Subject: Low Income Housing Tax Credit Program
Approval of the 2019-2020 Qualified Allocation Plan

Dear Mr. King:

In accordance with the recommendation of the Board of Directors of Kentucky Housing Corporation and pursuant to Section 42 (m)(1)(A)(i) of the Internal Revenue Code of 1986, as amended, I hereby approve the 2017-2018 State Qualified Allocation Plan for the Low Income Housing Tax Credit program.

Kentucky Housing Corporation, the duly authorized state housing credit agency in the Commonwealth of Kentucky, shall administer the federal Low-Income Housing Tax Credit program pursuant to the 2019-2020 Qualified Allocation Plan, effective with the date of this approval letter, through December 31, 2020, unless otherwise amended.

Sincerely,

A handwritten signature in black ink, appearing to read "Matthew G. Bevin".

Matthew G. Bevin
Governor

Introduction

Kentucky Housing Corporation (KHC) is the designated administrator of the federal Low-Income Housing Tax Credit (LIHTC) program, governed by Section 42 of the Internal Revenue Code of 1986, as amended (Code), and all Treasury regulations thereunder, for the Commonwealth of Kentucky.

KHC presented the draft Qualified Allocation Plan (QAP) for public review and comment at a public hearing on March 28, 2018 and accepted written comments through April 4, 2018. The announcement for the public hearing was published in accordance with the Kentucky open records law requirements, through KHC's eGram system, and KHC's website.

The purpose of this QAP is to provide only the amount of LIHTC necessary for the financial feasibility and viability of any project awarded LIHTC throughout the extended use period¹, while assuring the following:

1. an equitable distribution throughout the Commonwealth, providing a reasonable mix of affordable housing projects, both in number of units and populations served; and
2. opportunities to a variety of qualified sponsors, both nonprofit and for-profit.

Requirements of the QAP

The Code requires QAPs give preference to projects²:

- serving the lowest-income tenants
- obligated to serve qualified tenants for the longest periods
- located in qualified census tracts³ and the development of which contributes to a concerted community revitalization development plan

The Code also requires QAPs contain selection criteria considering the following⁴:

- project location
- housing needs characteristics
- project characteristics
- sponsor characteristics
- tenant populations with special housing needs
- tenant populations of individuals with children
- projects intended for tenant ownership
- public housing waiting lists
- energy efficiency
- historic properties

¹ 26 USC 42(h)(6)(D)

² 26 USC 42(m)(1)(B)(ii)

³ 26 USC 42(m)(1)(B)(ii)

⁴ 26 USC 42(m)(1)(C)

In addition to the above, KHC has established selection criteria reflecting the housing needs and trends of the Commonwealth.

Program Administration

As the administrator of the LIHTC program and other state and federal funding programs, KHC must make decisions and interpretations, including without limitation:

- an application being eligible,
- scoring criteria,
- the amount of resources to award, and
- imposing conditions beyond those generally applicable.

KHC is entitled to the full discretion allowed by law in making all such decisions and interpretations. KHC also reserves the right to resolve, in its sole discretion, any conflicts or inconsistencies in the QAP and other documents governing KHC's administration of the LIHTC program.

KHC must comply with applicable federal and state regulatory and programmatic requirements of all resources administered and may make changes as new or updated guidance or requirements become available.

Applicants should contact their tax accountant and/or attorney prior to submitting any application for resources administered by KHC. While KHC may respond to requests for technical assistance, applicants may not rely on KHC for legal or tax advice.

KHC's decision to allocate LIHTC and/or other resources to a project in no way warrants or represents to any sponsor, investor, lender, or other person or entity that a project is viable. KHC makes no representations to the owner or anyone else regarding adherence to the Code, Treasury Regulations, or any other laws or regulations governing the LIHTC program. No member, officer, agent or employee of KHC shall be held personally liable concerning any matters arising out of, or in relation to, the allocation of LIHTC.

KHC may share any project-related information, including the application, attachments, technical submission documents, and other pertinent materials with other funders participating in the project throughout the life of the project.

This QAP is effective for allocations of LIHTC made on or after December 31, 2018. KHC reserves the right to amend the QAP. By applying for LIHTC pursuant to this QAP, the applicant waives any and all rights to a qualified contract process with respect to the project to which the application pertains.

Fair Housing

KHC administers a variety of federal programs and is required to affirmatively further the purposes and policies of the Fair Housing Act, which not only prohibits discrimination but directs KHC to take steps to proactively overcome historic patterns of segregation, promote fair housing choice, and foster inclusive communities for all. KHC may determine an application for LIHTC would have one or more disparate impacts in violation of federal law.

Distribution of Housing Credit

The distribution of Housing Credit is provided in **Exhibit A**.

The LIHTC will be awarded to the highest scoring projects from a single pool in the following order: nonprofit supportive housing, preservation/existing supply, new construction/new supply, and innovation. Historic adaptive re-use projects will be funded out of the new construction/new supply pool. KHC must ensure the nonprofit set-aside requirements⁵ have been met for the combined allocations of 2019 and 2020 LIHTC. KHC may fund a lower scoring nonprofit project if necessary to meet the nonprofit set-aside requirements.

KHC will aggregate the remaining unallocated LIHTC from the pools and will make awards based on the following criteria:

1. Projects located in congressional districts that have not received an award, and/or
2. Pools requiring the least amount of additional LIHTC to fully fund the next project.

KHC will establish a waiting list for projects that do not receive a reservation of LIHTC due to the limited amount of available resources. LIHTC that becomes available via returned awards/allocations or from the National Pool may be allocated to the projects on the waiting list.

Application Scoring

Scoring criteria are in the project score sheet, which is incorporated by reference and located in **Exhibit B**.

An application must earn a minimum of 60 percent of the possible points to be eligible.

Ties in scoring will be resolved based upon the pool-specific tiebreaker criteria.

Scoring elements for all projects include:

- Public Housing Preference and Notification
- Veteran Housing Preference
- Nonprofit and Disadvantaged Business Participation

Additionally, points may be deducted from applications where past performance issues were identified by KHC on the capacity scorecard or KHC determined that an item was omitted from the application submission.

KHC will evaluate the innovation pool separately without using points. First KHC will determine whether there are enough potential applications to hold a round after the making awards in other pools. If so, only regular cycle submissions will be eligible to request consideration. KHC will

⁵ 26 USC 42(h)(5)

determine which proposals are models for others, meet a unique need, are time-sensitive, or have some other characteristic meriting an award despite not earning the requisite points.

Compliance Monitoring

KHC has adopted compliance monitoring procedures in accordance with IRC Section 42. These procedures include:

1. The record keeping and record retention provisions of Treas. Reg. 1.42-5(b).
2. The owner's annual certification requirement of Treas. Reg. 1.42-5(c)(1).
3. The on-site review of certifications and support documentation for at least 20 percent of the low-income units in each property at least once every three years in accordance with Treas. Reg. 1.42-5(c).
4. The on-site inspection provision of Treas. Reg. 1.42-5(d).
5. The notification of noncompliance provisions of Treas. Reg. 1.42-5(e), whereby notice is made to owners and the IRS regarding events of noncompliance.
6. The established programs of the projects serving special needs will be monitored on an ongoing basis to determine accordance with the original proposal. Homeless special needs groups will be expected to document program outcomes and results.

The compliance monitoring procedure applies to all projects that receive or have received an allocation of Housing Credit and will continue throughout the 15-year compliance period. During the extended use period, KHC's Compliance Department has established procedures with reduced fees for monitoring payments. Please refer to the compliance monitoring requirements after 15 years in the Compliance Guide on KHC's website.

EXHIBIT A

Distribution of Housing Credit

Projects will be determined to be urban or rural based upon the definitions established by USDA Rural Development.

I. Nonprofit Supportive Housing	9% (approximately \$1,000,000)*
II. Preservation/Existing Supply 38% Urban Preservation 62% Rural Preservation	35% (approximately \$3,750,000)*
III. New Construction/New Supply** 64% Urban New Construction 36% Rural New Construction	42% (approximately \$4,500,000)*
IV. Maximizing Outcomes	0.5% (approximately \$29,000)*
V. Innovation	14% (approximately \$1,500,000)*
Total	\$10,779,000
<i>Beecher Terrace***</i>	<i>\$1,200,000</i>

* The percent is of the total available to allocate in each calendar year.

** Includes \$750,000 made first available to urban historic adaptive re-use projects and \$500,000 to rural historic adaptive re-use projects.

*** Due to the size of the set-aside for the Louisville Housing Authority's Choice Neighborhood project, any additional allocations for projects located in Jefferson County for 2019 and 2020 will be limited to \$800,000 of Housing Credit across all pools except the Innovation pool.

- a) the most recent restrictive covenant of record which restricts the use of the property to affordable rental housing, **OR**
- b) a letter from the provider of an existing project-based rental assistance contract (i.e., HUD or RD).

The number of years since the last substantial rehabilitation will be determined based upon the effective date of such restrictive covenant as of the application due date, or the date identified in the letter from the rental assistance provider. A copy of a full title exam evidencing the restrictive covenant is the most recent of record must be provided. A maximum of **8 points** will be awarded based on a sliding scale, as follows:

20 - 23 years since restrictive covenant	2 points
24 - 27 years since restrictive covenant	4 points
28 - 30 years since restrictive covenant	6 points

4. **Financially Troubled Asset(s).** Developments in which a financially troubled asset will be acquired by an applicant with no Identity of Interest to the seller who will serve as the owner/manager for the entire 15-year compliance period will receive **10 points**. If the applicant will pursue a related-party transfer, and the property still is deemed as financially troubled, the current management company must have a KHC asset management risk score of "Pass" or "Pass/Watch," on 70% or more of their properties to support satisfactory management standards. Applicants must contact KHC by email at multifamily@kyhousing.org to obtain their risk score.

The applicant must submit financial statements for the past three (3) years AND a narrative describing the troubled asset and those steps which will be taken to put the asset back into productive use. Projects subject to the Single Audit Act must provide audited financials. These documents must demonstrate that the project's current net operating income and reserves are insufficient to sustain operations beyond 1-4 additional years. Applicant must demonstrate a 5 year or longer track record of good ownership and/or management of Low Income Housing Tax Credit developments. Project performance and owner/manager track record will be verified by KHC staff. Properties recently acquired by the applicant will be eligible for these points, provided the property was not acquired more than six (6) months prior to the application submission date. Documentation must be provided to evidence the acquisition date.

1. Strategic Investment. Applicants that provide proof of a direct contribution from businesses or non-governmental entities (e.g. hospital, employers, universities) toward the hard costs of the development (bricks and mortar) will receive **3 points**. Contributions can be **donated cash or materials only** and must be included in the underwriting model. The total of all contributions must be valued at ≥ \$25,000 for rural projects and ≥ \$50,000 for urban projects and come from a non-affiliated organization/company. All contributions must be evidenced by a letter from the donating entity stating the type and value of the contribution. The spirit of this scoring item is to incentivize investment by the local business community.

- ✓ Structure all units as lease-purchase.
- ✓ Submit a plan for tenant ownership acceptable to KHC. The plan must have a viable homeownership strategy for residents who lease the units. The plan must detail the applicant's exit strategy and calculation of equity that will transfer to the tenant/buyer.
- ✓ Have secured ownership of all project sites (long-term leases are not acceptable).
- ✓ Have the need for lease-purchase units included as part of a local jurisdiction's overall plan for revitalization, community development, and/or economic development. The plan must have been created or updated within the last 5 years, and:

- a.) be geographically specific;
- b.) outline clear implementation and goals for outcomes;
- c.) include a strategy to secure commitments to support non-housing infrastructure, amenities, and services; and
- d.) demonstrate the need for community revitalization.

In addition to providing Fair Housing, Building Code, or UFAS required accessible dwellings, to receive points for this item, the applicant must provide five of the following features in the design of all other dwelling units. Design features selected from this list must be shown in the final plans and specifications submitted at technical submission stage, otherwise the project is subject to re-scoring and possible recapture of any KHC's resources awarded. Mark each design feature pledged with an "X" in the designated space below.

1. Lever hardware on inside and outside of all doors (including interior).	
2. One 30-inch-wide workspace kitchen counter, no more than 34 inches from the floor, located anywhere in the kitchen counter scheme. This 34-inch-high counter section must have removable cabinetry or, a cabinet with retractable doors, no center stile, and removable floor allowing for forward roll-under wheelchair access. The floor finish under this section must be complete prior to installation of cabinetry. Clear space for a wheelchair side/parallel approach centered on the work surface must also be provided.	
3. All kitchen and vanity cabinets provided with lever-shaped handles or standard U-shaped pulls, on all drawers and cabinet doors. Bathroom medicine cabinets, above a sink, are not included.	
4. Either (a) A 30-inch-wide combination range/oven appliance with front controls. The range must be flush with the countertop so items being pulled off the range can smoothly transition to the countertop. Clear space for a wheelchair side/parallel approach centered on the range must also be provided. Or (b) a, 30-inch-wide, wall oven, with clear space for a wheelchair side/parallel approach and a separate 30-inch wide, front controlled, in-counter cooktop. The cooktop must be able to be used by a person in a forward seated position. A 30-inch-wide by 27-inch-high knee space with finished interior cabinet faces and protection from hot surfaces must be provided. The base cabinet under the cooktop must have a removable cabinet or a cabinet with retractable doors, no center stile, and removable floor. The floor and wall under this section must be finished prior to installation of cabinetry.	
5. A minimum clear floor space of 56" by 60" provided at every toilet with blocking in walls for future, parallel and perpendicular, grab bar mounting.	
6. Bathroom lavatory with removable base cabinet, pedestal style sink, or wall hung sink that accommodates a forward seated position from a wheelchair. The floor and wall under removable cabinetry must be finished prior to installation of cabinetry. Protection from hot and abrasive hazards is required for all lavatories, sinks, and under removable cabinetry.	
7. All flooring extends wall-to-wall so that it runs under the cabinets and appliances.	

10. Access to Health Care. Access to health care services include ONLY the following facilities: general health care practitioner's office or walk-in clinic (not specialists), or hospital. **Distance is measured in radius and must be recognized in the market study.** Access to one facility will be eligible for **5 points**. **Applicant must identify applicable page(s) in market study.**

Scoring Elements for URBAN New Supply/Construction Projects

- 11. Located in a QCT with a formally adopted plan for a defined target area where other investments have/will occur (URBAN ONLY).** Projects located in a target area for which the local jurisdiction has formally recognized and/or adopted a plan for revitalization, community development, and/or economic development AND the plan was created or updated within the past 5 years will receive **3 points**. The plan must demonstrate the need for new multifamily units in a QCT and:
- be geographically specific;
 - outline clear implementation and goals for outcomes;
 - include a strategy to secure commitments to support non-housing infrastructure, amenities, and services; and
 - demonstrate the need for community revitalization.

Tiebreakers: NONPROFIT SUPPORTIVE HOUSING

Projects will be ranked by the following criteria in the order listed below. Please see the detailed descriptions of each tiebreaker that follow on this worksheet.

1. Continuum of Care Priority
2. Capacity Scorecard
3. KHC's aim to Serve a Range of Special Populations Across Kentucky
4. Greatest percentage of Project-Based Rental Assistance
5. Deeper Income Targeting
6. Project with the least aggregate ownership/development team involvement across all applications in the funding round

Detail on the Tiebreakers for this Pool:

1. **Continuum of Care Prioritization.** Projects identified as the highest priority by the applicable Continuum of Care (CoC) by means of a letter. *AFTER applications are submitted, KHC will ask the Louisville CoC and Lexington CoC to prioritize one project in their service areas, and the Balance of State CoC will be asked to prioritize two projects in the BoS service area.*

Applicable Continuum of Care:		Priority Received from CoC?	
-------------------------------	--	-----------------------------	--

2. **Capacity Scorecard.** Applicants who have past performance issues identified by KHC on the Capacity Scorecard will have POINTS DEDUCTED from their score equal to the sum of the deductions on the scorecard.

Self Score	Review Score	Final Score

3. **KHC's aim to Serve a Range of Special Populations Across Kentucky.** KHC will endeavor to distribute funding to worthy projects in a way that is not concentrated in any one jurisdiction. KHC also aims to serve a range of special populations (homeless, adults with disabilities, persons with drug/alcohol dependency, foster children exiting the foster care system, domestic violence survivors, veterans, and the Olmstead population).

4. Project-Based Rental Assistance. Projects with the greatest percentage of project-based rental assistance.

Total Units	0	% Assisted
Rental-Assisted Units	0	0.0%
Source of Rental Assistance		

5. Deeper Income Targeting - Rent Restrictions. Projects agreeing to set income limits at 30% AMI and gross rents at or below the 30% rent limit. Rental-assisted units set aside for households earning \leq 30% AMI will meet this tiebreaker requirement.

Total Units	0	% \leq 30% AMI
Units designated for 30% AMI		0.0%

6. Project with the least aggregate ownership/development team involvement across all applications in the funding round.
