Welcome

Dear New Yorker,

On February 17, 2009 President Obama signed the **American Recovery and Reinvestment Act (ARRA)** to get our economy moving again. New York State is expected to receive \$26.7 billion for updating our infrastructure, improving our schools and training our unemployed. The pages of **recovery.ny.gov** will detail how we spend that money, and provide information for governments, organizations and other entities interested in applying for funding under ARRA. If you are an individual looking for assistance you may wish to visit the **Governor's Resources Page for Working Families**.

I encourage all New Yorkers to **sign-up for updates** and use this site to learn about the role New York State will play in making the American Reinvestment and Recovery Act a success.

Sincerely,
Governor David A. Paterson

Projects and Programs

Governor Paterson has **announced** or **certified** dozens of programs and projects as part of the American Recovery and Reinvestment Act.

Visit our **projects and programs** page to learn more about the projects that have been announced.

Overview

The Recovery Act signed into law by President Obama on February 17th, 2009 includes measures to modernize our nation's infrastructure, enhance energy independence, expand educational opportunities, preserve and improve affordable health care, provide tax relief, and protect those in greatest need. **Learn More...**
