New Hampshire Housing Now Accepting Applications for Emerging Opportunities Program

Funding available for nonprofits to improve structure, expand services

BEDFORD, N.H. – New Hampshire based nonprofits who are engaged in affordable housing activities may be eligible for grant funding through New Hampshire Housing’s Emerging Opportunities Program. The program encourages and supports innovative new initiatives in affordable housing, and is now accepting applications.

Initiatives must be directly related to an improvement in an organization’s structure, leading to long term sustainability of the organization, a substantial expansion of existing services, or the addition of new services. Organizations that apply must be nonprofit and must have a primary mission that is the development of, or advocacy for, housing that serves very-low to moderate income households.

Applications must be received by Friday, April 16, 2014. Funding decisions will be approved by the New Hampshire Housing Board of Directors.

More details about the program and application requirements can be found at www.nhhfa.org under the “What’s New” section. For help or questions regarding the Emerging Opportunities Grant Program, please call George Reagan at 603-310-9253 or e-mail greagan@nhhfa.org.
