# TRANSACTION ADVISORY SERVICES

Expert advisory services for stakeholders on all sides of a transaction.

KNOWLEDGE ♦ EXPERIENCE ♦ SERVICE

# EXPERTISE TO GUIDE STAKEHOLDERS ON ALL SIDES OF TRANSACTION ADVISORY SERVICES

Novogradac's transaction advisory services practice offers a team of experienced, knowledgeable individuals to assist in all sides of the transaction. Whether a client is looking to buy, sell or value their business, Novogradac's team can assist with all aspects of financial due diligence.

## WIDE RANGE OF SERVICES

Novogradac's transaction advisory professionals have experience spanning a diverse array of industries including real estate developers, solar portfolios/developers, logistics and transportation, service providers, manufacturers, and more. Novogradac's team has extensive experience assisting with transactions ranging from less than \$1 million to more \$500 million.

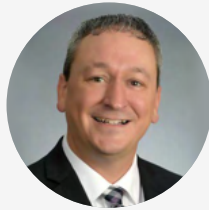

With locations all over the nation, Novogradac is able to provide local support and one-on-one attention to clients. Examples of transaction advisory services provided include:

- Quality of earnings analyses
- Balance sheet and working capital trend analyses
- Target working capital calculations
- Mergers and acquisitions consulting
- State and local tax evaluation
