

County Limits:

For counties that do not have applicable HERA limits, the county limit, based on the HUD Program limits, will be used. Additionally, if the tax credit projects received a tax credit allocation on or after January 1, 2009 and/or multifamily bond projects that received a Section 42(m) letter on or after January 1, 2009, the county limit will be used.

The HUD Program income limits used are the “30% of Median” limit for the 30% RHTC units and the “Very Low Income” limit for the 50% RHTC units. As you can see below, the “Very Low Income” limit is used to figure the 40% and 60% income limits.

In calculating the income limits, IHCDA used the following formulas:

“Very Low Income x .8 = 40% Income limit”

“Very Low Income x 1.2 = 60% Income limit”

No rounding was used when figuring the 40% and 60% limits since the initial HUD calculations of the “Very Low Income” limits are rounded.

Example:

*An Allen County development, Project B, placed the **first building** in service on February 1, 2009. The applicable income limits on May 3, 2009 are the County Limits.*

Implementation:

This information was published by HUD on March 19, 2009 and is now posted on IHCDA’s web site at http://ihcda.in.gov/developers_section42.aspx, under Appendix E of the 2009 Compliance Manual. Existing active developments should implement the 2009 Income and Rent Limits within 45 days of the HUD published date, **May 3, 2009**.

This information has been provided only for your convenience as a courtesy. However, it is the responsibility of the Developer/Owner, and not IHCDA, to verify its accuracy.

If you have any questions, please feel free to telephone us at (317) 232-7777. Jacob Sipe, Jeff Ivory, Danielle Moore, Matt Rayburn, or Anika Davis in the Multi-Family Housing Compliance Department, will be happy to assist you.
