MEMORANDUM

February 22, 2012

TO: All interested parties of the Low Income Housing Tax Credit Program

FROM: Andrew Martin 
LIHTC Allocations Manager

SUBJECT: February 15, 2012 Funding Round Activity and Fee Refund Opportunity

Overview of February 2012 Funding Round: Enclosed is a list of projects that applied for Tax Credit in the February 15, 2012 funding round. Information provided includes the name and address of the project; project sponsor and contact person; the amount of credit requested; project self-score; credit usage bonus points; self-indicated categories, set-asides, and target percentages; total number of units in the project; and number of tax credit units.

Applicants are strongly encouraged to review the attached information and determine the likelihood of their project being in a position to receive an award of Low Income Housing Tax Credit. When making this determination, applicants should consider, at a minimum: their application's self-score relative to the self-score of other applications; project categories, set-asides, and target percentages; and the amount of credit requested by all applications compared to the amount of credit that is available for the February 15, 2012 funding round. Please note that this list reflects self-scores and self-indicated categories, set-asides, and target percentages of applicants which have not been evaluated by the Michigan State Housing Development Authority (MSHDA).

Credit Usage Bonus Points: The bonus points available for Credit Usage under Section I. of the Scoring Summary have been included in the attached list and are based solely on what was indicated in the application by the applicant – they have not been thoroughly reviewed by MSHDA. Therefore it is possible that these bonus points may be adjusted during the application review process. Additionally, should any applications be withdrawn from consideration for the August funding round, the projects eligible to receive these points would also likely be adjusted.

Availability of Credit: MSHDA expects approximately \$9.8 million in credit being available for applications that were submitted as part of the February 15, 2012 Funding Round.

Opportunity to Withdraw February 15, 2012 Funding Round Application Without Penalty: If, upon reviewing the attached, an applicant determines there is not a strong probability of their project receiving an award of credit, applicants may request to have their application withdrawn from the funding round and returned to them. Applicants who make this request by **February 27, 2012** may also receive a refund of the LIHTC application fee and the market study fee (if the market study has not yet been performed) that were submitted with their application. After this date, all remaining applications will be processed, unless otherwise withdrawn by the applicant, and fees will not be returned. Additionally, applicants should note that, if MSHDA in its sole

discretion determines that, beyond a certain point, further review of projects scoring too low to be in a position to receive an award of credit would not result in the best use of staff resources, MSHDA may stop the review process before moving on to these low scoring projects.

MSHDA is making this opportunity available to applicants not only in an effort to expedite the funding round process, but also in an effort to relieve some of the financial burden applicants encounter in the application process. Therefore, MSHDA is taking this opportunity to allow applicants to avoid incurring unnecessary fees on applications that are unlikely to receive an award of credit. Applicants are strongly encouraged to take advantage of this opportunity, as it is in the best interest of the parties involved, and the state of Michigan, to be able to expedite any funding processes where possible in an effort to put available funding to work in a timely manner.

Applicants choosing to take advantage of the opportunity discussed above should notify MSHDA of their intent to withdraw their application and receive a refund of the appropriate fees by emailing a copy of the attached Request for Withdrawal of Application form to Carol Thompson at thompsonc7@michigan.gov. Applicants will also be required to submit the original copy of this form at the time they come to pick up their application and fee refund(s). In addition, if you have any questions regarding the above or about any of the projects listed, please contact LIHTC staff at (517) 373-6007.
