

Self-Scoring Worksheet 2009 Housing Tax Credit Program

Development Name: _____

Development Location: _____

Development City: _____

Please note the following:

1. Minimum Point Requirements:

E. Rural Development:

- Projects financed by Rural Development, which meet statewide distribution goals.

14. Underserved Populations 3 to 10 Points

The development serves an underserved population defined as single head of household with minor children, individuals and households of color and one of the following is true:

15. Temporary Priority 3 Points

The proposal addresses a temporary housing priority and is eligible for the award of points by the Commissioner or the Board of the Minnesota Housing Finance Agency pursuant to authority cited in the Rules of the Minnesota Housing Finance Agency.

(Note: Points cannot be taken in this section for a Temporary Priority if a priority section has been specifically created for it elsewhere in this self-scoring worksheet.)

16. Preservation of Existing Housing Tax Credit Units 10 Points

IMPORTANT NOTE

THESE POINTS ARE AVAILABLE ONLY TO EXISTING MINNESOTA HOUSING TAX CREDIT PROJECTS APPLYING FOR TAX CREDITS FROM MINNESOTA HOUSING’S COMPETITIVE ALLOCATION PROCESS (CONSOLIDATED RFP) and QUALIFIED TAX EXEMPT PROJECTS APPLYING FOR A PRELIMINARY DETERMINATION LETTER FROM MINNESOTA HOUSING AS THE CREDIT ALLOCATOR.

To obtain the related points, the existing tax credit housing must meet the following criteria:

1. The development received a Minnesota Housing allocation of housing tax credits either prior to 1990 or is eligible to and will exercise their option under the provisions of Section 42(h)(6)(E)(i)(II) and 42(h)(6)(F) within the next 12 months;

and
2. Applicant agrees to maintain the Housing Tax Credit Units in the development for at least 30 years;

and
3. The proposal will not result in the displacement of existing low and moderate income residents;

and
4. Units must be considered at risk of going to market rents, where the market rents of comparable units exceed the tax credit rent limits by 10 percent and the proposed rents will increase by more than 30 percent within two years of the Housing Tax Credit Application date. The risk of conversion must be supported by information contained in the application and with final determinations made by Minnesota Housing;

or
5. Tax credit units would no longer remain decent, safe, and affordable due to physical deterioration or deterioration of capacity of current ownership/management entity.

----------------------	-------------------	---------------------------

17. Permanent Housing for Individuals Experiencing Long-Term Homelessness 5 to 110 Points

Minnesota Housing Competitive Round or Tax Exempt Points (“non-Bonus” points) – 5 or 10 Points

“Non-Bonus” points will be awarded to permanent housing proposals in which a minimum of 5% (rounded up to the next full unit) of the total units, but no fewer than 4 units are set aside and rented to households experiencing long-term homelessness as defined in Minnesota Rules, Chapter 4900.3705:

- 5% to 49.99%, but no fewer than 4 units – 5 points
- 50% to 100%, but no fewer than 20 units – 10 points

Minnesota Housing Competitive Round or Non-Tax Exempt Points (“bonus” points) – 100 Points

100 points (“bonus points”) will be available until a total of \$1,600,000 (estimated 25 percent of Minnesota Housing’s administered credit authority) in tax credits are awarded for qualifying permanent housing proposals for households experiencing long-term homelessness selected in the 2009 Housing Tax Credit competitions. Once this maximum amount is reached, the 100 points (“bonus” points) will no longer be awarded for the remaining 2009 Tax Credit Program competitive funding rounds. If qualified per the requirements of this section, applicants may claim the “bonus points”. Minnesota Housing will make point reductions relating to the “bonus points” funding limits following its review of all applications in the funding round which claim these points. Qualified proposals may earn a maximum of 10 points (“non-bonus” points) and may continue to compete in the appropriate set-aside.

To receive points under this category, the proposal must meet all of the following conditions:

- a) the applicant must complete and submit the Supportive Housing application materials, including the narratives, forms and submittals identified in the Common Application for Multifamily Rental Housing Resources; and
- b) the applicant agrees to pursue and continue renewal of rental assistance, operating subsidy, or service funding contracts for as long as the funding is available.

Minnesota Housing recognizes that rental assistance, or operating subsidies, and supportive services may be necessary to effectively serve households experiencing long-term homelessness. If the necessary rental assistance, operating support, or tenant service funding for the project is withdrawn or terminated due to reasons not attributable to the actions or inactions of the owner, and alternative funding is unavailable, and the project is otherwise in full compliance with all the terms of the funding for the project, the owner may petition Minnesota Housing to modify its requirements. Minnesota Housing may (i) relax or eliminate the requirement for supportive services or (ii) relax or eliminate the requirement that the assisted units be occupied by households experiencing long-term homelessness. Should Minnesota Housing eliminate the requirement that the assisted units be occupied by households experiencing long-term homelessness, Minnesota Housing will permit the owner to phase out the targeting of tax credit units to households experiencing long-term homelessness and convert the rents of those units to the 50% tax credit rent limit without jeopardizing the tax credit allocation, provided that more restrictive threshold, selection priority or funding requirements do not apply. If such conversion occurs, in order to retain the tax credit allocation, the above described 50% tax credit rent limit and the Section 42 minimum set-aside elected for the project by the owner must be maintained for the remainder of the tax credit compliance period and extended use period.

A proposal which is awarded scoring points from this category and is selected to receive tax credits will be required to comply with the Long-Term Homelessness reporting requirements as defined by Minnesota Housing. The Tax Credit Declaration of Land Use Restrictive Covenants, including a specific Rider to the Declaration, will contain performance requirements related to these long-term homelessness units and will be recorded with the property.

18. High Speed Internet Access 1 Point

The development will provide High Speed Internet access via installation of all appropriate infrastructure and connections for cable, DSL or wireless internet service to every unit in the development. This will be a design requirement if points are taken.

Preference Priorities	Developer Claimed	Minnesota Housing Awarded
------------------------------	--------------------------	----------------------------------

1. Serves Lowest Income Tenants/Rent Reduction

5 to 13 Points

Scores are based on gross rent level including utilities before rental assistance. Eligible units must have rents affordable to households whose incomes do not exceed 30 percent or 50 percent of median income without rental assistance.

In addition to the elected income limit of 50 percent or 60 percent AMI for the full term of the declaration (refer to the Minimum Set-Aside), the applicant agrees to maintain deeper rent structuring for which selection points are requested.

Applicants may choose either option 1 or 2, and in addition, option 3 for the development. This selection will restrict rents only (tenant incomes will not be restricted to the 50 percent or 30 percent income level by claiming points in this section).

- Option 1 – A project in which 100 percent of the HTC unit rents representing _____ units are in the county 50 percent HUD area median rent limit – *10 points*
- Option 2 – A project in which at least 50 percent of the HTC unit rents representing _____ units are at the county 50 percent HUD area median rent limit – *5 points*

OR

- Option 3 – In addition to Option 1 or 2, a project that further restricts 30 percent of the above restricted units to the county 30 percent HUD area median rent limit representing _____ units – *3 additional points*

NOTE: If points are claimed/awarded for this category, then no points may be claimed/awarded from the selection priority category of Rental Assistance for the same units.

IMPORTANT

All 50 percent rent restricted units must meet the 50 percent area median rent for a minimum of five years after the placed in service date. After the first five year period has expired rent may be increased to the 60 percent rent limit over a three year period with increases not to exceed the amount listed in the table below, provided that more restrictive threshold, selection priority or funding requirements do not apply.

All 30 percent rent restricted units must meet the 30 percent area median rent for a minimum of five years after the placed in service date. After the first five-year period has expired rent may be increased to the 40 percent rent limit over a three-year period with increases not to exceed the amount listed in the table below, provided that more restrictive threshold, selection priority or funding requirements do not apply.

YEAR	30% of 50% Rent Levels	30% of 30% Rent Levels
1 – 5	30% of 50%	30% of 30%
6	30% of 53%	30% of 33%
7	30% of 57%	30% of 37%
8	30% of 60%	30% of 40%

Minnesota Housing will incorporate these restrictions into the project’s Declaration of Land Use Restrictive Covenants. The applicant must demonstrate to sole satisfaction of Minnesota Housing that the project can achieve these reduced rents and remain a financially feasible project, IRC § 42(m)(2). Points are contingent upon financial plans demonstrating feasibility, positive cash flow on a 15-year pro forma and gaining Minnesota Housing management approval (for management, operational expenses, and cash flow assumptions).

Preference Priorities	Developer Claimed	Minnesota Housing Awarded
-----------------------	-------------------	---------------------------

2. Preservation of Federally Assisted Units 10 Points _____

DEFINITION - Any housing receiving project based rental assistance, operating subsidies, or mortgage interest reduction payments. This includes public housing, Section 236 and Section 221(d)(3) interest reduction payments, and any development with project based Section 8, rent supplement, or rental assistance payments contract.

Preserves federally assisted low income housing which, due to mortgage prepayments or expiring rental assistance, would convert to market rate use or due to physical deterioration or deterioration of capacity of current ownership/management entity would lose its federal subsidies. Minnesota Housing, at its sole discretion, must agree that a market exists for a conversion to market rate housing.

In order to obtain the related points, the federally assisted housing must meet the following:

- 1 Units must be considered at risk of losing assistance within two years of the Housing Tax Credit Application date as supported by information contained in the application and with final determinations made by Minnesota Housing.
- 2 Applicant must agree to continue renewals of existing project based housing subsidy payment contract for as long as the assistance is available.
- 3 Applicant must agree to maintain the Housing Tax Credit Units in the development for at least 30 years.

Except for "good cause" applicant must not evict existing subsidized residents and must continue to renew leases for those residents.

3. QCT/Community Revitalization 1 Point _____

A point is awarded to projects that are located in a Qualified Census Tract (See Qualified Census Tract – Reference Materials Index) and are part of a concerted plan that provides for community revitalization. This must be evidenced by a letter from the city verifying that the proposed project is part of an approved community revitalization area as established by resolution or other legal action.

Preference Priorities	Developer Claimed	Minnesota Housing Awarded
-----------------------	-------------------	---------------------------

4. Rental Assistance 4 to 18 Points

Priority is given to an owner that submits with the application a **fully executed binding commitment** (i.e. binding Resolution/binding Letter of Approval from the governing body) for project based rental assistance. The assisted units must be located in buildings on the project site. **For the purpose of this section, if a proposal contains existing project based assisted units, these units will be counted towards meeting required Rental Assistance percentages.**

Rent for assisted units must be at or below FMRs (or appropriate payment standard for the project area). Receiving these points and agreeing to a minimum number of assisted units does not release owners from their obligations under the Minnesota Human Rights Act and Section 42 prohibiting refusal to lease to the holder of a voucher of eligibility under Section 8 of the United States Housing Act of 1937 because of the status of the prospective tenant as such a holder.

A current request for Minnesota Housing Rental Assistance will not receive Rental Assistance points. A past award of existing Rental Assistance will be counted toward meeting the required percentages. Indicate the applicable combinations of the below components. Points for A and B cannot be claimed in combination.

- (A) For developments agreeing to set aside and having the required binding commitment for at least 20 percent of the total units for project based rental assistance – *10 points*
- (B) For developments agreeing to set aside and having the required binding commitment for at least 10 percent but under 20 percent of the total units for the project based rental assistance – *6 points*
- (C) For selection components A or B above, if, in addition, the above binding commitments are coupled with a binding commitment to provide the project based rental assistance for a minimum 10 year contract term – *4 points*
- (D) For selection components A or B above, if, in addition, the above binding commitments are coupled with a binding commitment to provide the project based rental assistance for a 5 to 9 year contract term – *2 points*

NOTE: If points are claimed/awarded for A, B, C or D above, then no points may be claimed/awarded from the preference priority categories of Serves Lowest-Income Tenants/Rent Reduction for the same units.

- (E) For developments that cooperatively develop a housing plan/agreement to provide **other** Rental Assistance (e.g. Section 8, portable tenant based, formal recommendation for McKinney Vento Shelter Plus Care rent assistance, or other similar programs approved by Minnesota Housing) to meet the existing need as evidenced at application by a letter of intent signed by both the applicant and the local housing authority or other similar entities – *4 points*

To receive these points, the applicant must comply with all program requirements for the assistance for which priority points were given, including maintaining rents within the appropriate payment standard for the project area in which the project is located for the full compliance and extended use period of the housing tax credits.

As a condition of Carryover or 8609, the applicant must submit a copy of the fully executed contract for the project-based rental assistance to be included in the development.

For project based rental assistance in conjunction with a binding commitment for an “extended term contract” at time of application the applicant must submit a binding commitment for the “extended term contract” for project based assistance for a minimum of 5 or 10 years which is signed by the Local Housing Authority or other similar entity.
