If the decedent is a nonresident, such executor or administrator shall not be required to file a return listing such gross earnings.

A return listing the gross earnings of persons, companies or corporations which are taxable pursuant to this act, whose assets are in the hands of receivers shall be filed by such receivers and a return listing the gross earnings belonging to a corporation, and subject to this act, shall be filed by some person designated for that purpose by such corporation.

A return listing the gross earnings which are taxable pursuant to this act which belong to a corporation, association or a partnership shall be listed by an agent or partner. Unless subject to tax by reason of K.S.A. 12-1,103, *and amendments thereto*, no return listing the gross earnings from money, notes and other evidence of debt collected or received by any agent or representative of any person, company, or corporation, which is to be transmitted immediately to such person, company or corporation, shall be filed by such agent or representative, but such agent or representative ~~shall~~, upon request, *shall* state under oath the amount of such money or credits and ~~to whom the same has~~ *the person, company or corporation to whom such money or credits have* been or is to be transmitted.

Taxes levied pursuant to this act shall be paid by the person or fiduciary required to file such return.

Sec. 7. K.S.A. 2009 Supp. 79-2971 is hereby amended to read as follows: 79-2971. (a) Any individual who is responsible for collection or payment of excise taxes imposed under the provisions of K.S.A. 12-1692 et seq., 12-1696 et seq., 41-501 et seq., 79-3301 et seq., 79-3370 et seq., 79-3401 et seq., 79-3490 et seq., 79-34,108 et seq., 79-3817 et seq., 79-4101 et seq. or 79-41a01, and amendments thereto, or for control, receipt, custody or disposal of funds due and owing under such acts who willfully fails to collect such tax, or account for and pay over such tax, or attempts in any manner to evade or defeat such tax or the payment thereof shall be personally liable for the total amount of the tax evaded, or not collected, or not accounted for and paid over, together with any interest and penalty imposed thereon. The provisions of this section shall apply regardless of the: (1) Relationship with the taxpayer held by such individual;

(2) form under which the taxpayer conducts business, whether a sole proprietorship, partnership or corporation; or (3) dissolution of the business. *As used in this section, “willfully” has the same meaning as such term has for federal tax purposes in 26 U.S.C. 6672.*

(b) A notice of assessment issued to a responsible individual shall be considered to be a proceeding for the collection of the tax liability of the business. If the liability of the business is determined in a proceeding that has become final, any notice of assessment to a responsible individual must be issued within three years after the proceeding against the business became final.

(c) Within 60 days after the mailing of a notice of assessment to a responsible individual, the person assessed may request an informal conference with the secretary of revenue under K.S.A. 79-3226, and amendments thereto, for a determination of whether such person is a responsible individual under subsection (a), and for a determination of the tax liability of the business.

(d) If a notice of assessment and a warrant are issued to a responsible individual pursuant to a jeopardy provision of chapter 79 of the Kansas Statutes Annotated, the person assessed may request that the informal conference held pursuant to subsection (c) be expedited. When such a request is made, the secretary shall schedule the conference to be held within 21 days after receipt of the request and shall issue a written final determination within 21 days after the close of the conference.

Sec. 8. K.S.A. 2009 Supp. 79-3298 is hereby amended to read as follows: 79-3298. (a) Every employer, payer, person or organization deducting and withholding tax shall remit the taxes and file returns in accordance with the following provisions:

(1) Whenever the total amount withheld exceeds \$100,000 in any calendar year, the employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld in accordance with the following schedule: Each calendar month shall be divided into four remittance periods that end on the 7th, 15th, 21st and the last day of such month. If at the end of any one or all of such remittance periods the total undeposited taxes equal or exceed \$667, the taxes shall be remitted within three banking days. Saturdays, Sundays and legal holidays shall not be treated as banking days.

(2) Whenever the total amount withheld exceeds \$8,000 but does not exceed \$100,000 in any calendar year, the employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld for wages paid during the first 15 days of any month on or before the 25th day of the month. The employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld for wages paid during the remainder of that month on or before the 10th day of the following month.

(3) Whenever the total amount withheld exceeds \$1,200 but does not exceed \$8,000 in any calendar year, the employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld during any month on or before the 15th day of the following month.

(4) Whenever the total amount withheld exceeds \$200 but does not exceed \$1,200 in any calendar year, the employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld in any calendar quarter on or before the 25th day of the first month following the end of that calendar quarter.

(5) Whenever the total amount withheld does not exceed \$200 in any calendar year, the employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld during that year on or before January 25 of the following year.

(b) Each remittance required under the provisions of subsection (a) shall be accompanied by a Kansas withholding tax remittance form *and shall be filed in the manner* prescribed ~~and furnished~~ by the director, *including electronic filing.*

(c) Every employer, payer, person or organization deducting and withholding tax and making remittances pursuant to subsection (a) shall file a return on a form *or in the format and shall file in the manner* prescribed ~~and furnished~~ by the director, *including electronic filing*, for each calendar year on or before the last day of February of the following year.

(d) The excess of any remittance over the actual taxes withheld in any withholding period shall be credited against the liability for following withholding periods until exhausted. A refund shall be allowed in accordance with K.S.A. 79-32,105, and amendments thereto, where an overpayment cannot be adjusted by an offset against the liability for a subsequent withholding period.

(e) For purposes of determining filing requirements, determinations of amounts withheld during a calendar year by employers, payers, persons or organizations deducting and withholding tax shall be made by the director upon the basis of amounts withheld by those employers, payers, persons or organizations during the preceding calendar year or by estimates in cases of employers, payers, persons or organizations having no previous withholding histories. The director is hereby authorized to modify the filing schedule for any employer, payer, person or organization deducting and withholding tax when it is apparent that the original determination was inaccurate.

(f) Whenever the director has cause to believe that money withheld by an employer, payer, person or organization deducting and withholding tax pursuant to this act may be converted, diverted, lost, or otherwise not timely paid in accordance with this section, the director shall have the power to require returns and payment from any such employer, payer, person or organization at any time at more frequent intervals than prescribed by this section in order to secure full payment to the state of all amounts withheld by such employer, payer, person or organization in accordance with this act.

Sec. 9. K.S.A. 2009 Supp. 79-32,100c is hereby amended to read as follows: 79-32,100c. (a) If an employer, payer, person or organization deducting and withholding tax fails to deduct and withhold the tax as required under this act, and thereafter, the income tax against which the tax may be credited is paid, the tax required to be deducted and withheld shall not be collected from the employer, payer, person or organization. The payment of such tax does not, however, operate to relieve the employer, payer, person or organization from liability for penalties, interest or additions to the tax applicable with respect to such failure to deduct and withhold. The employer, payer, person or organization shall not be relieved under this provision from liability for payment of the tax required to be withheld unless it can be shown that the income tax against which the tax required to be withheld under this act may be credited has been paid.

(b) Every agent or other person having control, receipt, custody or disposal of, or paying the wages of an employee or group of employees employed by one or more employers, is for the purpose of this act designated to be an employer. In the case of the corporation, the officers and board of directors are likewise considered employers. Employers of classes named in this section shall be subject to all the provisions of law including penalties as is their principal. Any employer who willfully fails to collect the tax imposed by the Kansas withholding tax act or truthfully account for any pay over such tax, or willfully attempts in any manner to evade or defeat any tax or the payment thereof, shall be subject to a penalty equal to the total amount of the tax evaded, or not collected, or not accounted for and paid over in addition to other penalties provided by law. *As used in this section, "willfully" has the same meaning as such term has for federal tax purposes in 26 U.S.C. 6672.*

Sec. 10. K.S.A. 79-32,107 is hereby amended to read as follows: 79-32,107. (a) All penalties and interest prescribed by K.S.A. 79-3228, and amendments thereto, for noncompliance with the income tax laws of Kansas shall be applicable for noncompliance with the provisions of the Kansas withholding and declaration of estimated tax act relating to withholding tax which shall be enforced in the same manner as the Kansas income tax act. A penalty at the same rate per annum prescribed by subsection (b) of K.S.A. 79-2968, and amendments thereto, for interest upon delinquent or unpaid taxes shall be applied and added to a taxpayer's amount of underpayment of estimated tax due from the date the estimated tax payment was due until the same is paid or until the 15th day of the fourth month following the close of the taxable year for which such estimated tax is a credit, whichever date is earlier, but such penalty shall not be added if the total amount thereof does not exceed \$1. For purposes of

this subsection, the amount of underpayment of estimated tax shall be the excess of the amount of the installment which would be required to be paid if the estimated tax were equal to 90% of the tax shown on the return for the taxable year or, if no return was filed, 90% of the tax for such year, over the amount, if any, of the installment paid on or before the last date prescribed for payment. Amounts due from any employer on account of withholding or from any taxpayer for estimated tax may be collected by the director in the manner provided for the collection of state income tax in K.S.A. 79-3235, and amendments thereto. For purposes of this subsection, “underpayment of tax” means the difference between the amount of tax actually paid and the amount of tax which would have been required to be paid to avoid penalty pursuant to subsection (b) or (c).

(b) No penalty or interest shall be imposed upon any individual with respect to any underpayment of any installment if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of such installment equals or exceeds the amount which would have been required to be paid on or before such date if the estimated tax were whichever of the following is the least:

(1) The tax shown on the return of the individual for the preceding taxable year, if a return showing a liability for tax was filed by the individual for the preceding taxable year;

(2) zero if no return was required to be filed or if the tax liability on the individual’s return was less than \$200 for the preceding taxable year;

(3) an amount equal to 66  $\frac{2}{3}$ %, in the case of individuals referred to in subsection (b) of K.S.A. 79-32,102, and amendments thereto, and 90%, in the case of all other individuals, of the tax for the taxable year computed by placing on an annualized basis, pursuant to rules and regulations adopted by the secretary of revenue, the taxable income for the months in the taxable year ending before the month in which the installment is required to be made.

(c) No penalty or interest shall be imposed upon any corporation with respect to any underpayment of any installment of estimated tax if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of such installment equals or exceeds the amount which would have been required to be paid on or before such date if the estimated tax were whichever of the following is the least:

(1) The tax shown on the return of the corporation for the preceding taxable year, if a return showing a liability for tax was filed by the corporation for the preceding taxable year, or zero if no return was required to be filed, or if the tax liability on the corporation’s return was less than \$500 for the preceding taxable year; or

(2) (A) an amount equal to 90% of the tax for the taxable year computed by placing on an annualized basis the taxable income: (i) For the first three months of the taxable year, in the case of the installment required to be paid in the fourth month; (ii) for the first three months or for the first five months of the taxable year, in the case of the installment required to be paid in the sixth month; (iii) for the first six months or for the first eight months of the taxable year in the case of the installment required to be paid in the ninth month; and (iv) for the first nine months or for the first 11 months of the taxable year, in the case of the installment required to be paid in the 12th month of the taxable year.

(B) For purposes of this subsection (2), the taxable income shall be placed on an annualized basis by (i) multiplying by 12 the taxable income referred to in subsection (2)(A), and (ii) dividing the resulting amount by the number of months in the taxable year (three, five, six, eight, nine, or 11, as the case may be) referred to in subsection (2)(A).

(d) If the employer, in violation of the provisions of this act, fails to deduct and withhold under this chapter, and thereafter the tax against which such withholding may be credited is paid, the amount otherwise required to be deducted and withheld shall not be collected from the employer, ~~but~~. This subsection shall in no case relieve the employer from liability for any penalties or additions to the tax otherwise applicable in respect of such failure to deduct and withhold.

(e) Any person required to collect, truthfully account for, and pay over any tax imposed by this act, who willfully fails to collect such tax, or truthfully account for and pay over such tax, or willfully attempts in any manner to evade or defeat any such tax or the payment thereof, shall in

addition to the other penalties of this section be liable to a penalty equal to the total amount of the tax evaded, or not collected, or not accounted for and paid over. *As used in this section, “willfully” has the same meaning as such term has for federal tax purposes in 26 U.S.C. 6672.*

(f) In case of failure by any employer required by subsection (b) of K.S.A. 79-3298, and amendments thereto, to remit any amount of withheld taxes by the date prescribed therefor, unless it is shown that such failure is due to reasonable cause and not due to willful neglect, there shall be imposed upon such person a penalty of 15% of the amount of the underpayment. For purposes of this subsection, the term “underpayment” means the excess of the amount of the tax required to be withheld and remitted over the amount, if any, remitted on or before the date prescribed therefor. The failure to remit for any withholding period shall be deemed not to continue beyond the last date prescribed for filing the annual return as required by subsection (d) of K.S.A. 79-3298, and amendments thereto. Penalty and interest as prescribed by K.S.A. 79-3228, and amendments thereto, shall not begin to accrue under subsection (a) of this section on the amount of any such underpayment until the due date of the annual return for the calendar year in which such failure to remit occurs.

(g) Whenever the secretary or the secretary’s designee determines that the failure of the taxpayer to comply with the provisions of subsections (a), (e), or (f) of this section was due to reasonable causes, the secretary or the secretary’s designee may waive or reduce any of said penalties and may reduce the interest rate to the underpayment rate prescribed and determined for the applicable period under section 6621 of the federal internal revenue code as in effect on January 1, 1994, upon making a record of the reasons therefor.

Sec. 11. K.S.A. 2009 Supp. 79-3607 is hereby amended to read as follows: 79-3607. (a) Retailers shall make returns to the director at the times prescribed by this section *in the manner prescribed by the director, including electronic filing*, upon forms *or format* prescribed ~~and furnished~~ by the director stating: (1) The name and address of the retailer; (2) the total amount of gross sales of all tangible personal property and taxable services rendered by the retailer during the period for which the return is made; (3) the total amount received during the period for which the return is made on charge and time sales of tangible personal property made and taxable services rendered prior to the period for which the return is made; (4) deductions allowed by law from such total amount of gross sales and from total amount received during the period for which the return is made on such charge and time sales; (5) receipts during the period for which the return is made from the total amount of sales of tangible personal property and taxable services rendered during such period in the course of such business, after deductions allowed by law have been made; (6) receipts during the period for which the return is made from charge and time sales of tangible personal property made and taxable services rendered prior to such period in the course of such business, after deductions allowed by law have been made; (7) gross receipts during the period for which the return is made from sales of tangible personal property and taxable services rendered in the course of such business upon the basis of which the tax is imposed. The return shall include such other pertinent information as the director may require. In making such return, the retailer shall determine the market value of any consideration, other than money, received in connection with the sale of any tangible personal property in the course of the business and shall include such value in the return. Such value shall be subject to review and revision by the director as hereinafter provided. Refunds made by the retailer during the period for which the return is made on account of tangible personal property returned to the retailer shall be allowed as a deduction under subdivision (4) of this section in case the retailer has theretofore included the receipts from such sale in a return made by such retailer and paid taxes therein imposed by this act. The retailer shall, at the time of making such return, pay to the director the amount of tax herein imposed, except as otherwise provided in this section. The director may extend the time for making returns and paying the tax required by this act for any period not to exceed 60 days under such rules and regulations as the secretary of revenue may prescribe. When the total tax for which any retailer is

liable under this act, does not exceed the sum of \$80 in any calendar year, the retailer shall file an annual return on or before January 25 of the following year. When the total tax liability does not exceed \$3,200 in any calendar year, the retailer shall file returns quarterly on or before the 25th day of the month following the end of each calendar quarter. When the total tax liability exceeds \$3,200 in any calendar year, the retailer shall file a return for each month on or before the 25th day of the following month. When the total tax liability exceeds \$32,000 in any calendar year, the retailer shall be required to pay the sales tax liability for the first 15 days of each month to the director on or before the 25th day of that month. Any such payment shall accompany the return filed for the preceding month. A retailer will be considered to have complied with the requirements to pay the first 15 days' liability for any month if, on or before the 25th day of that month, the retailer paid 90% of the liability for that fifteen-day period, or 50% of such retailer's liability in the immediate preceding calendar year for the same month as the month in which the fifteen-day period occurs computed at the rate applicable in the month in which the fifteen-day period occurs, and, in either case, paid any underpayment with the payment required on or before the 25th day of the following month. Such retailers shall pay their sales tax liabilities for the remainder of each such month at the time of filing the return for such month. Determinations of amounts of liability in a calendar year for purposes of determining filing requirements shall be made by the director upon the basis of amounts of liability by those retailers during the preceding calendar year or by estimates in cases of retailers having no previous sales tax histories. The director is hereby authorized to modify the filing schedule for any retailer when it is apparent that the original determination was inaccurate.

(b) All model 1, model 2 and model 3 sellers are required to file returns electronically. Any model 1, model 2 or model 3 seller may submit its sales and use tax returns in a simplified format approved by the director. Any seller that is registered under the agreement, which does not have a legal requirement to register in this state, and is not a model 1, model 2 or model 3 seller, may submit its sales and use tax returns as follows: (1) Upon registration, the director shall provide to the seller the returns required;

(2) seller shall file a return anytime within one year of the month of initial registration, and future returns are required on an annual basis in succeeding years; and

(3) in addition to the returns required in subsection (b)(2), sellers are required to submit returns in the month following any month in which they have accumulated state and local sales tax funds for this state in the amount of \$1,600 or more.

Sec. 12. K.S.A. 2009 Supp. 79-3609 is hereby amended to read as follows: 79-3609. (a) Every person engaged in the business of selling tangible personal property at retail or furnishing services taxable in this state, shall keep records and books of all such sales, together with invoices, bills of lading, sales records, copies of bills of sale and other pertinent papers and documents. Such books and records and other papers and documents shall, at all times during business hours of the day, be available for and subject to inspection by the director, or the director's duly authorized agents and employees, for a period of three years from the last day of the calendar year or of the fiscal year of the retailer, whichever comes later, to which the records pertain. Such records shall be preserved during the entire period during which they are subject to inspection by the director, unless the director in writing previously authorizes their disposal. Any person selling tangible personal property or furnishing taxable services shall be prohibited from asserting that any sales are exempt from taxation unless the retailer has in the retailer's possession a properly executed exemption certificate provided by the consumer claiming the exemption, except as follows: (1) A retailer is relieved of liability for tax otherwise applicable if the retailer obtains a fully completed exemption certificate or captures the relevant data elements required by the director within 90 days subsequent to the date of the sale; or (2) if the retailer has not obtained an exemption certificate or all relevant data elements, the retailer, within 120 days subsequent to a request for substantiation by the director, either may prove that the transaction was not subject to tax by

~~other means or~~ obtain a fully completed exemption certificate from the purchaser, taken in good faith *which meets the requirements specified in this subsection, or obtain other information establishing that the transaction was not subject to tax.* Otherwise, the sales shall be deemed to be taxable sales under this act. *The seller shall obtain an exemption certificate that claims an exemption that was authorized pursuant to Kansas law on the date of the transaction in the jurisdiction where the transaction is sourced pursuant to law, could be applicable to the item being purchased and is reasonable for the purchaser's type of business. If the seller obtains an exemption certificate or other information as described in this subsection, the seller is relieved of any liability for the tax on the transaction unless it is discovered through the audit process that the seller had knowledge or had reason to know at the time such information was provided that the information relating to the exemption claimed was materially false or the seller otherwise knowingly participated in activity intended to purposefully evade the tax that is properly due on the transaction, and it must be established that the seller had knowledge or had reason to know at the time the information was provided that the information was materially false.*

(b) The amount of tax imposed by this act is to be assessed within three years after the return is filed, and no proceedings in court for the collection of such taxes shall be begun after the expiration of such period. In the case of a false or fraudulent return with intent to evade tax, the tax may be assessed or a proceeding in court for collection of such tax may be begun at any time, within two years from the discovery of such fraud. No assessment shall be made for any period preceding the date of registration of the retailer by more than three years except in cases of fraud. For any refund or credit claim filed after June 15, 2009, no refund or credit shall be allowed by the director after one year from the due date of the return for the reporting period as provided by K.S.A. 79-3607, and amendments thereto, unless before the expiration of such period a claim therefor is filed by the taxpayer, and, except as otherwise provided in K.S.A. 2009 Supp. 79-3694, and amendments thereto, no suit or action to recover on any claim for refund shall be commenced until after the expiration of six months from the date of filing such claim satisfying the requirements specified by K.S.A. 2009 Supp. 79-3693, and amendments thereto, therefor with the director. A refund claim shall not be deemed filed unless such claim is complete as required by K.S.A. 2009 Supp. 79-3693, and amendments thereto. For all mailed returns, including refund claims, each return or refund claim shall be presumed to have been filed with the department on the postmark date of such return or refund claim or if such date is illegible, the date three days prior to the date such return or refund claim is received.

(c) Before the expiration of time prescribed in this section for the assessment of additional tax or the filing of a claim for refund, the director is hereby authorized to enter into an agreement in writing with the taxpayer consenting to the extension of the periods of limitations for the assessment of tax or for the filing of a claim for refund, at any time prior to the expiration of the period of limitations. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon. In consideration of such agreement or agreements, interest due in excess of 48 months on any additional tax shall be waived.

(d) Interest at the rate prescribed by K.S.A. 79-2968, and amendments thereto, shall be allowed on any overpayment of tax computed from the filing date of the return claiming the refund, except that no interest shall be allowed on any such refund if the same is paid within 120 days after the filing date of the return claiming the refund or the date of payment, whichever is later, provided that such return or refund claim satisfies the requirements specified by K.S.A. 2009 Supp. 79-3693, and amendments thereto, at the time the return or refund claim is received.

(e) Notwithstanding any other provision of this section or the provisions of the Kansas compensating tax act:

(1) (A) Any claim for refund of tax imposed by the Kansas retailers' sales tax act or the Kansas compensating tax act based upon the provisions of subsection (kk) of K.S.A. 79-3606 in existence prior to its amendment by this act which is without dispute shall be allowed, but, with respect to any claim exceeding \$10,000, the refund associated therewith shall not

be paid until after 510 days from the date such claim was filed and shall not include interest from such date. As used in this subparagraph, a claim for refund without dispute shall not include any claim the basis for which is a judicial or quasi-judicial interpretation of such subsection occurring after the effective date of this act.

(B) Any refund of tax resulting from a final determination or adjudication with regard to any claim submitted or to be submitted for refund of tax imposed by the Kansas retailers' sales tax act or the Kansas compensating tax act based upon the provisions of subsection (kk) of K.S.A. 79-3606 in existence prior to its amendment by this act not described by subparagraph (A) shall, with respect to any refund exceeding \$50,000, be paid in equal annual installments over 10 years commencing with the year of such final determination or adjudication. Interest shall not accrue during the time period of such payment.

(2) No claim for refund of tax imposed by the Kansas retailers' sales tax act or the Kansas compensating tax act based upon the application of the provisions of subsection (n) of K.S.A. 79-3606 pursuant to its interpretation by the court of appeals of the state of Kansas in its opinion filed on August 13, 1999, in the case entitled *In re appeal of Water District No. 1 of Johnson County* shall be allowed for tax paid prior to the effective date of this act. The provisions of this subsection shall not be applicable to Water District No. 1 of Johnson county.

Sec. 13. K.S.A. 2009 Supp. 79-3643 is hereby amended to read as follows: 79-3643. (a) Any individual who is responsible for collection or payment of sales or compensating tax or control, receipt, custody or disposal of funds due and owing under the Kansas retailers' sales and compensating tax acts who willfully fails to collect such tax, or account for and pay over such tax, or attempts in any manner to evade or defeat such tax or the payment thereof shall be personally liable for the total amount of the tax evaded, or not collected, or not accounted for and paid over, together with any interest and penalty imposed thereon. The provisions of this section shall apply regardless of the: (1) Relationship with the retailer held by such individual; (2) form under which the retailer conducts business, whether a sole proprietorship, partnership or corporation; or (3) dissolution of the business. *As used in this section, "willfully" has the same meaning as such term has for federal tax purposes in 26 U.S.C. 6672.*

(b) A notice of assessment issued to a responsible individual shall be considered to be a proceeding for the collection of the tax liability of the business. If the liability of the business is determined in a proceeding that has become final, any notice of assessment against a responsible individual must be issued within three years after the proceeding against the business has become final.

(c) Within 60 days after the mailing of a notice of assessment against a responsible individual, the person assessed may request an informal conference with the secretary of revenue under K.S.A. 79-3226, and amendments thereto, for a determination of whether such person is a responsible individual under subsection (a) and for a determination of the tax liability of the business.

(d) If notice of assessment and warrant are issued to a responsible individual pursuant to K.S.A. 79-3610, and amendments thereto, or any other jeopardy provision of chapter 79 of the Kansas Statutes Annotated, the person assessed may request that the informal conference held pursuant to subsection (c) be expedited. When such a request is made, the secretary shall schedule the conference to be held within 21 days after receipt of the request and shall issue a written final determination within 21 days after the close of the conference.

(e) The provisions of this section shall be deemed to be supplemental to the Kansas retailers' sales and compensating tax acts.

Sec. 14. K.S.A. 2009 Supp. 79-3651 is hereby amended to read as follows: 79-3651. (a) For the purpose of the proper administration of the Kansas retailers' sales tax act and to prevent evasion of the tax imposed thereunder, it shall be presumed that all gross receipts from the sale of tangible personal property or enumerated services are subject to tax until the contrary is established. The burden of proving that a sale is not subject to tax is upon the seller unless the seller takes from the purchaser an

exemption certificate to the effect that the property or service purchased is not subject to tax.

(b) An exemption certificate shall relieve the seller from collecting and remitting tax if the seller has obtained the required identifying information as determined by the director, from the purchaser and the reason for claiming the exemption at the time of purchase and has maintained proper records of exempt transactions pursuant to subsection (a) of K.S.A. 79-3609, and amendments thereto and provided them to the director when requested, except that no such relief from liability shall apply to a seller who: Fraudulently fails to collect the tax; solicits purchasers to participate in the unlawful claim of an exemption; accepts an exemption certificate claiming an entity based exemption when the subject of the transaction is actually received by the purchaser at a location operated by the seller and the director provides an exemption certificate that clearly and affirmatively indicates that the claimed exemption is not available. The seller shall obtain the same information for proof of a claimed exemption regardless of the medium in which the transaction occurred. The purchaser improperly claiming an exemption shall remain liable for the nonpayment of tax.

(c) The exemption certificate shall be substantially in such form as the director may prescribe. The seller shall use the standard form for claiming an exemption electronically as adopted by the director. A seller may require a purchaser to provide a copy of the purchaser's sales tax registration certificate with a resale certificate as a condition for honoring the purchaser's resale exemption claim, except that in the case of drop shipment sales into this state, the third party vendor may claim a resale exemption based on an exemption certificate provided by its customer, re-seller, or any other information acceptable to the secretary available to the third party vendor evidencing qualification for a resale exemption, regardless of whether the customer, re-seller, is registered to collect and remit sales and use tax in this state. A purchaser is not required to provide a signature to claim an exemption from tax unless a paper exemption certificate is used. A seller is relieved of liability for the tax otherwise applicable if it obtains a blanket exemption certificate for a purchaser with which the seller has a recurring business relationship. Such blanket certificate need not be renewed or updated by the seller for exemption certificate information or data elements when there is a recurring business relationship between the buyer and seller. For purposes of this subsection, a recurring business relationship exists when a period of no more than 12 months elapses between sales transactions.

(d) To lawfully present a resale exemption certificate the purchaser must be engaged in the business of selling property or services of the same kind that is purchased, hold a registration certificate, except as otherwise permitted in subsection (c) for drop shipment sales into this state, and at the time of purchase, either intend to resell the property in the regular course of business or be unable to ascertain whether the property will be resold or used for some other purpose. A resale exemption certificate may be used for resale of services to tangible personal property and not for services to real property.

(e) Any person who issues a resale certificate or other exemption certificate in order to unlawfully avoid payment of tax for business or personal gain shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than \$1,000 or imprisonment for not more than one year, or by both. In addition, if the director determines that a person issued a resale certificate in order to unlawfully avoid payment of tax for business or personal gain, the director shall increase any penalty that is due from the person under K.S.A. 79-3615, and amendments thereto, by \$250 or 10 times the tax due, whichever is greater, on each transaction where the misuse of a resale certificate occurred.

(f) Exemption certificates issued by an entity claiming a specific exemption under K.S.A. 79-3606, and amendments thereto, based on the status of the entity shall bear the name, address of the entity and identification number issued to the entity pursuant to K.S.A. 2009 Supp. 79-3692, and amendments thereto, ~~and indicate the subsection under which the exemption is being claimed.~~ Such certificate shall be signed by an ~~officer, office manager or other administrator~~ *authorized person* of the nonprofit entity, if in paper form, and contain the tax identification number of the entity. director may prescribe. *A seller may require that payments be made on an exempt entity's check, warrant, voucher or is charged to the entity's account shall relieve the seller from collecting and remitting the tax if it is taken in good faith as a condition for honoring the entity's exemption claim.*

(g) It shall be the duty of every person who purchases tangible personal property or services that are taxable under this act to pay the full amount of tax that is lawfully due to the retailer making the sale. Any person who willfully and intentionally refuses to pay such tax to the retailer shall be guilty of a misdemeanor and upon conviction shall be punished and fined as provided by subsection (g) of K.S.A. 79-3615, and amendments thereto.

Sec. 15. K.S.A. 2009 Supp. 79-3666 is hereby amended to read as follows: 79-3666. State sales tax rate changes must take effect on the first day of a calendar quarter. The secretary shall make a reasonable effort to provide sellers with as much advance notice as practicable of any rate changes, legislative change in the tax base and amendments to sales and use tax rules and regulations. Failure of a seller to receive such notice or failure of the secretary to provide such notice to a seller or limit the effective date of a rate change shall not relieve the seller of its obligation to collect sales or use tax or otherwise comply with any such legislative, rule or regulatory changes. *Whenever there is less than 30 days between the effective date of any amendments to K.S.A. 79-3603 and 79-3703, which make a change in the retailers' sales tax or compensating use tax rate and the date such rate change takes effect as provided by this section, the seller shall be relieved from liability for failing to collect tax at the changed rate if:*

(a) *The seller collected tax at the immediately preceding rate during such time period; and*

(b) *the seller's failure to collect at the changed rate does not extend beyond 30 days after such effective date.*
