Pursuant to Section 42(m)(1)(B) of the Internal Revenue Code of 1986, as amended (the "**Code**"), a Qualified Allocation Plan means any plan:

  - (I) projects serving the lowest income tenants,
  - (II) projects obligated to serve qualified tenants for the longest periods, and
  - (III) projects which are located in qualified census tracts (as defined in subsection Section 42 (d)(5)(c) and the development of which contributes to a concerted community revitalization plan, and
- (iii) which provides a procedure that the agency will follow in monitoring for noncompliance with the provisions of Section 42 of the Code and in notifying the Internal Revenue Service of non-compliance which such agency becomes aware of and in monitoring for noncompliance with habitability standards through regular site visits."

Section 11407(b)(10) of the Omnibus Budget Reconciliation Act of 1990 provides that monitoring for non-compliance shall apply to buildings placed in service before, on, or after January 1, 1992. The final regulations, found at 26 CFR Part 1, establish the procedure for monitoring compliance with Low-Income Housing Credit Requirements. Section 1.42-5(h) of the final regulations provides that the procedures for monitoring for non-compliance "apply to buildings for which a low-income housing credit is, or has been, allowable at any time."

The Agency's 2011/2012 Qualified Allocation Plan, the Agency's Selection Criteria and the Resolution of the Agency is scheduled to be approved in final form at the regularly scheduled meeting on June 8, 2011, and the Compliance Monitoring Agreement to be entered into between the Agency and owners of qualified low-income buildings will collectively constitute the Qualified Allocation Plan for the State of Louisiana.
