SUPPLEMENTARY INFORMATION:

I. Overview

The Housing and Economic Recovery Act of 2008 (Pub. L. 110-289, 122 Stat. 2654, approved July 30, 2008) (HERA) made a number of changes to the U.S. Housing Act of 1937 (42 U.S.C. 1437 *et seq.*) (1937 Act) that affect PIH programs, including changes to the definition of income, which also affect the Office of Housing's project-based assistance programs; the public housing agency (PHA) plan; the voucher program; the capital and operating funds with respect to emergency funds; and establishing a collection of information on tenants in tax credit projects. This notice identifies those changes and provides information to program participants on how those changes affect HUD's public housing programs.

II. HERA Amendments to the 1937 Act

Under the 1937 Act, HUD promotes the goal of providing decent and affordable housing for all citizens by providing funds for housing assistance. These funds directly assist PHAs to provide affordable publicly owned housing and also subsidize affordable privately owned housing. HERA makes changes that affect both public and private affordable housing, as described in this notice.

A. Definition of Annual Income

Section 2608 of Title VI of Division B of HERA amends the definition of "annual income" in section 3(b)(4) of the 1937 Act to exclude any deferred Department of Veterans Affairs (VA) disability benefits that are received in a lump sum amount or in prospective monthly amounts from the definition of income. Accordingly, as of the effective date of HERA, July 30, 2008, such benefits are not to be included for purposes of determining the annual income of an applicant for or recipient of benefits under the 1937 Act. This income exclusion is similar to the existing exclusion for deferred periodic amounts from supplemental security income and Social Security benefits under 24 CFR 5.609(c)(14). Although the full amount of periodic Social Security payments is included in annual income pursuant to 24 CFR 5.609(b)(4), the deferred amount resulting from the delayed start of the periodic payment is not included in annual income. In the same way, the full amount of periodic VA disability benefit payments will continue to be included in annual income pursuant to 24 CFR 5.609(b)(4), but the deferred amount resulting from the delayed start of the disability payments will not be included in annual income. A payment qualifies as a VA disability benefit if it is identified as a disability benefit in the VA benefit award letter, regardless of whether or not the family member that is the beneficiary of the award would qualify as a person with disabilities under HUD's regulations. For existing residents or tenants, including those residing in project-based assisted housing administered by HUD's Office of Housing, the new exclusion for deferred payments will be made applicable at the time of annual recertification of income, or at interim examination. This provision is self-implementing without further regulatory action by HUD. HUD will later publish a conforming rule to include this item with the exclusion from income for deferred Social Security benefits at 24 CFR 5.609(c)(14).

B. Qualified Public Housing Agencies

Section 2702 of Title VII of Division B of HERA amends section 5A(b) of the 1937 Act by establishing "qualified public housing agencies," a category of PHAs that are provided substantial paperwork relief, primarily with respect to the PHA Annual Plan requirements in section 5(A)(b) of the 1937 Act. The requirement for preparation and submission of a 5-year plan pursuant to section 5A(a) of the 1937 Act is not affected.

A PHA is a "qualified public housing agency" if the PHA is not designated as a troubled PHA, does not have a failing score under the Section 8 Management Assessment Program during the prior 12 months, and if the sum of the public housing units administered by the agency and the section 8(o) vouchers authorized under the PHA's Consolidated Annual Contributions Contract, is 550 or less. The paperwork relief to qualified PHAs, as provided in section 2702, is effective as of the effective date of HERA, July 30, 2008, and will be made applicable to such PHAs commencing with the next date of Annual Plan submission.

HUD will make conforming changes to its regulations at 24 CFR part 903 and issue guidance, as may be determined necessary, to further address qualified PHAs, including the following statutory provisions that are applicable to qualified PHAs. The statutory provisions applicable to qualified PHAs are self-implementing.

1. *Public Housing Agency (PHA) Plans.* New section 5A(b)(3)(A) of the 1937 Act excludes qualified PHAs from the requirement to prepare and submit an annual PHA plan.

2. *Civil Rights Certification.* Even though an annual PHA plan is not required of a qualified PHA, section 5A(b)(3)(B) maintains the requirement for such agencies to prepare and submit the annual civil rights certification provided for in section 5A(d)(16) of the 1937 Act. Accordingly, qualified PHAs must continue to submit their civil rights certifications to HUD for review.

3. *Resident Advisory Board.* A new section 5A(d)(4) is added to affirm that qualified PHAs are still subject to the requirement to establish one or more resident advisory boards. A requirement is also added to consult with, and consider the recommendations of, the resident advisory board at the annual public hearing required under new section 5A(f)(5), regarding any changes to the goals, objectives, and policies of the PHA.

4. *Annual Public Meeting.* As noted in paragraph B.3. of this notice, new

section 5A(f)(5) of the 1937 Act requires a qualified PHA to conduct annually a public hearing to discuss any changes to the goals, objectives, and policies of the agency; and to invite public comment regarding such changes. The PHA must publish a notice of the hearing and relevant information, and make such information available for inspection at its principal office, at least 45 days before the date that the hearing is held.

C. Section 9 Emergency Set-Aside

Section 2804 of Title VIII of Division B of HERA strikes section 9(k) of the 1937 Act, which is entitled "Emergency Reserve and Use of Amounts." The removal of section 9(k) eliminates the requirement imposed on HUD to set aside, in each fiscal year, not more than two percent of the total amount of public housing operating funds and capital funds made available each fiscal year through appropriations acts for emergencies and other disasters and housing needs resulting from any settlement of litigation. Section 9(k) was applicable to and imposed an obligation on HUD.

D. Section 8 Tenant Based Assistance: Housing Choice Voucher Program—Rent for Tax Credit Units

Subtitle B of Title VIII of HERA (sections 2831 through 2835) makes a number of changes to coordinate tax incentives for private housing and federal housing programs, including the Section 8 voucher program. As one of these changes, the procedure for determining the rent reasonableness standard applicable to dwelling units receiving low-income housing tax credits (LIHTC) or assistance under the HOME Investments Partnership (HOME) program is streamlined by section 2835(a)(2) of HERA, which adds section 8(o)(10)(F) of the 1937 Act.

A rent comparison with unassisted local market units is not required for such dwelling units if the rent does not exceed the rent for other LIHTC or HOME assisted units in the project that are not occupied by families with tenant based assistance. The rent shall be considered reasonable if it does not exceed the greater of (1) the rent for other LIHTC or HOME assisted units in the project not occupied by families with tenant based assistance, or (2) the payment standard established by a PHA for a unit of the size involved. This provision is effective and may be used commencing with the date of enactment of HERA, July 30, 2008. Accordingly, this provision is self-implementing. HUD will make conforming changes to its regulations at 24 CFR 982.507 to reflect this statutory provision.

E. Section 8 Project Based Voucher Program

Section 2835(a)(1) of HERA makes several changes to the Section 8 project-based voucher (PBV) program under section 8(o)(13) of the 1937 Act (42 U.S.C. 1437f(o)(13)) and 24 CFR part 983 of HUD's regulations, as follows:

1. *Applicability of 25 Percent Cap on Number of PBV Units.* Prior to amendment by section 2835(a)(1)(A) of HERA, PBV assistance was limited to 25 percent of the units in a building. This cap in section 8(o)(13)(D)(i) of the 1937 Act is amended by replacing the term "building" with the term "project," defined to mean a single building, multiple contiguous buildings, or multiple buildings on contiguous parcels of land. HUD will make conforming changes to its regulations at 24 CFR 983.56 to reflect this statutory provision. Accordingly, this provision is self-implementing. HUD specifically requests comments on the impact on deconcentration efforts concerning the change in terms from "building" to "project" as discussed in this Section II.E.1 of this notice.

2. *Term of Initial Housing Assistance Payment (HAP) Contract.* The maximum term of the initial HAP contract provided in section 8(o)(13)(F) of the 1937 Act is extended from 10 to 15 years by section 2835(a)(1)(B) of HERA. HUD considers this provision to be available for use commencing with the date of enactment of HERA, July 30, 2008. Accordingly, this provision is self-implementing. Conforming changes will be made to HUD's regulations to reflect the longer permissible term of the initial HAP contract.

3. *Extension of initial term.* Section 8(o)(13)(G) of the 1937 Act is amended by HERA section 2835(a)(1)(C) to specify the maximum term for an extension of the HAP contract as 15 years, at the election of the PHA and owner. A PHA may agree to enter into an extension at the time of the initial HAP contract or any time before expiration of the contract. This provision may be utilized commencing with the date of enactment of HERA, July 30, 2008. Although this provision is self-implementing, such contract or contract extension may not exceed 15 years cumulatively. Additionally, a PHA must still determine that the extension of the contract is appropriate to achieve long-term affordability of the housing or to expand housing opportunities.

HUD will make conforming changes to its regulations, as well as any additional changes related to contract extensions that may be necessary for the

orderly administration of the PBV program.

4. *Rent calculation.* Language is added by section 2835(a)(1)(D) of HERA to section 8(o)(13)(H) of the 1937 Act to permit a PHA to use the higher section 8 rent for a tax credit unit if the LIHTC rent is less than the amount that would be permitted under section 8. The rent reasonableness of section 8(o)(10)(A) must also continue to be met.

This provision may be utilized commencing with the date of enactment of HERA, July 30, 2008. Accordingly, this provision is self-implementing. A conforming change to HUD's regulations will follow.

5. *Rent adjustments.* Section 2835(a)(1)(E) of HERA amends section 8(o)(13)(I) of the 1937 Act to make permissive a HAP contract provision that the maximum rent on a unit shall not be less than the initial rent. Because this provision is permissive, and not mandatory, HUD is considering parameters for when its use would be appropriate. Accordingly, this provision is not self-implementing. HUD will finalize its policy on this provision through rulemaking.

6. *Use of PBV in Cooperative Housing and Elevator Buildings.* A new section 8(o)(13)(L) is added by section 2835(a)(1)(F) of HERA to allow PHAs to enter into HAP contracts with respect to units in cooperative housing and in high-rise elevator projects. The authority for units in high-rise elevator projects specifically states it may be exercised without review and approval by HUD. HUD considers section 8(o)(13)(L) to be effective commencing with the date of enactment of HERA, July 30, 2008. Accordingly, this provision is self-implementing. HUD will make any necessary conforming changes to its regulations.

7. *Reviews.* Section 2835(a)(1)(F) of HERA also provides relief from certain review requirements by adding section 8(o)(13)(M) to the 1937 Act. New section 8(o)(13)(M)(i) removes the requirement to conduct a subsidy layering review in the case of a HAP contract for an existing structure or if such a review has been conducted by the applicable state or local agency. This provision is self-implementing for existing housing. The provision, however, is not self-implementing for newly constructed or rehabilitated housing. HUD will be issuing guidance on how such reviews must be conducted for newly constructed or rehabilitated housing.

Section 8(o)(13)(M)(ii) relieves a PHA from undertaking an environmental review for an existing structure, except to the extent such a review is otherwise required by law or regulation. Under 24

CFR part 58, federal environmental reviews are undertaken by a Responsible Entities (usually units of general local governments), not PHAs. In addition, any federally required environmental review is “required by law or regulation,” so there do not appear to be any federally required environmental reviews that would be eliminated by this provision.

F. Collection of Information on Tenants in Tax Credit Projects

HERA section 2835(d) adds a new section 36 to the 1937 Act to require state agencies administering LIHTC projects to furnish HUD with information on tenants residing in such projects. This provision is also applicable to project-based assisted housing programs administered by HUD’s Office of Housing. HUD must also establish standards and definitions for the information to be collected. HUD will implement this provision through a notice prepared in accordance with the Paperwork Reduction Act and to be published in the **Federal Register**.
