

From: "gayle white" <gayle.white@floridahousing.org>

Florida Housing is nearing the end of the rule development process and expects to submit the 2011 Universal Cycle Application, the 2011 QAP and amendments to Rule Chapters 67-48 and 67-21, FAC, to the Board for approval at the October 22, 2010 Board meeting.

We plan to post new "final" drafts of these documents for public review and comment either Friday, October 8, 2010 or Monday, October 11, 2010. To be considered by staff, any comments must be received by October 12, 2010.

The "final" draft will reflect the final listing of qualifying TOD areas and we don't expect to make any additional changes to the final listing. The only change to the 9-3-10 draft will be the addition of the following designated area in Seminole County: City of Longwood Transit Village.

The 2011 FHFC Senior Center List is final and reflects an effective date of September 27, 2010. The final listing is available on the website at:
