

**Government of the Commonwealth of the Northern Marianas Islands**  
**LOW-INCOME HOUSING TAX CREDIT PROGRAM**  
**2010 QUALIFIED ALLOCATION PLAN**

**I. Introduction**

The Low-Income Housing Tax Credit Program (LIHTC), created by the Tax Reform Act of 1986, is intended to encourage the construction or rehabilitation of low-income rental units. The regulations which govern this Program are contained in Section 42 of the Internal Revenue Code. This Program provides Federal tax credits to qualified project owners who agree to maintain all or a portion of a project's units for low-income individuals or families. The Northern Marianas Housing Corporation ("NMHC") has been designated as the agency responsible for the administration of the Federal Low-Income Housing Tax Credit Programs for the Commonwealth of the Northern Marianas Islands ("CNMI").

In accordance with the Omnibus Spending Bill of 2000, Omnibus Budget Reconciliation Act of 1989 and the Budget Reconciliation Bill of 1990, NMHC developed this "Qualified Allocation Plan" which sets forth (1) the criteria to evaluate and allocate tax credits to projects which best meet the housing needs of the State, and (2) the procedure to monitor for compliance with the provisions of the Low-Income Housing Tax Credit Program.

The allocation plan will utilize a point system to rank projects based upon the evaluation criteria established. The ranking of projects, along with all other relevant data, will determine the priorities to be followed by NMHC in allocating tax credits to the projects under consideration. The scores derived from the point system will be a component of the overall evaluation, and not the sole determining factor for the awarding of tax credits. In addition to the scores derived, NMHC will review all relevant data required in the application. Projects selected under this allocation plan shall then be evaluated as to the minimum amount of tax credits required in order to make the project feasible.

**This allocation plan shall be effective for reservations and awards of LIHTC for calendar years 2010 and 2011. The allocation plan is subject to amendment by the NMHC Board of Directors.**

## II. Application Process

Applications for the Low-Income Rousing Tax Credit are available at NMHC's office or by submitting a written request to NMHC at the address shown below.

Northern Marianas Housing Corporation  
c/o Executive Director  
Middle Road, Garapan  
Saipan, MP 96950

Applications for tax credits should be submitted to NMHC by no later than the deadline indicated below. Upon receiving an application for tax credits, NMHC shall review the application to ensure that the application is complete and contains all required information. The executive director shall have the right to defer the consideration of any application if, in his sole discretion, such deferral is deemed in the best interests of meeting housing needs.

Complete applications shall then be evaluated in accordance with the allocation plan to determine the project's rank in relation to other projects in the evaluation. Projects receiving the highest ranking shall then be evaluated to determine the minimum amount of tax credits required to make the project feasible. The amount of tax credits reserved or allocated to a particular project will be limited to the amount NMHC, in its sole discretion, deems necessary to make the project feasible.

## III. Selection Criteria Point System

Each application will be evaluated and awarded points in accordance with the following criteria. Unless otherwise indicated, all references to low-income unit(s) or low-income rental unit(s) shall mean low-income housing tax credit unit(s).

	CRITERIA	POINTS
1.	Project will provide low-income units for a longer period than is required under Section 42 of the Internal Revenue Code.	1 - 5 *
2.	Project will provide a greater percentage of low-income units than required under Section 42 of the Internal Revenue Code.	1 - 10 *
3.	Project has the appropriate zoning or the applicant has secured the necessary exemptions/variances to construct the project as proposed.	0 or 7 *
4.	Applicant demonstrates that all low-income units will be made available to people holding valid Section 8 vouchers.	0 or 6*
5.	Project will serve tenant populations of individuals with children and provide 3-bedroom units or larger.	0 or 10*
6.	Project will give preference to special tenant populations.	0 or 3*
7.	Project is participating with a local tax-exempt organization and is sponsored by a qualified non-profit, as defined in Section 42 of the Internal Revenue Code.	0 or 1 *

8.	The ratio of total tax credits requested as a percentage of total project cost.	0 - 5 *
9.	Project will be receiving project-based rental assistance subsidies which would result in eligible tenants paying approximately 30% of their gross monthly income towards rent. Eligible programs shall include, but not be limited to, the Rural Development 515 Loan Program and HUD Section 8 project-based Rental Assistance Program.	0 - 4 *
10.	Local Government Support.	0 - 2 *
11.	Developer will sell the units with a preference towards selling to current residents after 15 years.	0 or 7 *
12.	Project is located in a qualified census tract, the development of which contributes to a concerted community revitalization plan as determined by NMHC.	0 or 2 *
13.	Project location and market demand.	0 - 10 *
14.	Developer experience.	-8 - 10 *
15.	Overall project feasibility.	0 - 10 *

\* See pages 4 - 9 for description.

Criteria 1.

If, under the Restrictive Covenant Document, the project is "affordable" for:

15 years or less	1 point
16 years through 20 years	2 points
21 years through 25 years	5 points

Criteria 2.

With respect to the set-aside affordability, if project provides:

20% of the project to households earning less than 50% of AMGI, OR 40% of the project to households earning less than 60% of AMGI	1 Point
40% of the project to households earning 50% or less of AMGI, OR 60% of the project to households earning 60% or less of AMGI	2 Points
60% of the project to households earning 50% or less of AMGI, OR 80% of the project to households earning 60% or less of AMGI	3 Points
100% of the project to households earning 60% or less of AMGI	10 Points

Criteria 3.

The applicant's readiness to proceed with the development of this project with respect to development approvals:

The applicant has obtained all necessary zoning and entitlements for the property, including subdivision approvals and upon receipt of credits, is ready to proceed with the development of the project without any additional development approvals other than customary land disturbance and building permits. 7 Points

Project is not appropriately zoned and/or does not conform to State Land Use regulations or requires 201 G, variances, subdivision approval or any other exemption from any local or state land use restrictions. 0 Points

Criteria 4.

The applicant demonstrates that all low-income units will be available to people holding valid Section 8 vouchers.

If the answer to the question is NO 0 Points

If the answer to the question is YES and the applicant is able to demonstrate that all low-income units will be available to people holding valid Section 8 vouchers. 6 Points

Criteria 5.

The project will serve tenant populations of individuals with children and will provide three (3) bedroom units or larger for at least 60% of all low-income units in the project.

If the answer to the question is NO 0 Points

If the answer to the question is YES 10 Points

Criteria 6.

Project will commit to serve the following tenant populations:

- 1) Tenant populations with special housing needs. Special needs groups are "persons for whom social problems, age or physical or mental disabilities impair their ability to live independently and for whom such ability can be improved by more suitable housing conditions."

Projects may receive 3 points for this criterion if it commits to the following:

The project will set-aside at least 20% of all units for tenant populations with special housing needs. Persons with special housing needs may include the physically and mentally disabled. To receive consideration for this criterion:

- The project must commit to provide case management or services specific to this population or special facilities to accommodate the physically disabled.
- The Market Study shall specifically address the housing needs for the special needs group. 3 Points

-Or

- 2) Elder or elderly households. Projects may receive a total of 3 points, if all residential units in the project are set-aside for elders or elderly households. 3 Points

*Applicants may receive points for electing to serve one of these tenant populations.*

Criteria 7.

Project is participating with a local tax-exempt organization and is sponsored by a qualified non-profit, as defined in Section 42 of the Internal Revenue Code.

If the answer to the question is NO 0 points  
If the answer to the question in YES 1 Point

Criteria 8.

If total federal tax credit requested (gross) as a percentage of total project cost is:

Greater than 90% of total project cost	0 Points
81 % through 90% of total project cost	1 Point
71 % through 80% of total project cost	2 Points
61 % through 70% of total project cost	3 Points
51 % through 60% of total project cost	4 Points
50% or less of total project cost	5 Point

Criteria 9.

Project will be receiving project-based rental assistance subsidies which would result in eligible tenants paying approximately 30% of their gross monthly income towards rent. Eligible programs shall include, but not be limited to, the Rural Development 515 Loan Program and HUD Section 8 project-based Rental Assistance Program.

If the answer to the question is NO 0 points are awarded  
If the answer to the question is YES 1 to 4 points are awarded \*

\* If the whole project has project based subsidies then 4 points is awarded, if only a portion of a project has project based subsidies, then the scoring will be adjusted based upon the percentage of units subsidized. The percentage is derived as "Number of Subsidized Units / Tax credit and non-tax credit subsidized units," provided they are developed simultaneously.

Criteria 10.

Local government support. The project will receive a below market loan or grant from a State or local governmental agency other than NMHC which, in total amounts to 10% or more of the total development cost.

The project has not applied for a below market loan or grant from a government agency, or if the total amount applied for is less than 10% of total development costs. 0 points

The project has applied for a below market loan or grant from a government agency. Documentation must be provided evidencing that an application for financing has been submitted. 1 point

The project has received a commitment from a government agency. A copy of a commitment letter or contractual agreement must be included in the application. 2 points

Criteria 11.

Developer will commit to offer the units to sale at the end of the fifteen-year compliance period first to existing tenants who can qualify through currently available home ownership programs or other funding sources.

If the answer to the question is NO 0 points

If the answer to the question in YES 7 points

Criteria 12.

Project is located in a Qualified Census Tract. The project will redevelop existing housing, which contributes to a concerted community revitalization plan as determined by NMHC. For example: site is located in an Enterprise Community, Empowerment Zone, or part of a County redevelopment plan.

If the answer to the question is NO 0 Points

If the answer to the question in YES 2 Points

To receive consideration for this criteria, applicant must provide an explanation on how this project is in compliance with such plan and its benefit to the overall community. The applicant must provide a letter of interest or a binding agreement with the government agency administering the community revitalization plan.

Criteria 13.

Project location and market demand.

0 to 10 Points

A comprehensive Market Study of the housing needs of low-income individuals in the area to be served by the project by a disinterested party approved by the NMHC must be completed no later than thirty days after NMHC issues a Tax Credit Reservation. A final Market Study is not required at the time of the initial application. The Market Study must be completed at the Owner's expense. Any application which fails to submit a Market Study or submits a Market Study dated over 6 months from the time of application, shall be returned to the applicant and will not receive further consideration.

Market Study requirements are specified in Appendix I.

The points awarded will be based on NMHC's evaluation of following factors:

- Employment opportunities, schools, medical facilities located in the immediate vicinity of the project site 5 points
- Recreational facilities, shopping facilities, located in the immediate vicinity of the project site; 2 points
- Documented/supported market demand; 2 points
- Proposed rental rates are below market rents for the immediate surrounding area? 2 points
- Housing characteristics (e.g., design, density) appropriate for neighborhood; 2 points
- Neighborhood conducive for senior or family use 2 points

Criteria 14.

Developer experience.

-8 to 10 points

The points awarded will be based on NMHC's evaluation of following factors:

- Development Team has successfully met program objectives on past proposals; 8 points
- Development Team' has failed to meet program objectives on past proposals or any NMHC programs; -8 points
- Development Team has successfully completed similar projects; 2 points

### **Criteria 15.**

Overall Project Feasibility.

0 to 10 points

The points awarded will be based on NMHC's evaluation of the following factors that could impact overall project feasibility:

- Documentation of development costs; 2 points
- Documentation of operating costs 2 points
- Debt Service Coverage Ratio of >1.15x; 2 points
- Operating reserves equal to three months of monthly operating expenses; 2 points
- Financial Commitments in place. 2 points

#### **IV. Rights of NMHC**

NMHC reserves the right to disapprove any application or project for any tax credit reservation or allocation, regardless of ranking under the criteria and point system as contained in section III of this allocation plan. The executive director or his designated representative shall have the authority to defer consideration of any application if, in his sole discretion, such deferral is deemed in the best interest of meeting housing needs.

NMHC reserves the right, in its sole discretion, to (i) hold back a portion of the annual state and federal housing credit ceiling for use during later reservation cycles, (ii) carryover a portion of the current year's housing credit ceiling for allocation to a project which has not yet been placed in service, and (iii) under certain conditions, issue a reservation for up to 75% of the next year's housing credit ceiling.

NMHC is required under the I.R.C. of 1986, as amended, to allocate the minimum amount of tax credits required to make a project feasible. The determination of the amount of tax credits to be reserved or allocated to a project shall be made solely at the discretion of NMHC. NMHC may, at the time of issuance of the IRS Form(s) 8609 for the project, decrease the amount of tax credits allocated to a project based on the actual cost and financing of the project.

NMHC may, at its sole discretion under certain circumstances, conduct a special round after the final scheduled round for a year for projects (i) where the applicant's tax counsel has attested to an itemization of how the ten percent test prescribed by Code Section 42(h)(1)(E) will be met; (ii) which have no deficient application items; and (iii) for which all exhibits have been submitted ("Year-End Round"). Year-End Round projects will receive a Carryover Allocation, not a reservation of LIHTCs, which may contain certain conditions and time periods for satisfying them. The circumstances for conducting a Year-End Round are (1) availability of LIHTCs and (2) potential loss of LIHTCs to the national pool. When a Year-End Round is being conducted, applicants need to satisfy the above requirements in order to receive a Carryover

Allocation; and LIHTCs will be processed on a first-come first-served basis and allocated to the extent available and to the extent applications can be processed.

NMHC in no way represents or warrants to any interested party which may include, but is not limited to, any developer, project owner, investor or lender that the project is, in fact, feasible or viable.

No member, officer, agent or employee shall be personally liable concerning any matters arising out of, or in relation to, the reservation or allocation of the Low-Income Housing Tax Credit.

## **V. Compliance Monitoring Plan**

### **A. Summary**

NMHC shall monitor compliance with all applicable Federal Program requirements for the period a project is committed to providing low-income rental units. NMHC will require that all qualified tenants of a project be certified upon occupancy and be re-certified annually to ensure compliance. Projects shall be required to maintain copies of the income certification for each tenant on forms approved by NMHC. Projects will also be required to maintain records regarding number of rental units (including number of bedrooms and size of square footage of each bedroom); percentage of rental units that are low-income units; rent charged on each rental unit including utility allowances; number of occupants in each low-income unit for those buildings receiving tax credits prior to 1990; documentation regarding vacancies in the building; eligible and qualified basis of the building at the end of the first year of the credit period, and at the end of each year until required set-asides are met; and character and use of the nonresidential portion of the building that is included in the building's eligible basis, all in accordance with the rules published by the Internal Revenue Service. NMHC may perform an audit annually but at a minimum, once every three years, and shall have access to all books and records upon notice to the project owner. Annually, owners of low-income housing tax credit projects will be required to certify to NMHC that for the previous year, the minimum set-aside requirement was met; there was no change in the applicable fraction, or an explanation if there was a change; appropriate income certifications and documentation have been received for each low-income tenant; each low-income unit was rent-restricted in accordance with the Code; all units were for use by the general public and used on a no transient basis (except for transitional housing for the homeless as provided for in the Code); each building was suitable for occupancy, taking into account local health, safety and building codes; there was no change in the eligible basis in the project, or an explanation if there was a change; all tenant facilities included in the eligible basis were provided on a comparable basis without charge; rentals of vacancies were done in accordance with the Code; rentals of units were done in accordance with Code if any tenant's income increased above the limit allowed by Code; and a Restrictive Covenant document was in effect for the project, for those buildings receiving credits after 1989, all in accordance with the rules published by the Internal Revenue Service.

If NMHC becomes aware of non-compliance, the Internal Revenue Service shall be notified in accordance with the rules published by the Internal Revenue Service.

Please consult with your tax attorney and/or LIHTC consultant regarding Internal Revenue Code regulations. Owners are responsible for keeping abreast of current Program requirements.

The guidelines outlined below pertain to projects allocated Federal and State Low Income-Housing Tax Credits in CNMI.

## B. Compliance

### Owner/Manager Training

Owners, managing agents, and on-site managers should attend or document that they have recently attended training on management and compliance prior to leasing any units, but no later than receipt of IRS Form 8609, which certifies an allocation of tax credits. Training may be required following significant or repeated noncompliance events. At minimum, such training should cover key compliance terms, qualified basis rules, determination of rents, tenant eligibility, file documentation, next available unit procedures and unit vacancy rules, agency reporting requirements, record retention requirements, and site visits.

### Set Aside

The project must comply with the low-income set-aside requirements of Section 42 of the Internal Revenue Code (the "Code") as chosen by the owner at the time of receiving the credits. The minimum requirements are either:

1. 20 percent or more of the units are occupied by tenants having a household income of 50 percent or less of the area median gross income (the "20-50 requirement"), or
2. 40 percent or more of the units in the project are occupied by tenants having a household income of 60 percent or less of the area median gross income (the "40-60 requirement").

Tenant income is calculated in a manner consistent with the determination of annual income under Section 8 of the United States Housing Act of 1937, as directed by the Internal Revenue Code. Area median incomes are determined annually by the U.S. Department of Housing & Urban Development (HUD), and are available from NMHC.

### Rent

Units in the project must be rent-restricted to either thirty (30) percent of the

median income adjusted for family size for the area in which the project is located or rent restricted to thirty (30) percent of the imputed income limitations based on unit size. This rent restriction must be maintained throughout the Term of the Compliance and Extended-use period. See 'D. Rent Restrictions' in this section for further information.

#### Term of Compliance

Projects must comply with eligibility requirements for the initial 15-year period (compliance period).

#### Annual Certification

These and other compliance requirements as listed in Section A. Summary must be certified annually by the owner through the submission of the Annual Report. The Annual Report includes the Owner's Certificate of Continuing Program Compliance and shall be submitted by February 1 of each year throughout the compliance/extended-use period. The Annual Report and the supporting documentation verifying the information on the Annual Report must be kept for a minimum of six (6) years after the due date (with extensions) for filing the federal income tax return for that year. The records for the first year of the credit period, however, must be retained for at least 6 years beyond the due date (with extensions) for filing the federal income tax return for the last year of the compliance period of the building, in accordance with published IRS guidelines.

#### IRS Form 8609

Owner shall complete Part II of IRS Form 8609 and submit with subsequent Annual Report.

#### Status Reports

This report is to be submitted annually by owners in such format as required by NMHC or its Authorized Delegate to document and track the continuous compliance of tax credit units. The documents report data that tenants are income eligible at move-in, that occupants of LIHTC units are re-certified at least on an annual basis and that the unit rents are restricted. Documentation will also indicate compliance with the vacant unit rule and 140% rule. The tracking of tax credit units substantiates the maintenance, increase or reduction of each BIN's qualified basis.

### C. Qualifying Households

Applicants for low-income units should be advised early in their initial visit to the project that there are maximum income limits, which apply for these units.

Management should explain to the tenants that the anticipated income of all persons expecting to occupy the unit must be verified and included on a Tenant Income Certification (TIC) prior to occupancy, and re-certified on an annual basis. Applicants should be informed of other Internal Revenue Services requirements such as the Student Rule and Recertification's.

#### Unborn Children

In accordance with the HUD Handbook 4350.3, owner shall include unborn children in determining household size and applicable income limits. If permitted by state laws, owner shall require documentation of pregnancy in such circumstances.

#### Student Households

In accordance with the Internal Revenue Code, a household comprised entirely of full-time students may not be counted as a qualified household, unless the household meets at least one exception. Refer to the Internal Revenue Code for additional guidelines on the exceptions. Owner shall utilize a lease provision requiring tenants to notify managing agent of any change in student status.

#### Calculating Anticipated Tenant Income

Owner shall qualify tenants by calculating household income using the gross income the household anticipates it will receive in the 12-month period following the effective date of the income verification or Recertification. Anticipated income should be documented in the tenant file by third party verification whenever possible, or by an acceptable alternate method of verification with documentation as to why third party verification was not available. Owner shall use current circumstances to project income, unless verification forms or other verifiable documentation indicate that an imminent change will occur. Owner shall refer to HUD Handbook 4350.3 for guidance on the proper calculation and verification of income and assets per IRC regulations.

#### Certification

Upon acceptance of an applicant to the project, a TIC must be completed for the applicant and certified to by the applicant and the owner. The form is a legal document which, when fully executed, qualifies the applicants to live in the set-aside units in the project.

The TIC must be executed along with the lease prior to move-in. No one may live in a unit in the project unless he is certified and under lease.

The original copy of the executed TIC form is to be retained in the applicant's file. The TIC and the supporting documentation verifying the TIC must be kept for a minimum of six (6) years after the due date (with extensions) for filing the federal income tax return for that year. The records for the first year of the credit period,

however, must be retained for at least 6 years beyond the due date (with extensions) for filing the federal income tax return for the last year of the compliance period of the building, in accordance with published IRS guidelines.

#### Recertification

For projects with less than 100% set-aside:

To ensure each unit is complying with the LIHTC income restrictions, NMHC requires (a) the owner to annually recertify each tenant's income and household composition and (b) each tenant is to report certain changes in income and household composition which occur between regularly scheduled recertifications.

If the income of the tenants in a unit who have been previously verified increases above 140 percent of the applicable income limitation, the unit may continue to be counted as a low-income unit as long as the next available unit of comparable or smaller size is occupied by a qualified low-income tenant, and the rent continues to be restricted for the initial unit.

Each tenant's annual recertification is to be completed within one year of last recertification. The request for recertification shall be made between 60 and 90 days before the effective date, and it must clearly state that the tenant has ten (10) calendar days in which to contact the owner to begin recertification processing. The notice must also state the days and hours available for the interview, the information the tenant should bring to the interview, and how and whom to contact to schedule the interview.

Upon reverification of the tenant's income, the owner shall complete a new TIC, which shall be certified to by the owner or owner's designee.

#### Past-Due Recertification

A recertification is considered past due if the TIC for the tenant is not certified by tenant and owner within twelve months of the last recertification.

#### D. Rent Restrictions

For projects receiving Low-Income Housing Tax Credits during the years 1987 to 1989, the tenant's gross rent may not exceed thirty (30) percent of the median income adjusted for family size for the area in which the project is located. The gross rent must include an allowance for utilities.

Projects receiving Low-Income Housing Tax Credits after January 1, 1990 must comply with the following procedures:

Units in the project must be rent-restricted to 30% of the imputed income limitations for each unit, based upon HUD area median incomes and size of units.

Rents are imputed by bedroom size in the following manner: a unit which does not have a separate bedroom - 1 individual; and a unit with 1 or more separate bedrooms - 1.5 individuals per bedroom.

Gross rent does not include any payment for various rental assistance programs and supportive service assistance as outlined in Section 42 of the Code. Gross rent must include any allowance for utilities.

HUD publishes the area median incomes for each state annually. Updated income limits must be implemented pursuant to IRS Revenue Ruling 94-57, "Taxpayers may rely on a list of income limits released by HUD until 45 days after HUD releases a new list of income limits, or until HUD's effective date for the new list, whichever is later." Rents may be increased accordingly as the area median income increases.

If the income of the tenants in a unit who have been previously verified increases above 140 percent of the applicable income limitation, the unit may continue to be counted as a low-income unit as long as the next unit of comparable or smaller size is occupied by a qualified low-income tenant, and the rent continues to be restricted for the initial unit.

E. Eviction of Tenants

Once an eligible tenant has been certified and admitted to the project, the tenant may not be displaced solely due to an increase in the tenant's household income beyond the restricted limit.

F. Audits

The project may be subject to a management audit by NMHC or its Authorized Delegate annually but, at a minimum, once every three years. Notification of an audit shall be given to the owner at least 30 days prior to such audit. The results of the management audit and the recommendations for corrective action to protect and maintain the project shall be transmitted to the owner within thirty (30) days following the completion of the audit.

The purpose of the audit will be to conduct a physical inspection of the building and/or project, and, for at least 20 percent of the project's low-income units, to inspect the units and review the low-income certifications, documentation supporting the certifications, and rent records for the tenants in those units. The audit may also consist of a review of first year tenant records, a review of the documentation supporting the Annual Report, and any other documentation necessary for NMHC to make a determination as to whether the project is not in compliance with the Code.

When conducting tenant file reviews, NMHC's and its Authorized Delegate's reviews shall include, but not be limited to:

- completed rental application, including certification of assets and disposal of assets, if applicable;
- tenant income certification completed for move-in and current year, including all required signatures and dates;
- income verification(s) completed and documented;
- assets verified in accordance with IRC regulations;
- student eligibility documentation;
- lease and lease addendums completed at move-in;
- utility allowance on file;
- review of first year tenant records which qualified the project initially for tax credits

The owner shall have a period of thirty (30) days in which to respond to the findings of the management audit. NMHC shall review the owner's response to determine the extent to which the issues raised in the management audit letter are addressed. Findings, whether corrected or not, will be reported to the IRS.

See the following Section J for information on notification to the IRS of any non-compliance found in the management audit.

#### G. Rural Housing Service (RHS) and Tax-exempt Bond Issue Projects

In accordance with the published IRS guidelines on compliance monitoring, an exception may be granted to RHS projects under its section 515 program and buildings or projects of which 50 percent or more of the aggregate basis is financed with the proceeds of tax-exempt bonds.

The IRC regulations allow for exception of a building from the inspection requirement if the building is financed by RHS under the section 515 program, the RHS inspects the building [under 7 CFR part 1930(C)], and the RHS and the allocating agency enter into a memorandum of understanding, or other similar arrangement, under which the RHS agrees to notify the allocating agency of the inspection results. Irrespective of the physical inspection standard selected by the allocating agency, a low-income housing project under section 42 of the Internal Revenue Code must continue to satisfy local health, safety and building codes. A memorandum of understanding has not been executed between NMHC and RHS.

Annual Reports, QBTS, Compliance Monitoring Status Reports and other reports are still required of RHS projects. Although NMHC has allowed the use of the RD 1944-8, the form does not determine eligibility for specific LIHTC requirements. Owners need to determine whether the TIC will be used or a worksheet will be attached to RD 1944-8 to determine eligibility under the IRC. Management audits will still be conducted as indicated herein.

An owner who for some reason is not able to make any of the required certifications stated on the Annual Report or other requirements must inform the Agency immediately of such inability, as well as explain the reason for said inability.

## H. Reporting Requirements

- a. The LIHTC Annual Report must be submitted annually by February 1 of each year throughout the compliance/extended-use period.
- b. Part II of the IRS Form 8609 must be completed by the owner and submitted with initial Annual Report.
- c. Qualified Basis Tracking Sheets (QBTS) are submitted at a minimum annually with LIHTC Annual Report until all set-asides are established.
- d. Status Reports are submitted annually by owners with Annual Report to document and track the continuance compliance of tax credit units throughout the compliance/extended-use period.

These forms must be sent in to NMHC or its Authorized Delegate at the address shown in Section II.

The Certification of Eligibility and LIHTC forms listed above are available from NMHC. Additionally, NMHC has data regarding HUD area median incomes, maximum rental rates, income verification information and third party verification forms.

## I. Fees

A compliance monitoring fee of up to \$25 per unit for all units within each project shall be charged annually for administrative expenses. This fee shall be submitted with the LIHTC Annual Report for each year of the compliance/extended-use period. NMHC reserves the right to adjust fees due to changing circumstances annually each January 1. It will be the responsibility of NMHC to inform the owner of any changes in the annual compliance fee prior to the submission of fees. The compliance monitoring fee will be effective as of the Placed in Service date for the first building.

## J. Non-compliance Penalties

The penalty for non-compliance with these procedures is the potential recapture of the credits awarded and interest on the amount recaptured. The Internal Revenue Service shall determine penalties for non-compliance.

Upon determination by NMHC of non-compliance with the LIHTC Program, the owner shall be notified and given thirty (30) days to correct any discovered violations. In accordance with the Internal Revenue Service's published guidelines on compliance monitoring, NMHC will be required to notify the IRS within forty-five (45) days after the end of the thirty-day correction period, whether or not the non-compliance is corrected. NMHC will be given the opportunity on the IRS form to indicate whether the owner has corrected the non-compliance. NMHC may extend the correction period, up to a total of six (6) months, if it is

determined by NMHC that good cause exists for granting such an extension. In such case, the IRS will not be notified until the end of the extended correction period.

## **Appendix 1 Market Study**

In accordance with Section 42 (m)(iii) of the Internal Revenue Code, NMHC requires a comprehensive Market Study of the housing needs of low-income individuals in the area to be served by the project by a disinterested party approved by NMHC must be submitted as part of this application. The Market Study shall be completed at the Owner's expense. Any application which failing to submit a Market Study or submits a Market Study dated over 6 months from the time of application, shall be returned to the applicant and will not receive further consideration.

The Market Study shall address the following information:

- A statement of the competence of the market analyst.
- A description of the proposed site.
- Demographic analysis of the number of households in the market area which are income eligible and can afford to pay the rent. Estimate of capture rates for the market areas.
- Geographic definition and analysis of the market area.
- Identification of the project including location, unit counts, income levels and target population. Market Study must be consistent with the proposed project.
- Analysis of household sizes and types in the market.
- A description of comparable developments in the market area.
- Analysis of practically available rents, vacancy rates, operating expenses and turnover rates of comparable properties in the market area.
- Analysis of practically available rents, vacancy rates and turnover rates of market rate properties in the market area. Projected operating funds and expenses, when available at the time of the study.
- Expected market absorption of the proposed rental housing, including a description of the effect of the market area.
- Identification and commentary of proposed projects in the market areas.
- Analysis of market demand for tenants with special housing needs when applicable.

Projects that are requesting credits from eligible basis generated from a Community Service Facility as defined in Section 42 (d) (4) (C) (iii) must provide a market study that addresses the following:

- A description of Services provided that improve the quality of life for community residents
- The market area and demand for services provided.
- The applicability of service provided to the community.
- The affordability of the services provided persons of 60% AMGI or less.
