<b>Is the Minnesota historic structure rehabilitation tax credit claimed in equal installments over the course of five years?</b>	No, Minnesota's law has not changed. Your Minnesota historic structure rehabilitation tax credit is equal to your total federal credit amount. Claim the full Minnesota credit amount in the year you place the qualifying renovated building in service. You can find additional information on <a href="#">our Historic Structure Rehabilitation Credit page</a> .	10/24/2018
<b>What steps should I take to correctly file Minnesota's new and modified tax forms?</b>	The department strongly encourages businesses and individuals to electronically file tax returns. E-filing your return is the most accurate way to file your taxes and will help the department process returns more efficiently.	7/17/2018
