I. INTRODUCTION AND APPLICABLE QAP

The Low Income Housing Tax Credit is established under Section 42 of the Internal Revenue Code of 1986 (Section 42). Montana Board of Housing (MBOH) is responsible for allocation the Housing Credit.

This qualified allocation plan (QAP) is established by the MBOH Board.

The plan was released for public comment on September 15, 2021, a public hearing was held on October 27, 2021 and was approved by MBOH at it's November 15, 2021 public meeting.

The Governor of Montana, Greg Gianforte, approved the plan as the final 2023 QAP on February 14, 2022.

A. APPLICABLE QAP

The Applicable QAP means:

1. The QAP for the Housing Credit year for which the Application is or was submitted, evaluated and Awarded HCs:
 - for purposes of substantive issues relating to: Award; Development Evaluation Criteria; Scoring; Selection Criteria; and Selection Standard for such Award; and
 - for purposes of the fee amounts charged for: Letter of Intent; Application; Reservation Agreement; Carryover Allocation (Initial Allocation); 10% Cost Certification; and Final Allocation;
2. The most recently adopted QAP for purposes of: Project changes; Reservation Agreement (other than the fee amount); Declaration of Restrictive Covenants; Carryover Allocation (Initial Allocation) (other than the fee amount); 10% Cost Certification (other than the fee amount); Final Allocation (other than the fee amount); Compliance requirements and compliance audits; any post-Award procedures; and fees and fee amounts for post-Credit Refresh Project changes, Reservation Agreement, Declaration of Restrictive Covenants, Carryover Allocation (Initial Allocation), 10% Cost Certification and Final Allocation.
3. The QAP most recently adopted as of the date of submission of a Credit Refresh application for purposes of: a Credit Refresh application; consideration and determination regarding a Credit Request application; payment of MBOH legal fees relating to or required as a result of a Credit Refresh application or Credit Refresh; and Post-Credit Refresh Project changes, Reservation Agreement, Declaration of Restrictive Covenants, Carryover Allocation (Initial Allocation), 10% Cost Certification and Final Allocation (not including fees and fee amounts for such post-award items).
4. For purposes of Application, evaluation, and Awarding Housing Credits with respect to 4% Projects, the Applicable QAP is the version of the QAP most recently and finally adopted as of the date of Application submission.

B. REQUIRED FORMS

All forms submitted to MBOH in or as part of the application, development, underwriting, allocation, cost certification, compliance, or other processes under this QAP must be the most current version available on the MBOH website.

II. ELIGIBLE APPLICANTS AND LIMITS

Each Application and Letter of Intent (“LOI”) will identify an Applicant who is and will remain responsible to MBOH for the LOI and Application.

A. FIRST HOUSING CREDIT PROJECT MUST BE COMPLETED

An Applicant who previously received an Award for its first 9% Housing Credit Project in Montana, including projects in which it has an Identity of Interest (the “In-Process Project”), may not receive an Award for another Housing Credit Project until the In-Process Project has been either issued Form(s) 8609 or the Credits have been returned/rescinded. The foregoing rule does not apply to a subsequent Housing Credit Application if the Developer partners with an Experienced Developer who will be entitled under a written agreement to receive at least 50% of the Developer Fee on the subsequent Project.

B. PROJECT AND DEVELOPER MAXIMUMS

The maximum award to any one Project is \$6,500,000. MBOH will award no more than \$6,500,000 to any one Developer based on the percentage of the Developer Fee specified in a written development agreement.

C. APPLICANT CANNOT EXCEED CUMULATIVE CREDIT MAXIMUM

An Applicant is not eligible to submit a LOI or a full Application for 9% Credits if an Award of Credits for the Applicant Project would cause the Applicant’s Cumulative Credit amount to exceed the Cumulative Credit Maximum of \$25 million in total 9% Credits. The Cumulative Credit Maximum applies in addition to the Maximum Credit Award provisions.

For purposes of the Cumulative Credit Maximum:

- An Applicant’s cumulative Credit amount is the sum of: (1) the Applicant’s share(s) of the ten-year amount of Credits awarded to any In-Process Project(s), and (2) the Applicant’s share of the ten-year amount of Credits requested for the Applicant Project.
- The Applicant’s share of the ten-year amount of Credits awarded to any In-Process Project is 100%, unless the Applicant is a co-Developer, co-Owner or Consultant; in such event, the Applicant’s share is the same percentage of the Project’s ten-year Credit amount as the percentage of Developer Fee the Applicant is entitled to receive or the percentage interest that Applicant owns in the Project.
- Applicant must provide any documents and information as requested by MBOH for purposes of determining whether an Applicant is eligible under this Cumulative Credit Maximum to submit a LOI or Application.

D. OTHER DISQUALIFYING CONDITIONS

The Applicant is not eligible to apply for Credits if the Applicant or any member of the Applicant's Development Team is debarred from federal programs or Federal Home Loan Bank or prohibited from applying by another state HFA for disciplinary reasons.

If any member of the Development Team has delinquent late fees due and payable to MBOH at any time from submission of LOI through the Award Board meeting, the LOI or Application will be ineligible for an Award of Credits until such fees are paid in full. If such late fees are not paid in full within ten (10) business days of written notice, the Application will receive no further consideration.

MBOH may reject any Application containing a Development Team member involved in a request for a qualified contract in Montana.

III. APPLICATION/AWARD PROCESS

A. LETTERS OF INTENT AND APPLICATIONS

Applicants may apply for an Award of 9% Credits (including an Award for a Project combining 9% Credits and other Credit sources) by submitting a LOI no later than 5:00 pm Mountain Time on the applicable deadline.

Only those Applicants invited to do so by the Board may submit Applications. Applicants must complete and submit the Uniform Application, all Threshold Requirements, full market study and full Application fee by the applicable deadline to be eligible for further consideration.

A single Applicant may apply for Credits by submission of a single Application that combines sub-applications for each property/Credit request included in the Project (for example, Twinned 4%/9% Projects or Housing Credits and another Credit source). Each sub-application must include a separate UniApp that provides the Project numbers attributable to the sub-application's Credit source.

Applicants may not change the general project location(city/town), type (e.g., family or elderly), Applicant and Developer specified in the LOI in any resulting Application unless approved by MBOH. MBOH will consider other information in the LOI (e.g., cost information, number of units, unit sizes, income targeting, rents, hard and soft loan sources) to be the Applicant's best estimates which may be changed in the Application.

B. INCOMPLETE LETTER OF INTENT OR APPLICATION

Applicant must respond to a written MBOH request (including but not limited to any email request) within 10 working days, unless the request specifies a different time period. Failure to respond within such time period may result in the Application being deemed ineligible and/or negative points.

MBOH staff may ask an Applicant to submit additional information for either an LOI or Application with an incomplete or missing threshold item. Failure to submit the information and paying the applicable fee within the specified time will result in MBOH not considering the Application further.

C. FIRST AWARD ROUND

The following First Award Round deadlines and events are scheduled in calendar year 2022:

- Letter of Intent Submission 2nd Monday in April
- Applicant Presentations/Board Invitations to Apply May MBOH Board Meeting
- Application Submission First Monday in August
- Award Determination Late October MBOH Board Meeting

In the event that any deadline falls upon a weekend or holiday observed by Montana State government, the submission deadline will be the next business day thereafter.

D. SECOND AWARD ROUND (IF ANY)

The Board may decide in its discretion to hold a second award round that is any one or a combination of the following:

- limited to those Applicants that submitted a LOI in the First Award Round but not invited to submit a full Application (a “Semi-Open Round”);
- limited to those Applicants invited to submit an Application but not awarded Housing Credits in the first award round (a “Closed Round”); or
- open to submission of LOIs by any interested party (an “Open Round”).

MBOH will announce such round on its website, including all applicable submission requirements and deadlines/dates.

E. CHANGES AND WAIVERS

MBOH may extend or change any of the deadlines and dates in the QAP by posting on MBOH’s website. The MBOH Board, in its discretion, may waive any requirement of this QAP if it determines such waiver to be in the best interests of MBOH or the Credit program.

F. BOARD CONSIDERATION AND DETERMINATION

1. LETTER OF INTENT

MBOH staff will present LOIs at the Board meeting in the month specified or established in accordance with the QAP schedule. The Board will provide an opportunity for both Applicants to present and for public comment on proposed Projects and Applications. The Board may ask questions of Applicants and discuss proposed Projects, but such questions, answers and discussions shall not be binding upon MBOH in any later Award determination or other MBOH process. Applicant presentations will include any comments from any party on the Development Team, videos, and presentation materials. Public comment will include in-person comments, live

conference call comments and written comments. Comments are subject to reasonable limitation by the Chair.

After considering the LOIs, presentations, questions and answers and discussion, the Board will select eight Projects to submit Applications based upon consideration of any of the Selection Criteria permitted to be considered for purposes of an Award under this QAP, but no evaluation or scoring of LOIs will be done or considered. The Board may invite more if Congress authorizes an increase in Housing Credits.

2. AWARD

At the Award Determination Meeting, MBOH staff will provide Project Application information. Applicants should be available to the Board to answer questions regarding their respective Applications but there will be no Applicant presentations. MBOH will provide an opportunity for public comment on proposed Projects and Applications. Applicants will have a brief opportunity to make comments and respond to any information presented regarding their Applications.

MBOH staff materials provided to the Board will show Tribal and Small Rural Projects and other Projects in separate groupings. In considering Applications for Award, the Board may first consider Tribal or Small Rural Projects. After any such initial consideration, the Board will consider Award of remaining Credits to any Applicant. The Board may but is not required by this provision to select any Tribal or Small Rural Project for an Award.

G. REMAINING CREDITS AND WAITLIST

If the remaining amount of available Credits is insufficient to fully fund an additional Project, before Awarding a Project in an amount less than requested by the Applicant (except for any de minimis reduction) the Board may:

- prioritize the remaining Projects for an Award from the remaining Credits;
- make any remaining Credits available in a future cycle;
- increase the amount of Housing Credits reserved for a previously Awarded Project based upon the Project's application for an increase submitted under Section K;
- elect to Award less than all available Credits;
- elect to not Award any Credits; or
- adopt any other reasonable option permitted under this QAP.

The first priority Project for an Award will be allowed 30 days to re-submit its Application resized to the amount of Credits remaining available. If MBOH determines that the development is financially feasible, it will enter into a Reservation Agreement. If the first priority Project fails to submit or is not feasible, MBOH will invite the next priority Project(s).

If all of the authorized Credits are Awarded after a particular cycle, MBOH may place qualifying Applications which did not receive an Award on a waiting list for potential Award in the event Credits become available at a later date.

H. FORWARD COMMITMENTS

MBOH does not commit Credits from future years, except:

- during the current year full Application cycle as the Board determines necessary in an amount up to 10% of the Credits requested to fully fund a Project; or
- at any time outside the competitive cycle for purposes of funding repair or replacement of a Project building due to a life/safety emergency as determined by MBOH.

The Applicant must submit a LOI and the Board must invite the Applicant to submit an Application before making an Award. The Application must meet all QAP requirements.

I. AMOUNT OF HOUSING CREDIT ALLOCATION

An Award of Housing Credits under this QAP will be limited to the amount of Credits that MBOH, deems necessary to make the development financially feasible and viable as a qualified affordable Housing Credit Project throughout the Compliance Period.

In determining the amount of Credits necessary, MBOH will consider:

- The Sources and Uses of funds and the total financing planned for the Project. Federal funds may be loaned by or through a parent organization to a Project pursuant to a bona fide loan agreement.
- Grants made with federal funds directly to a Project, which will reduce basis.
- Any proceeds or receipts expected to be generated by the Housing Credits.
- The reasonableness of the development and operational costs of the Project.

A similar analysis will be done at the time of 10% Cost Certification and at Final Cost Certification prior to issuing IRS Form(s) 8609. Neither the selection of a Project to receive an Award of Housing Credits nor the amount of Credits to be allocated constitutes a representation or warranty that the Owner or Developer should undertake the development, or that no risk is involved for the Investor.

J. 4% CREDIT APPLICATIONS FOR TAX EXEMPT BOND/LOAN FINANCED PROJECTS

Projects with tax-exempt financing under the volume limitation on private activity bonds (“4% Projects”) may be submitted at any time. However, MBOH must receive complete Applications and the fee at least 6 weeks before the scheduled MBOH Board meeting at which the Application is to be considered. Changes to the Application that require MBOH to re-underwrite the Application will restart the minimum 6-week period.

Applicants must submit a LOI with the Bond Inducement Resolution Request Form (no fee or mini-market study is required).

Final Allocation of 4% Credits is subject to payment in full of the applicable fees.

Except as specifically otherwise provided in this QAP, Applications for 4% Projects (including 4% Project Applications that are part of a Twinned 4%/9% Project) must meet all requirements of the Applicable QAP to receive an Allocation of Housing Credits.

K. REQUEST FOR INCREASE IN AMOUNT OF CREDIT RESERVATION

MBOH may use returned or unreserved Housing Credits to increase the amount reserved for a Project after making the first round Awards based on the following factors:

- The nature and amount of additional costs, loss of anticipated funding sources or other gap in available Project funding.
- Significant factors leading to the need for additional Credits.
- Availability and Applicant's use of measures to mitigate or obtain alternative funding sources to address any funding gap.
- The need for the additional Credits to make the Project feasible.
- Availability of returned or unreserved Housing Credits.
- Any anticipated potential need for returned or unreserved Credits to fund Projects that would otherwise be funded or require greater funding under the Corrective Award set aside.

An Applicant seeking an increase must apply in writing before the Board meeting at which the Applicant seeks consideration. The request must include new financials, supporting documentation for the cost increases (e.g., higher bids than expected, material costs), and supporting documentation addressing each of the above-specified factors. Staff will present a recommendation at a later MBOH Board meeting for consideration. MBOH will not approve any increase beyond that necessary to make the Project feasible.

L. CREDIT REFRESH REQUIREMENTS

To request a Credit Refresh, the Owner must submit a Credit Refresh application, along with the fee as specified in the Fee Schedule. Upon receipt of the application and staff evaluation, the application will be placed on the agenda for consideration at the next MBOH Board meeting. The Owner or its representative should appear at the meeting to answer Board questions regarding the application and the factors leading to the submission of the application.

The MBOH Board may approve or deny the Credit Refresh or may defer action on the application pending additional information or compliance with specified conditions. The Board may place any one or more conditions on approval or further consideration of an application.

IV. APPLICABLE FEES

The amount(s) of and due dates for all fees required or imposed by this QAP are as specified in the most current MBOH Housing Credit Fee Schedule (Fee Schedule). All fee amounts may be adjusted by MBOH from time to time and are nonrefundable unless otherwise specified.

The Developer/Owner of any Project awarded Credits will be required to reimburse MBOH for legal fees and other expenses incurred by MBOH with respect to any non-standard request, change, document, or other matters relating to aspects of qualifying for or obtaining Housing Credits. Such fees and expenses must be paid within 30 days of MBOH's submission of an invoice. MBOH shall not be required to complete any pending process, approval or other action until such fees and expenses are paid in full.

V. SET ASIDES

A. NON-PROFIT

Unless otherwise specifically provided in the Board's Award resolution, MBOH will meet the 10% non-profit set-aside requirement by the first Award to a Project involving a Qualified Nonprofit Organization ("nonprofit") receiving at least 10% of Montana's Credit ceiling (or if more than one such Project, the one appearing first in an alphabetical list). If no Awarded Project involves a nonprofit, MBOH will hold back 10% of the state's Credit ceiling. By submitting an Application involving a nonprofit, the Applicant consents to designation of such Project as the Project receiving the non-profit set aside.

B. CORRECTIVE AWARD

Such portion of the state's annual federally-allocated Credit ceiling is reserved and set-aside as is necessary for any Project submitted in a prior round or year, if:

- a final order of a court of competent jurisdiction determines or declares that such Applicant was entitled to an Award in such prior round or year or requires MBOH to make an Award or Allocation of Tax Credits to such Project;
- a final order of a court of competent jurisdiction invalidates or sets aside an Award to an approved Project from such prior round or year and a Reservation Agreement was executed by MBOH and such Applicant prior to issuance of such court order, unless such court order determines that such Project was not eligible or qualified under the applicable QAP to receive an Award of Tax Credits; or
- MBOH, upon further consideration of any Award determination as required by and in accordance with the order of a court of competent jurisdiction, determines that such Project was entitled to an Award in such prior round or year.

All requirements and conditions of this Corrective Award set aside provision must be met to receive an Award under this set aside. The amount of any Corrective Award shall be as specified by the court, or if no Award amount is specified by the court, as determined by MBOH in accordance with this QAP. The Corrective Award set aside shall be funded first from returned or unreserved Credits from a prior year. Awards under this Corrective Action set aside may be made from returned or unreserved Credits from a prior year and/or the current year's Credits at any MBOH Board meeting after the final court order has been issued and presented to MBOH. Such Award need not await the annual Application and Award cycle.

Where a court orders that an amount of the current year's Credits be set aside for a Project pending the decision of the court, if the court's decision is not received before the end of the current year, the Credits set aside will become classified as the next year's Credits.

If the court orders MBOH to Award Credits to any Project under this set-aside, the Project must submit an updated Application so MBOH can verify that the amount of Credits requested or some other amount is justified, unless otherwise ordered by the court.

C. GENERAL RULES REGARDING SET ASIDES

MBOH will determine in which set-aside a Project will be reviewed (subject to its eligibility), regardless of its eligibility for any other set-aside.

In the event there are insufficient Tax Credits available to fully fund all set aside categories, the respective set asides categories shall be funded in the following order of priority: (1) Non-Profit; and (2) Corrective Award.

Developments not scoring the minimum Development Evaluation Criteria score of 1,000 points (or 800 points for non-competitive 4% Credit bond deals) will not receive further consideration.

VII. DEVELOPMENT EVALUATION CRITERIA AND SELECTION

MBOH will use the Development Evaluation Criteria, other QAP Selection Criteria and information submitted or obtained with respect to Projects to assist the Board in evaluating and comparing Projects.

A. DEVELOPMENT EVALUATION CRITERIA

Development Evaluation Criteria scoring is only one of several considerations the MBOH Board takes into account and does not control the selection of Projects that will receive an Award of Tax Credits. For purposes of this QAP and Awards and Allocations, the Selection Criteria include all the requirements, considerations, factors, limitations, Development Evaluation Criteria, set asides, priorities and data set forth in this QAP and all federal requirements.

1. EXTENDED LOW INCOME USE (100 POINTS POSSIBLE)

An Application in which the Applicant agrees to maintain units for low income occupancy beyond the federal Extended Use Period will receive points as indicated below and must incorporate these restrictions into the Restrictive Covenants. All projects must have an additional 35 years of affordability.

Years beyond initial 15

35 or more years 100 points (50 years i.e. total extended use period)

Eventual Home Ownership Applications must also specify an Extended Use Period and will receive points for the Extended Use Period as provided above.

2. LOWER INCOME TENANTS (200 POINTS POSSIBLE)

INCOME AND RENT LEVEL TARGETING

A Project with any minimum set aside will be awarded points based on the weighted average income targeted according to the following:

- 53% or below 200 pts
- 55% or below 100 pts
- 60% or below 50 pts

Rents at 40% are allowed to income qualify to 49% AMI. Rents at 50% are allowed to income qualify to 55% AMI (40-60 election must apply).

If the Applicant elects Average Income, MBOH will score the Application under the criteria and points schedule in this subsection.

If the project has a manager's unit, it will be considered a 60% unit and calculated as such.

3. PROJECT LOCATION (100 POINTS POSSIBLE)

An Application will be awarded points with respect to an amenity or service if a grocery store (convenience store does not count); or medical services appropriate and available to all prospective tenants (e.g., hospital, doctor offices, etc.) and are one of the following:

- a. A Project is located within 1½ miles of the specified amenity or essential service.
- b. Public or contracted transportation (not including taxi or school bus service) is reasonably available to the specified amenity or service (i.e., the Project is located within ¼ mile of fixed bus stop or on a same day call basis) (or letter from provider committing to establish such service); or
- c. Where applicable, the specified amenity or service is available via a no-charge delivery service to the Project Location (all distances must be as specified in the Project's market study).

*- For scattered site projects, all site locations must meet the criteria for any points to be awarded.

4. HOUSING NEEDS CHARACTERISTICS (100 POINTS POSSIBLE)

Development meets area affordable housing needs and priorities and addresses area market concerns, such as public housing waiting lists (for all units and tenants), vacancy rate, and type of housing required.

LOCAL COMMUNITY INPUT (30 POINTS POSSIBLE)

30 points will be awarded if the Application includes documentation of at least one of the following forms of Local Community Input, as shown by evidence provided in the Application:

- local neighborhood meetings held expressly for this Application with attendance rosters and minutes;
- local charrettes held expressly for this Application with supporting documents, concept drawings, and input from local community;
- other appropriate form of local community input specifically designed to gather local community input for this Application; and/or
- City or County Commission meeting.

In order to obtain the available points under any item, there must be actual local community input in some form. If a community meeting is held but there is no attendance, another form of local community input must be used. No points will be awarded if the meeting or charrette is part of another public or design meeting, unless the minutes demonstrate that a portion of the

meeting was specifically dedicated to community input for this Application. No points will be awarded if the Application does not provide evidence of qualifying local community input, including minutes of any meeting, charrette or other form of local community input and copies of any written or electronic comments received. Documentation of community outreach efforts to inform and invite community members to attend any of the community input events must be included. All meetings, charrettes and other Local Community input events must be held within 6 months before the Application deadline.

APPROPRIATE SIZE (35 POINTS POSSIBLE)

Points will be awarded for the appropriateness of size of the development for market needs and concerns as reflected in the Market Study. 35 points will be awarded if the number of units being proposed is 50% or less than the number of units needed as projected by the Project's Market Study. No points will be awarded if the number of units being proposed is more than 50% of the number of units needed as projected by the Project's Market Study. For projects developed, rehabilitated, or constructed in a location that is not within the city limits of Billings, Bozeman, Butte, Great Falls, Helena, Kalispell, or Missoula, no points will be awarded if the number of units being proposed is more than 75% (rather than 50%) of the number of units needed as projected by the Project's Market Study. If the Project is existing in the community, the number of units in the Project will be added to the new units needed and the above test will be applied. The Application narrative must address this scoring item with citations to the relevant pages and paragraphs of the market study.

MARKET NEED (35 POINTS POSSIBLE)

The Application will be awarded 35 points based upon the required Market Study's documentation that the Project meets the market needs of the community, as follows:

- Vacancy Rate is at or below 7%; and
- Absorption Rate is less than 5 months; and
- Rents are at least 10% below adjusted market rents.

Narrative references to the Market Study must cite the referenced page and paragraph of the Market Study.

5. PROJECT CHARACTERISTICS (200 POINTS POSSIBLE)

100 POINTS FOR ANY ONE OF THE FOLLOWING FOUR ITEMS:

AFFORDABLE HOUSING STOCK

The Application proposes either the preservation of existing affordable housing stock (including as part of a local (not national, state or regional) community revitalization plan or similar plan) or increases the affordable housing stock, through the use of funds from other sources (e.g., donation of land, other substantial donations, reduction in taxes through tax abatement (other than non-profit exemption) or impact fees) to leverage the Tax Credit dollars.

QUALIFIED CENSUS TRACT/LOCAL COMMUNITY REVITALIZATION PLAN

The Project is located in a qualified census tract (“QCT”), and its development contributes to or involves existing housing as part of a local (not national, state or regional) community revitalization plan or similar plan. The Application must include any such local community revitalization plan and identify where in the plan such existing housing may be found.

HISTORIC PRESERVATION

The Application proposes the Acquisition and/or Rehabilitation of buildings with local, state, tribal and/or federal historic preservation designations.

PROJECT-BASED RENTAL SUBSIDY

The Project has project-based rental subsidy for at least 50% of the units. The Application must provide a copy of the relevant contract or other documentary proof of subsidy from the provider. MBOH staff will verify claimed subsidies with the funding source.

100 POINTS FOR GREEN BUILDING AND ENERGY CONSERVATION STANDARDS:

Applicant’s justification for green building and energy conservation includes but is not limited to Energy Star building and appliance initiatives, water saving devices and green construction and materials. For New Construction and Rehabilitation, the Application will be awarded 100 points if the Project will include at least 10 of the items as listed and described on the MBOH Green Building and Energy Form. The Application must include the completed MBOH Green Building and Energy Form. The Applicant’s architect, who is qualified with respect to energy and green building standards, must provide a letter confirming the listed green building items, as shown in the MBOH Green Building and Energy Form, are incorporated into the Project. For all Projects (New Construction and Rehab), the Form must list each scoring item and specify how many units will receive those items. The Applicant’s architect also must provide certification at Final Cost Certification for 8609(s) purposes confirming that the initiatives were incorporated.

6. DEVELOPMENT TEAM CHARACTERISTICS (400 POINTS POSSIBLE)

Applications meeting all of the requirements of this Section will be awarded 400 points.

DEVELOPMENT TEAM EXPERIENCE

Participation by an entity with a demonstrated track record of quality experience in completed development or management of Tax Credit Projects. MBOH will consider

- the Applicant, Owner, Developer, General Partner, Management Company, and HC Consultant and whether housing Projects have been developed and operated with the highest quality either in Montana or another state,
- existing Projects,
- amount of active local community participation used to develop Projects, and
- a management entity with a good compliance track record and specialized training.

If a new Developer, this requirement may be met through a partner who was a member of the Development Team on a prior Tax Credit Project that has achieved 100% qualified occupancy

and for which the applicable state housing finance agency has conducted a compliance audit which revealed no significant problems.

MANAGEMENT EDUCATION

One member of the Management Company meets the education requirement and one member of the Development Team (other than the Management Company) who is directly and actively involved with the Project has been trained by a Nationally Recognized LIHTC Compliance Training Company. For MBOH purposes, to maintain certification, the person must attend a complete class with a Nationally Recognized LIHTC Compliance Training Company at least once every four years (certificates must be attached with each Application). MBOH annual compliance training does not qualify for Credit under this category.

COLD WEATHER DEVELOPMENT EXPERIENCE

The Project's Developer or Consultant who is actively involved in the actual construction process has experience with Cold Weather Development and Construction (defined as one or more Projects located above the 40 degrees north parallel), as reported on the MBOH Cold Weather Experience Form.

The application must list all affordable housing including low-income housing Tax Credit Projects in Montana or any other state developed, owned, managed, or consulted on by Applicant and any member of the Development Team, whether or not such Projects were successfully completed. All Development Team members must sign, and the Application must include the completed and signed UniApp Supplement Tax Credit Information Release Form, providing consent to the release of information by other third parties.

7. PARTICIPATION OF LOCAL ENTITY (60 POINTS POSSIBLE)

For purposes of this scoring item, a local entity includes a provider serving the Project locality from a physical office in the region of the state where the Project is located even if the provider does not maintain a local office in the locality.

COMMUNICATION/RELATIONSHIPS (30 POINTS POSSIBLE)

30 points will be awarded if the Application includes documentation in the form of a detailed and descriptive narrative, confirmed in writing by the local entity, indicating that the Owner/Developer has met with one or more local entities to discuss the local entities' participation in the Project through provision of any of the following:

- screening and referring of individuals as prospective tenants;
- providing on-site services to Project tenants;
- donation of land or sale at a reduced price to enhance affordability;
- use of grant money to develop infrastructure or for other uses;
- significant fee waivers on local government fees; or
- other forms of significant monetary or in-kind support.

SERVICE COMMITMENTS/UNDERSTANDINGS (30 POINTS POSSIBLE)

30 points will be awarded if the Application includes a narrative in which the Owner/Developer commits to provide or arrange for provision of one or more specifically described supportive services for the duration of the Extended Use Period. The narrative must provide evidence of how such described supportive services will benefit the Project. The same component of participation by a local entity may not be counted toward more than one item, and may be given Credit by an award of points only once.

Points will not be awarded for the same item in both this Participation of Local Entity section and the Project Characteristics/Affordable Housing Stock section.

8. TENANT POPULATIONS WITH SPECIAL HOUSING NEEDS (100 POINTS POSSIBLE)

An Application will be awarded 10 points for each 5% of the units targeting or meeting the following identified needs up to a maximum of 100 points. The Application must specify the number of units targeted for or meeting each category. MBOH will use Units Accessibility in the UniApp to calculate the score for this item. Units may not be counted more than once or in more than one category for purposes of awarding points.

- Units targeted specifically for individuals with children or large families (units with 2 or more bedrooms).
- Units targeted specifically as Section 504 fully accessible units exceeding minimum fair housing requirements.
- Units targeted specifically for persons with disabilities (points limited to a maximum of 25% of units in the Project) (Application must describe the strategy that will be used to market available units to disabled persons throughout the Extended Use Period).
- Units targeted to veterans (points limited to a maximum of 25% of units in the Project).
- Units targeted to victims of domestic violence (points limited to a maximum of 25% of units in the Project).
- Units that provide Permanent Supportive Housing (points limited to a maximum of 25% of units in the Project).

If the Project is an Elderly Property as defined in federal law, the Application will receive 100 points under this provision.

Example:

- 2 – 2 bdrm units meet family requirement 20% – 40 points
- 2 – 1 bdrm units exceed section 504 20% – 40 points
- 1 – 1 bdrm unit targeted to mental illness 10% – 20 points
- 5 – 1 bdrm units with no targeting 50% – 0 points
- 10 – Total units in Project – 100 total points received

9. DEVELOPER KNOWLEDGE AND RESPONSIVENESS (UP TO MINUS (-) 400 POINTS POSSIBLE)

If an entity or individual participating in a Project as a member of the Development Team identified in an Application has a demonstrated poor track record or demonstrated past management weaknesses with respect to developments in Montana or in another state, or has

failed in the past to respond timely to an MBOH letter of inquiry with respect to a Project, MBOH may assign negative points.

MBOH will provide written notice within thirty (30) days of MBOH learning of any event that will result in a negative point assignment. If MBOH learns of the event after Application submission and prior to the MBOH Board's Award meeting, MBOH will provide written notice to the Applicant within five (5) business days. The written notice must describe the event giving rise to the negative point assignment and specify the Development Team member or members affected by the negative point assignment, the number of negative points to be assigned and the number of future Applications to which negative points will be assigned. If MBOH has learned of the event after Application submission and prior to the MBOH Board's Award meeting, the notice must be provided to the Applicant and affected members of the Development Team and inform such persons or entities that they may respond in writing to MBOH within five (5) business days of the date of the notice or, if earlier, by 3 days prior to the MBOH Board's Award meeting. If MBOH learns of the event outside the period from Application submission to MBOH Board Award meeting, the notice must be provided to the particular Development Team member affected and inform such Development Team member that they may respond in writing to MBOH within thirty (30) days of the date of the notice.

DEMONSTRATED POOR TRACK RECORD

For purposes of determining a participant's track record, MBOH may contact community officials, Development Team or Development Team member references, Credit bureaus, other state Tax Credit administering agencies and any other sources as MBOH deems appropriate. Up to minus (-) 100 points may be assigned for each of the following: (i) demonstrated poor track record with respect to developments in Montana or in another state, and/or (ii) failure to respond within 10 working days of MBOH letter of inquiry. (***Up to Minus (-) 200 points possible***)

DEMONSTRATED MANAGEMENT WEAKNESSES

Development Team members with past demonstrated management weaknesses, including but not limited to those management weaknesses listed below may be assigned negative points for this section (***Up to Minus (-) 200 points possible***), for example:

- Has not followed-through on the development of a Project from Application to rent-up and operation;
- Has not complied with MBOH submission, compliance or other requirements applicable during Project development, construction and Extended Use Period;
- Has not maintained a Project to Section 42 or other program standards;
- Has or had numerous or outstanding substantial non-compliance issues or IRS 8823s;
- Has not completed required training in a certified compliance training program;
- Has not completed required management compliance retraining at least every four years;
- Has requested income targeting changes that are not supported by unanticipated hardship;

- For Projects Awarded Credits for 2018 or later years, has a debt coverage ratio at 10% cost certification or final allocation that has changed significantly from the debt coverage ratio as underwritten by MBOH at Application;
- Has requested additional Credits more than once;
- Has failed to comply with the Substantial Changes requirements;
- Has significantly diminished the quality and long term viability of a previous Project by lowering costs below a reasonable level;
- Has delinquent late fees due and payable to MBOH;
- Has intentionally provided false information to MBOH in connection with an Application, Project or any related Board inquiry or process;
- Has been a member of the Development Team for a prior Project that exceeded maximum Hard Cost Per Unit or Total Project Cost Per Unit at Final Cost Certification; or
- Has been a member of the Development Team for a prior Project Awarded Credits from 2018 or later years that exceeded the applicable maximum Soft Cost Ratio at Final Cost Certification.

Negative points may not be assigned for the same matter under both Section 9(a) and 9(b).

METHOD OF ASSIGNING NEGATIVE POINTS

Any negative points will be assigned as follows:

The factors that will be considered in determining whether to assign negative points and the number of any negative points to be assigned with respect to poor track record items, management weaknesses and failure to response to MBOH letters of inquiry, include:

- The nature and seriousness of the incident(s);
- The frequency of such incidents;
- The incidents were or were not within the control of the individual or entity;
- The degree and timeliness to and with which the entity or individual responded to correction and educational efforts;
- The responsiveness of the individual or entity in responding timely to fees, penalties and other sanctions imposed;
- The cost or financial harm caused to the Project, the Tax Credit agency or third parties;
- The nature and extent of inconvenience and harm caused to Project tenants;
- The nature and extent of damage or expense caused to Project property;
- The extent to which the Project as completed failed to comply with the Project as represented in the Application or in approved Project changes;
- The extent to which the incident would have affected scoring of the Project Application if known as the time (although no such effect on Application scoring need be shown to justify an assignment of negative points);
- The extent to which completion of a Project that received an Award of Credits was substantially delayed or prevented;
- The extent to which Credits that were Awarded were recaptured;
- The extent to which unreasonable or excessive fees, profits or other improper remuneration was derived improperly from a Credit Award or Project; and
- The presence of any other relevant factors or considerations.

Except as otherwise provided in this Section, MBOH will assign negative points on the next competitive 9% Credit Application (or multiple Applications in the same competitive round) which includes as part of its Development Team any person or entity that participated as a Development Team member in the Project or Projects giving rise to the negative point assignment.

If multiple and/or repeat instances of poor performance, management weakness or fail to respond occur or have occurred, MBOH may assign negative points with respect to a Development Team member for not only the first competitive round in which an Application involving such member participates but may also be assigned for such Applications in multiple future years or competitive rounds.

If MBOH assigns negative points as a result of poor track record, management weakness or failure to respond that occurred as part of the development/construction/rehabilitation process prior to beginning of lease-up activities or other involvement of the Qualified Management Company, negative points will not be assigned with respect to such Qualified Management Company.

If more than one Development Team member subject to a negative point assignment from a prior Project is part of the Development Team on a current or future Project Application, the total negative points assigned to the Application will be the greatest number of negative points assigned with respect to any one such participating Development Team member.

If the Project giving rise to the negative points would have received a lower Development Evaluation Criteria score under the QAP under which the Project initially was evaluated, scored and awarded Credits had the poor track record, management weakness or failure to respond been known as of Application scoring, the negative points assigned with respect to a Development Team member from the earlier Application will be the number of points corresponding to the difference in scoring that would have resulted. Such point difference shall be converted as appropriate and necessary to correspond to the current QAP point scoring system.

B. AWARD DETERMINATION

The MBOH Board will select Applications to receive an Award that it determines best meet the most pressing affordable housing needs of low-income people in Montana, taking into consideration:

- all of the requirements, considerations, factors, limitations, Development Evaluation Criteria, set asides, priorities and data (including without limitation the statistical data in the MBOH Statistical Data Form) set forth in this QAP and all federal requirements (together referred to in this QAP as the “Selection Criteria”);
- the Development Evaluation Criteria scoring; and
- all other information provided to the MBOH Board regarding the applicant Projects.

The awarding of points to Projects pursuant to the Development Evaluation Criteria is for purposes of determining that the Projects meet at least the minimum Development Evaluation Criteria required for further consideration and to assist the MBOH Board in evaluating and comparing Projects. Development Evaluation Criteria scoring is only one of several considerations taken into account by the MBOH Board and does not control the selection of Projects that will receive an Award of Housing Credits.

In addition to any other Selection Criteria, the MBOH Board may consider the following factors in selecting Applications for an Award:

1. The geographical distribution of Housing Credit Projects;
2. The rural or urban location of the Projects;
3. The overall income levels targeted by the Projects (including deeper targeting of income levels);
4. The need for affordable housing in the community, including but not limited to current Vacancy Rates;
5. Rehabilitation of existing low-income housing stock;
6. Sustainable energy savings initiatives;
7. Financial and operational ability of the Applicant to fund, complete and maintain the Project through the Extended Use Period;
8. Past performance of an Applicant in initiating and completing Tax Credit Projects;
9. Cost of construction, land and utilities, including but not limited to costs/Credits per square foot/unit;
10. The Project is being developed in or near a historic downtown neighborhood;
11. The frequency of Awards in the respective areas where Projects are located;
12. Preserving project rental assistance or have or are planning to add Section 811 units to an existing project; and/or
13. Augmentation and/or sources of funds.

If the MBOH Board Awards Credits to an Applicant where the Award is not in keeping with the Selection Criteria of this QAP, it will publish a written explanation that will be made available to the general public.

VIII. UNDERWRITING ASSUMPTIONS AND LIMITATIONS

These underwriting assumptions will be used at Application, 10% Cost Certification and Final Cost Certification.

A. PRO-FORMA COMPONENTS

1. OPERATING EXPENSES

MBOH will evaluate Operating Expenses and Vacancy Rate underwriting assumptions for all Projects for reasonableness, taking into account the type of housing, unit sizes, intended target group of the housing and location. Staff may require the Applicant to provide additional justification and documentation.

2. DEBT COVERAGE RATIO

The ratio of net operating income (rental income less Operating Expenses, not including expenses for amortization, depreciation or mortgage-related interest, and reserve payments) to foreclosable, currently amortizing debt service obligations (“Debt Coverage Ratio” or “DCR”) should be between:

- 1.15 and 1.35 in the first year of normal operation if projected to trend upward;
- 1.10 and 1.50 during the entire first 15 years of normal operation if projected to trend downward.

Applications must justify DCRs outside these ranges in a narrative. MBOH will consider the reasonableness of the Project’s proposed rent levels, Operating Expenses, reserve payments, projected Vacancy Rates, debt service obligations, Soft Costs and amount of Credits requested. If the DCR, as underwritten by MBOH at Application, is above the ranges specified above without acceptable justification, MBOH will reduce the amount of Credits requested or the rent levels proposed.

3. TOTAL EXPENSE RATIO

MBOH will consider, on a case by case basis, projects which materially deviate from a 1.10 ratio.

4. OPERATING RESERVES

Owners must establish and maintain minimum operating reserves in an amount equal to at least four months of projected Operating Expenses, debt service payments, and annual replacement reserve payments. The specific requirements for reserves, including the term for which reserves must be held, must be included in the limited partnership or operating agreement. Using an acceptable third party source, this requirement can be met by cash, bond, letter of Credit from a financial institution, or a Developer guarantee that a syndicator has accepted the responsibility for a reserve.

5. REPLACEMENT RESERVES

Owners must contribute replacement reserves in an amount equal to at least \$300 per unit annually. Exceptions may be made for certain special needs or supportive housing developments. Exceptions must be documented and will be reviewed on a case by case basis. The specific requirements for reserves, including the term for which reserves must be held, must be included in the limited partnership or operating agreement.

6. UTILITY ALLOWANCES

The Montana Department of Commerce Section 8 Utility Allowances are the only acceptable utility allowances for Applications, unless otherwise provided by USDA Rural Development or an MBOH-approved allowance using the HUD Utility Model (HUSM). Projects may use their own calculated HUSM from LOI to Placed in Service, but as of Placed in Service must have obtained MBOH prior approval of HUSM.

7. ADDITIONAL UNDERWRITING ASSUMPTIONS

MBOH will use the following underwriting assumptions for underwriting all Applications:

- Vacancy rates: 10% - 20 units and less, 7% - more than 20 and up to 50 units, 5% - more than 50 units or 100% project based rental assistance;
- Income Trending: 2%;
- Expense Trending: 3%;
- Reserves Trending: as proposed in Application but not to exceed 3%;
- Structured Debt for pro-forma not allowed; and
- Operating expenses per unit: \$3,000-\$6,000 annually.

8. SOURCES AND USES CERTIFICATION

Applicants must certify that they have disclosed all of a project's sources and uses, as well as its total financing, and must disclose to MBOH in writing any future changes in sources and uses over 10% in any UniApp section or any increase in Soft Costs throughout the development period (until 8609's are received).

B. SUBSTANTIAL REHABILITATION

Montana's minimum Substantial Rehabilitation standard is expenditures the greater of

- \$35,000 of Hard Cost Per Unit for 9% Projects (\$30,000 for 4% Projects), or
- an amount which is not less than 30% of the adjusted eligible basis of the building during a 24-month or shorter period.

Rehabilitation 9% Projects must meet all requirements of the capital needs assessment and the Application must also include a list of items in each unit that will be replaced, refinished, repaired, upgraded, or otherwise rehabilitated.

C. PROJECTS SEEKING PROPERTY TAX EXEMPTIONS

Applications proposing a property tax exemption for rental housing providing affordable housing to lower-income tenants pursuant to Mont. Code Ann. § 15-6-221 must affirmatively commit to providing a minimum of 50% of the Units in the property to tenants at 50% of the area median income, with rents restricted to a maximum of 30% of 50% of area median income, as calculated under Section 42. This requirement does not apply to 4% Projects, including the 4% Project in Twinned Projects.

D. EVENTUAL HOME OWNERSHIP

Projects wishing to convert to homeownership at the end of the 15 year compliance period may do so under the provisions of the Code. MBOH will accept no more than one application per calendar year that intends to convert to homeownership. As these projects will be rental housing for a minimum of 15 years, they will be underwritten as a rental project, and are subject to the same underwriting criteria as full-term projects.

The following conditions generally apply:

- The units must be single family detached, townhouse, or condominium;
- Intention to convert must be expressed at time of application;

- Applicant must submit a comprehensive plan that includes, but is not limited to, provisions for repair or replacement of heating system, water heater, and roof prior to sale; limitation on equity upon subsequent sales; homeownership classes for potential homebuyers; and requirements for extent of stay in rental unit to be eligible for purchase;
- Purchaser must occupy unit as primary residence;
- Units must be initially marketed to existing rental resident. Remaining units not sold to existing renter households must be sold to households earning 80 percent or less of AMI;
- Low income units that are not sold to their residents must remain rental units; subject to low income and rent restrictions for the term of the LURA.

E. 130% BASIS BOOST

Applications for Projects not located in an area designated by HUD as a difficult development area (“DDA”) or a QCT may request Housing Credits calculated at up to 130% of eligible basis. The documentation must explain why the Project would not be feasible without the boost. MBOH also may consider any one of the following factors:

- a Tribal or Small Rural Project;
- Qualification of the building for Rural Development funding;
- targeting of more than 75% of Project units to 50% or below area median income level;
- includes historical preservation, preservation or replacement of an existing affordable housing Project (replacement must replace the same Project with the same or similar affordability requirements); or
- for purposes of financial feasibility.

F. NON-HOUSING AMENITIES

Projects may include swimming pools, golf courses, and other similar amenities only if funded by sources other than Housing Credits (this requirement does not apply to garages or car ports).

G. HOUSING CREDIT PROCEEDS

Applications must estimate expected Credit proceeds. Within 60 days after the partnership or operating agreement is signed by all parties, the Applicant must provide MBOH with a copy of the executed agreement to avoid a late fee. Prior to issuance of IRS Form 8609(s), MBOH will require the accountant's certification to include gross syndication proceeds and costs of syndication.

H. DEVELOPMENT COST LIMITATIONS

1. HARD COSTS

All Applications must provide justification for development costs. Even for those projects meeting specific QAP limitations, MBOH will evaluate Cost Per Unit and Cost Per Square Foot for all Projects for reasonableness, taking into account the type of housing, other development costs, unit sizes, the intended target group of the housing, where the Project will be located, and other relevant factors.

MBOH may decline to Award Credits to a Project where it determines that costs do not reflect the optimal use of Housing Credits.

TOTAL COST PER UNIT LIMIT.

Total Project Cost Per Unit may not exceed \$280,000.

For purposes of applying this limit to Applications for the 4% and 9% Projects in Twinned 4%/9% Projects, Total Project Cost Per Unit will be calculated as an average of the Total Project Cost Per Unit amounts for the included 4% Project(s) and 9% Project(s).

Applications exceeding this limit will receive no further consideration. Projects must meet this limit at LOI, Application, 10% Cost Certification and Final Cost Certification. MBOH will assess negative points in the future if a Project exceeds this limit at Final Cost Certification. This negative points assessment will apply only prospectively to Projects Awarded Credits in the 2017 or later Award rounds.

The \$280,000 limit amount also applies to Projects awarded Credits in prior years and for which an IRS Form 8609 has not yet been issued, if MBOH staff approves such limit amount based upon submission of a written request with supporting justification for cost.

Applicants must submit requests for exception to the Total Cost Per Unit limit no later than thirty (30) day prior to the LOI submission deadline. MBOH will consider exceptions based upon documented justification. The MBOH Board may grant exceptions in its sole discretion. The board may not consider waivers for greater than \$320,000 per unit.

COMMUNITY SERVICES FACILITY COST EXCLUSION

For purposes of the Total Project Cost Per Unit limit, costs of Community Service Facilities may be deducted from Total Project Costs if the Application includes:

- a calculation of the costs of the Community Service Facility(ies) that is reasonable and consistent with the UniApp for the Project and that specifically itemizes the costs reasonably attributable or allocable to such building or partial building;
- a written certification that the Project's Total Cost Per Unit will be within the limit in this QAP upon exclusion of such Community Service Facility costs;
- the Applicant's agreement that, upon request, it will provide MBOH staff with supporting cost documentation, a CPA certification or other information to support the cost calculation, and will pay the cost of an independent third party expert analysis if required by MBOH; and
- Applicant's agreement that MBOH will deny an exclusion if staff determines that such cost calculation is unreasonable or not supported by appropriate documentation or certification.

2. ADDITIONAL COST LIMITATIONS

To the extent an Application exceeds the following cost limitations, as calculated in UniApp, MBOH will reduce the excess for all purposes under the Housing Credit program.

BUILDER'S OVERHEAD

Builder's Overhead, the builder's overhead shown in the Applicant's properly completed UniApp Supplement (Cost Limitations and Requirements), is limited to a maximum of 2% of Construction Costs.

GENERAL REQUIREMENTS

General Requirements are limited to a maximum of 6% of Construction Costs.

BUILDER PROFIT

Builder Profit, the builder's profit shown in the Applicant's properly completed UniApp Supplement (Cost Limitations and Requirements), will be limited to a maximum of 6% of Construction Costs.

DEVELOPER FEES

Developer Fees will be limited to a maximum of 15% of Total Project Costs.

For purposes of this Developer Fee limit, Total Project Costs do not include Developer Fees, Project reserves or land costs. HC Consultant fees (amount must be disclosed) will be included as part of and subject to the limit on Developer Fees. Architectural, engineering, and legal services are considered to be professional services, and fees for such services are not included as Developer Fees for purposes of this limitation.

DISCLOSURE OF TRANSACTIONS INVOLVING RELATED PARTIES

Applicants and Owners must disclose all transactions with Related Parties; failure to do so may result in the Project not receiving an Award. MBOH may reduce Developer Fees, Builder Profit or other Soft Costs on Projects involving Related Party transactions.

LIMITATION ON SOFT COSTS

The Soft-Cost-to-Hard-Cost Ratio ("Soft Cost Ratio") for the Project, based upon the Application's UniApp, may not exceed:

- 32% for projects with more than 24 units;
- 37% for projects with 24 or fewer units or Small Rural Projects; or
- 40% for stand-alone 4% Credit Projects.

For Twinned 4%/9% Projects, the Soft Cost ratio is calculated based upon the combined costs for the 4% and 9% Projects and the applicable 32% Large Project limit or 37% Small Rural Project limit. If the Soft Cost Ratio for a Project exceeds the applicable maximum, MBOH will allow the Applicant to specify how and by what amount its Soft Costs will be reduced in writing within ten (10) business days. The Application will reflect such adjustments for all purposes under the HC program. If the Applicant fails to communicate its adjustments within the required time, MBOH will return the Application. Projects must meet this limit at LOI Intent, Application, 10% Cost Certification and Final Cost Certification. MBOH will assess negative points to Projects Awarded Credits for 2018 or later years exceeding this limit at Final Cost Certification.

PROFESSIONAL FEES

The UniApp must address and provide justification for professional fees. MBOH will compare these fees as a percentage to construction costs for reasonableness.

ADDITIONAL DUE DILIGENCE

MBOH may require due diligence in the form of additional cost certification for Projects MBOH considers to be at high risk for unreasonable costs. This additional due diligence may include audits of contracts among or between Development Team members or contractors and/or sampling of subcontractor invoices to verify consistency with the developer cost certification.

IX. MBOH COMMUNICATIONS

MBOH may communicate with Applicants to provide interpretive guidance or for purposes of clarifying, verifying or confirming any information.

MBOH may query an Applicant or other persons regarding any concerns related to an Application or the management, construction or operation of a proposed or existing low-income housing Project. Questionable or illegal housing practices or management, or insufficient or inadequate response may be grounds for Disqualification of an Application.

MBOH may contact local community officials to discuss relevant evaluation criteria. MBOH may also contact any other third parties to confirm or seek clarification regarding any information in the Application.

MBOH will provide notice of the Project to the chief executive officer (or the equivalent) of the local jurisdiction within which the Project is proposed to be located and provide such individual a reasonable opportunity to comment on the Project.

X. RESERVATION, CARRYOVER ALLOCATION, CREDIT REFRESH AND FINAL ALLOCATION

The requirements in this Section apply to all Projects Awarded Credits.

A. RESERVATION AGREEMENT

After an Award of Credits, MBOH will provide a Reservation Agreement to the Owner. Once the Owner enters into a Reservation Agreement with MBOH, the Owner must then meet the requirements and conditions described and provide the required documentation before it receives a Carryover Allocation (Initial Allocation) or Final Allocation of Housing Credits.

MBOH will revoke an approved Reservation and terminate the Reservation Agreement when a Project fails to make successful progress toward completion or otherwise fails to perform its obligations.

If an unsuccessful Applicant, or a party associated with such Applicant, commences any legal action or proceeding challenging MBOH's Award determination or process, MBOH will make a Carryover Allocation (Initial Allocation) or Final Allocation of Housing Credits as required by an executed Reservation Agreement to the same extent it would have been bound to do in absence of the legal challenge, unless the court determines that such Applicant was not eligible or qualified under the applicable QAP to receive an Award of Housing Credits or MBOH otherwise determines that it is precluded by Court order from doing so. If a court determines in any such action or proceeding that MBOH must Award Credits to one or more unsuccessful Applicants from such round or year, such Award or Awards will be made using any available returned or unreserved Housing Credits or current year's Credits.

B. CARRYOVER ALLOCATION

MBOH will issue a Carryover Allocation Agreement to the Owner for execution and return to MBOH by December 1 of the year for which the Credits are being Awarded.

To receive a Carryover Allocation, the Owner must submit the executed Reservation Agreement, proof of ownership (evidence of title or right to possession and use of the project property for the duration of the Compliance Period and the Extended Use Period plus one year, e.g., a recorded deed or an executed lease agreement), executed and recorded Restrictive Covenants, and the Reservation fee.

C. 10% TEST

Deadline for submission of the required 10% information is the first anniversary of the date on which MBOH executed the Carryover Allocation Agreement. Failure to pay the required fee, submit certification for 10% documentation, or to meet the 10% Test will cause forfeiture of Awarded, reserved or allocated Housing Credits. Refer to the 10% checklist on the MBOH website for the most current checklist of requirements.

D. LURA/DECLARATION OF RESTRICTIVE COVENANTS

When submitted to MBOH, the executed and recorded Declaration of Restrictive Covenants/ Land Use Restriction Agreement (Restrictive Covenants or LURA) must be accompanied by a copy of the most current ALTA survey (if available) and title commitment (if available) for the Project real property. These documents must be submitted by December 1 of the year for which the Award of Credits was made. If not available at such time, these documents must be submitted as soon as available (except where unavailable for tribal trust land).

By execution and recording of the LURA the Owners waives the right to request that MBOH locate a non-profit qualified buyer (the "qualified contract process"). The Extended Use Period specified in the LURA may not be terminated early through the qualified contract process and the Owner must for the entire Extended Use Period as provided in the LURA.

Prior to issuance of 8609, documentation must be submitted evidencing the first priority position of the Restrictive Covenants. If such evidence does not show that the Restrictive Covenants are

in a first priority position, MBOH will require a subordination agreement from the owner or holder of any prior-recorded lien or encumbrance as a condition of issuance of IRS Form 8609, unless such prior lien or encumbrance is required by a federal agency to have priority over the Restrictive Covenants or MBOH otherwise determines in writing that subordination is not required.

For Projects constructed or to be constructed on leased ground, the LURA is not required to have priority over the ground lease. However, the LURA and ground lease shall include such provisions as are satisfactory to MBOH to assure to the greatest practicable extent that the Project will be subject to all LURA restrictions for the full Extended Use Period.

E. REFRESHING CREDITS

MBOH may approve conversion of previously awarded Credits from the original Credit year of the Credits Awarded to a more recent Credit year (“Credit Refresh”) for Projects that have been issued a Carryover Allocation (Initial Allocation) and for which MBOH has approved such 10% Cost Certification.

The amount of Credits reserved through a Credit Refresh shall not exceed the amount of Credits originally allocated or the maximum Credit Award under the Applicable QAP.

In making its determination, MBOH may consider any or all of the following:

- The diligence, or lack of diligence, by the Development Team, Owner or other Project participant in seeking to complete the development, approval, construction and opening of the Project;
- Any factors beyond the control of the Development Team, Owner or other Project participant, significantly contributing to the need for the Credit Refresh;
- The likelihood that the Project will be completed and Placed in Service within a reasonable time, under the circumstances, if approved;
- The likelihood that the Project will not be completed or Placed in Service if denied;
- The need for the Project, as determined in the original Application and Award processes;
- Any significant changes in market conditions or other factors that affect the financial feasibility of or need for the Project; and
- Any other factor or factors that the Board deems relevant to the determination

MBOH may place any one or more conditions on approval or further consideration of an application.

All requirements of the Applicable QAP and applicable law shall apply as if such Reservation were the original.

F. FINAL ALLOCATIONS/8609

Refer to the 8609 checklist on the MBOH website for the most current checklist of items due.

MBOH will assess a late fee if it does not receive the paperwork within 6 months of the last building Placed in Service date. MBOH may make a site visit and conduct a file audit prior to issuance of Form 8609(s). Owners must send a copy of each completed and signed Form 8609 back to MBOH within 3 months of issuance.

G. PUBLIC NOTIFICATION

Any public relations actions by a recipient of Tax Credits must specifically state that a portion of the funding is from MBOH, including radio, television, and printed advertisements (excluding rental ads), public notices, and signs at construction sites.

H. CHANGES TO PROJECT OR APPLICATION

MBOH must approve any changes in the Implementation Schedule greater than 60 days. Owners must submit notification in writing with justification to MBOH within 10 business days of the change.

MBOH must specifically approve any of the following Substantial Changes in the project as set forth in the Application. The Applicant must notify MBOH in writing at least 30 days before implementing Substantial Changes.

- A member of the Development Team, including the Applicant, occurring prior to Placed in Service;
- A change or amendment to the Developer Fee agreement or Consultant Fee agreement;
- Participating local entity;
- Quality or durability of construction;
- Number of units or unit composition;

- Common Space square footage, location or purposes;
- Housing Credits required for the Project;
- Extended Use Period;
- Any Application item or information required by the Applicable QAP;
- Any item that would have resulted in a lower Development Evaluation Criteria Score under the Applicable QAP; and
- Any other significant feature, characteristic or aspect of the Project.

If MBOH staff denies approval of any Project Change, the Applicant may request Board review and must inform MBOH staff if the proposed change requires immediate or urgent review and approval. Any requested changes may incur additional fees.

XI. QUARTERLY REPORTS

All Applicants receiving Reservations must provide written status reports for each calendar quarter pursuant to the terms of the Reservation Agreement.

Refer to the Quarterly Report Form on the MBOH website for the most current checklist of items and applicable due dates.

XII. QUALIFIED CONTRACT PROCESS

MBOH has adopted certain requirements and procedures applicable to the qualified contract process. These requirements and procedures are set forth in a separate Montana Board of Housing publication entitled the Montana Board of Housing, Qualified Contract Process(**INSERT DATE**) (the “Qualified Contract Process” or “QCP”). The QCP governs eligibility, submission, consideration, determination and other aspects of a request for a qualified contract as provided in Section 42.

MBOH may update and revise the QCP from time to time through the administrative rule adoption process. Any updated or revised version of the QCP adopted as rule will replace and supersede the **INSERT DATE** version of the QCP as provided in the adopted rule. The current version of the QCP is available on the MBOH website.

APPENDIX: B

DESIGN REQUIREMENTS

APPENDIX B: DESIGN REQUIREMENTS

A. PROJECT ACCESSIBILITY REQUIREMENTS

The Fair Housing Act, including design and accessibility requirements, applies to HC properties. In addition to meeting Fair Housing Act requirements, MBOH requires that all New Construction units and common areas and Rehabilitation that at least replaces interior walls and doors must incorporate the following:

For Rehab, items 3 and 4 below apply to all units and all floors where moving walls, removing wall coverings, or doing new wiring or rewiring.

1. 36 inch doors for all living areas (except pantry, storage, and closets).
2. All door hardware must comply with Fair Housing Act standards for all units.
3. Outlets mounted not less than 18 inches above floor covering.
4. Light switches, control boxes and/or thermostats mounted from 36 to 48 inches above floor covering.
5. Walls adjacent to toilets, bath tubs and shower stalls must be reinforced for later installation of grab bars.
6. All faucets must be lever style.
7. A minimum of a ground floor level half-bath with a 30X48 inch turn space (also required in Rehabilitation unless waived by staff for structural limitations or excessive cost, etc.) (does not apply if there is no living space on the ground floor level).
8. No-step entry to all ground floor level units.

9. Compliance with accessibility requirements must be certified in the architect's letter of certification submitted with the 8609(s) submission. It is suggested but not required that Projects also include parking for caregivers for tenants with disabilities and that a lease addendum provide for moving a household without tenants with disabilities from a handicapped accessible unit to a regular unit if the handicapped accessible unit is needed for rental to a tenant with a disability.

B. ENERGY, GREEN BUILDING AND OTHER INITIATIVES, GOALS AND REQUIREMENTS

The following items in Subparagraphs 1 through 12 specify voluntary initiatives and goals which MBOH encourages Developers to consider in the planning and development of Projects, as well as certain Project requirements. These items are required only where so indicated by the use of mandatory language (e.g., "must"). Such initiatives, goals and requirements are subject to any further applicable provisions of this QAP.

1. INTEGRATED DESIGN PROCESS AND COMMUNITY CONNECTIVITY

Project development and design includes a holistic approach. Processes include neighborhood and community involvement to ensure Project acceptance and enhancement. Integrated design processes ensure higher quality finish Project. Existing neighborhood edges, characteristics, fabric are considered in the Project design. Some considerations may include but are not limited to a community design charrette, incorporating Project into neighborhood fabric, energy modeling, commissioning, infrared testing, etc. (see Required Infrared Testing for Projects Awarded Credits, below).

2. VISITABILITY AND UNIVERSAL DESIGN PRINCIPLES

Applicants should consider inclusion of visitability and universal design principles in development of the Project. MBOH encourages strong advertising of accessible features when advertising new construction through the Multiple listing services or through MontanaHousingSearch.com.

3. SUSTAINABLE SITE, LOCATION AND DESIGN

The building(s) and Project site, including the surrounding area, provide opportunities for education, alternative transportation, services, and community facilities. This is evidenced, for example, by Projects using existing infrastructure, reusing a building or existing housing, redeveloping a greyfield/brownfield, or developing in an existing neighborhood. Design elements use the site's characteristics and reduce impact on the site allowing for open space and other amenities, such as infill projects, rehabilitating existing building(s), rehabilitating existing housing, providing carpooling opportunities, using well water for landscaping, etc.

4. PASSIVE HOUSE STANDARD

Passive House is a voluntary international building standard developed by the Passive House Institute (PHI), located in Darmstadt, Germany (referred to as the "Passive House Standard").

The Passive House Standard is composed of several strict performance requirements for new building construction. For the renovation of existing buildings, PHI developed a similar if slightly more lenient performance standard. The resulting performance represents a roughly 90% reduction in heating and cooling energy usage and up to a 75% reduction in primary energy usage from existing building stock.

5. ENERGY AND WATER CONSERVATION

Design features, product selection and renewable energy options directly reduce use of resources and result in cost savings. Design and product selection exceed applicable energy codes in performance. Examples include but are not limited to Energy Star appliances, drip irrigation, low flow fixtures, dual flush or composting toilets, ground source heat, duct sealing, rainwater collection, and low water consumption plants. At the time of replacement, all appliances must be Energy Star rated.

6. MATERIAL AND RESOURCE EFFICIENCY

Material selections are better quality, designed for durability and long term performance with reduced maintenance. Products used are available locally and/or contain recycled content. Construction waste is reduced in the Project through efficient installation or recycling waste during construction. Considerations include but are not limited to construction waste management specification, recycled content products, local materials, reuse existing building materials, certified lumber, and sustainable harvest lumber.

7. AMENITIES

Applicants may consider for inclusion in the Project the amenities listed in the Amenities Form to be provided at no charge to tenants in the Project. Luxury amenities will not be considered or funded with Tax Credits. Items deemed luxury amenities include, but are not limited to swimming pools, golf courses, and similar amenities. The added costs of the Project attributable to higher quality amenities will be considered on a Project by Project basis for a cost to benefit assessment, and the cost of each amenity will be calculated on a per unit basis as shown in the applicable Application worksheet.

Amenities provided will not be used for Commercial Purposes, which means use of any Project Amenities, common space or other Project property or facilities by others than Project tenants for which the Project owner or management receives any compensation (e.g., rent payments) for such use, whether in cash or in kind. Commercial Purposes do not include the shared use of Project Amenities under a cost sharing agreement for shared use by limited populations that is reasonable in type, scope and nature, considering the type, capacity and nature of the amenities and shared use in question (e.g., the type of amenities, the number of additional tenants having access and the nature of shared use must not substantially reduce the ability of Project tenants to use and enjoy the amenities as originally provided), where the basis and costs of such amenities are allocated reasonably based upon a documented methodology in accordance with applicable laws, regulations and requirements, and where approved in writing by MBOH staff. All Projects previously Awarded Tax Credits are subject to this restriction but

are grandfathered only to the extent Commercial Purposes were specifically included in the Application.

8. HEALTHY LIVING ENVIRONMENTS (INDOOR ENVIRONMENTAL QUALITY)

Materials and design contribute to a healthy and comfortable living environment. Mechanical system design, construction methods and materials preserve indoor air quality during construction as well as the long term performance such as fresh air circulation and exhaust fans, bathroom and kitchen fans exhausting air and moisture, material selection with low toxicity and low VOC (volatile organic compounds) paints, sealants, and adhesives.

9. SMOKE-FREE HOUSING

Promoting healthy behaviors can also have a large impact on residents at no additional cost to the Developer. Smoke-free policies protect residents against the harmful health impacts of tobacco smoke, greatly reduce the risk of fires, and prevent damage to units caused by tobacco smoke. Such policies also make properties more attractive to those who do not allow smoking in their own homes.

For New Construction Projects, the Owner (and any Management Company) must establish and implement a written policy that prohibits smoking in the units and the indoor Common Areas of the Project, including a non-smoking clause in the lease for every Project unit. The Owner (and any Management Company) rather than MBOH will be responsible to establish, implement and enforce such written policy and lease clause. The Owner and Management Company also must make educational materials on tobacco treatment programs, including the phone number for the Montana Tobacco Quit Line, available to all tenants of the Project. The Montana Tobacco Use Prevention Program Smokefree Housing Project can provide educational materials and smokefree signage to property owners and managers free of charge, as requested. If smoking is allowed outside on the Project property, it is recommended that the written smoking policy require that smoking be restricted to areas no closer than 20 feet from all building entrances and exits. The written policy must provide appropriate exceptions for bona fide cultural or religious practices.

10. STATE OF MONTANA BUILDING CODE

All Projects must comply with State of Montana Building Code, whether or not the State of Montana building code has been adopted in the Project's jurisdiction.

11. REQUIRED INFRARED TESTING FOR PROJECTS AWARDED CREDITS

For Rehabilitation Projects Awarded HCs: Infrared tests are required on at least 10% of units and a representative sampling of Common Areas both before and after the Rehabilitation. At the time of testing there must be at least 20 degrees temperature difference from outdoors to inside the Unit. Infrared testing must be performed by a certified tester. Testing must demonstrate that improvement has been achieved. MBOH staff may approve changes to the sample size selected. Infrastructure installation is required for all New Construction and Substantial Rehabilitation developments. If this requirement is unfeasible the Applicant must submit a waiver request. This request must contain justification and detailed documentation.

APPENDIX: C

COMPLIANCE MONITORING

APPENDIX C: COMPLIANCE MONITORING

The following compliance processes and requirements apply to all projects awarded credits.

MAXIMUM RENTS AND TENANT OBLIGATIONS

Rents and total tenant obligations to the landlord, including any mandatory tenant-paid items, must be limited to the levels and items specified in the Application and/or Declaration of Restrictive Covenants, and dictated by the applicable HUD income and rent levels.

For existing tenants, rent increases in any calendar year shall not exceed the lesser of any rent increases permitted as a result of any increase in the Area Median Income (“AMI”) or five percent (5%) of the then-current rent amount.

MBOH staff may grant exceptions to this limit as necessary to reflect actual cost increases. Exception requests, together with supporting cost and rent documentation, must be submitted at least ninety (90) days in advance of the desired effective date of any requested rent increase in excess of the limit.

Rent increases (whether or not in excess of the foregoing limits) based upon the addition of any mandatory tenant obligation (e.g., adding tenant payment of utilities where not so specified in the Application) are also subject to MBOH approval.

COMPLIANCE FEES

The compliance monitoring fee is payable annually at the time of the Owner's Submission of the Owner's Certificate of Continuing Program Compliance for the time period being submitted. Refer to the Fee Schedule on the website for current fees.

A late fee will be assessed if the complete Annual Compliance Package is not received by the deadline. Failure to submit corrections on noncompliance by the deadline set by MBOH will result in an initial late fee and an additional per-week fee until all required documentation is received by MBOH. A one-time extension may be granted if a written request is submitted to MBOH no later than 10 days prior to the deadline. If an extension is granted and the extension deadline passes without MBOH receipt of the complete documentation, a per-week fee will be imposed until all required documentation is received by MBOH.

DATA COLLECTION

The Owner must assist MBOH in meeting federal reporting requirements by collecting and submitting information annually concerning the race, ethnicity, family composition, age, income, use of rental assistance under section 8(o) of the United States Housing Act of 1937 or other similar assistance, disability status, and monthly rental payments of all qualified households. All property Owners must submit operating income and cost information for the property's latest fiscal period, including a current balance of replacement and operating reserve accounts and, at least annually and upon the request of MBOH, copies of the project's most current financial statements (including profit and loss statement and balance sheet).

ANNUAL COMPLIANCE SUBMISSION

The Owners Certificate of Continuing Program Compliance must be submitted annually throughout the Extended Use Period for each property. The certificate must be signed by the Owner and notarized.

Owners must file annual certifications on the Form provided by MBOH. MBOH may file an IRS Form 8823 if the Owner fails to submit an annual certification before the deadline.

A checklist of the materials required for submission follows:

- Annual Owner's Certification
- Income/Expense Report
- Reserves Form
- Property Contact Information Form
- HC/Fair Housing Certifications
- Tenant Recertification
- Paying compliance fees

These materials must be submitted to MBOH by the deadline for the property's annual reporting period. Management company policy will outline which staff members are responsible for each of the tasks. This manual will address each of these tasks in some detail.

The Owners Certificate of Continuing Program Compliance, Tenant Income Certifications (TIC) and other Annual Compliance package items must be submitted on or before the 25th of the month following the assigned annual period. Federal regulations stipulate there must be no more than 12 months between certifications.

MANAGEMENT CHANGES

Written notification of changes to property management companies, managers, site managers, or changes to points of contact must be submitted to MBOH prior to or immediately upon implementation of the change. Changes not received by MBOH prior to change or immediately upon change, or within a 15-day grace period, will result in an initial late fee and monthly late fees thereafter until written notification is received.

Replacement of a Management Company with a company that is not a Qualified Management Company or failure to timely submit such notification to MBOH may trigger issuance of an IRS Form 8823.

OWNERSHIP CHANGES

Prior to a sale, transfer or exchange, the Owner must notify in writing and obtain the written agreement of any buyer, successor or other person acquiring the project or any interest therein that such acquisition is subject to the requirements of the Restrictive Covenants, Section 42 and the applicable QAP.

The following forms available on MBOH's website are due prior to the sale:

- Property Change Information Form
- Purchaser Agreement
- Release of Information Form

The Owner must provide MBOH with at least 120 days advance written notice prior to offering or listing any project property for sale, assignment, transfer or exchange or entering into any agreement for such transaction. MBOH may notify prospective buyers who may submit offers to purchase such property. The Owner shall notify MBOH within ten business days of the filing of any judicial foreclosure action, receipt of any notice of trustee's sale or receipt or submission of any proposal for a deed in lieu of foreclosure with respect to any project or project property and provide MBOH with copies of the complaint, notice of trustee's sale or deed in lieu of foreclosure proposal, as applicable. MBOH may notify the United States Secretary of the Treasury if it has reason to believe that any potential foreclosure sale or deed in lieu of foreclosure is part of an arrangement to terminate the LURA restrictions.

Such form, executed by the buyer, successor or other person acquiring the project must be submitted to MBOH prior to closing of the sale, transfer or exchange. The Board may void any sale, transfer or exchange of the project if the buyer, successor or other person fails to assume in writing the requirements of this Agreement and the requirements of Section 42 of the Code.
