The Federal Housing Finance Agency directed Fannie Mae and Freddie Mac to begin setting aside funds for the National Housing Trust Fund (NHTF) beginning January 1, 2015 and to transfer funds 60 days after the end of 2015 and each year thereafter. NLIHC estimates that somewhere between \$250 million and \$500 million will become available early next year to be distributed to states as a result. The estimates of the per state amounts were calculated by NLIHC, based on HUD's Proposed Rule for the Housing Trust Fund Allocation Formula and the 2007-2011 Comprehensive Housing Affordability Strategy (CHAS) data. These estimates account for adjustments made to certain state allocations to ensure that each state receive at least \$3 million as required by law. Learn more at [www.nhtf.org](http://www.nhtf.org)
