NOTE TO LOCAL GOVERNMENT OFFICIAL: Waivers that are not specifically made for the benefit of this Development but are instead of general benefit to the area in which the Development is located will NOT qualify as a contribution to the Development. Further, the fact that no impact fees or other fees are levied by a local jurisdiction for ANY type of development DOES NOT constitute a "Local Government Contribution" to the proposed Development. Similarly, if such fees ARE levied by the local jurisdiction but the nature of the proposed Development exempts it (e.g., typically, a Rehabilitation Development is not subject to impact fees), for purposes of this form, no "Local Government Contribution" exists and no points will be awarded.

This certification must be signed by the chief appointed official (staff) responsible for such approvals, Mayor, City Manager, County Manager/Administrator/Coordinator, Chairperson of the City Council/Commission or Chairperson of the Board of County Commissioners. Other signatories are not acceptable. The Applicant will not receive credit for this contribution if the certification is improperly signed. To be considered for points, the amount of the contribution stated on this form must be a precise dollar amount and cannot include words such as estimated, up to, maximum of, not to exceed, etc.

This contribution will not be considered if the certification contains corrections or 'white-out' or if the certification is scanned, imaged, altered, or retyped. The certification may be photocopied.

The Application may still be eligible for automatic points.
