in the Nielsen
Station Index Directory and Nielsen Station Index United States Television Household Estimates or any successor publication as of the date of a satellite carrier’s application for certification under this section.”.
