

2005 Qualified Allocation Plan ("Allocation Plan") for the State Of Indiana

This "Allocation Plan" constitutes the "qualified allocation plan" for the State of Indiana (the "State"), and is intended to comply with, the requirements set forth in Section 42 of the Internal Revenue Code of 1986, as amended, including all applicable rules and regulations promulgated there under (collectively, the "Code"). As used herein, "Applicant" shall include any owner, principal and participant, including any affiliates. This Allocation Plan applies to all allocations of rental housing tax credits (RHTCs) pursuant to Section 42 of the Code, multifamily private activity tax-exempt bonds ("Bonds"), HOME Investment Partnership funds ("HOME"), and the Low Income Housing Trust Fund ("LIHTF") in conjunction with RHTC's (collectively "Rental Housing Financing Programs") made in calendar year 2005 and sets forth: (A) the role of the Indiana Housing Finance Authority ("Authority") in administering the Rental Housing Financing Programs; (B) a description of how the Authority has assessed the housing needs in the State and how such needs should be adequately addressed; (C) housing goals of the Authority based on the perceived needs throughout the State; (D) Guidelines for Developments receiving RHTCs in conjunction with Private Activity Tax-Exempt Bond Financing; (E) "set aside" categories established by the Authority pursuant to the Code and Indiana law to further the accomplishment of the State's housing goals; (F) minimum threshold requirements which all Applicants and housing Developments must satisfy in order to be considered by the Authority for Rental Housing Financing; and (G) evaluation factors which the Authority will consider in analyzing each application that satisfies all applicable minimum requirements.

A. Role of Authority

The Authority is empowered to act as the housing credit agency for the State to administer, operate and manage the allocation of RHTCs also known as the Low-Income Housing Tax Credit program pursuant to Section 42 of the Code and this Allocation Plan.

The actions, determinations, decisions or other rulings made by the Authority pursuant to this Allocation Plan shall not be construed to be a representation or warranty by the Authority as to a Development's compliance with applicable legal requirements, the feasibility or viability of any Development or of any other matter whatsoever, and no action of the Authority shall be relied upon by any person as a representation or warranty by the Authority in connection therewith.

The Authority reserves the right to resolve all conflicts, inconsistencies or ambiguities, if any, in this Allocation Plan or which may arise in administering, operating or managing the allocation of Rental Housing Financing Programs. The Authority in its sole discretion reserves the right to, and may from time to time, amend this Allocation Plan, pursuant to the Code, for any reason including to assure compliance with applicable federal, State or local law and regulations there under which may be amended and/or enacted and promulgated, from time to time and/or to terminate the Program.

The selection criteria set forth in this Allocation Plan includes, in part, consideration of: (1) Development location; (2) housing needs characteristics; (3) Development characteristics; including whether the Development includes the use of existing housing as part of a community revitalization plan; (4) sponsor characteristics; (5) tenant population with special housing needs; (6) the existence of a public housing waiting list; (7) tenant populations of individuals with children; and (8) Developments intended for eventual tenant ownership.

This Allocation Plan:

1. Has been established by the Authority utilizing the selection criteria required by the Code in determining housing priorities of the Authority, which are appropriate to local conditions;
2. Gives preference in allocating Rental Housing Financing among selected Developments which:

- a. Serve the lowest income tenants and will set-aside units for tenants at or below 30% of the area median income rent levels, and provide documentation that it has the financial and supportive capacity, in the opinion of the Authority, to make the Development financially viable for the compliance period;
 - b. Are obligated to serve qualified tenants for the longest period;
 - c. Minimize displacement of existing tenants;
 - d. Are located in qualified census tracts (“QCTs”) and/or difficult development areas (“DDAs”) (as designated by the Secretary of the Department of Housing and Urban Development (“HUD”), and/or Areas of Chronic Economic Distress as designated by the State and approved by the Secretary of the Treasury and the Secretary of HUD (See Appendix F), and the development of which contributes to a concerted community revitalization plan;
 - e. Substantially upgrades and preserves existing low income housing and is a part of a published community revitalization plan;
 - f. Are obligated to serve tenant populations with special housing needs.
 - g. Minimize possible negative impact on existing affordable housing units in an area.
3. Provides procedures that the Authority (or an agent or other private contractor of the Authority) will follow in monitoring for noncompliance with the provisions of the Code and in notifying the Internal Revenue Service of such noncompliance when the Authority becomes aware of and in monitoring for noncompliance with habitability standards through regular site visits.

B. Housing Needs Assessment

The Authority has utilized various sources of information available to it in assessing the State's low-income rental housing needs. The Authority has identified three principal demographic areas in the State: (1) "Large City Areas"-consisting of cities which are the State's largest populated cities; (2) "Small City Areas"-consisting of cities with a population of 15,000 or more, but not one of the largest populated cities in the State; and (3) "Rural Areas"-consisting of all other areas. The Authority has determined that the following housing needs and conditions should be addressed in this Allocation Plan:

1. Rental housing conditions related to lack of essential facilities, overcrowding and disproportionate costs exist across the State, although needs in Large City Areas may exceed those in Small City and Rural Areas.
2. There is an inadequate supply of affordable housing units for single-parent families, low-income persons generally and for low-income elderly, and persons with disabilities and families needing three or more bedroom units.
3. A need exists to provide transitional and permanent housing for homeless families with children, the homeless mentally ill, and other homeless groups while they receive training and support services necessary for independent living.

C. Housing Goals

After considering the housing needs identified, the Authority has established certain housing priorities for the allocation of RHTCs to better enable the Authority to achieve its housing goals. In connection therewith, the Authority seeks to encourage and promote:

1. Developments which will require an allocation of Rental Housing Financing for the acquisition (if applicable), development and/or rehabilitation of such Development to become a reality.
2. Developments which will be of quality design, feasible financially and otherwise, and viable as a qualified low-income housing Development throughout the compliance period.
3. Distribution of Rental Housing Financing among Large Cities, Small Cities and Rural Areas, while emphasizing those areas identified as having greater housing needs.
4. Rehabilitation which substantially upgrades and preserves existing low-income housing and is part of a published community revitalization plan.
5. Developments, which meet special needs in a community or area such as transitional housing or permanent supportive housing for the homeless, larger families, or specially equipped Developments for the elderly and disabled including mixed income.
6. Developments, which provide housing for the lowest income households for the longest period of time possible.
7. Developments, which provide housing for the lowest income households providing **optional** supportive services.

D. Private Activity Tax-Exempt Bond Financing

Pursuant to the Code, Developments that do not receive a direct allocation from the Authority because such Developments qualify for the four (4%) percent RHTCs pursuant to the Code, must nevertheless satisfy and comply with all requirements for an allocation under this Allocation Plan and the Code. See Schedule D - Private Activity Tax-Exempt Bond Requirements.

[Note: A Development that has applied for and/or received an allocation of tax-exempt bond authority will not be eligible for an allocation of nine (9%) percent RHTCs for said Development.]

E. Set Aside Categories

The Authority believes it can best achieve its housing goals by establishing set aside categories based on: (i) development by qualified not-for-profit organizations; (ii) special housing needs, (iii) Development location, (iv) Preservation and (v) Developments which serve the lowest income. More than one (1) set aside category may be addressed by a Development, depending upon the location, characteristics and whether the owner is a qualified not-for-profit organization. However, a Development may only compete in one (1) Development Location set aside. **(Note: There are no set aside categories for Bond financed Developments.)**

The set aside categories, their respective requirements and amount of the annual RHTCs allocated to each are as follows:

1. Qualified Not-for-profit

- a. 10% of available annual RHTCs will be set aside for Developments in which the "qualified not-for-profit organization" owns 100% of the general partner interest, receives at least 25% of the developer fee (if any developer fee is deferred, the for-profit's and not-for-profit's deferral must be proportionate to the amount of developer fee they are to receive), and materially participates in its operations, as such terms are defined in and pursuant to Section 42 of the Code and this Allocation Plan. [Note: 100% general partner ownership interest is only required by a qualified not-for profit for consideration in this set-aside and does not preclude joint ventures in any other set-aside].

Qualified Not-for-profit Organization Requirements

A not-for-profit organization shall not constitute a "qualified not-for-profit organization" if the not-for-profit organization is affiliated with or is controlled by a for profit organization. To constitute a qualified not-for-profit organization, throughout the compliance period: (i) one of the not-for-profit organization's exempt purposes must include the fostering of low-income housing, (ii) the not-for-profit organization must own 100% of the general partner interest in the Development, (iii) the not-for-profit organization must materially participate (as defined in Section 469(h) of the Code) in the development and operation of the Development, (iv) the not-for-profit organization must comply with all other Sections of the Code applicable to not-for-profit organizations, and (v) has no part of its net earnings inuring to the benefit of any member, founder, contributor, or individual. The not-for-profit must have been in existence at least one year from the date of application, with affordable housing as one of its primary goals.

Required Documentation: At the time of application, Articles of Incorporation or its formation documents for the not-for-profit, IRS documentation of not-for-profit status (e.g. §501(c)(3)) and a complete signed original Not-for-Profit Questionnaire with required attachments (Form L) must be submitted by the Applicant and placed in tab B.

2. Special Housing Needs

- a. 10% of available annual RHTCs will be set aside for units that provide residential housing for persons with a disability, pursuant to *Indiana Code ("IC") 5-20-1-4.5*, which defines disabled as “a person with a disability who, by reason of physical, mental, or emotional defect or infirmity, whether congenital or acquired by accident, injury, or disease, is totally or partially prevented from achieving the fullest attainable physical, social, economic, mental, and vocational participation in the normal process of living.” The Authority shall allocate RHTCs under this section based on the proportionate number of set aside units of a qualified building that is used to provide residential housing for persons with disabilities. The Authority shall hold, if available, the allocation to the set aside category for persons with a disability through October 31 of each calendar year and beginning November 1 of each such calendar year, any part of such allocation that remains unassigned shall be available for any other appropriate allocation.
- b. 10% of available annual RHTCs will be set aside for Developments specifically designed for use by elderly tenants. Elderly is defined, for the purpose of this Allocation Plan, as those persons 55 years of age or older on or before the date of initial occupancy. No less than eighty percent (80%) of the housing units shall be restricted for and solely occupied by at least one resident in each unit who is 55 years of age or older (Owners considering and/or receiving an allocation under this set aside should be familiar with the Housing For Older Persons Act (an amendment to the Fair Housing Act) and the Implementation of the Housing For Older Persons Act Final Rule.)

3. Development Location

All Applications for RHTCs will compete in only one Development Location set aside defined below:

- a. 15% of available annual RHTCs will be set aside for Developments located within a Large City. For purposes of this set aside Large City is defined as a city with a population of 75,000 or more (See Appendix D). The Development must be located within one mile of the zoning jurisdiction and/or use city utility services (water and sewer).
- b. 15% of available annual RHTCs will be set aside for Developments located within a Small City. For purposes of this set aside Small City is defined as a city with a population of 15,000 – 74,999 (See Appendix E). The Development must be located within one mile of the zoning jurisdiction and/or use city utility services (water and sewer).

- c. 10% of available annual RHTCs will be set aside for Developments located in areas designated as "rural", with a population of 14,999 or less, and/or for Developments utilizing Rural Development Funding.

If the Development is receiving Rural Development Funding, the owner must choose on the Application the one (1) Development Location set aside in which the Development must compete.

4. Preservation

- a. 15% of available annual RHTCs will be set aside for Developments which involve the substantial rehabilitation (as outlined in the property's Capital Needs Assessment – See Schedule G) of an existing structure (affordable or market rate housing, or otherwise) and/or a Development otherwise in danger of being lost as affordable housing, and/or the demolition and decentralization of housing units utilizing the same site (over 50% of the units must be replaced in the Development/Application).

This includes:

- Developments being removed by a federal agency (i.e. HUD, Rural Development (RD));
- Rental Housing RHTC Developments with Compliance Periods that have expired or are expiring in the current year;
- Developments utilizing HOPE VI funding;
- Developments which entail demolition and decentralization of units with replacement of units on the same site as described above; and
- Re-use of an existing structure(s) for conversion into affordable housing where a minimum of 75% of the Development is converted to affordable housing and/or its common areas (100% of the existing structure must be part of the overall Development)

Rehabilitation hard costs must be in excess of \$10,000 per unit to be considered in this category.

For Developments competing in all other set-asides, rehabilitation hard costs must be in excess of \$7,000.

5. Lowest Income

- a. 5% of available annual RHTCs will be set aside for Developments, which restrict 30% or more of its units for tenants whose incomes are at or below 30% of the area median income. The Development must also charge no more than the 30% area median income rent for the set aside units.

The Authority intends to make every effort to satisfy the requirements of such set-aside categories in one (1) application and reservation cycle. If such set-aside categories are not completed through one (1) application and reservation cycle for the applicable year, the Authority may allocate any RHTCs remaining available for allocation without regard to these set aside categories, so long as such allocation is made in accordance with the Code and the applicable requirements of the law of the State and the goals of this Allocation Plan; notwithstanding the foregoing to the contrary, upon completion of the scheduled reservation cycle (i.e., at such time as all or substantially all RHTCs available for allocation in a calendar year have been allocated, other than *de minimus* amounts of RHTCs not reasonably susceptible to allocation to a Development) the Authority, in its discretion, may hold another application and reservation cycle. If another application and reservation cycle will be held, the Authority will provide an announcement thereof. Provided, however, that: (i) the Authority may, in its sole discretion, elect in any reservation cycle not to allocate RHTCs to a Development that might otherwise qualify for an allocation of RHTCs set aside under Section E.1-5 above, if such Development scores ten (10) or more points less than any other Development which has received an allocation of RHTCs in such cycle without regard to such set aside categories.

Notwithstanding the point ranking system set forth in this Plan, the Authority reserves the right and shall have the power to allocate Rental Housing Financing to a Development irrespective of its point ranking, if such intended allocation is: (1) in

compliance with Section 42 of the Code; (2) in furtherance of the Housing Goals stated herein; and (3) determined to be in the interests of the citizens of the State of Indiana. Additionally, the Authority will provide a written explanation to the general public for any allocation of RHTCs, which is not made in accordance with the established goals, priorities, and selection criteria in this Allocation Plan.

F. Threshold Requirements

Each Development applying for an allocation of Rental Housing Financing must satisfy the requirements of the Code, such additional requirements established by the Authority, the Program and those set forth in this Allocation Plan, and any additional requirements relating to the continued compliance of the Development after an allocation of Rental Housing Financing by the Authority. All material used in the Development must be new and of high quality, and all work must be performed in a good and workmanlike manner.

1. Federal Threshold Requirements

Each Development shall satisfy all requirements of Section 42 of the Code and such additional provisions of the Code and other federal laws applicable to each Development throughout the required compliance period and/or other applicable period. These requirements include, without limitation:

a. Development Feasibility

Amounts allocated pursuant to this Allocation Plan may not exceed an amount, which the Authority, in its sole discretion, determines is necessary for the financial feasibility of a Development and its viability as a qualified low-income housing Development throughout the Compliance Period. In making this determination, the Authority shall consider: (i) the sources and uses of funds and the total financing planned for the Development; (ii) any proceeds or receipts expected to be generated by reason of tax benefits; (iii) the percentage of the RHTCs used or to be used for Development costs other than the cost of intermediaries, unless such consideration would impede the process of developing in hard-to-develop areas; (iv) the reasonableness of the developmental and operational costs of the Development; and (v) the developmental and/or operational costs of the Development as compared to similar costs of other Applicants; and (vi) such other factors it may consider applicable.

The Authority may establish such criteria and assumptions it deems reasonable for the purposes of its determination, including, without limitation, criteria as to the reasonableness of fees, profits, assumptions as to projected occupancy, the amount of net syndication proceeds to be received, and increases in operating expenses and rental income. Any determination and/or allocation of Rental Housing Financing by the Authority shall not be construed to be a representation or warranty by the Authority as to the feasibility or viability of any Development.

Pursuant to the Code, the foregoing determination shall be made at: (a) the time of application for the Rental Housing Financing; (b) the time of allocation of the RHTC equity amount; (c) anytime there is a material change to the application and/or Development; and (d) the date the building is placed in service or at time of final application (but prior to the issuance of IRS Form 8609).

Required Documentation: Third party documentation of sources, costs, and uses of funds that the Applicant may find necessary to include with the Application will be considered along with other such documentation the Authority may consider applicable. Additionally, if the Development is proposing commercial space the following proformas must be submitted: (i) a 15-year proforma showing only the commercial portion of the Development; (ii) a 15-year proforma showing only the housing portion of the Development; and (iii) a 15-year proforma showing the housing portion and the commercial portion of the Development combined. The

Application (Form A) and any additional documentation regarding the financial feasibility of the Development must be placed in tab A.

b. Local Jurisdiction Notification

No Development shall be entitled to apply for any Rental Housing Financing reservation or allocation until the highest elected official of the local jurisdiction is notified and provided with a reasonable opportunity to comment on the Development. The Authority will consider the response of such official in determining any RHTC allocation for the Development.

Required Documentation: At least 30 days, but no more than 120 days, prior to application submittal, the Applicant must submit Form R (with the Applicant's portion completed) and any additional documentation they wish to provide **by certified mail or other service together with appropriate evidence of receipt**, of its intent to develop affordable housing to the highest local elected official in the community where the proposed Development will be located. Copies of such information, the returned receipt from the certified mail or other acknowledgement of receipt of the documentation by the highest local elected official (or authorized designee), and any written response(s) from the local officials are a required part of the Rental Housing Finance Application and must be placed in tab C.

c. All not-for-profits competing for Rental Housing Finance Program funding that have an ownership interest in the proposed Development must submit to IHFA at the time of application a resolution from its Board of Directors that includes language that approves: 1) the application being made for specific Rental Housing Funding (i.e. private activity tax-exempt bonds, RHTC, HOME, Trust Fund,); 2) the amount of ownership interest the not-for-profit has in the venture; and 3) the not-for-profit's specific liabilities in the Development.

Required Documentation: Resolution signed by the not-for-profit's Board of Directors must be placed in tab B. If the document is approved during a Board of Directors meeting, a quorum should pass and sign the resolution and such resolution shall be incorporated into the Minutes of the meeting.

d. Market Study

See Schedule C - Market Study Requirements. The market study must be prepared at the developer's expense by a **disinterested** third party. Sufficient demand in the market area of the Development must exist and, based on reasonable predictions, will continue to exist during the term of the Compliance Period or other applicable period, for the number of units to be developed. IHFA reserves the right to contract out an additional market study at the expense of the Applicant for any Development it deems appropriate in its sole and absolute discretion. Before contracting out a second market study, IHFA will first contact the market analyst and the Applicant for the Development to determine if more information can be obtained to satisfy this requirement. If not, IHFA will notify the Applicant that a second market study will be performed and the Applicant will have the option of either withdrawing the Application from competing or agreeing to incur the cost of the second study.

Required Documentation: A comprehensive market study of the housing needs of low-income individuals in the area to be served by the Development, satisfactory to the Authority at the time the initial Application, must be performed and submitted to IHFA. The market study must be addressed directly to IHFA from the third party preparing the market study with a sworn statement from the person who prepared the study certifying to IHFA the accuracy of the data reported in the study. The study must be submitted to IHFA offices by the application deadline and must state the name of the Development, the Owner, Development City, and Development County on the front cover. The market study must be no more than twelve (12) months old at the time of submission to IHFA. **Studies more than six (6) months old must be updated.**

No study will be accepted over twelve (12) months old even with an update. If the study has no material changes and is between six (6) and twelve (12) months old, the market study analyst may send an update letter with a copy of the original market study. However, the update must include the actions taken by the market analyst to ensure the information contained in the original market study continues to be valid. The update must also be accompanied by the original market study. The market study must be submitted in the format outlined in Schedule C.

2. Additional Threshold Requirements of the Authority

All information submitted to the Authority pursuant to this Allocation Plan must be satisfactory to the Authority in its sole and absolute discretion. If the Authority requests additional information from an Applicant, such information must promptly be submitted within timeline(s) determined by the Authority. **Additionally, all documentation (e.g. certifications, letters, market studies, etc.) must be issued/dated within six months prior to the Application deadline date.**

For a Development to be evaluated for an allocation of RHTCs, each of the following requirements must also be satisfied:

- a. The Authority will not consider or review more than one Application for the same Development or for substantially the same or similar costs submitted by a related Applicant with respect to a particular reservation and application cycle. Submission of more than one Application shall cause the cancellation of any pending Application earlier awarded. Request for supplemental RHTCs will only be permitted after all qualified Developments have been funded. The Authority will notify the public if RHTCs are available for supplemental funding. However, supplemental RHTCs will only be considered for allocations made in the same year.
- b. Until an Applicant, Owner and/or Developer has successfully completed (i.e. has been issued IRS Form 8609) at least one (1) Development in Indiana, the Authority will not consider or review an Application for a Development from the Applicant, Owner and/or a Developer if such Application would, when added to all other RHTC allocations made to the Applicant, Owner and/or Developer, aggregate more than \$750,000 in annual RHTCs. However, IHFA will permit an exception to this policy where the Public Housing Authority (PHA) and/or a wholly owned subsidiary of the PHA is the Applicant, Developer, Co-Developer, Owner or Co-Owner (general partner interest) and the Development is part of a revitalization plan with an approved HOPE VI grant.

Required Documentation: The Applicant, Owner, and Developer must submit a list of all RHTC Developments where they have participated with an ownership interest or been part of the Development team (including on a consulting basis). The list must include the following information: 1) Name of the Development; 2) City and state of Development; 3) number of units in each Development; 4) the amount of annual RHTC awarded to each Development; and 5) the role the Applicant played in each Development (e.g. developer, owner, consultant, etc.) Place in tab L.

- c. At the time an Applicant files an Application with the Authority, eligible development costs expended or incurred towards the Development and/or acquisition shall not exceed fifty percent (50%) of the total estimated eligible development costs, unless the Authority determines that:
 - 1) Rental Housing Financing is necessary for the Development to be completed; and
 - 2) The Development is located in either (a) a "qualified census tract" or (b) "difficult Development area", as designated by the U.S. Secretary of Housing and Urban Development ("HUD"). You may also view the information on HUD's website at: www.hud.gov; and

- 3) Less than sixty-five percent (65%) of the estimated qualified eligible costs have been expended or incurred; and
- 4) The Development will contribute to the accomplishment of the Authority's housing goals and priorities.

Each Application must be type written and accompanied by the appropriate application fee and all exhibits. Additionally, the Applicant must provide a Narrative Summary of the Development. See Schedule I for Application Package Submission Guidelines.

Required Documentation: The most current Application (See Form A) completed, Narrative Summary of the Development, and a **check** made payable to IHFA for the appropriate Application Fee. The check should be attached to the application and placed in tab A with the narrative summary. A fee of \$25 plus any applicable bank charges will be charged to the Applicant for any checks returned for insufficient funds or stopped payment, and will require subsequent payments made to IHFA by the entity to be in the form of a cashier's or certified check or money order. However, if an Application fee is returned for insufficient funds, the Application will not be eligible for funding or a Technical Correction period.

- 2) Submitting satisfactory evidence of site control.

Required Documentation: The Applicant must submit documentation evidencing site control including verification of current ownership, examples of which include: 1) Purchase Agreement or Option that does not expire until after the reservation date for RHTCs with title insurance documentation (or attorney's opinion); 2) Warranty deed; 3) Long-term lease option (term of lease must be for a minimum term specified in the Declaration of Extended Rental Housing Commitment). Required Documentation: The Applicant must submit satisfactory: 1) schematics; 2) perimeter survey; 3) site plan (if flood plain and/or wetlands are located any where on the site, the site plan must show where the buildings, common areas, and any land improvements will be located in relation to the flood plain and/or wetlands – See Section F.2.f.7. of QAP); and 4) floor plans for units of the Development which, to the sole satisfaction of the Authority, show the Development is of quality design providing decent, safe and sanitary housing. The Authority reserves the right to perform (through its own representatives or its agents) site visits and evaluations of the Development to determine the satisfaction of these requirements. Place this documentation in tab F.

- 4) The Applicant must demonstrate an ability to obtain financing (i.e. syndication proceeds, grants, other funds available for the Development).

- 5) Compliance Monitoring and Evidence of Compliance with Other Program Requirements

Every Applicant, Principal, affiliates and/or Development Team member (collectively, "Development Team") with any ownership interest in a rental housing Development which has received an allocation of RHTCs by the Authority since the inception of the RHTC program (January 1, 1987), must cooperate and comply with the Authority's compliance monitoring procedures. The Authority's monitoring procedures and requirements are set forth in the RHTC Compliance Manual, a copy of which is attached as Schedule A to this Allocation Plan and made a part hereof. If, in the sole discretion of the Authority, any Development Team member has materially failed to comply with the procedures and requirements of the Authority or any of its programs, the Code or any other governmental program, including, but not limited to, HUD and/or HUD funded programs: (i) the Authority may withhold or reduce, in whole or in part, Rental Housing Financing for which application is made, irrespective of whether the withheld or reduced funding relates to the Development to which the noncompliance relates as determined by the Authority in its sole discretion; and (ii) if the Applicant's noncompliance is chronic and/or egregious in nature, the Authority may refuse to accept for filing and/or otherwise refuse to consider all or any part of the Applicant's pending or future applications for funding until such time as the Authority decides otherwise.

All Development team members with an ownership interest in any RHTC Development must satisfactorily demonstrate that all prior findings and assessments against all Applicants and its principals, participants and affiliates have been satisfied.

Any Development found to be in violation of this Allocation Plan will be subject to a reduction or rescission in Rental Housing Financing, and all Development Team members may be subject to debarment from participating in all Authority programs for up to five (5) years.

Required Documentation: The following documentation must be submitted and placed in tab L:

- 1) All of the Development Team members with an ownership interest or material participation in any affordable housing Development must disclose any non-compliance issue(s) and/or loan defaults with any state or federal affordable housing program (including private activity tax-exempt bonds) in which it has participated in or

received funds including those issues that have been corrected since RHTC program inception. Failure to disclose may result in the loss of funding;

2) Any principal or material participant of the General Partner interest or managing member (if an LLC) and each member of the Development Team must submit a written affidavit accurately disclosing his/her complete interest in and affiliations with the proposed Development. Additionally, the Development Team must include in the affidavit all other RHTC funded Developments located in Indiana where they own(ed) an interest. A management company is required to be identified in the application and the management company named in the initial application must add language to its affidavit certifying that: a) they have reviewed the application for Rental Housing Financing; and b) they can effectively manage the property according to the requirements of Section 42, the Qualified Allocation Plan, and the elections made by the owner/applicant in the application for Rental Housing Financing. If at any time during the Compliance Period the management company changes, the new management company must also sign a similar certification.

6) The characteristics of the site (e.g. size, topography, terrain, soil and sub-soil conditions, environmental, vegetation and drainage conditions) must be suitable for the construction, rehabilitation and operation of the proposed Development. No Development will be considered if any of the buildings are or will be located in a 100-year flood plain at the placed in service date or on a site which has unresolvable wetlands problems, or contains hazardous substances or the like that cannot be mitigated.

100-year Flood Plains: A Development in a 100-year flood plain at initial Application may be permitted if sufficient documentation is included in the Application to clearly establish that there will be no part of a building located in the 100- year flood plain.

Required Documentation: Environmental Phase I completed by an experienced and credible disinterested third party hired by the Applicant. The Environmental Phase I must address wetlands and flood plains. A flood plain map must be included in the Environmental Phase I. Wetland Delineation and USGS maps are required to document the existence of wetlands areas on the site, and must be included in the Environmental Phase I. If there are no wetlands areas on the site, a wetlands delineation is not required but in all cases USGS maps must be included in the Environmental Phase I.

If a flood plain and/or wetlands are located anywhere on the site, the site plan must show where the buildings, commons areas, and any land improvements will be located in relation to the flood plain and/or wetlands.

100-year Flood Plains: Applications that propose the placement of buildings in the 100-year flood plain must submit the following documentation:

- All areas of the 100-year flood plain must be documented by the FEMA map for the areas in which the site is located. The proposed site for development must be located on that map.
- A qualified Civil Engineer must document mitigation for impacts to existing floodplains planned for the Development. A resume for the Civil Engineer must be submitted with this documentation.
- A FEMA Conditional Letter of reclassification must be obtained for the property that shows that the property is eligible for reclassification out of the flood plain area.
- A financing plan and costs for the site work involved in the reclassification.

For all properties that receive an award of RHTCs and are located in a 100-year flood plain at the time of initial application, a final letter of reclassification from FEMA along with an elevation certification must be provided to IHFA at the completion of the Development.

If wetlands or hazardous substances exist on the site, the Applicant must submit: 1) evidence that the wetlands or hazardous substances can be mitigated; and 2) a plan, that includes financing, of how the Applicant anticipates to mitigate the wetlands or hazardous substances. Place in tab F.

g. **Required Documentation:** Applicant(s) proposing Developments consisting of five (5) or more units must complete and submit HUD Form K 935.2 Affirmative Fair Housing Marketing Plan (“Plan”) (See form K) at the time of initial application. Applicant must obtain approval from HUD and/or Rural Development (RD) within one (1) year after the Placed in Service date. A copy of the approved Plan must be submitted to the Authority within thirty (30) days of receipt. A copy of the **completed** form (See Form K) must be placed in tab N.

h. All applicable conditions and requirements of State and local laws, statutes, regulations, ordinances and other proper authorities in the State, including, without limitation, the requirements specified in the Application, the Indiana Handicapped Accessibility Code as amended, and such additional items which may be required by the Authority (collectively, "State Laws"), shall be satisfied.

Additionally, the Development has been designed to comply with the requirements of all applicable local, state and federal fair housing and disability-related laws. The Development design should consider at a minimum, the applicability of the local building codes, Federal Fair Housing Act, as amended the Americans with Disabilities Act, and the Rehabilitation Act of 1973, as amended. The Applicant and architect who has designed the Development will be required to submit an affidavit that certifies the Development complies with all applicable requirements.

Required Documentation: The Fair Housing Act Accessibility Checklist form must be completed, signed by the owner and the architect for the Development and notarized. See Form E. Place form in tab N.

i. Applicants who perform rehabilitation work on pre-1978 Developments (i.e. buildings) are required to comply with the Lead Based Paint Pre-Renovation Rule (Lead PRE) and the State of Indiana’s Lead Based Paint Rules where applicable. (For more information visit www.epa.gov/lead or contact your local Environmental Protection Agency (EPA) Regional Office and www.ikecoalition.org for Indiana’s rules.)

Required Documentation: The Applicant must certify that the Development will comply with these laws and rules. See Form J. Place certification in tab N.

j. Developments proposing commercial areas within the building or on the property utilizing Rental Housing Financing will be given consideration. Construction must be in compliance with plans and specifications that have been previously submitted and approved by the Authority. Finally, all commercial restrictions approved by the Authority must be included in the Declaration of Extended Rental Housing Commitment (“DERHC”).

Required Documentation: The Application must include the following additional information and documentation: (i) a detailed, square footage layout of the building and/or property identifying all residential and commercial areas; and (ii) a time-line for complete construction showing that all commercial areas will be complete prior to the residential areas being occupied. Place this documentation in tab F.

k. If any portion of the RHTCs are being used to acquire the Development, RHTCs and/or acquisition eligible basis will be calculated based on the lesser of the actual amount paid for the building or the appraised fair market value.

Required Documentation: The Applicant must submit the Development’s fair market appraisal (completed by a qualified appraiser), which must be completed no earlier than (6) months from the Application deadline. See Schedule C– Market Study and Fair Market Appraisal Requirements. Place in tab O.

- l. For Developments proposing rehabilitation, the rehabilitation hard costs must be in excess of \$7,000 per unit. However, if the Development is competing in the Preservation set aside the rehabilitation hard costs must be in excess of \$10,000 per unit.

Required Documentation: All Applicants applying for rehabilitation Developments requesting Rental Housing Financing must submit with their Rental Housing Finance Application a capital needs assessment performed by a qualified professional (engineer/architect) in the format required by the Authority. **The complete Capital Needs Assessment Report AND Form C must be submitted.** See Schedule H and Form C - Capital Needs Assessment. Place in tab O.

- m. Upon request, the Applicant shall provide a completed IRS Form 8821, Tax Information Authorization, for each owner/general partner. The form must be signed by an individual authorized to sign on behalf of the Owner.

n. Underwriting Guidelines

The following are underwriting guidelines for all Developments. However, all applicants should be aware that these are averages and the numbers submitted should reflect the nature and **true cost** of the Development proposed. **IHFA will consider any underwriting outside of these guidelines if supporting documentation is provided.**

- 1) Total Operating Expenses - IHFA will consider the reasonableness of operating expenses for each Development based on information submitted by the Applicant. See Required Documentation in this section.
- 2) Management Fee– 5-7% of “effective gross income”
(gross income for all units less Vacancy Rate).
 - 1-50 units 7%,
 - 51-100 units 6%
 - 100+ units 5%
- 3) Vacancy Rate – 6% - 8%
- 4) Rental Income Growth – 1-3%/year
- 5) Operating Reserves – four (4) – six (6) months (Operating Expenses plus debt service)
- 6) Replacement Reserves per unit New Construction: \$250 - \$300 Rehabilitation: \$300 - \$350
- 7) Operating Expense Growth – 2-4%/year
- 7) Stabilized debt coverage ratio (stabilization usually occurs in year 2) – 1.15 - 1.35 (Although stabilization occurs usually in year two, the debt coverage ratio projection for a Development should not go below 1.1 during the complete 15 year Compliance Period to be considered financially feasible.)

NOTE: Tax abatement may cause the debt coverage ratio to be higher than these guidelines.

- 9) Developments structured with no hard debt - minimum cash flow before deferred developer fee must be at least \$250 per unit annually

NOTE: IHFA will require operating expense growth to be at least 1% higher than rental income growth.

Required Documentation: 1) Data supporting the operating expenses and replacement reserves stated in the proforma **MUST** be supported in the Development’s Market Study (e.g. comparable Development information historical data of the Development (for rehabilitation of existing housing only)); 2) Documentation of estimated property taxes and

insurance (i.e. a statement of how the Applicant determined the estimated taxes and insurance for the Development); **AND 3) If the underwriting is outside these guidelines the Applicant must provide a written detailed explanation with third party documentation supporting the explanation (approval of underwriting from other financing institutions/funding sources will not constitute acceptable supporting documentation).** This documentation must be placed in tab A.

a. Grants/Federal Subsidies

Those RHTC Developments that include “soft” loans (i.e. HOME or HOPE VI loaned to the Development with payments through available cash flow) must demonstrate a reasonable expectation (as determined by the Authority in its sole and absolute discretion) that the loan will be repaid at a date certain (usually eight (8) to fifteen (15) years). If the loan and any outstanding interest is not expected to be paid until the end of the Initial Compliance Period, there must be reasonable expectation that the fair market value of the Development will be sufficient at that time to pay the accrued interest and debt and that the net income of the Development will be sufficient to sustain a debt service.

Required Documentation: A written explanation from the Applicant will be required at the time of Application with regard to the treatment of such funds relating to (a) their inclusion or exclusion from Eligible Basis; AND (b) if loaned into the Development, the reasonableness that the loan will be repaid by a date certain (usually by the end of the Initial Compliance Period); AND (c) if loaned into the Development, the anticipated terms of the loan including anticipated amount, anticipated interest rate, and the anticipated term of the loan Place in tab G.

b. IHFA has established the following RHTCs per unit maximums:

<u>Number of Units</u>	<u>Max. Annual RHTCs per Unit</u>	Developments located in QCTs only <u>Max. Annual RHTCs per Unit</u>
1-35 units =	\$8180	\$10,635
36 – 60 units =	\$7670	\$9970
61 – 80 units =	\$7160	\$9305
Over 80 units	\$6645	\$8640

IHFA, in its sole discretion, will only consider RHTCs per unit in excess of these amounts if: 1) the Applicant has provided clear and convincing evidence for why the Development needs the additional RHTCs; 2) the Applicant has exhausted all other sources of financing; **and** 3) the Applicant provides third-party documentation of all efforts taken to obtain other financing (e.g. letters from lenders/funding sources stating funding is not available for the Development). This documentation, if provided, must be placed in tab A.

NOTE: If an Application will be requesting RHTCs per unit in excess of these amounts, the Applicant/Developer is strongly encouraged to meet with IHFA Tax Credit Allocation staff before making the request.

3. User Eligibility and Limitations

a. Applicant and Development Limitations

During any calendar year, the amount of RHTCs, which may be reserved for allocation (including any transfers of RHTCs during the applicable calendar year) to any person (including principals in organizations), entity, Owner, Developer or Applicant, may not exceed \$1,500,000. Provided, however no Development shall receive more than \$750,000 of RHTCs in any calendar year. Such limitation shall be subject to review and modification by the Authority. [Excluding Developments financed with Bonds and 4% RHTCs.]

If the Authority determines that in its sole and absolute discretion it is in the interest of the State to allocate additional RHTCs to such person, entity or Development, then the Authority may waive such limitation.

b. Developer Fee Limitations

No of units in Development	New Construction 9% RHTCs	Rehabilitation* 9% RHTCs	New Construction 4% RHTCs**	Rehabilitation* 4% RHTCs**
35 Units or less	20% of Total Development Costs (excluding the developer fee, developer overhead, consultant fees, & the cost of the land), but not to exceed \$1,000,000	20% of Total Development Costs (excluding the developer fee, developer overhead, consultant fees, & the cost of the land), but not to exceed \$1,200,000	20% of Total Development Costs (excluding the developer fee, developer overhead, consultant fees, & the cost of the land), but not to exceed \$2,000,000	20% of Total Development Costs (excluding the developer fee, developer overhead, consultant fees, & the cost of the land), but not to exceed \$2,500,000
Over 35 Units	15% of Total Development Costs (excluding the developer fee, developer overhead, consultant fees, & the cost of the land) but not to exceed \$1,200,000	15% of Total Development Costs (excluding the developer fee, developer overhead, consultant fees, & the cost of the land) but not to exceed \$1,500,000	15% of Total Development Costs (excluding the developer fee, developer overhead, consultant fees, & the cost of the land) but not to exceed \$2,000,000	15% of Total Development Costs (excluding the developer fee, developer overhead, consultant fees, & the cost of the land) but not to exceed \$2,500,000

*At least 50% of the Development’s units must be rehabilitation of an existing building

**4% RHTCs associated with Developments financed with multi-family bond volume

The Authority will monitor both hard and soft costs of the Development compared to Developments of similar size and location and in its sole discretion reduce the total Developer Fee, which may reduce the amount of any RHTC allocation.

When determining the amount of Credit necessary to make a Development financially feasible, the Authority will include the deferred Developer Fee as a source of funding.

To be included in RHTC basis, deferred Developer Fee must be due and payable at a date certain. Fees may be paid as a cash flow loan if it can be demonstrated that the fee can and will be paid in a reasonable amount of time (generally considered to be eight (8) to fifteen (15) years). If fees are permanently contributed to the Development, they must be paid to the developer and then contributed to the Development if the fees are to be included in RHTC basis.

Additionally, at the time of initial Application, no more than 60% of the developer fee may be deferred for 9% RHTC Developments and no more than 80% of the developer fee may be deferred for bond volume 4% RHTC Developments. However, the Authority may, on a case by case basis with convincing documentation acceptable to the Authority and for the financial feasibility of the Development allow a larger percentage of the developer fee to be deferred.

Required Documentation: Applicant must include a statement describing the terms of the deferred repayment obligation to the Development including any interest rate charged and the source of repayment with the application. Nonprofit organizations shall include a resolution from the Board of Directors allowing such a deferred payment and interest obligation to the Development. The Authority will require a Deferred Development Fee Agreement, satisfactory to the Authority in its sole discretion evidencing the principal amount and terms of interest and repayment of any deferred repayment obligation be submitted at the time of final cost certification. Place this documentation in tab G.

c. Contractor Fee Limitations

Contractor fees ("Contractor Fees") shall also be limited, for purposes of determining the RHTC amount to be allocated, based on the amount of total costs incurred toward the construction or rehabilitation of the Development, excluding Developer and Contractor Fees. The Contractor Fee limitations are as follows:

Contractor Fees	Contractor Fee % Limitation
General Requirements	6% of Total Development Costs
General Overhead	2% of Total Development Costs
Builder's Profit	6% of Total Development Costs
Total	14 % of Total Development Costs

The Authority will permit savings in a particular Contractor Fee line item to offset overruns in other Contractor Fee line items; provided, however, that in any event the total Contractor Fees shall not exceed 14%.

No increase will be permitted higher than the above stated limitations.

4. Rental Housing Financing Returned by Applicant

If Authority funding (i.e. RHTC, HOME, Low-Income Housing Trust Fund, multifamily private activity tax-exempt bonds) previously reserved and/or allocated to a Development is returned to or rescinded by the Authority, ten (10) points will be deducted by the Authority from the total points otherwise scored on the next application submitted by the Applicant (or its principals) that meets Threshold Requirements. However, if the funding is returned within 90 days of the approval date, no points will be deducted from the Applicant's next application.

The Authority, in its sole and absolute discretion, shall have the right to grant a waiver from the foregoing points deduction for factors determined by the Authority to be outside of the developer's control. No such waiver will be granted unless on or before October 1 the Applicant furnishes the Authority with a written request for such waiver at the time the RHTCs are returned and/or rescinded specifying therein with specificity satisfactory to the Authority the reasons thereof. All requests for return of fees paid to the Authority for said Development will be denied.

5. Receipt of Rental Housing Financing

Applicant(s) receiving Rental Housing Financing must satisfy at time of Final Application all scoring criteria they received points for unless otherwise approved by the Authority in writing.

G. Evaluation Factors

The Authority has developed six (6) categories of criteria, based on the needs assessment conducted and the housing goals established by the Authority. If an Application satisfies all applicable requirements, then it will be evaluated and scored based on: (1) Rents Charged by the Development being 25 possible points; (2) the constituency served by the Development (i.e. special needs population) being 10 possible points; (3) Development characteristics being 35 possible points; (4) financing being 6 possible points; (5) market being 12 possible points; and (6) other being 12 possible points. Consequently, there are 100 possible points. Applicants seeking an RHTC allocation under Indiana's RHTC cap must score a total of forty (40) or more points under this Allocation Plan. Additionally, Applicants seeking Private Activity Tax Exempt Bonds, either in conjunction with 4% RHTCs or alone, must score a total of thirty (30) points or more. The Authority reserves the right not to allocate funding to a Development that scores ten (10) or more points less than the nearest Development receiving Rental Housing Financing. A written explanation will be made available to the general public for any funding of a housing credit dollar amount, which is not made in accordance with established priorities and selection criteria in this Allocation Plan.

1. Rents Charged

All Developments must meet the minimum set-aside requirement for Section 42 with election of the "40-60" or the "20-50" set-aside. In addition, the Authority will award points to those Developments that will target lower rents as follows:

a. Lower Rents Charged

If the Development intends to charge rents lower than the maximum allowable for the area median income (AMI) required by Section 42 of the Code and maintain rents for units at a level not to exceed the maximums as published in Appendix B and C, points will be awarded as follows:

<u>Percent of total units where rent is charged at or below the 30% AMI rent</u>	<u>Points</u>
5-10%	2
11%--+	5

Maximum Number of Points	5
---------------------------------	----------

<u>Percent of total units where rent is charged at or below the 40% AMI rent</u>	<u>Points</u>
15-20%	2
21%+	5

Maximum Number of Points	5
---------------------------------	----------

<u>Percent of total units where rent is charged at or below the 50% AMI rent</u>	<u>Points</u>
20-30%	2
31%-50%	5
51% or more	10

Maximum Number of Points	10
---------------------------------	-----------

Applicants will not be permitted to utilize the unit's set-aside at one AMI rent to also be awarded points for another AMI rent category unless all units are designated at one set-aside or additional units are set aside that exceed the maximum scoring requirement. i.e. If all units are designated at 30% AMI rent, maximum points in the 30%, 40%, and 50% AMI categories will be awarded. If all units are designated at 40% AMI rent, maximum points in the 40% and 50% AMI rent categories will be awarded. For example, if a 100 unit project sets aside 32 units (32%) at 30% AMI and 68 units (68%) at 50% AMI rent. The Development would score all points for 30% AMI rent, 40% AMI rent and 50% AMI rent since 11% of its units are 30% AMI rent and an additional 21% of its units were below the 40% AMI rent and over 51% of its units (68%) are at the 50% rent.

b. Market Rate Units

If the Development provides for a mixture of market-rate units (market rate units are those units that will not be reserved for Qualified Low Income Tenants) then points will be awarded in accordance as follows:

<u>Percent of Market-Rate Units</u>	<u>Points</u>
5-10%	2
11%+	5

Per Section 42(g)(7), scattered site Developments will not qualify to receive these points.

Maximum Number of Points	5
---------------------------------	----------

2. Constituency Served

a. Homeless Population

For purposes of this category “Homeless” is defined as an individual or family that, but for this housing, lacks a fixed, regular, and adequate nighttime residence; or an individual or family that has a primary nighttime residence that is: 1) a supervised publicly or privately operated shelter designed to provide temporary living accommodations (including welfare hotels, congregate shelters, and transitional housing for the mentally ill; 2) an institution that provides a temporary residence for individuals intended to be institutionalized; or 3) a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings. This term does not include any individual imprisoned or otherwise detained by an appropriate governmental authority.

Applicant has committed in writing to “Set Aside” a percentage of total units in the Development as permanent supportive housing for the homeless.¹ In some cases, supportive services may be needed to sustain permanence.

AND/OR

Applicant has committed in writing to “set aside” a percentage of total units in the Development as transitional housing for the homeless. Transitional housing is defined as housing which has the purpose of facilitating the movement of homeless individuals or families to independent living within a reasonable amount of time (usually 24 months).

Points will be awarded based on one (1) point for each percentage set aside up to a maximum of 5 points.

NOTE: Section 42 requires that a building not used primarily for the homeless must have a minimum six (6) month lease term.

Required Documentation: 1) the resume of the organization providing the supportive services (resume must demonstrate ability to provide services to the homeless population); **AND** 2) The Applicant and a qualified organization that provides and has the capacity to carry out services for the homeless must enter into an agreement (**signed by all parties**) acceptable to the Authority in its sole discretion whereby the Applicant agrees to: a) set aside a number of units for permanent supportive housing or transitional housing for the homeless; and b) notify the qualified organization when vacancies of the set aside units occur at the Development. The qualified organization must agree to: a) refer qualified households to the Development; and b) notify households of the vacancies of the set aside units at the Development.

b. Persons with Disabilities

Applicant has committed in writing to “set aside” a percentage of the total units in the Development to qualified tenants who meet the State definition of disabled as provided in IC 5-20-1-4.5 and must equip each unit to meet a particular person’s disability need at no cost to the tenant. Points will be awarded based on 1 point for every two (2) percentage points set-aside up to a maximum of 5 points. Therefore, points will be awarded as follows:

¹ The term “set aside” shall mean and require that units designated as “set aside” for a specific population may be used only for the identified population and for no other. If qualified tenants in the designated population are not available, the unit(s) must remain vacant. The Authority will not consider waiving or modifying any set-aside request until units have been placed in service and have been vacant even though reasonable marketing efforts have been made for a minimum of eighteen months.

2%-3.99% of units	1 Point
4% - 5.99% of units	2 Points
6% - 7.99% of units	3 Points
8%-9.99% of units	4 Points
10%+ of units	5 Points

Required Documentation: 1) the resume of the organization providing the services for persons with disabilities (resume must demonstrate ability to provide appropriate services to persons with disabilities); **AND** 2) The Applicant and a qualified organization that provides and has the capacity to carry out services for persons with disabilities must enter into an agreement (**signed by all parties**) acceptable to the Authority in its sole discretion whereby the owner agrees to: a) set aside a number of units for persons with disabilities; and b) notify the qualified organization when vacancies of the set aside units occur at the Development. The qualified organization must agree to: a) refer qualified households to the Development; and b) notify households of the vacancies of the set aside units at the Development.

d. Unit Size

As provided in the Rental Housing Finance Application the net square footage is defined for the purpose of this scoring criteria to be the total livable space within the interior walls of the unit (this excludes garages, balconies, exterior storage and Development common areas). Points will be awarded based on ALL of the proposed units that meet or exceed the minimum net square footage within a specific unit type.

See Schedule B for IHFA's Ownership Change procedures.

5) Development and/or Applicant/Owner Modifications

Modifications to the Development that affect Threshold Requirements, and/or scoring items in the Allocation Plan in any way without prior written approval from the Authority may result in a reduction and/or rescission of the Authority funding (including private activity tax-exempt bonds).

All documents requested shall be submitted to the Authority in a timely manner as defined by the Authority.

The entire Final Application and Final Cost Certification package to request IRS Form 8609 in a form acceptable to the Authority must be submitted as soon as possible after the Development has been placed in service but no later than six months following the issuance of the Certificate of Occupancy/Substantial Completion for the Development and/or the placed in service date of the last building in the Development. IHFA will then conduct a physical inspection of the property. All items from the physical inspection must be addressed before IHFA will issue IRS Form 8609. See Form L.
