The summary description of legislation appearing on this page is for informational purposes only and is not legislation or evidence of legislative intent.

JUSTIFICATION SHEET

DEPARTMENT: Business, Economic Development, and Tourism

TITLE: A BILL FOR AN ACT RELATING TO THE LOW-INCOME HOUSING TAX CREDIT.

PURPOSE: To increase the value, and therefore the amount of equity generated by State Low-Income Housing Tax Credits (LIHTCs), by shortening the term over which the credits are taken from ten years to five years.

MEANS: Amend section 235-110.8, Hawaii Revised Statutes.

JUSTIFICATION: The LIHTC program promotes the development and rehabilitation of low-income rental housing at or below 60 percent of the area median income as determined by the U.S. Department of Housing and Urban Development (HUD). The program continues to be a powerful financing tool for affordable rental housing development.

The State LIHTC is tied to the Federal LIHTC program, and the state credit is equal to 50 percent of the federal credit. LIHTCs are currently taken over a ten-year period by the project owner. The credit is available only on the portion of the project that is set-aside for low-income tenants and may be kept by the owner-developer, or sold to qualified investors/partners to raise equity for the development of the project. The federal LIHTCs are generally worth up to 95 percent of their face value when sold to investors. However, because of the limited market for state credits, owner-developers are getting only approximately 40 cents on the dollar for the State LIHTCs.

The proposed changes to the State LIHTC should improve their value, and provide more equity to finance the development of affordable rental housing units. Shortening

the period over which State LIHTCs are taken from ten years to five years would increase the present value of the credits when sold to investors. Increasing the value of the State LIHTCs would generate more equity to finance the development of affordable rental housing projects, and make such projects easier to develop.

Impact on the public: Will promote increased development of affordable rental housing statewide.

Impact on the department and other agencies: Minimal.

GENERAL FUND: Indeterminate.

OTHER FUNDS: None.

PPBS PROGRAM DESIGNATION: BED 160.

OTHER AFFECTED AGENCIES: None.

EFFECTIVE DATE: January 1, 2017, and shall apply to qualified low-income buildings awarded credits after December 31, 2016.
