The second of the two meetings will be in the format of a public hearing and will be held on August 2, also in OHFA's Board Room from 1pm to 4pm. A separate announcement for that meeting will be posted on the website no later than July 20.

In addition, the OHFA Multifamily Committee will be meeting on July 20 in the OHFA Board Room from 10am until 12pm to discuss the QAP. This meeting is also open to the public.
