5 amounts so remitted will be treated as if they
6 had been remitted to the State in payment of
7 income taxes owed by the eligible trainee.

8 (2) QUALIFIED CONTRACT.—A contract meets
9 the requirements of this paragraph if—

10 (A) the contract is between an eligible

1 (A) IN GENERAL.—A State program will
2 not be treated as a State new manufacturing
3 jobs training tax credit program for purposes of
4 this subsection unless the program provides
5 that, in order to be eligible to participate, the
6 employer must show with respect to each eligi-
7 ble trainee that such eligible trainee is hired for
8 a job that—

9 (i) is a new job (which, for purposes
10 of this paragraph, may include a new posi-
11 tion within an existing job category), and
12 not a job of a recalled worker, a replace-
13 ment job, or any other job that existed in
14 the employer’s business within the 1-year
15 period preceding the date of hire,

16 (ii) is not a job that existed in a busi-

18 business operation of the employer for-

20 was closed or substantially reduced by the
21 employer, and

22 (iii) results in a net increase in em-

24 (B) ONLY U.S. EMPLOYEES TAKEN INTO
25 ACCOUNT.—For purposes of subparagraph (A),

1 only employees at job sites located in the
2 United States (including the possessions of the
3 United States) shall be taken into account.

4 (5) AGGREGATION RULES.—All persons treated
5 as a single employer under subsection (a) or (b) of
6 section 52, or subsection (m) or (o) of section 414
7 of the Internal Revenue Code of 1986, shall be
8 treated as a single employer for purposes of this sec-
9 tion.

10 (6) COOPERATION WITH LOCAL WORKFORCE IN-
11 VESTMENT BOARDS.—An employer or eligible com-
12 munity college participating in a State new manufac-
13 turing jobs training tax credit program may work
14 with local workforce investment boards established

15 purposes of this section, the term “eligible manufacturing
16 employer” means any person—

17 (1) which employs individuals in the trade or
18 business of manufacturing,

19 (2) the manufacturing facilities of which are lo-
20 cated in the United States, and

21 (3) the primary business of which is classified
22 in sector 31, 32, or 33 of the North American In-

24 (g) APPROPRIATION.—Out of any sums in the Treas-
25 ury not otherwise appropriated, there are appropriated on

1 an ongoing basis such sums as are necessary to carry out
2 this section.

3 (h) REMISSION OF STATE INCOME TAX
4 WITHHOLDINGS NOT TREATED AS PAYMENTS FOR
5 TRAINING OR EDUCATION.—In the case of an eligible
6 manufacturing employer, the amount of withheld State in-
7 come tax which is remitted by the employer to an eligible
8 community college as described in subsection (d)(1)(A)
9 shall not be treated as an amount paid or incurred by the
10 employer for purposes of any credit or deduction available
11 under the Internal Revenue Code of 1986 to such em-
12 ployer, but shall be treated as if such amount had been
13 remitted to the State in payment of income taxes owed
14 by the employee.

15 (i) TAX TREATMENT OF PAYMENTS WITH RESPECT
16 TO ELIGIBLE TRAINEE.—In the case of an eligible trainee,
17 neither—

18 (1) the amount of any withheld State income

20 community college as described in subsection
21 (d)(1)(A), nor

22 (2) the amount of any payment made under
23 subsection (a),

1 of determining the deduction under section 164(a)(3) of
2 such Code, amounts described in paragraph (1) shall be
3 treated as amounts paid for State income taxes by the eli-
4 gible trainee.
